§ 1200.36 Appeals of written decision by Approving Official.

Review of any written decision regarding the administration of the grants by an Approving Official under this subpart may be obtained by submitting a written appeal of such decision, signed by the Governor’s Representative for Highway Safety, to the Approving Official. Such appeal shall be forwarded promptly to the NHTSA Associate Administrator, Regional Operations and Program Delivery. The decision of the NHTSA Associate Administrator shall be final and shall be transmitted to the Governor’s Representative for Highway Safety through the cognizant Approving Official.

Subpart E—Annual Reconciliation

§ 1200.40 Expiration of the Highway Safety Plan.

(a) The State’s Highway Safety Plan for a fiscal year and the State’s authority to incur costs under that Highway Safety Plan shall expire on the last day of the fiscal year.

(b) Except as provided in paragraph (c) of this section, each State shall submit a final voucher which satisfies the requirements of §1200.33 within 90 days after the expiration of the State’s Highway Safety Plan as provided in paragraph (a) of this section. The final voucher constitutes the final financial reconciliation for each fiscal year.

(c) The Approving Official may extend the time period to submit a final voucher only in extraordinary circumstances. States shall submit a written request for an extension describing the extraordinary circumstances that necessitate an extension. The approval of any such request for extension shall be in writing, shall specify the new deadline for submitting the final voucher, and shall be signed by the Approving Official.

§ 1200.41 Disposition of unexpended balances.

(a) Carry-forward balances. Except as provided in paragraph (b) of this section, grant funds that remain unexpended at the end of a fiscal year and the expiration of a Highway Safety Plan shall be credited to the State’s highway safety account for the new fiscal year, and made immediately available for use by the State, provided the following requirements are met:

(1) The State’s new Highway Safety Plan has been approved by the Approving Official pursuant to §1200.14 of this part;

(2) The State has identified Section 402 carry-forward funds by the program area from which they are removed and identified by program area the manner in which the carry-forward funds will be used under the new Highway Safety Plan.

(3) The State has identified Section 405 carry-forward funds by the national priority safety program under which they were awarded (i.e., occupant protection, state traffic safety information system improvements, impaired driving, ignition interlock, distracted driving, motorcyclist safety or graduated driver licensing). These funds shall not be used for any other program.

(4) The State has submitted for approval an updated HS Form 217 for funds identified in paragraph (a)(2) or (a)(3) of this section. Reimbursement of costs is contingent upon the approval of updated Highway Safety Plan and HS Form 217.

(5) Funds carried forward from grant programs rescinded by MAP–21 shall be separately identified and shall be subject to the statutory and regulatory requirements that were in force at the time of award.

(b) Deobligation of funds. (1) Except as provided in paragraph (b)(2) of this section, unexpended grant funds shall not be available for expenditure beyond the period of three years after the last day of the fiscal year of apportionment or allocation.

(2) NHTSA shall notify States of any such unexpended grant funds no later than 180 days prior to the end of the period of availability specified in paragraph (b)(1) of this section and inform States of the deadline for commitment. States may commit such unexpended grant funds to a specific project by the specified deadline, and shall provide documentary evidence of that commitment, including a copy of an executed project agreement, to the Approving Official.
