

## § 2.34

## 16 CFR Ch. I (1–1–14 Edition)

### § 2.34 Disposition.

(a) *Acceptance of proposed consent agreement.* The Commission may accept or refuse to accept a proposed consent agreement. Except as otherwise provided in paragraph (c) of this section, acceptance does not constitute final approval, but it serves as the basis for further actions leading to final disposition of the matter.

(b) *Effectiveness of hold-separate or asset-maintenance order.* Following acceptance of a consent agreement, the Commission will, if it deems a hold-separate or asset-maintenance order appropriate, issue a complaint and such an order as agreed to by the parties. Such order will be final upon service. The issuance of a complaint under this paragraph will neither commence an adjudicatory proceeding subject to part 3 of this chapter nor subject the consent agreement proceeding to the prohibitions specified in § 4.7 of this chapter.

(c) *Public comment.* Promptly after its acceptance of the consent agreement, the Commission will place the order contained in the consent agreement, the complaint, and the consent agreement on the public record for a period of 30 days, or such other period as the Commission may specify, for the receipt of comments or views from any interested person. At the same time, the Commission will place on the public record an explanation of the provisions of the order and the relief to be obtained thereby and any other information that it believes may help interested persons understand the order. The Commission also will publish the explanation in the FEDERAL REGISTER. The Commission retains the discretion to issue a complaint and a Final Decision and Order, incorporating the order contained in a consent agreement, in appropriate cases before seeking public comment. Unless directed otherwise by the Commission, such Decision and Order will be final upon service.

(d) *Comment on initial compliance report.* If respondents have filed an initial report of compliance pursuant to § 2.33, the Commission will place that report on the public record, except for portions, if any, granted confidential treatment pursuant to § 4.9(c) of this

chapter, with the complaint, the order, and the consent agreement.

(e) *Action following comment period.* (1) Following the comment period, on the basis of comments received or otherwise, the Commission may either withdraw its acceptance of the agreement and so notify respondents, in which event it will take such other action as it may consider appropriate, or issue and serve its complaint in such form as the circumstances may require and its decision in disposition of the proceeding.

(2) The Commission, following the comment period, may determine, on the basis of the comments or otherwise, that a Final Decision and Order that was issued in advance of the comment period should be modified. Absent agreement by respondents to the modifications, the Commission may initiate a proceeding to reopen and modify the decision and order in accordance with § 3.72(b) of this chapter or commence a new administrative proceeding by issuing a complaint in accordance with § 3.11 of this chapter.

### Subpart D—Reports of Compliance

#### § 2.41 General compliance obligations and specific obligations regarding acquisitions and divestitures.

(a) In every proceeding in which the Commission has issued an order pursuant to the provisions of section 5 of the Federal Trade Commission Act or section 11 of the Clayton Act, as amended, and except as otherwise specifically provided in any such order, each respondent named in such order shall file with the Commission, within sixty (60) days after service thereof, or within such other time as may be provided by the order or the rules in this chapter, a report in writing, signed by the respondent, setting forth in detail the manner and form of his compliance with the order, and shall thereafter file with the Commission such further signed, written reports of compliance as it may require. An original and one copy of each such report shall be filed with the Secretary of the Commission, and one copy of each such report shall be filed with the Associate Director for

Enforcement in the Bureau of Consumer Protection (for consumer protection orders) or with the Assistant Director for Compliance in the Bureau of Competition (for competition orders). Reports of compliance shall be under oath if so requested. Where the order prohibits the use of a false advertisement of a food, drug, device, or cosmetic which may be injurious to health because of results from its use under the conditions prescribed in the advertisement, or under such conditions as are customary or usual, or if the use of such advertisement is with intent to defraud or mislead, or in any other case where the circumstances so warrant, the order may provide for an interim report stating whether and how respondents intend to comply to be filed within ten (10) days after service of the order. Neither the filing of an application for stay pursuant to §3.56, nor the filing of a petition for judicial review, shall operate to postpone the time for filing a compliance report under the order or this section. If the Commission, or a court, determines to grant a stay of an order, or portion thereof, pending judicial review, or if any order provision is automatically stayed by statute, no compliance report shall be due as to those portions of the order that are stayed unless ordered by the court. Thereafter, as to orders, or portions thereof, that are stayed, the time for filing a report of compliance shall begin to run de novo from the final judicial determination, except that if no petition for certiorari has been filed following affirmance of the order of the Commission by a court of appeals, the compliance report shall be due the day following the date on which the time expires for the filing of such petition. Staff of the Bureaus of Competition and Consumer Protection will review such reports of compliance and may advise each respondent whether the staff intends to recommend that the Commission take any enforcement action. The Commission may, however, institute proceedings, including certification of facts to the Attorney General pursuant to the provisions of section 5(l) of the Federal Trade Commission Act (15 U.S.C. 45(l)) and section 11(1) of the Clayton Act, as amended (15 U.S.C. 21(1)), to enforce compliance with an

