

must examine the income of each tenant, in accordance with § 92.203(a)(1)(i), every sixth year of the affordability period. Otherwise, an owner who accepts the tenant's statement and certification in accordance with § 92.203(a)(1)(ii) is not required to examine the income of tenants in multi-family or single-family projects unless there is evidence that the tenant's written statement failed to completely and accurately state information about the family's size or income.

(i) *Over-income tenants.* (1) HOME-assisted units continue to qualify as affordable housing despite a temporary noncompliance caused by increases in the incomes of existing tenants if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this section until the noncompliance is corrected.

(2) Tenants who no longer qualify as low-income families must pay as rent the lesser of the amount payable by the tenant under State or local law or 30 percent of the family's adjusted income, except that tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by section 42. In addition, in projects in which the Home units are designated as floating pursuant to paragraph (j) of this section, tenants who no longer qualify as low-income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

(j) *Fixed and floating HOME units.* In a project containing HOME-assisted and other units, the participating jurisdiction may designate fixed or floating HOME units. This designation must be made at the time of project commitment in the written agreement between the participating jurisdiction and the owner, and the HOME units must be identified not later than the time of initial unit occupancy. Fixed units remain the same throughout the period of affordability. Floating units are changed to maintain conformity with the requirements of this section during the period of affordability so that the total number of housing units

meeting the requirements of this section remains the same, and each substituted unit is comparable in terms of size, features, and number of bedrooms to the originally designated HOME-assisted unit.

(k) *Tenant selection.* The tenants must be selected in accordance with § 92.253(d).

(l) *Ongoing responsibilities.* The participating jurisdiction's responsibilities for on-site inspections and financial oversight of rental projects are set forth in § 92.504(d).

§ 92.253 Tenant protections and selection.

(a) *Lease.* There must be a written lease between the tenant and the owner of rental housing assisted with HOME funds that is for a period of not less than one year, unless by mutual agreement between the tenant and the owner a shorter period is specified.

(b) *Prohibited lease terms.* The lease may not contain any of the following provisions:

(1) *Agreement to be sued.* Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

(2) *Treatment of property.* Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;

(3) *Excusing owner from responsibility.* Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

(4) *Waiver of notice.* Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

(5) *Waiver of legal proceedings.* Agreement by the tenant that the owner may evict the tenant or household

members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

(6) *Waiver of a jury trial.* Agreement by the tenant to waive any right to a trial by jury;

(7) *Waiver of right to appeal court decision.* Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease;

(8) *Tenant chargeable with cost of legal actions regardless of outcome.* Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses; and

(9) *Mandatory supportive services.* Agreement by the tenant (other than a tenant in transitional housing) to accept supportive services that are offered.

(c) *Termination of tenancy.* An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds, except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing or failure to follow any required transitional housing supportive services plan; or for other good cause. Good cause does not include an increase in the tenant's income or refusal of the tenant to purchase the housing. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) *Tenant selection.* An owner of rental housing assisted with HOME funds must comply with the affirmative marketing requirements established by the participating jurisdiction pursuant to § 92.351(a). The owner must adopt and follow written tenant selection policies and criteria that:

(1) Limit the housing to very low-income and low-income families;

(2) Are reasonably related to the applicants' ability to perform the obliga-

tions of the lease (i.e., to pay the rent, not to damage the housing; not to interfere with the rights and quiet enjoyment of other tenants);

(3) Limit eligibility or give a preference to a particular segment of the population if permitted in its written agreement with the participating jurisdiction (and only if the limitation or preference is described in the participating jurisdiction's consolidated plan).

(i) Any limitation or preference must not violate nondiscrimination requirements in § 92.350. A limitation or preference does not violate nondiscrimination requirements if the housing also receives funding from a Federal program that limits eligibility to a particular segment of the population (e.g., the Housing Opportunity for Persons with AIDS program under 24 CFR part 574, the Shelter Plus Care program under 24 CFR part 582, the Supportive Housing program under 24 CFR part 583, supportive housing for the elderly or persons with disabilities under 24 CFR part 891), and the limit or preference is tailored to serve that segment of the population.

(ii) If a project does not receive funding from a Federal program that limits eligibility to a particular segment of the population, the project may have a limitation or preference for persons with disabilities who need services offered at a project only if:

(A) The limitation or preference is limited to the population of families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain housing;

(B) Such families will not be able to obtain or maintain themselves in housing without appropriate supportive services; and

(C) Such services cannot be provided in a nonsegregated setting. The families must not be required to accept the services offered at the project. In advertising the project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from the services provided in the project.

(4) Do not exclude an applicant with a certificate or voucher under the Section 8 Tenant-Based Assistance: Housing Choice Voucher Program (24 CFR part 982) or an applicant participating in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

(5) Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and

(6) Give prompt written notification to any rejected applicant of the grounds for any rejection.

§ 92.254 Qualification as affordable housing: Homeownership.

(a) *Acquisition with or without rehabilitation.* Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single family housing.

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section.

(iii) If a participating jurisdiction intends to use HOME funds for homebuyer assistance or for the rehabilitation of owner-occupied single-family properties, the participating jurisdiction must use the HOME affordable homeownership limits provided by HUD for newly constructed housing and for existing housing. HUD will provide limits for affordable newly constructed housing based on 95 percent of

the median purchase price for the area using Federal Housing Administration (FHA) single family mortgage program data for newly constructed housing, with a minimum limit based on 95 percent of the U.S. median purchase price for new construction for nonmetropolitan areas. HUD will provide limits for affordable existing housing based on 95 percent of the median purchase price for the area using Federal FHA single family mortgage program data for existing housing data and other appropriate data that are available nationwide for sales of existing housing, with a minimum limit based on 95 percent of the state-wide nonmetropolitan area median purchase price using this data. In lieu of the limits provided by HUD, the participating jurisdiction may determine 95 percent of the median area purchase price for single family housing in the jurisdiction annually, as follows. The participating jurisdiction must set forth the price for different types of single family housing for the jurisdiction. The participating jurisdiction may determine separate limits for existing housing and newly constructed housing. For housing located outside of metropolitan areas, a State may aggregate sales data from more than one county, if the counties are contiguous and similarly situated. The following information must be included in the annual action plan of the Consolidated Plan submitted to HUD for review and updated in each action plan.

(A) The 95 percent of median area purchase price must be established in accordance with a market analysis that ensured that a sufficient number of recent housing sales are included in the survey.

(B) Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, a 2-month reporting period; for less than 250 sales per month, at least a 3-month reporting period. The data must be listed in ascending order of sales price.

(C) The address of the listed properties must include the location within the participating jurisdiction. Lot, square, and subdivision data may be substituted for the street address.
