

## Farm Credit System Insurance Corp.

## § 1408.25

(e) A debtor waives the right to a hearing and will have his or her debt offset in accordance with the proposed offset schedule if the debtor:

(1) Fails to file a written request for review within the timeframe set forth in paragraph (b) of this section, unless the Corporation determines that the delay was the result of circumstances beyond his or her control; or

(2) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that the failure to appear was due to circumstances beyond the employee's control.

(f) Upon completion of its review of the claim, the Corporation shall notify the debtor whether the Corporation's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official, pursuant to §1408.10(e). If the Corporation's determination is sustained, this notification shall contain a provision which states that the Corporation intends to collect the debt by offset or by requesting other Federal agencies for assistance in collecting the debt.

(g) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the Corporation is not required to duplicate those requirements before effecting offset.

### §1408.24 Waiver of procedural requirements.

(a) The Corporation may impose offset against a payment to be made to a debtor prior to the completion of the procedures required by this part, if:

(1) Failure to impose the offset would substantially prejudice the Government's ability to collect the debt; and

(2) The timing of the payment against which the offset will be imposed does not reasonably permit the completion of those procedures.

(b) The procedures required by this part shall be complied with promptly after the offset is imposed. Amounts recovered by offset, which are later found not to be owed to the Govern-

ment, shall be promptly refunded to the debtor.

### §1408.25 Coordinating offset with other Federal agencies.

(a)(1) Any creditor agency which requests the Corporation to impose an offset against amounts owed to the debtor shall submit to the Corporation a claim certification which meets the requirements of this paragraph. The Corporation shall submit the same certification to any agency that the Corporation requests to effect an offset.

(2) The claim certification shall be in writing. It shall certify the debtor owes the debt and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. If the intended offset is to be a salary offset, a claim certification shall instead certify that the debtor owes the debt and that the applicable requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(3) A certification that the debtor owes the debt shall state the amount of the debt, the factual basis supporting the determination of indebtedness, and the date on which payment of the debt was due. A certification that the requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Administrative Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent. A certification that the requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Salary Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent.

(b)(1) The Corporation shall not effect an offset requested by another Federal agency without first obtaining the claim certification required by paragraph (a) of this section. If the Corporation receives an incomplete claim certification, the Corporation shall return the claim certification with notice that a claim certification

which complies with the requirements of paragraph (a) of this section must be submitted to the Corporation before the Corporation will consider effecting an offset.

(2) The Corporation may rely on the information contained in the claim certification provided by a requesting creditor agency. The Corporation is not authorized to review a creditor agency's determination of indebtedness.

(c) Only the creditor agency may agree to enter into an agreement with the debtor for the repayment of the claim. Only the creditor agency may agree to compromise, suspend, or terminate collection of the claim.

(d) The Corporation may decline, for good cause, a request by another agency to effect an offset. Good cause includes that the offset might disrupt, directly or indirectly, essential Corporation operations. The refusal and the reasons shall be sent in writing to the creditor agency.

### § 1408.26 Stay of offset.

(a)(1) When a creditor agency receives a debtor's request for inspection of agency records, the offset is stayed for 10 calendar days beyond the date set for the record inspection.

(2) When a creditor agency receives a debtor's offer to enter into a repayment agreement, the offset is stayed until the debtor is notified as to whether the proposed agreement is acceptable.

(3) When a review is conducted, the offset is stayed until the creditor agency issues a final written decision.

(b) When offset is stayed, the amount of the debt and the amount of any accrued interest or other charges will be withheld from payments to the debtor. The withheld amounts shall not be applied against the debt until the stay expires. If withheld funds are later determined not to be subject to offset, they will be promptly refunded to the debtor.

(c) If the Corporation is the creditor agency and the offset is stayed, the Corporation will immediately notify an offsetting agency to withhold the payment pending termination of the stay.

## 12 CFR Ch. XIV (1-1-14 Edition)

### § 1408.27 Offset against amounts payable from Civil Service Retirement and Disability Fund.

The Corporation may request that monies payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset to collect debts owed to the Corporation by the debtor. The Corporation must certify that the debtor owes the debt, the amount of the debt, and that the Corporation has complied with the requirements set forth in this part, 4 CFR 102.3, and the Office of Personnel Management regulations. The request shall be submitted to the official designated in the Office of Personnel Management regulations to receive the request.

### Subpart C—Offset Against Salary

#### § 1408.35 Purpose.

The purpose of this subpart is to implement section 5 of the Debt Collection Act of 1982 (Pub. L. 97-365 (5 U.S.C. 5514)), which authorizes the collection of debts owed by Federal employees to the Federal Government by means of salary offsets. These regulations provide procedures for the collection of a debt owed to the Government by the imposition of a salary offset against amounts payable to a Federal employee as salary. These regulations are consistent with the regulations on salary offset published by the Office of Personnel Management, codified in 5 CFR part 550, subpart K. Since salary offset is a type of administrative offset, the requirements of subpart B also apply to salary offsets.

#### § 1408.36 Applicability of regulations.

(a) These regulations apply to the following cases:

(1) Where the Corporation is owed a debt by an individual currently employed by another agency;

(2) Where the Corporation is owed a debt by an individual who is currently employed by the Corporation; or

(3) Where the Corporation currently employs an individual who owes a debt to another Federal agency. Upon receipt of proper certification from the creditor agency, the Corporation will offset the debtor-employee's salary in accordance with these regulations.
