

§4.2

16 CFR Ch. I (1–1–14 Edition)

shall specify the nature and scope of any proceeding, including whether live testimony will be heard and whether any pre-hearing discovery will be allowed and if so to what extent. The attorney respondent shall be granted due opportunity to be heard in his or her own defense and may be represented by counsel. If the written submissions of the respondent raise no genuine dispute of material fact, the Commission may issue immediately any or all of the sanctions enumerated in the order to show cause provided for in paragraph (e)(5)(i) of this section.

(iv) Commission counsel shall be appointed by the Bureau Officer to prosecute the allegations of misconduct in any administrative disciplinary proceedings instituted pursuant to this rule.

(v) If the Commission assigns the matter to an Administrative Law Judge, the Commission will establish a deadline for an initial decision. The deadline shall not be modified by the Administrative Law Judge except that it may be amended by leave of the Commission.

(vi) Based on the entirety of the record of administrative proceedings, the Administrative Law Judge or the Commission if it reviews the matter in the first instance, shall issue a decision either dismissing the allegations or, if it is determined that the allegations are supported by a preponderance of the evidence, specify an appropriate sanction. An Administrative Law Judge's decision may be appealed to the Commission by either party within 30 days. If the Administrative Law Judge's decision is appealed, the Commission will thereafter issue a scheduling order governing the appeal.

(vii) Investigations and administrative proceedings prior to the hearing on the order to show cause will be non-public unless otherwise ordered by the Commission. Any administrative hearing on the order to show cause, and any oral argument on appeal, shall be open to the public unless otherwise ordered for good cause by the Commission or the Administrative Law Judge.

(6) Regardless of any action or determination the Commission may or may not make, the Commission may direct the General Counsel to refer the allega-

tions of misconduct to the appropriate state, territory, or District of Columbia bar or any other appropriate authority for further action.

(7) Upon receipt of notification from any authority having power to suspend or disbar an attorney from the practice of law within any state, territory, or the District of Columbia, demonstrating that an attorney practicing before the Commission is subject to an order of final suspension (not merely temporary suspension pending further action) or disbarment by such authority, the Commission may, without resort to any of the procedures described in this section, enter an order temporarily suspending the attorney from practice before it and directing the attorney to show cause within 30 days from the date of said order why the Commission should not impose further discipline against the attorney. If no response is filed, the attorney will be deemed to have acceded to such further discipline as the Commission deems appropriate. If a response is received, the Commission may take action or initiate proceedings consistent with paragraph (e)(5) of this section before making a determination whether, and to what extent, to impose further discipline against the attorney.

(8) The disciplinary process described in this section is in addition to, and does not supersede, the authority of the Commission or an Administrative Law Judge to discipline attorneys participating in part 3 proceedings pursuant to §§3.24(b)(2) or 3.42(d).