order, without advising a respondent whether the actions set forth in a report of compliance evidence compliance with the Commission's order or without prior notice of any kind to a respondent.

(b) The Commission has delegated to the Director, the Deputy Directors, and the Assistant Director for Compliance of the Bureau of Competition, and to the Director, the Deputy Directors, and the Associate Director for Enforcement of the Bureau of Consumer Protection the authority to monitor compliance reports and to open and close compliance investigations. With respect to any compliance matter which has received previous Commission consideration as to compliance or in which the Commission or any Commissioner has expressed an interest, any matter proposed to be closed by reason of expense of investigation or testing, or any matter involving substantial questions as to the public interest, Commission policy or statutory construction, the Bureaus shall submit an analysis to the Commission regarding their intended actions.

(c) The Commission has delegated to the Director, Deputy Directors, and Assistant Directors of the Bureau of Competition and to the Director, Deputy Directors, and Associate Directors of the Bureau of Consumer Protection, and to the Regional Directors, the authority, for good cause shown, to extend the time within which reports of compliance with orders to cease and desist may be filed. It is to be noted, however, that an extension of time within which a report of compliance may be filed, or the filing of a report which does not evidence full compliance with the order, does not in any circumstances suspend or relieve a respondent from his obligation under the law with respect to compliance with such order. An order of the Commission to cease and desist becomes final on the date and under the conditions provided in the Federal Trade Commission Act and the Clayton Act. Any person, partnership or corporation against which an order to cease and desist has been issued who is not in full compliance with such order on and after the date provided in these statutes for the order to become final is in violation of

## §2.41

## 16 CFR Ch. I (1–1–14 Edition)

such order and is subject to an immediate action for civil penalties. The authority under this paragraph may not be redelegated, except that the Associate Director for Enforcement in the Bureau of Consumer Protection and the Assistant Director for Compliance in the Bureau of Competition may each name a designee under this paragraph.

(d) Any respondent subject to a Commission order may request advice from the Commission as to whether a proposed course of action, if pursued by it, will constitute compliance with such order. The request for advice should be submitted in writing to the Secretary of the Commission and should include full and complete information regarding the proposed course of action. On the basis of the facts submitted, as well as other information available to the Commission, the Commission will inform the respondent whether or not the proposed course of action, if pursued, would constitute compliance with its order. A request ordinarily will be considered inappropriate for such advice:

(1) Where the course of action is already being followed by the requesting party;

(2) Where the same or substantially the same course of action is under investigation or is or has been the subject of a current proceeding, order, or decree initiated or obtained by the Commission or another governmental agency; or

(3) Where the proposed course of action or its effects may be such that an informed decision thereon cannot be made or could be made only after extensive investigation, clinical study, testing or collateral inquiry.

Furthermore, the filing of a request for advice under this paragraph does not in any circumstances suspend or relieve a respondent from his obligation under the law with respect to his compliance with the order. He must in any event be in full compliance on and after the date the order becomes final as prescribed by statute referred to in paragraph (b) of this section. Advice to respondents under this paragraph will be published by the Commission in the same manner and subject to the same restrictions and considerations as advisory opinions under §1.4 of this chapter.

