§ 655.44  [Reserved]

§ 655.45  Contact with bargaining representative, posting and other contact requirements.

(a) If there is a bargaining representative for any of the employer’s employees in the occupation and area of intended employment, the employer must provide written notice of the job opportunity, by providing a copy of the Application for Temporary Employment Certification and the job order, and maintain documentation that it was sent to the bargaining representative(s). An employer governed by this paragraph must include information in its recruitment report that confirms that the bargaining representative(s) was contacted and notified of the position openings and whether the organization referred qualified U.S. worker(s), including the number of referrals, or was non-responsive to the employer’s requests.

(b) If there is no bargaining representative, the employer must post the availability of the job opportunity in at least 2 conspicuous locations at the place(s) of anticipated employment or in some other manner that provides reasonable notification to all employees in the job classification and area in which the work will be performed by the H–2B workers. Electronic posting, such as displaying the notice prominently on any internal or external Web site that is maintained by the employer and customarily used for notices to employees about terms and conditions of employment, is sufficient to meet this posting requirement as long as it otherwise meets the requirements of this section. The notice must meet the requirements under §655.41 and be posted for at least 15 consecutive business days. The employer must maintain a copy of the posted notice and identify where and when it was posted in accordance with §655.56.

(c) If appropriate to the occupation and area of intended employment, as indicated by the CO in the Notice of Acceptance, the employer must provide written notice of the job opportunity to a community-based organization, and maintain documentation that it was sent to any designated community-based organization. An employer governed by this paragraph must include information in its recruitment report that confirms that the community-based organization was contacted and notified of the position openings and whether the organization referred qualified U.S. worker(s), including the number of referrals, or was non-responsive to the employer’s requests.

§ 655.46  Additional employer-conducted recruitment.

(a) Requirement to conduct additional recruitment. The employer may be instructed by the CO to conduct additional recruitment. Such recruitment may be required at the discretion of the CO where the CO has determined that there may be U.S. workers who are qualified and who will be available for the work, including but not limited to where the job opportunity is located in an Area of Substantial Unemployment.

(b) Nature of the additional employer-conducted recruitment. The CO will describe the precise number and nature of the additional recruitment efforts. Additional recruitment may include, but is not limited to, posting on the employer’s Web site or another Web site, contact with additional community-based organizations, additional contact with State One-Stop Career Centers, and other print advertising, such as using a professional, trade or ethnic publication where such a publication is appropriate for the occupation and the workers likely to apply for the job opportunity.

(c) Proof of the additional employer-conducted recruitment. The CO will specify the documentation or other supporting evidence that must be maintained by the employer as proof that the additional recruitment requirements were met. Documentation must be maintained as required in §655.56.

§ 655.47  Referrals of U.S. workers.

SWAs may only refer for employment individuals who have been apprised of all the material terms and conditions of employment and who are qualified and will be available for employment.
