

during a given calendar year must report to BIS within 90 days of an inspection on its total costs related to that inspection. Although not required, such reports should identify categories of costs separately if possible, such as personnel costs (production-line, administrative, legal), costs of producing records, and costs associated with shutting down chemical production or processing during inspections, if applicable. This information should be reported to BIS on company letterhead at the address given in §716.6(d) of the CWCR, with the following notation: "AATTN: Report of Inspection-related Costs."

§717.5 Post-inspection activities.

BIS will forward a copy of the final inspection report to the inspected facility for their review upon receipt from the OPCW. Facilities may submit comments on the final inspection report to BIS, and BIS will consider them, to the extent possible, when commenting on the final report. BIS will also send facilities a post-inspection letter detailing the issues that require follow-up action and the date on which the report on inspection-related costs (see §717.4 of the CWCR) is due to BIS.

§718.1 Definition.

The Chemical Weapons Convention Implementation Act of 1998 ("the Act") defines confidential business information as information included in categories specifically identified in sections 103(g)(1) and 304(e)(2) of the Act and other trade secrets as follows:

- (a) Financial data;
- (b) Sales and marketing data (other than shipment data);
- (c) Pricing data;
- (d) Personnel data;
- (e) Research data;
- (f) Patent data;
- (g) Data maintained for compliance with environmental or occupational health and safety regulations;
- (h) Data on personnel and vehicles entering and personnel and personal passenger vehicles exiting the site;
- (i) Any chemical structure;
- (j) Any plant design, process, technology or operating method;
- (k) Any operating requirement, input, or result that identifies any type or quantity of chemicals used, processed or produced;
- (l) Any commercial sale, shipment or use of a chemical; or
- (m) Information that qualifies as a trade secret under 5 U.S.C. 552(b)(4) (Freedom of Information Act), provided such trade secret is obtained from a U.S. person or through the U.S. Government.

718.2 Identification of confidential business information.

(a) *General.* Certain confidential business information submitted to BIS in declarations and reports does not need to be specifically identified and marked by the submitter, as described in paragraph (b) of this section. Other confidential business information submitted to BIS in declarations and reports and confidential business information provided to the Host Team during inspections must be identified by the inspected facility so that the Host Team can arrange appropriate marking and handling.

(b) *Confidential business information contained in declarations and reports.* (1) BIS has identified those data fields on the declaration and report forms that request "confidential business information" as defined by the Act. These data fields are identified in the table provided in Supplement No. 1 to this part.

(2) You must specifically identify in a cover letter submitted with your declaration or report any additional information on a declaration or report form (i.e., information not provided in one of
