invite applications from and shall select eligible intermediaries to administer assistance under subpart E of this part through Notices of Funding Availability published in the FEDERAL REGISTER. The process shall include provision for a reasonable administrative fee.

(2) *Priority.* With respect to all forms of grants available under §248.405, the criteria for selecting eligible intermediaries shall give priority to applications from eligible intermediaries with demonstrated expertise under subpart B or subpart C of this part.

(3) *Criteria.* The criteria developed under this section shall:

(i) Not assign any preference or priority to applications from eligible intermediaries based on their previous participation in administering or receiving Federal grants or loans (but may exclude applicants who have failed to perform under prior contracts of a similar nature);

(ii) Require an applicant to prepare a proposal that demonstrates adequate staffing, qualifications, prior experience, and a plan for participation; and

(iii) Permit an applicant to serve as the administrator of assistance made available under §248.405(d) and (e), based on the applicant's suitability and interest.

(4) *Geographic coverage.* The Commissioner may select more than one State or regional intermediary for a single State or region. The number of intermediaries chosen for each State or region may be based on the number of eligible low income housing projects in the State or region, provided there is no duplication of geographic coverage by intermediaries in the administration of the direct assistance grant program.

(5) *National nonprofit intermediaries.* National nonprofit intermediaries shall be selected to administer the assistance made available under §248.405 only with respect to State or regions for which no other eligible intermediary, acceptable to the Commissioner, has submitted a proposal to participate.

(6) *Preference.* With respect to assistance made available under §248.410, preference shall be given to eligible regional, State and local intermediaries, over national nonprofit organizations.

Selected intermediaries shall:

(1) Establish appropriate procedures for grant administration and fiscal management, pursuant to standards established by the Commissioner; and

(2) Receive a reasonable administrative fee, except that they may not provide other services to grant recipients with respect to projects that are the subject of the grant application and may not receive payment, directly or indirectly, from the proceeds of grants they have approved.

##### **§ 251.1 Termination of program.**

(1) Will honor legally binding and validly issued commitments issued before November 12, 1990 and

(2) Will accept for review the coinsurance applications described in paragraph (b) of this section.

Part 251, as it existed immediately before November 12, 1990, will continue to

govern the rights and obligations of co-insured lenders, mortgagors, and the Department of Housing and Urban Development with respect to loans coinsured under this part.

(b) A precommitment review procedure applies to any application for mortgage coinsurance for which a lender has accepted a non-refundable application fee before November 12, 1990 under this part and for which a legally binding Conditional or Firm Commitment is proposed to be issued. This procedure applies to lenders with preliminary as well as full approval to process coinsurance applications and without regard to whether the lender is under probation. For any coinsurance application for which the lender has accepted an application and a non-refundable application fee before November 12, 1990, the lender shall, prior to commitment, submit to HUD headquarters and to the HUD field office with jurisdiction for the proposed project such exhibits and other information as has been specified in administrative instructions of the Commissioner. The lender shall not issue a commitment without written approval from the Commissioner. Field Offices shall not endorse any case covered by this precommitment review requirement unless the lender submits with the endorsement package evidence of the Commissioner's approval of the processing and evidence of compliance with any conditions imposed by the Commissioner.

(c) Extensions of commitments for projects which had outstanding legally binding commitments as of November 12, 1990 are limited as follows:

(1) Firm commitments for insurance of advances may be granted two 60-day extensions;

(2) Conditional commitments may be granted one 60-day extension;

(3) Firm commitments for insurance upon completion may not be extended.

However, should any underwriting conclusions be altered and reflected in the extension, the project must be submitted for precommitment review in accordance with paragraph (b) of this section. In the event an extension is required beyond those provided for in this paragraph, the case will be subject to the precommitment review process
