(i) Ensure that the requestor is a parent of that child, taking into account available technology; and
(ii) Not be unduly burdensome to the parent.

(b) Neither an operator nor the operator’s agent shall be held liable under any Federal or State law for any disclosure made in good faith and following reasonable procedures in responding to a request for disclosure of personal information under this section.

(c) Subject to the limitations set forth in §312.7, an operator may terminate any service provided to a child whose parent has refused, under paragraph (a)(2) of this section, to permit the operator’s further use or collection of personal information from his or her child or has directed the operator to delete the child’s personal information.

§ 312.7 Prohibition against conditioning a child’s participation on collection of personal information.

An operator is prohibited from conditioning a child’s participation in a game, the offering of a prize, or another activity on the child’s disclosing more personal information than is reasonably necessary to participate in such activity.

§ 312.8 Confidentiality, security, and integrity of personal information collected from children.

The operator must establish and maintain reasonable procedures to protect the confidentiality, security, and integrity of personal information collected from children. The operator must also take reasonable steps to release children’s personal information only to service providers and third parties who are capable of maintaining the confidentiality, security, and integrity of such information, and who provide assurances that they will maintain the information in such a manner.

§ 312.9 Enforcement.

Subject to sections 6503 and 6505 of the Children’s Online Privacy Protection Act of 1998, a violation of a regulation prescribed under section 6502 (a) of this Act shall be treated as a violation of a rule defining an unfair or deceptive act or practice prescribed under section 18(a)(1)(B) of the Federal Trade Commission Act (15 U.S.C. 57a(a)(1)(B)).

§ 312.10 Data retention and deletion requirements.

An operator of a Web site or online service shall retain personal information collected online from a child for only as long as is reasonably necessary to fulfill the purpose for which the information was collected. The operator must delete such information using reasonable measures to protect against unauthorized access to, or use of, the information in connection with its deletion.

§ 312.11 Safe harbor programs.

(a) In general. Industry groups or other persons may apply to the Commission for approval of self-regulatory program guidelines (“safe harbor programs”). The application shall be filed with the Commission’s Office of the Secretary. The Commission will publish in the FEDERAL REGISTER a document seeking public comment on the application. The Commission shall issue a written determination within 180 days of the filing of the application.

(b) Criteria for approval of self-regulatory program guidelines. Proposed safe harbor programs must demonstrate that they meet the following performance standards:

(1) Program requirements that ensure operators subject to the self-regulatory program guidelines (“subject operators”) provide substantially the same or greater protections for children as those contained in §§312.2 through 312.8, and 312.10.

(2) An effective, mandatory mechanism for the independent assessment of subject operators’ compliance with the self-regulatory program guidelines. At a minimum, this mechanism must include a comprehensive review by the safe harbor program, to be conducted not less than annually, of each subject operator’s information policies, practices, and representations. The assessment mechanism required under this paragraph can be provided by an independent enforcement program, such as a seal program.

(3) Disciplinary actions for subject operators’ non-compliance with self-regulatory program guidelines. This
§ 312.11

Performance standard may be satisfied by:

(i) Mandatory, public reporting of any action taken against subject operators by the industry group issuing the self-regulatory guidelines;

(ii) Consumer redress;

(iii) Voluntary payments to the United States Treasury in connection with an industry-directed program for violators of the self-regulatory guidelines;

(iv) Referral to the Commission of operators who engage in a pattern or practice of violating the self-regulatory guidelines; or

(v) Any other equally effective action.

(c) Request for Commission approval of self-regulatory program guidelines. A proposed safe harbor program’s request for approval shall be accompanied by the following:

(1) A detailed explanation of the applicant’s business model, and the technological capabilities and mechanisms that will be used for initial and continuing assessment of subject operators’ fitness for membership in the safe harbor program;

(2) A copy of the full text of the guidelines for which approval is sought and any accompanying commentary;

(3) A comparison of each provision of §§ 312.2 through 312.8, and 312.10 with the corresponding provisions of the guidelines; and

(4) A statement explaining:

(i) How the self-regulatory program guidelines, including the applicable assessment mechanisms, meet the requirements of this part; and

(ii) How the assessment mechanisms and compliance consequences required under paragraphs (b)(2) and (b)(3) provide effective enforcement of the requirements of this part.

(d) Reporting and recordkeeping requirements. Approved safe harbor programs shall:

(1) By July 1, 2014, and annually thereafter, submit a report to the Commission containing, at a minimum, an aggregated summary of the results of the independent assessments conducted under paragraph (b)(2) of this section, a description of any disciplinary action taken against any subject operator under paragraph (b)(3) of this section, and a description of any approvals of member operators’ use of a parental consent mechanism, pursuant to §312.5(b)(3);

(2) Promptly respond to Commission requests for additional information; and

(3) Maintain for a period not less than three years, and upon request make available to the Commission for inspection and copying:

(i) Consumer complaints alleging violations of the guidelines by subject operators;

(ii) Records of disciplinary actions taken against subject operators; and

(iii) Results of the independent assessments of subject operators’ compliance required under paragraph (b)(2) of this section.

(e) Post-approval modifications to self-regulatory program guidelines. Approved safe harbor programs must submit proposed changes to their guidelines for review and approval by the Commission in the manner required for initial approval of guidelines under paragraph (c)(2) of this section. The statement required under paragraph (c)(4) of this section must describe how the proposed changes affect existing provisions of the guidelines.

(f) Revocation of approval of self-regulatory program guidelines. The Commission reserves the right to revoke any approval granted under this section if at any time it determines that the approved self-regulatory program guidelines or their implementation do not meet the requirements of this part. Safe harbor programs that were approved prior to the publication of the Final Rule amendments must, by March 1, 2013, submit proposed modifications to their guidelines that would bring them into compliance with such amendments, or their approval shall be revoked.

(g) Operators’ participation in a safe harbor program. An operator will be deemed to be in compliance with the requirements of §§ 312.2 through 312.8, and 312.10 if that operator complies with Commission-approved safe harbor program guidelines. In considering whether to initiate an investigation or bring an enforcement action against a subject operator for violations of this
part, the Commission will take into account the history of the subject operator’s participation in the safe harbor program, whether the subject operator has taken action to remedy such noncompliance, and whether the operator’s non-compliance resulted in any one of the disciplinary actions set forth in paragraph (b)(3).

§ 312.12 Voluntary Commission Approval Processes.

(a) Parental consent methods. An interested party may file a written request for Commission approval of parental consent methods not currently enumerated in §312.5(b). To be considered for approval, a party must provide a detailed description of the proposed parental consent methods, together with an analysis of how the methods meet §312.5(b)(1). The request shall be filed with the Commission’s Office of the Secretary. The Commission will publish in the FEDERAL REGISTER a document seeking public comment on the request. The Commission shall issue a written determination within 120 days of the filing of the request; and

(b) Support for internal operations of the Web site or online service. An interested party may file a written request for Commission approval of additional activities to be included within the definition of support for internal operations. To be considered for approval, a party must provide a detailed justification why such activities should be deemed support for internal operations, and an analysis of their potential effects on children’s online privacy. The request shall be filed with the Commission’s Office of the Secretary. The Commission will publish in the FEDERAL REGISTER a document seeking public comment on the request. The Commission shall issue a written determination within 120 days of the filing of the request.

§ 312.13 Severability.

The provisions of this part are separate and severable from one another. If any provision is stayed or determined to be invalid, it is the Commission’s intention that the remaining provisions shall continue in effect.
