18 CFR Ch. VI (4-1-14 Edition)

§ 701.303 Conditions of disclosure.

(a) Subject to the conditions of paragraphs (b) and (c) of this section, the Council will not disclose any record which is contained in a system of records, by any means of communication to any person who is not an individual to whom the record pertains.

(b) Upon written request or with prior written consent of the individual to whom the record pertains, the Council may disclose any such record to any person or other agency.

(c) In the absence of a written consent from the individual to whom the record pertains, the Council may disclose any such record provided such disclosure is:

(1) To those officers and employees of the Council who have a need for the record in the performance of their duties;

(2) Required under the Freedom of Information Act (5 U.S.C. 552);

(3) For a routine use compatible with the purpose for which it was collected;

(4) To the Bureau of Census for purposes of planning or carrying out a census or survey or related activity under the provisions of Title 13 of the United States Code;

(5) To a recipient who has provided the Council with adequate advance written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity authorized by law: *Provided*, The head of the agency or instrumentality has made a prior written request to the Assistant Director Program Coordination and Management specifying the particular record and the law enforcement activity for which it is sought;

(8) To a person pursuant to a showing of compelling circumstance affecting the health or safety of an individual: *Provided*, That upon such disclosure notification is transmitted to the last known address of such individual (and see § 701.306);

(9) To either House of Congress, and to the extent of a matter within its jurisdiction, any committee or subcommittee, or joint committee of Congress;

(10) To the Comptroller General, or any of his authorized representatives in the course of the performance of the duties of the GAO; or

(11) Under an order of a court of competent jurisdiction.

§ 701.304 Procedures for identification of individuals making requests.

(a) Each individual requesting the disclosure of a record or copy of a record will furnish the following information with his or her request:

(1) The name of the record system containing the record;

(2) Proof as described in paragraph (b) of this section that he or she is the individual to whom the requested record relates; and

(3) Any other information required by the notice describing the record system.

(b) Proof of identity as required by paragraph (a)(2) of this section will be provided as described in paragraph (b)(1) and (2) of this section. Requests made by an agent, parent, or guardian will include the authorization described in § 701.310(a) and (b).

(1) Requests made in writing will include a statement, signed by the individual and properly notarized, that he or she appeared before a notary public and submitted proof of identification in the form of a drivers license, birth certificate, passport or other identification acceptable to the notary public. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the agency determines that the identification is not adequate, it may request the individual to submit additional proof of identification.

(2) If the request is made in person, the requester will submit proof of identification similar to that described in

§ 701.305 Procedures for requests for access to or disclosure of records pertaining to individuals.

(a) After being informed by the Council that a system of records contains a record pertaining to him or her, an individual may request the Council for access to or disclosure of that record to him or her in the manner described in this section. Each such request of a record or a copy of it will be made at the place specified in the notice describing that system of records, either in writing or in person. Requests may be made by agents, parents, or guardians of individuals as described in § 701.310(a) and (b).

(b) The request for access to or disclosure of a record should specifically identify the systems of records involved.

(c) The Council will attempt to affirm or deny a request within 10 working days from the time it receives the request or to inform the requester of the need for additional time, additional information, identification, or the tendering of fees (as specified in § 701.312), within 10 working days; except that if the request for access was not preceded by a notification request as provided in § 701.302, then the 10-day period will not begin until after such time as it has been determined that the record exists. If a request is complied with within 10 working days, no separate acknowledgement will be made.

§ 701.306 Special procedure: Medical records.

(a) An individual requesting disclosure of a record which contains medical or psychological information may name a medical doctor or other person to act as his agent as described in § 701.310(a). Records containing medical or psychological information may be disclosed to that agent rather than to the individual at the individual's request.

(b) If the individual has not named a medical doctor as agent, the Council may determine, after consultation with

a medical doctor, that disclosure of the information would have an adverse effect on the requester. The Council may then disclose that information to a medical doctor specified by the individual, rather than to that individual, either in person or by mail.
