concerned, or any person authorized to act for the Veterinarian in Charge.

§51.21 Cooperation with States.

The Administrator has been delegated the authority to cooperate with the proper State authorities in the eradication of brucellosis and to pay indemnities for the destruction of brucellosis-reactor animals or brucellosis-exposed animals.

§51.22 Payment to owners for goats, sheep, and horses destroyed.

(a) The Administrator may authorize the payment of Federal indemnity by the U.S. Department of Agriculture to any owner whose goats, sheep, or horses are destroyed after having been approved for destruction by APHIS.¹ Goats or sheep must be destroyed as part of a whole herd/flock depopulation to be eligible for Federal indemnity.

(b) The amount of Federal indemnity will be determined in accordance with the regulations in this part that were in effect on the date infected animals were found, or the date that the whole-herd/flock depopulation or destruction of individual animals was approved.

(c) Prior to payment of indemnity, proof of destruction must be furnished to the Veterinarian in Charge.

§51.23 Eligibility for indemnity.

Owners of animals destroyed because of brucellosis are eligible to receive Federal indemnity for their animals if the animals are:

(a) Sheep and goats in an affected herd or flock;

(b) Sheep and goats that were obtained from a herd or flock that was subsequently found to be an affected herd or flock. Epidemiological information such as test results, herd/flock history, and related evidence will be used to establish a probable date when the herd or flock was first affected with

¹The Administrator will authorize payment of Federal indemnity by the U.S. Department of Agriculture as provided in §51.24: (a) As long as sufficient funds appropriated by Congress appear to be available for this purpose for the remainder of the fiscal year; (b) in States or areas not under Federal quarantine; (c) in States requesting payment of Federal indemnity; and (d) in States not requesting a lower rate.
