

energy-conservative household of modest circumstances consistent with the requirement of a safe, sanitary, and healthful living environment. If the utility allowance exceeds the percentage of the tenant's adjusted income payable as rent, HUD will pay the difference between the amount payable as rent and the utility allowance to the tenant or, with the consent of the tenant and the utility company, either jointly to the tenant and the utility company or directly to the utility company.

(3) *Rent adjustments for project viability.* For a HUD-owned project, HUD may adjust the rent provided for in paragraphs (b)(1) or (b)(2) of this section if necessary or desirable to maintain the existing economic mix in the project, prevent undesirable turnover, or increase occupancy.

(4) *Tenants who are rental voucher or rental certificate holders.* Tenants assisted with rental vouchers or certificates certify their income to the public housing agency (PHA) administering the assistance, and pay rent pursuant to the policies and procedures governing such assistance.

(c) *Income verification and rent notification procedures—(1) Income certification by tenants—(i) In subsidized projects.* (A) For families residing in subsidized projects, when HUD becomes MIP or owner, HUD will request an income certification from each family as soon as practicable after HUD initially assumes management, unless the family's income has been examined by the owner or by HUD not more than four months before HUD's assumption of management.

(B) For each family applying for admission to subsidized projects, HUD will request an income certification to determine the family's eligibility for a subsidized rent, and (if the rent is based on a percentage of adjusted income) the family's subsidized rent, in accordance with part 813 of this title.

(ii) *In unsubsidized projects.* (A) For tenants in occupancy when HUD becomes mortgagee-in-possession or owner of an unsubsidized project, HUD may request an income certification from families who are not paying a subsidized rent.

(B) For families applying for admission to such projects, HUD will request sufficient information for income verification to determine the family's ability to pay the unit rent.

(2) *Notice of increases in the amount of rent payable.* Whenever HUD proposes an increase in rents in a HUD-owned multifamily project or a project where HUD is mortgagee-in-possession, HUD will provide tenants 30 days notice of the proposed changes and an opportunity to review and comment on the new rent and supporting documentation. After HUD considers the tenants' comments and has made a decision with respect to its proposed rent change, HUD shall notify the tenants of its decision, with the reasons for the decision. A tenant in occupancy before the effective date of any revised rental rate must be given 30 days notice of the revised rate, and any change in the tenant's rent is subject to the terms of an existing lease. Notices to each tenant must be personally delivered or sent by first class mail. General notices of rent increases to all tenants must be posted in the project office and in appropriate conspicuous and accessible locations around the project.

(3) *Disclosure and verification of Social Security numbers.* Any certifications or reexaminations of the income of tenants or prospective tenants in connection with tenancy under this section are subject to the requirements for the disclosure and verification of Social Security Numbers, as provided by part 200, subpart T, of this title.

(4) *Signing of consent forms for income verification.* Any certifications or reexaminations of the income of tenants or prospective tenants in connection with tenancy under this section are subject to the requirements for the signing and submitting of consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by part 200, subpart V, of this title.

§ 290.11 Notification requirements.

(a) *In general.* HUD may combine two or more of the required notifications, as appropriate, to simplify the disposition process.

§ 290.13

(b) *Timing of notifications.* Disposition-related notifications (i.e., pre-foreclosure notification to tenants and units of general local government; pre-disposition community and tenant input notification; state and local government right of first refusal notification) will be made, as appropriate:

(1) 60 or more days before HUD forecloses on a project; or

(2) Before, or not more than 30 days after, HUD acquires a project.

(c) *Methods of notification*—(1) *To tenants.* Pre-disposition notification will be delivered to each unit in the project, or sent to each unit by first class mail. Where HUD is mortgagee-in-possession or owner of a project, the notice will also be posted in the project office and in appropriate conspicuous and accessible locations around the project.

(2) *To units of general local government.* Pre-disposition notification to a unit of general local government will be sent to the chief executive officer of the unit of general local government by first class mail. For purposes of receiving or sending any notices or information under this part, the unit of general local government is its chief executive officer, or the person designated by the chief executive officer to receive or send the notice or information.

(3) *To the community or any other party.* HUD will consult with tenants and their organizations, officials of units of general local government, and other entities as HUD determines to be appropriate, to identify community recipients of any required notification. Any notice required to be made to any party other than a tenant or a unit of general local government will be sent by first class mail.

(d) *Content of notifications.* Notifications will, as appropriate, identify the project acquired or to be foreclosed by HUD; provide the general terms and conditions concerning the sale, future use, and operation of the project as proposed by HUD; indicate the time by which any offers must be made or any comments must be submitted; and state that the full disposition recommendation and analysis and other supporting information will be available for inspection and copying at the HUD Field Office.

§ 290.13 Negotiated sales.

When HUD conducts a negotiated sale involving the disposition of a project to a person or entity without a public offering, the following provisions apply:

(a) HUD may negotiate the sale of any project to an agency of the federal, State, or local government.

(b) When HUD determines that a purchaser can demonstrate the capacity to own and operate a project in accordance with standards set by HUD, and/or a competitive offering will not generate offers of equal merit from qualified purchasers, HUD may approve a negotiated sale of a subsidized project to:

(1) A resident organization wishing to convert the project to a nonprofit or limited equity cooperative;

(2) A cooperative (e.g., nonprofit limited equity, consumer cooperative, mutual housing organization) with demonstrated experience in the operation of nonprofit (and preferably low-income) housing;

(3) A nonprofit entity that will continue to operate the project as low-income housing and whose governing board is composed of project residents;

(4) A State or local governmental entity with the demonstrated capacity to acquire, manage, and maintain the project as housing available to and affordable by low-income residents;

(5) A State or local governmental or nonprofit entity with the demonstrated capacity to acquire, manage, and maintain the project as a shelter for the homeless or other public purpose, generally when the project is vacant or has minimal occupancy and is not needed in the area for continued use as rental housing for the elderly or families; or

(6) Other nonprofit organizations.

§ 290.15 Disposition plan.

(a) *In general.* Before disposing of a HUD-owned multifamily housing project, HUD will develop an initial and a final disposition plan for the project that specifies the minimum terms and conditions for the disposition of the project, the sales price that is acceptable to HUD, and the assistance that HUD plans to make available to a prospective purchaser.
