

(d) *Categories; aged, blind, disabled.* An applicant will be deemed to have filed for the State supplementary payment amount provided for the category under which his application for a Federal supplemental security income benefit is filed. As in the Federal supplemental security income program, an individual who establishes eligibility as a blind or disabled individual, and continually remains on the rolls, will continue to be considered blind or disabled after he attains age 65.

(e) *Concurrent categories.* (1) In States where the supplementary payment provided for the aged category is higher than for the blind or disabled category aged individuals will be paid the State supplement on the basis of age.

(2) If the administration agreement pursuant to § 416.2005(b) provides for higher supplementary payments to the blind or disabled than to the aged category, then, at the option of the State, the agreement may provide that individuals who are age 65 or over at time of application and who are blind or disabled may elect to receive such higher supplementary payments.

**§ 416.2020 Federally administered supplementary payments.**

(a) *Payment procedures.* A federally administered State supplementary payment will be made on a monthly basis and will be included in the same check as a Federal benefit that is payable. A State supplementary payment shall be for the same month as the Federal benefit.

(b) *Maximum amount.* There is no restriction on the amount of a State supplementary payment that the Federal Government will administer on behalf of a State.

(c) *Minimum amount.* The Federal Government will not administer optional State supplementary payments in amounts less than \$1 per month. Hence, optional supplementary payment amounts of less than \$1 will be raised to a dollar.

(d) *Optional supplementation: nine categories possible.* A State may elect Federal administration of its supplementary payments for up to nine categories, depending on the assistance titles in effect in that State in January 1972 (*i.e.*, title I, X, XIV, or XVI). It can

have no more than two categories (one for individuals and one for couples) for each title in effect for January 1972:

(1) Since a State with a title XVI program had just the one title in effect, it can supplement only to two categories, the individual (aged, blind, or disabled), the couple (both of whom are aged, blind, or disabled).

(2) Other States could supplement up to nine categories, depending on the plans they had in effect. Six of these categories would be for:

- (i) Aged Individual,
- (ii) Aged Couple,
- (iii) Blind Individual,
- (iv) Blind Couple,
- (v) Disabled Individual,
- (vi) Disabled Couple.

(3) In addition to those enumerated in paragraph (d)(2) of this section, there are three additional couple categories for which a State may elect to provide a federally administered supplement. These categories are created when one individual in the couple is:

- (i) Aged and the other blind, or
- (ii) Aged and the other disabled, or
- (iii) Blind and the other disabled.

**§ 416.2025 Optional supplementation: Countable income.**

(a) *Earned and unearned income.* No less than the amounts of earned or unearned income which were excluded in determining eligibility for or amount of a title XVI supplemental security income benefit must be excludable by a State in the Federal-State agreement for purposes of determining eligibility for or amount of the State supplementary payment.

(b) *Effect of countable income on payment amounts.* Countable income of an eligible individual or eligible couple is determined in the same manner as such income is determined under the title XVI supplemental security income program. Countable income will affect the amount of the State supplementary payments as follows:

(1) As provided in § 416.420, countable income will first be deducted from the Federal benefit rate applicable to an eligible individual or eligible couple. In the case of an eligible individual living with an ineligible spouse with income
