constitute a part of the Committee's official files.

(j) *Representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.

(1) The term "news" means information about current events or that would be of current interest to the public.

(2) Examples of news media entities include, but are not limited to, television or radio stations broadcasting to the public at large, and publishers of newspapers and other periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public.

(3) "Freelance" journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(k)(1) *Review* refers to the process of examining documents, located in response to a request for access, to determine whether any portion of a document is exempt information. It includes doing all that is necessary to excise the documents and otherwise to prepare them for release.

(2) *Review* does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(l)(1) *Search* means a reasonable search, by manual or automated means, of the Committee's official files and any other files containing records of the Committee as seem reasonably likely in the particular circumstances to contain documents of the kind requested. For purposes of computing fees under § 271.9, search time includes all time spent looking for material that is responsive to a request, including line-by-line identification of material within documents. Such activity is distinct from "review" of material to determine whether the material is exempt from disclosure.

(2) *Search* does not mean or include research, creation of any document, or extensive modification of an existing program or system that would signifi-

cantly interfere with the operation of the Committee's automated information system.

§ 271.3 Published information.

(a) FEDERAL REGISTER. The Committee publishes in the FEDERAL REGISTER, in addition to this part:

- (4) Substantive rules of general applicability, and statements of general policy and interpretations of general applicability formulated and adopted by the Committee;
- (5) Every amendment, revision, or repeal of the foregoing; and
- (6) General notices of proposed rule-making.

(b) *Annual Report to Congress*. Each annual report made to Congress by the Board includes a complete record of the actions taken by the Committee during the preceding year upon all matters of policy relating to open market operations, showing the reasons underlying the actions, and the votes taken.

(c) *Other published information*. From time to time, other information relating to open market operations of the Federal Reserve Banks is published in the *Federal Reserve Bulletin*, in the Board's annual report to Congress, and in announcements and statements released to the press. Copies of issues of the Bulletin and of annual reports of the Board may be obtained from the Publications Services of the Federal Reserve Board, 20th Street and Constitution Avenue, N.W., Washington, D.C. 20551 (pedestrian entrance is on C Street, N.W.). (c) *Expedited processing.* Where a person requesting expedited access to records has demonstrated a compelling need for the records, or where the Committee has determined to expedite the response, the Committee shall process the request as soon as practicable.
