Delivery of conditionally duty-free merchandise to be exported from such locations may be made by one of the following five procedures:

(1) *Delivery in sterile area.* A sterile area is an area that is within the airport and to which access is restricted to those passengers departing from Customs territory. In such cases, delivery will be made directly to the purchaser (or a family member or companion travelling with the purchaser) for carrying aboard the aircraft. This method of delivery is not authorized if there is any mixture in the sterile area of individuals arriving from a foreign country, or individuals arriving or departing on a domestic flight, with individuals departing for foreign;

(2) *Passenger delivery.* Merchandise may be delivered by the cartman or duty-free store operator to the purchaser (or a family member or companion travelling with the purchaser) at or beyond the exit point for the flight. The port director may require the exit point to be delimited by marking of its boundaries, or require proper supervision in accordance with established guidelines as required by § 19.36(b) of this part, if needed for reasonable assurance that conditionally duty-free merchandise will be exported with the purchaser or a family member or companion.

(3) *Aircraft delivery.* The merchandise will be delivered by a licensed cartman for lading as baggage directly on the

aircraft on which the passenger will depart. The airline will release the merchandise to the purchaser when the aircraft has departed for its foreign destination;

(4) *Unit-load delivery.* Merchandise may be sold to passengers departing from the United States at a prior port of boarding on flights proceeding to a foreign destination which are required to clear with intermediate stops in the United States, provided that all of the following conditions are met:

(i) Sales may be made only to passengers holding a through ticket on the same flight, with no stopover privileges in the United States, to a foreign destination;

(ii) Merchandise shall be placed on the aircraft on which the passenger departs the United States for carriage as passenger baggage;

(iii) Merchandise shall be placed in a container sealed with Customs seals. The sealed container(s) may be placed in the baggage compartment or on the passenger deck of the aircraft. Containers stowed in baggage compartments may, with Customs permission, be transferred to the passenger deck at an intermediate or final stop in the United States. The seal numbers shall be placed on the face of the aircraft general declaration;

(iv) A lading manifest list, in duplicate, of conditionally duty-free merchandise sold to passengers aboard the particular flight will be prepared by the proprietor. An authorized airline representative will sign for receipt, with one copy to be retained by the airline for presentation to Customs as requested at the intermediate or final port, and the duplicate copy to be returned to and retained by the proprietor for record purposes;

(v) The seals shall not be broken nor shall any of the purchases be delivered until the aircraft is secured for departure to its foreign destination at the last port. In the event that the seals are broken before that time, or the merchandise is not exported for any reason and not returned to Customs custody, demand shall be made against the importation and entry bond of the importer of record;

(5) *Cancelled or aborted flights or no-show passengers*—(i) *Cancelled or aborted*

flights. The proprietor shall, upon request, make available to Customs the purchaser's name, the purchaser's airline ticket number and the identity and quantity of the merchandise delivered by the proprietor to the purchaser (if the merchandise was delivered to the airline rather than the passenger, the name of the airline employee to whom the merchandise was delivered), and the date and time of that delivery in lieu of retrieving the merchandise for safekeeping until the purchaser actually departs.

(ii) *No-show passengers.* A proprietor who delivers merchandise directly to an airline for delivery to a passenger who does not board the flight shall establish a procedure to obtain redelivery of that merchandise from the airline.

(d) *Lading manifest lists; certificate of exportation.* The proprietor shall retain copies of lading manifest lists and certificates of lading for exportation in its files for not less than 5 years after exportation by warehouse entry number or by unique identifier where permitted by the port director (see § 19.36(g)).

(f) *Return of merchandise to stock.* Whenever merchandise is withdrawn under the sales ticket procedure of § 144.37(h) of this chapter, but is undeliverable or is rejected by the purchaser, the merchandise may be returned to the duty-free store and the records, including the sales ticket and sales ticket register, amended to reflect the quantity returned to stock.
