

§ 920.54

7 CFR Ch. IX (1-1-13 Edition)

§ 920.54 Special purpose shipments.

(a) Except as otherwise provided in this section, any person may, without regard to the provisions of §§ 920.41, 920.52, 920.53 and 920.55 and the regulations issued thereunder, handle kiwifruit:

(1) For consumption by charitable institutions;

(2) For distribution by relief agencies; or

(3) For commercial processing into products.

(b) Upon the basis of recommendations and information submitted by the committee, or from other available information, the Secretary may relieve from any or all requirements, under or established pursuant to § 920.41, § 920.52, § 920.53 or § 920.55, the handling of kiwifruit:

(1) To designated market areas;

(2) For such specified purposes (including shipments to facilitate the conduct of marketing research and development projects); or,

(3) In such minimum quantities or types of shipments, as may be prescribed.

(c) The committee shall, with the approval of the Secretary, prescribe such rules, regulations, and safeguards as it may deem necessary to prevent kiwifruit handled under the provisions of this section from entering the channels of trade for other than the specific purposes authorized by this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications and receive approval from the committee for authorization to handle kiwifruit pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the kiwifruit will not be used for any purpose not authorized by this section.

§ 920.55 Inspection and certification.

(a) Whenever the handling of any variety of kiwifruit is regulated pursuant to § 920.52, or § 920.53, each handler who handles kiwifruit shall, prior thereto, cause such kiwifruit to be inspected by the Federal or Federal-State Inspection Service and certified as meeting the applicable requirements of such regulation: *Provided*, That inspection

and certification shall not be required for kiwifruit which previously have been so inspected and certified if such prior inspection was performed within such period as may be established pursuant to paragraph (b) of this section. Promptly after inspection and certification, each such handler shall submit, or cause to be submitted, to the committee a copy of the certificate of inspection issued with respect to such kiwifruit. The committee may, with the approval of the Secretary, prescribe rules and regulations waiving the inspection requirements of this section where it is determined that inspection is not available: *Provided*, That all shipments made under such waiver shall comply with all regulations in effect.

(b) The committee may, with the approval of the Secretary, establish a period prior to shipment during which the inspection required by this section must be performed.

(c) The committee may enter into an agreement with the Federal and Federal-State Inspection Services with respect to the costs of the inspection required by paragraph (a) of this section, and may collect from handlers their respective pro rata shares of such costs.
