§ 905.54 Marketing, research and development.

The committee may, with the approval of the Secretary, establish, or provide for the establishment of, projects including production research, marketing research and development projects, and marketing promotion including paid advertising, designed to assist, improve, or promote the marketing, distribution, and consumption or efficient production of fruit. The expenses of such projects shall be paid by funds collected pursuant to § 905.41. Upon conclusion of each project, but at least annually, the committee shall summarize the program status and accomplishments to its members and the Secretary. A similar report to the committee shall be required of any contracting party on any project carried out under this section. Also, for each project, the contracting party shall be required to maintain records of money received and expenditures, and such shall be available to the committee and the Secretary.

HANDLERS' REPORTS

§ 905.70 Manifest report.

The committee may request information from each handler regarding the variety, grade, and size of each standard packed carton of fruit shipped by him and may require such information to be mailed or delivered to the committee or its duly authorized representative, within 24 hours after such shipment is made, in a manner or by such method as the said committee may prescribe, and upon such forms as may be prepared by it.

MISCELLANEOUS PROVISIONS

§ 905.80 Fruit not subject to regulation.

Except as otherwise provided in this section, any person may, without regard to the provisions of §§ 905.52 and 905.53 and the regulations issued thereunder, ship any variety for the following purposes: (a) To a charitable institution for consumption by such institution; (b) to a relief agency for distribution by such agency; (c) to a commercial processor for conversion by such processor into canned or frozen products or into a beverage base; (d) by parcel post; or (e) in such minimum quantities, types of shipments, or for such purposes as the committee with the approval of the Secretary may specify. No assessment shall be levied on fruit so shipped. The committee shall, with the approval of the Secretary, prescribe such rules, regulations, or safeguards as it may deem necessary to prevent varieties handled under the provisions of this section from entering channels of trade for other than the purposes authorized by this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications with the committee for authorization to handle a variety pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the variety will not be used for any purpose not authorized by this section.
