§ 598.215 What are the purpose and content of the strategic plan?

(a) *Principles of strategic plan.* The strategic plan, which accompanies the application for designation, must be developed in accordance with four key principles:

(1) Strategic Vision for Change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It also should set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan;

(2) Community-Based Partnerships, involving the participation of all segments of the community, including the political and governmental leadership, community groups, local public health and social service departments and nonprofit groups providing similar services, environmental groups, local transportation planning entities, public and private schools, religious organizations, the private and nonprofit sectors, centers of learning, and other community institutions and individual citizens;

(3) Economic Opportunity, including job creation within the community and throughout the region, entrepreneurial initiatives, small business expansion, job training and other important job readiness and job support services, such as affordable child care and transportation services, that may enable residents to be employed in jobs that offer upward mobility;

(4) Sustainable Community Development, to advance the creation of livable and vibrant communities through comprehensive approaches that coordinate economic, physical, environmental, community and human development. These approaches should preserve the environment and historic landmarks, address “brownfields”