(e) The Commission may at any time reconsider any advice given under this section and, where the public interest requires, rescind or revoke its prior advice. In such event the respondent will be given notice of the Commission's intent to revoke or rescind and will be given an opportunity to submit its views to the Commission. The Commission will not proceed against a respondent for violation of an order with respect to any action which was taken in good faith reliance upon the Commission's advice under this section, where all relevant facts were fully, completely, and accurately presented to the Commission and where such action was promptly discontinued upon notification of rescission or revocation of the Commission's advice.

(f)(1) All applications for approval of proposed divestitures, acquisitions, or similar transactions subject to Commission review under outstanding orders (including modifications to previously approved transactions) shall fully describe the terms of the transaction or modification and shall set forth why the transaction or modification merits Commission approval. Such applications will be placed on the public record, together with any additional applicant submissions that the Commission directs be placed on the public record. The Director of the Bureau of Competition is delegated authority to direct such placement.

(2) The Commission will receive public comment on a prior approval application submitted pursuant to paragraphs (f)(1) or (5) of this section for thirty (30) days. During the comment period, any person may file formal written objections or comments with the Secretary of the Commission, and such objections or comments shall be placed on the public record. In appropriate cases, the Commission may shorten, eliminate, extend, or reopen a comment period.

(3) Responses to applications under this section, together with a statement of supporting reasons, will be published when made, together with responses to any public comments filed under this section.

(4) Persons submitting information that is subject to public record disclosure under this section may request

confidential treatment for that information or portions thereof in accordance with § 4.9(c) and the General Counsel or the General Counsel's designee will dispose of such requests in accordance with that section. Nothing in this section requires that confidentiality requests be resolved prior to, or contemporaneously with, the disposition of the application.

(5)(i) Any application to modify either:

(A) An agreement that has been approved by the Commission pursuant to paragraph (f) of this section, or

(B) An agreement incorporated by reference into a final order of the Commission issued in connection with a merger, acquisition, or similar transaction shall be subject to review and approval in the manner described in paragraphs (f)(1) through (4) of this section, except as provided in paragraph (f)(5)(ii) of this section.

(ii) If the application establishes that the proposed modification is purely ministerial, or unlikely under any plausible facts to affect achieving the remedial purposes of the order at issue, the Commission has delegated to the Director, Deputy Directors, and Assistant Director for Compliance of the Bureau of Competition, without power of redelegation, for good cause shown, the authority.

(A) To waive the approval requirement of paragraph (f)(5)(i) of this section; and

(B) To shorten, eliminate, extend or reopen the comment period pursuant to paragraph (f)(2) of this section.

(iii) Any agreement containing a modification approved, or for which the approval requirement is waived, pursuant to this paragraph (f)(5), shall be subject to any outstanding Commission order to the same extent as was the original agreement.

## Subpart E—Requests To Reopen

### § 2.51 Requests to reopen.

(a) *Scope.* Any person, partnership, or corporation subject to a Commission decision containing a rule or order which has become effective, or an order to cease and desist which has become final, may file with the Secretary a request that the Commission reopen the proceeding to consider whether the rule or order, including any affirmative relief provision contained therein, should be altered, modified, or set aside in whole or in part.

(b) *Contents.* A request under this section shall contain a satisfactory showing that changed conditions of law or fact require the rule or order to be altered, modified or set aside, in whole or in part, or that the public interest so requires.

(1) This requirement shall not be deemed satisfied if a request is merely conclusory or otherwise fails to set forth by affidavit(s) specific facts demonstrating in detail:

(i) The nature of the changed conditions and the reasons why they require the requested modifications of the rule or order; or

(ii) The reasons why the public interest would be served by the modification.

(2) Each affidavit shall set forth facts that would be admissible in evidence and shall show that the affiant is competent to testify to the matters stated therein. All information and material that the requester wishes the Commission to consider shall be contained in the request at the time of filing.

(c) *Opportunity for public comment.* A request under this section shall be placed on the public record except for material exempt from public disclosure under rule 4.10(a). Unless the Commission determines that earlier disposition is necessary, the request shall remain on the public record for thirty (30) days after a press release on the request is issued. Bureau Directors are authorized to publish a notice in the FEDERAL REGISTER announcing the receipt of a request to reopen at their discretion. The public is invited to comment on the request while it is on the public record.
