

§ 270.201

§ 270.201 Priority of investigation.

(a) *General.* Except as provided in this section, a Team investigation will have priority over any other investigation of any other Federal agency.

(b) *Criminal acts.* (1) If the Attorney General, in consultation with the Director, determines, and notifies the Director that circumstances reasonably indicate that the building failure being investigated by a Team may have been caused by a criminal act, the Team will relinquish investigative priority to the appropriate law enforcement agency.

(2) If a criminal investigation of the building failure being investigated by a Team is initiated at the state or local level, the Team will relinquish investigative priority to the appropriate law enforcement agency.

(3) The relinquishment of investigative priority by the Team will not otherwise affect the authority of the Team to continue its investigation under the Act.

(c) *National Transportation Safety Board.* If the National Transportation Safety Board is conducting an investigation related to an investigation of a Team, the National Transportation Safety Board investigation will have priority over the Team investigation. Such priority will not otherwise affect the authority of the Team to continue its investigation under the Act.

(d) Although NIST will share any evidence of criminal activity that it obtains in the course of an investigation under the Act with the appropriate law enforcement agency, NIST will not participate in the investigation of any potential criminal activity.

§ 270.202 Coordination with search and rescue efforts.

NIST will coordinate its investigation with any search and rescue or search and recovery efforts being undertaken at the site of the building failure, including FEMA urban search and rescue teams, local emergency management agencies, and local emergency response groups. Upon arrival at a disaster site, the Lead Investigator will identify the lead of the search and rescue operations and will work closely

§ 270.203 Coordination with Federal, State, and local entities.

NIST will enter into Memoranda of Understanding with Federal, State, and local entities, as appropriate, to ensure the coordination of investigations.

§ 270.204 Provision of additional resources and services needed by a Team.

The Director will determine the appropriate resources that a Team will require to carry out its investigation and will ensure that those resources are available to the Team.

§ 270.205 Reports.

(a) Not later than 90 days after completing an investigation, a Team shall issue a public report which includes:

(1) An analysis of the likely technical cause or causes of the building failure investigated;

(2) Any technical recommendations for changes to or the establishment of evacuation or emergency response procedures;

(3) Any recommended specific improvements to building standards, codes, and practices; and

(4) Recommendations for research and other appropriate actions needed to help prevent future building failures.

(b) A Team that is directed to prepare its public report immediately after conducting a preliminary reconnaissance will issue a public report not later than 90 days after completion of the preliminary reconnaissance. The public report will be in accordance with paragraph (a) of this section, but will be summary in nature.

(c) A Team that continues to conduct an investigation after conducting a preliminary reconnaissance will issue a public report not later than 90 days after completing the investigation in accordance with paragraph (a) of this section.
