

#### § 1225.4

#### 12 CFR Ch. XII (1–1–14 Edition)

enunciated in this part, that a temporary increase in the minimum capital level is necessary, the Director will provide notice to the affected regulated entity or entities 30 days in advance of the date that the temporary minimum capital requirement becomes effective, unless the Director determines that an exigency exists that does not permit such notice or the Director determines a longer time period would be appropriate.

(2) *Information to the Government.* The Director shall inform the Secretary of the Treasury, the Secretary of Housing and Urban Development, and the Chairman of the Securities and Exchange Commission of a temporary increase in the minimum capital level contemporaneously with informing the affected regulated entity or entities.

(b) *Comments.* The affected regulated entity or entities may provide comments regarding or objections to the temporary increase to FHFA within 15 days or such other period as the Director determines appropriate under the circumstances. The Director may determine to modify, delay, or rescind the announced temporary increase in response to such comments or objection, but no further notice is required for the temporary increase to become effective upon the date originally determined by the Director.

(c) *Communication.* The Director shall transmit notice of a temporary increase or rescission of a temporary increase in the minimum capital level in writing, using electronic or such other means as appropriate. Such communication shall set forth, at a minimum, the bases for the Director's determination, the amount of increase or decrease in the minimum capital level, the anticipated duration of such increase, and a description of the procedures for requesting a rescission of the temporary increase in the minimum capital level.

(d) *Written plan.* In making a finding under this part, the Director may require a written plan to augment capital to be submitted on a timely basis to address the methods by which such temporary increase may be attained and the time period for reaching the new temporary minimum capital level.

(e) *Time frame for review of temporary increase for purpose of rescission.* (1) Absent an earlier determination to rescind in whole or in part a temporary increase in the minimum capital level for a regulated entity or entities, the Director shall no less than every 12 months, consider the need to maintain, modify, or rescind such increase.

(2) A regulated entity or regulated entities may at any time request in writing such review by the Director.

#### § 1225.4 Standards and factors.

(a) *Standard for imposing a temporary increase.* In making a determination to increase temporarily a minimum capital requirement for a regulated entity or entities, the Director will consider the necessity and consistency of such an increase with the prudential regulation and the safe and sound operations of a regulated entity. The Director may impose a temporary minimum-capital increase if consideration of one or more of the following factors leads the Director to the judgment that the current minimum capital requirement for a regulated entity is insufficient to address the entity's risks:

(1) Current or anticipated declines in the value of assets held by a regulated entity; the amounts of mortgage-backed securities issued or guaranteed by the regulated entity; and, its ability to access liquidity and funding;

(2) Credit (including counterparty), market, operational and other risks facing a regulated entity, especially where an increase in risks is foreseeable and consequential;

(3) Current or projected declines in the capital held by a regulated entity;

(4) A regulated entity's material non-compliance with regulations, written orders, or agreements;

(5) Housing finance market conditions;

(6) Level of reserves or retained earnings;

(7) Initiatives, operations, products, or practices that entail heightened risk;

(8) With respect to a Bank, the ratio of the market value of its equity to par value of its capital stock where the market value of equity is the value calculated and reported by the Bank as

“market value of total capital” under 12 CFR 932.5(a)(1)(ii)(A); or

(9) Other conditions as detailed by the Director in the notice provided under § 1225.3.

(b) *Standard for rescission of a temporary increase.* In making a determination to rescind a temporary increase in the minimum capital level for a regulated entity or entities, whether in full or in part, the Director will consider the consistency of such a rescission with the prudential regulation and safe and sound operations of a regulated entity. The Director will rescind, in full or in part, a temporary minimum capital increase if consideration of one or more of the following factors leads the Director to the judgment that rescission of a temporary minimum-capital increase for a regulated entity is appropriate considering the entity’s risks:

(1) Changes to the circumstances or facts that led to the imposition of a temporary increase in the minimum capital levels;

(2) The meeting of targets set for a regulated entity in advance of any capital or capital-related plan agreed to by the Director;

(3) Changed circumstances or facts based on new developments occurring since the imposition of the temporary increase in the minimum capital level, particularly where the original problems or concerns have been successfully addressed or alleviated in whole or in part; or

(4) Such other standard as the Director may consider as detailed by the Director in the notice provided under § 1225.3.

### § 1225.5 Guidances.

The Director may determine, from time to time, issue guidance to elaborate, to refine or to provide new information regarding standards or procedures contained herein.

### Subpart A—General

#### § 1227.1 Purpose.

This part sets forth the procedures FHFA follows under its Suspended Counterparty Program, the purpose of which is to protect the safety and soundness of the regulated entities. The procedures require the regulated entities to submit reports when they become aware that a person with whom they have engaged or are engaging in a covered transaction within the past three (3) years has engaged in covered misconduct. The procedures set forth a process for FHFA to issue suspension orders directing the regulated entities to cease or refrain from engaging in covered transactions with such persons and any affiliates thereof for a specified period of time or permanently. A suspension order is not intended to be, and may not be issued as, a form of punishment for the suspended person. The procedures include options for:

(a) Appeal of a final suspension order to the Director;

(b) Request for reconsideration of a final suspension order after twelve (12) months have elapsed; and

(c) Request for an exception to a final suspension order in effect in order to engage in a particular covered transaction with the suspended person.
