

appoint one or more independent persons or direct appropriate staff of the Office to appraise the shares to determine their fair market value, as of the effective date of the combination, exclusive of any element of value arising from the accomplishment or expectation of the combination. Appropriate staff of the Office shall review and provide an opinion on appraisals prepared by independent persons as to the suitability of the appraisal methodology and the adequacy of the analysis and supportive data. The Director after consideration of the appraisal report and the advice of the appropriate staff shall, if he or she concurs in the valuation of the shares, direct payment by the resulting association of the appraised fair market value of the shares, upon surrender of the certificates representing such stock. Payment shall be made, together with interest from the effective date of the combination, at a rate deemed equitable by the Director.

(9) *Costs and expenses.* The costs and expenses of any proceeding under this section may be apportioned and assessed by the Director as he or she may deem equitable against all or some of the parties. In making this determination the Director shall consider whether any party has acted arbitrarily, vexatiously, or not in good faith in respect to the rights provided by this section.

(10) *Voting and distribution.* Any stockholder who has demanded appraisal rights as provided in paragraph (c)(2) of this section shall thereafter neither be entitled to vote such stock for any purpose nor be entitled to the payment of dividends or other distributions on the stock (except dividends or other distribution payable to, or a vote to be taken by stockholders of record at a date which is on or prior to, the effective date of the combination): *Provided*, That if any stockholder becomes unentitled to appraisal and payment of appraised value with respect to such stock and accepts or is deemed to have accepted the terms offered upon the combination, such stockholder shall thereupon be entitled to vote and receive the distributions described above.

(11) *Status.* Shares of the resulting association into which shares of the stockholders demanding appraisal rights would have been converted or

exchanged, had they assented to the combination, shall have the status of authorized and unissued shares of the resulting association.

§ 552.15 Supervisory combinations.

Notwithstanding the foregoing provisions of this part, the Director of the Office may waive or deem inapplicable any provision of § 552.13 or § 552.14 of this part if he or she determines that grounds exist, or may imminently exist, for appointment of a conservator or receiver for an association under subsection 5(d) of the Home Owners' Loan Act.

§ 552.16 Effect of subsequent charter or bylaw change.

Notwithstanding any subsequent change to its charter or bylaws, the authority of a Federal stock association to engage in any transaction shall be determined only by the association's charter or bylaws then in effect.

§ 555.100 What does this part do?

Subpart A of this part describes how a Federal savings association may provide products and services through electronic means and facilities. Subpart B of this part contains requirements applicable to all savings associations.

Subpart A—Authority of Federal Savings Associations To Conduct Electronic Operations

§ 555.200 How may I use or participate with others to use electronic means and facilities?

(a) *General.* A Federal savings association (“you”) may use, or participate with others to use, electronic means or facilities to perform any function, or provide any product or service, as part of an authorized activity. Electronic means or facilities include, but are not limited to, automated teller machines, automated loan machines, personal computers, the Internet, the World Wide Web, telephones, and other similar electronic devices.

(b) *Other.* To optimize the use of your resources, you may market and sell, or participate with others to market and sell, electronic capacities and by-products to third-parties, if you acquired or developed these capacities and by-products in good faith as part of providing financial services.

§ 555.210 What precautions must I take?

If you use electronic means and facilities under this subpart, your management must:

(a) Identify, assess, and mitigate potential risks and establish prudent internal controls; and

(b) Implement security measures designed to ensure secure operations. Such measures must be adequate to:

(1) Prevent unauthorized access to your records and your customers’ records;

(2) Prevent financial fraud through the use of electronic means or facilities; and

(3) Comply with applicable security devices requirements of part 568 of this chapter.

Subpart B—Requirements Applicable to All Savings Associations

§ 555.300 Must I inform OTS before I use electronic means or facilities?

(a) *General.* A savings association (“you”) are not required to inform OTS before you use electronic means or fa-

ilities, except as provided in paragraphs (b) and (c) of this section. However, OTS encourages you to consult with your Regional Office before you engage in any activities using electronic means or facilities.

(b) *Activities requiring advance notice.* You must file a written notice as described in § 555.310 before you establish a transactional web site. A transactional web site is an Internet site that enables users to conduct financial transactions such as accessing an account, obtaining an account balance, transferring funds, processing bill payments, opening an account, applying for or obtaining a loan, or purchasing other authorized products or services.

(c) *Other procedures.* If the OTS Regional Office informs you of any supervisory or compliance concerns that may affect your use of electronic means or facilities, you must follow any procedures it imposes in writing.

§ 555.310 How do I notify OTS?

(a) *Notice requirement.* You must file a written notice with the appropriate Regional Office listed at § 516.40(a) of this chapter at least 30 days before you establish a transactional website. The notice must do three things:

(1) Describe the transactional web site.

(2) Indicate the date the transactional web site will become operational.

(3) List a contact familiar with the deployment, operation, and security of the transactional web site.

(b) *Transition provision.* If you established a transactional web site after the date of your last regular onsite OTS safety and soundness examination but before January 1, 1999, you must file a notice describing your activity by February 1, 1999.
