

§ 126.608

13 CFR Ch. I (1–14 Edition)

obtained from at least two small business concerns that are competitive in terms of quality and delivery and award will be made at fair market prices. This requirement does not preclude a contracting officer from making an award to a small business under the 8(a) BD, HUBZone, SDVO SBC or WOSB Programs.

(2) *Acquisitions Valued Above the Simplified Acquisition Threshold.* (i) The contracting officer shall set aside any acquisition with an anticipated dollar value exceeding the Simplified Acquisition Threshold (defined in the FAR at 48 CFR 2.101) for small business concerns when there is a reasonable expectation that offers will be obtained from at least two small business concerns that are competitive in terms of quality and delivery and award will be made at fair market prices. However, after conducting market research, the contracting officer shall first consider a set-aside or sole source award (if the sole source award is permitted by statute or regulation) under the 8(a) BD, HUBZone, SDVO SBC or WOSB programs before setting aside the requirement as a small business set-aside. There is no order of precedence among the 8(a) BD, HUBZone, SDVO SBC or WOSB programs. The contracting officer must document the contract file with the rationale used to support the specific set-aside, including the type and extent of market research conducted. In addition, the contracting officer must document the contract file showing that the apparent successful offeror's certifications in the System for Award Management (SAM) (or any successor system) and associated representations were reviewed.

(ii) SBA believes that Progress in fulfilling the various small business goals, as well as other factors such as the results of market research, programmatic needs specific to the procuring agency, anticipated award price, and the acquisition history, will be considered in making a decision as to which program to use for the acquisition.

(c) If the contracting officer decides to set aside the requirement for competition restricted to qualified HUBZone SBCs, the contracting officer must:

(1) Have a reasonable expectation after reviewing SBA's list of qualified HUBZone SBCs that at least two responsible qualified HUBZone SBCs will submit offers; and

(2) Determine that award can be made at fair market price.

§ 126.608 Are there HUBZone contract opportunities at or below the simplified acquisition threshold or micropurchase threshold?

A CO may make a requirement available as a HUBZone set-aside if it is at or below the simplified acquisition threshold. In addition, a CO may award a requirement as a HUBZone contract to a qualified HUBZone SBC at or below the micropurchase threshold.

§ 126.609 [Reserved]

§ 126.610 May SBA appeal a contracting officer's decision not to make a procurement available for award as a HUBZone contract?

(a) The Administrator may appeal a CO's decision not to make a particular requirement available for award as a HUBZone contract to the Secretary of the department or head of the agency.

(b) An appeal is initiated by SBA's Procurement Center Representative to the CO, and may be in response to information supplied by the D/HUB, his or her designee, or other interested parties.

[69 FR 29425, May 24, 2004]

§ 126.611 What is the process for such an appeal?

(a) *Notice of appeal.* When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as a HUBZone contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.
