

§ 10.536

20 CFR Ch. I (4-1-12 Edition)

of compensation and may be recovered pursuant to 5 U.S.C. 8129 and other relevant statutes.

(c) An employee who is receiving augmented compensation shall be periodically required to submit a statement as to any dependents, or to submit supporting documents such as birth or marriage certificates or court orders, to determine if he or she is still entitled to augmented compensation.

§ 10.536 What is the penalty for failing to submit a report of dependents?

If an employee fails to submit a requested statement or supporting document within 30 days of the date of the request, OWCP will suspend his or her right to augmented compensation until OWCP receives the requested statement or supporting document. At that time, OWCP will reinstate augmented compensation retroactive to the date of suspension, provided that the employee is entitled to receive augmented compensation.

§ 10.537 What reports are needed when compensation payments continue for children over age 18?

(a) Compensation payable on behalf of a child that would otherwise end when the child reaches 18 years of age will continue if and for so long as he or she is not married and is either a student as defined in 5 U.S.C. 8101(17), or physically or mentally incapable of self-support.

(b) At least once each year, OWCP will ask an employee who receives compensation based on the student status of a child to provide proof of continuing entitlement to such compensation, including certification of school enrollment. The employee is required to report any changes to student status in the interim as soon as they occur.

(c) Likewise, at least once each year, OWCP will ask an employee who receives compensation based on a child's physical or mental inability to support himself or herself, and who is not covered by §10.417(d) of this part, to submit a medical report verifying that the child's medical condition persists and that it continues to preclude self-support. The employee is required to report any changes to that status in the interim.

(d) If an employee fails to submit proof within 30 days of the date of the request, OWCP will suspend the employee's right to compensation until the requested information is received. At that time OWCP will reinstate compensation retroactive to the date of suspension, provided the employee is entitled to such compensation.

**REDUCTION AND TERMINATION OF
COMPENSATION**

§ 10.540 When and how is compensation reduced or terminated?

(a) Except as provided in paragraphs (c), (d), and (e) of this section, where the evidence establishes that compensation should be either reduced or terminated, OWCP will provide the beneficiary with written notice of the proposed action and give him or her 30 days to submit relevant evidence or argument to support entitlement to continued payment of compensation.

(b) Notice provided under this section will include a description of the reasons for the proposed action and a copy of the specific evidence upon which OWCP is basing its determination. Payment of compensation will continue until any evidence or argument submitted has been reviewed and an appropriate decision has been issued, or until 30 days have elapsed if no additional evidence or argument is submitted.

(c) OWCP will not provide such written notice when the beneficiary has no reasonable basis to expect that payment of compensation will continue. For example, when a claim has been made for a specific period of time and that specific period expires, no written notice will be given.

(d) Written notice will also not be given when a beneficiary dies, when OWCP either reduces or terminates compensation upon an employee's return to work, when OWCP terminates only medical benefits after a physician indicates that further medical treatment is not necessary or has ended, or when OWCP denies payment for a particular medical expense.

(e) OWCP will also not provide such written notice when compensation is terminated, suspended or forfeited due to one of the following: A beneficiary's
