

**Subpart D—Amount of Benefits**

AUTHORITY: Secs. 702(a)(5), 1611 (a), (b), (c), and (e), 1612, 1617, and 1631 of the Social Security Act (42 U.S.C. 902(a)(5), 1382 (a), (b), (c), and (e), 1382a, 1382f, and 1383).

**§ 416.401 Scope of subpart.**

This subpart D sets forth basic guidelines for establishing the amount of monthly benefits payable to an eligible individual or couple (as defined in § 416.120(c)(5)). This subpart does not contain provisions with respect to establishing the amount of State supplementary payments payable in accordance with an agreement entered into between a State and the Administration under the provisions of subpart T of this part. Provisions with respect to determination and payment of State supplementary payments under such agreements will be administered by the Administration in accordance with the terms set forth in such agreements.

**§ 416.405 Cost-of-living adjustments in benefits.**

Whenever benefit amounts under title II of the Act (part 404 of this chapter) are increased by any percentage effective with any month as a result of a determination made under Section 215(i) of the Act, each of the dollar amounts in effect for such month under §§ 416.410, 416.412, and 416.413, as specified in such sections or as previously increased under this section or under any provision of the Act, will be increased. We will increase the unrounded yearly SSI benefit amount by the same percentage by which the title II benefits are being increased based on the Consumer Price Index, or, if greater, the percentage they would be increased if the rise in the Consumer Price Index were currently the basis for the title II increase. (See §§ 404.270–404.277 for an explanation of how the title II cost-of-living adjustment is computed.) If the increased annual SSI benefit amount is not a multiple of \$12, it will be rounded to the next lower multiple of \$12.

For the period January 1, through December 31, 1995, the rate payable, as increased by the 2.8 percent cost-of-living adjustment, was \$5,496 per year (\$458 per month). For the period January 1, through December 31, 1994, the rate payable, as increased by the 2.6 percent cost-of-living adjustment, was \$5,352 per year (\$446 per month). #### § 416.413 Amount of benefits; qualified individual.

The benefit under this part for a qualified individual (defined in § 416.221) is payable at the rate for an eligible individual or eligible couple plus an increment for each essential person (defined in § 416.222) in the household, reduced by the amount of countable income of the eligible individual or eligible couple as explained in § 416.420. A qualified individual will receive an increment of \$2,820 per year (\$235 per month), effective for the period beginning January 1, 1996. This rate is the result of the 2.6 percent cost-of-living adjustment (see § 416.405) to the December 1995 rate, and is for each essential person (as defined in § 416.222) living in the household of a qualified individual. (See § 416.532.) For the period January 1, through December 31, 1995, the rate payable, as increased by the 2.8 percent cost-of-living adjustment, was \$2,748 per year (\$229 per month). For the period January 1, through December 31, 1994, the rate payable, as increased by the 2.6 percent cost-of-living adjustment, was \$2,676 per year (\$223 per month). The total benefit rate, including the increment, is reduced by the amount of the individual's or couple's income that is not excluded pursuant to subpart K of this part.

#### § 416.414 Amount of benefits; eligible individual or eligible couple in a medical treatment facility.

(a) *General rule.* Except where the § 416.212 provisions provide for payment of benefits at the rates specified under §§ 416.410 and 416.412, reduced SSI benefits are payable to persons and couples who are in medical treatment facilities where a substantial part (more than 50 percent) of the cost of their care is paid by a State plan under title XIX of the Social Security Act (Medicaid). This reduced SSI benefit rate applies to persons who are in medical treatment facilities where a substantial part (more

than 50 percent) of the cost would have been paid by an approved Medicaid State plan but for the application of section 1917(c) of the Social Security Act due to a transfer of assets for less than fair market value. This reduced SSI benefit rate also applies to children under age 18 who are in medical treatment facilities where a substantial part (more than 50 percent) of the cost of their care is paid by a health insurance policy issued by a private provider of such insurance, or where a substantial part (more than 50 percent) of the cost of their care is paid for by a combination of Medicaid payments and payments made under a health insurance policy issued by a private provider of such insurance. Persons and couples to whom these reduced benefits apply are—

(1) Those who are otherwise eligible and who are in the medical treatment facility throughout a month. (By *throughout a month* we mean that you are in the medical treatment facility as of the beginning of the month and stay the entire month. If you are in a medical treatment facility you will be considered to have continuously been staying there if you are transferred from one medical treatment facility to another or if you are temporarily absent for a period of not more than 14 consecutive days.); and

(2) Those who reside for part of a month in a public institution and for the rest of the month are in a public or private medical treatment facility where Medicaid pays or would have paid (but for the application of section 1917(c) of the Act) a substantial part (more than 50 percent) of the cost of their care; and

(3) Children under age 18 who reside for part of a month in a public institution and for the rest of the month are in a public or private medical treatment facility where a substantial part (more than 50 percent) of the cost of their care is being paid under a health insurance policy issued by a private provider or by a combination of Medicaid and payments under a health insurance policy issued by a private provider.
