§ 303.10 Fiber content of special types of products.

(a) Where a textile product is made wholly of elastic yarn or material, with minor parts of non-elastic material for structural purposes, it shall be identified as to the percentage of the elastomer, together with the percentage of all textile coverings of the elastomer and all other yarns or materials used therein.

(b) Where drapery or upholstery fabrics are manufactured on hand-operated looms for a particular customer after the sale of such fabric has been consummated, and the amount of the

§ 303.11 Floor coverings containing backings, fillings, and paddings.

In disclosing the required fiber content information as to floor coverings containing exempted backings, fillings, or paddings, the disclosure shall be made in such manner as to indicate that it relates only to the face, pile, or outer surface of the floor covering and not to the backing, filling, or padding. Examples of the form of marking these types of floor coverings as to fiber content are as follows:

100% Cotton Pile
Face—60% Rayon, 40% Cotton
Outer Surface—100% Wool

§ 303.12 Trimmings of household textile articles.

(a) Trimmings incorporated in articles of wearing apparel and other household textile articles may, among other forms of trim, include: (1) Rickrack, tape, belting, binding, braid, labels (either required or non-required), collars, cuffs, wrist bands, leg bands, waist bands, gussets, gores, welts, and findings, including superimposed garters in hosiery, and elastic materials and threads inserted in or added to the basic product or garment in minor proportion for holding, reinforcing or similar structural purposes; (2) decorative trim, whether applied by embroidery, overlay, appliqué, or attachment; and (3) decorative patterns or designs which are an integral part of the fabric out of which the household textile article is made: Provided, That such decorative trim or decorative pattern or design, as specified in paragraphs (a) (2) and (3) of this section, does not exceed 15 percent of the surface area of the household textile article. If no representation is made as to the fiber content of the decorative trim or decoration, as provided for in paragraphs (a) (2) and (3) of this section, the fiber content designation of the basic fabric shall be followed by the statement “exclusive of decoration.”
