§ 46.5 Annual stress test.

Each covered institution must conduct the annual stress test under this part subject to the following requirements:

(a) Financial data. A covered institution must use financial data as of September 30 of that calendar year.

(b) Scenarios provided by the OCC. In conducting the stress test under this part, each covered institution must use the scenarios provided by the OCC. The scenarios provided by the OCC will reflect a minimum of three sets of economic and financial conditions, including baseline, adverse, and severely adverse scenarios. The OCC will provide a description of the scenarios required to be used by each covered institution no later than November 15 of that calendar year.

(c) Significant trading activities. The OCC may require a covered institution with significant trading activities, as determined by the OCC, to include trading and counterparty components in its adverse and severely adverse scenarios. The trading and counterparty position data to be used in this component will be as of a date between October 1 and December 1 of that calendar year.

(d) Use of stress test results. The board of directors and senior management of each covered institution must consider the results of the stress tests conducted under this section in the normal course of business, including but not limited to the covered institution’s capital planning, assessment of capital adequacy, and risk management practices.

§ 46.6 Stress test methodologies and practices.

(a) Potential impact on capital. During each quarter of the planning horizon, a covered institution shall estimate the following for each scenario required to be used:

(1) Pre-provision net revenues, losses, loan loss provisions, and net income, and

(2) The potential impact on the covered institution’s regulatory capital
levels and ratios applicable to the covered institution under 12 CFR part 3 or part 167, as applicable, and any other capital ratios specified by the OCC, incorporating the effects of any capital actions over the planning horizon and maintenance by the covered institution of an allowance for loan losses appropriate for credit exposures throughout the planning horizon.

(b) Planning horizon. A covered institution must use a minimum planning horizon of at least nine quarters, beginning with the first day of the period covered by the stress tests.

c) Controls and oversight of stress test processes. (1) The senior management of the covered institution must establish and maintain a system of controls, oversight, and documentation, including policies and procedures, designed to ensure that the stress test processes used by the covered institution satisfy the requirements in this part. These policies and procedures must, at a minimum, describe the covered institution's stress test practices and methodologies, and processes for validating and updating the covered institution's stress test practices and methodologies consistent with applicable laws, regulations, and supervisory guidance.

(2) The board of directors of the covered institution, or a committee thereof, shall approve and review the policies and procedures of the covered institution's stress testing processes as frequently as economic conditions or the condition of the institution may warrant, but no less than annually. The board of directors and senior management must be provided with a summary of the stress test results.

§ 46.8 Publication of disclosures.

(a) Publication date. (1) An over $50 billion covered institution must publish a summary of the results of its annual stress tests in the period starting March 15 and ending March 31 of the next calendar year.

(2) A $10 to $50 billion covered institution must publish a summary of the results of its annual stress test in the period starting June 15 and ending June 30 of the next calendar year.

(3) A $10 to $50 billion covered institution that is subject to its first annual stress test pursuant to § 46.3(b)(1) of this part must make its initial public disclosure in the period starting June 15 and ending June 30 of 2015 by disclosing the results of a stress test conducted in 2014, using financial statement data as of September 30, 2014.

(b) Publication method. The summary required under this section may be published on the covered institution's Web site or in any other forum that is reasonably accessible to the public. A covered institution controlled by a bank holding company that is required to conduct an annual company-run stress test under applicable regulations of the Board of Governors of the Federal Reserve System will be deemed to have satisfied the publication requirement of this section when the bank holding company publicly discloses summary results of its annual stress test in satisfaction of the requirements of applicable regulations of the Board.
