

meritorious mention include, but are not limited to:

(i) An article in a minority newspaper or a newspaper of general circulation that identifies the agency's role in the successful resolution of a housing discrimination complaint;

(ii) A letter from a sponsoring organization of a fair housing conference or symposium that identifies the agency's successful participation and presentation at the conference or symposium;

(iii) A letter of praise, proclamation, or other formal documentation from the mayor, county executive, or governor recognizing the fair housing achievement of the agency.

(6) The agency has completed the investigation of at least 10 fair housing complaints during the previous funding year.

(b) Regardless of whether an agency meets the eligibility criteria set forth in paragraph (a) of this section, an agency is ineligible for SEE funds if:

(1) Twenty percent or more of an agency's fair housing complaints result in administrative closures; or

(2) The agency is currently on a PIP, or its interim certification or certification has been suspended during the federal fiscal year in which SEE funds are sought.

(c) SEE funding amounts are subject to the FHAP appropriation by Congress and will be described in writing in the cooperative agreements annually. HUD will periodically publish a list of activities eligible for SEE funding in the FEDERAL REGISTER.

§ 115.306 Training funds.

(a) All agencies, including agencies that receive CB funds, are eligible to receive training funds. Training funds are fixed amounts based on the number of agency employees to be trained. Training funds shall be allocated based on the FHAP appropriation. Training funds may be used only for HUD-approved or HUD-sponsored training. Agency-initiated training or other formalized training may be included in this category. However, such training must first be approved by the CAO and the GTR. Specifics on the amount of training funds that an agency will receive and, if applicable, amounts that

may be deducted, will be set out in the cooperative agreement each year.

(b) Each agency must send staff to mandatory FHAP training sponsored by HUD, including, but not necessarily limited to, the National Fair Housing Training Academy and the National Fair Housing Policy Conference. If the agency does not participate in mandatory HUD-approved and HUD-sponsored training, training funds will be deducted from the agency's overall training amount. All staff of the agency responsible for the administration and enforcement of the fair housing law must participate in HUD-approved or HUD-sponsored training each year.

§ 115.307 Requirements for participation in the FHAP; Corrective and remedial action for failing to comply with requirements.

(a) Agencies that participate in the FHAP must meet the requirements enumerated in this section. The FHEO regional office shall review the agency's compliance with the requirements of this section when it conducts on-site performance assessments in accordance with § 115.206. The requirements for participation in the FHAP are as follows:

(1) The agency must conform to all reporting and record maintenance requirements set forth in § 115.308, as well as any additional reporting and record maintenance requirements identified by the Assistant Secretary.

(2) The agency must agree to on-site technical assistance and guidance and implementation of corrective actions set out by the Department in response to deficiencies found during the technical assistance or performance assessment evaluations of the agency's operations.

(3) The agency must use the Department's official complaint data information system and must input all relevant data and information into the system in a timely manner.

(4) The agency must agree to implement and adhere to policies and procedures (as the agency's laws allow) provided to the agency by the Assistant Secretary, including, but not limited

§ 115.308

to, guidance on investigative techniques, case file preparation and organization, and implementation of data elements for complaint tracking.

(5) If an agency that participates in the FHAP enforces antidiscrimination laws other than a fair housing law (e.g., administration of a fair employment law), the agency must annually provide a certification to HUD stating that it spends at least 20 percent of its total annual budget on fair housing activities. The term “total annual budget,” as used in this subsection, means the entire budget assigned by the jurisdiction to the agency for enforcing and administering antidiscrimination laws, but does not include FHAP funds.

(6) The agency may not co-mingle FHAP funds with other funds. FHAP funds must be segregated from the agency’s and the state or local government’s other funds and must be used for the purpose that HUD provided the funds.

(7) An agency may not unilaterally reduce the level of financial resources currently committed to fair housing activities (budget and staff reductions or other actions outside the control of the agency will not, alone, result in a negative determination for the agency’s participation in the FHAP).

(8) The agency must comply with the provisions, certifications, and assurances required in any and all written agreements executed by the agency and the Department related to participation in the FHAP, including, but not limited to, the cooperative agreement.

(9) The agency must draw down its funds in a timely manner.

(10) The agency must be audited and receive copies of the audit reports in accordance with applicable rules and regulations of the state and local government in which it is located.

(11) The agency must participate in all required training, as described in § 115.306(b).

(12) If the agency subcontracts any activity for which the subcontractor will receive FHAP funds, the agency must conform to the subcontracting requirements of § 115.309.

(13) If the agency receives a complaint that may implicate the First Amendment of the United States Con-

24 CFR Subtitle B, Ch. I (4–1–14 Edition)

stitution, then the agency must conform to the requirements of § 115.310.

(14) If the agency utilizes FHAP funds to conduct fair housing testing, then the agency must conform to the requirements of § 115.311.

(b) *Corrective and remedial action for failing to comply with requirements.* The agency’s refusal to provide information, assist in implementation, or carry out the requirements of this section may result in the denial or interruption of its receipt of FHAP funds. Prior to denying or interrupting an agency’s receipt of FHAP funds, HUD will put the agency on notice of its intent to deny or interrupt. HUD will identify its rationale for the denial or interruption and provide the agency with an opportunity to respond within a reasonable period of time. If, within the time period requested, the agency does not provide information or documentation indicating that the requirement(s) enumerated in this section is/are met, HUD may proceed with the denial or interruption of FHAP funds. If, at any time following the denial or interruption, HUD learns that the agency meets the requirements enumerated in this section, HUD may opt to reinstate the agency’s receipt of FHAP funds.

§ 115.308 Reporting and recordkeeping requirements.

(a) The agency shall establish and maintain records demonstrating:

(1) Its financial administration of FHAP funds; and

(2) Its performance under the FHAP.

(b) The agency will provide to the FHEO regional director reports maintained pursuant to paragraph (a) of this section. The agency will provide reports to the FHEO regional director in accordance with the frequency and content requirements identified in the cooperative agreement. In addition, the agency will provide reports on the final status of complaints following reasonable cause findings, in accordance with Performance Standard 8 identified in § 115.206.

(c) The agency will permit reasonable public access to its records consistent with the jurisdiction’s requirements for release of information. Documents relevant to the agency’s participation
