

**§ 162.402**

(4) Commercial or industrial leases for retail, office, manufacturing, storage, biomass, waste-to-energy, or other business purposes.

(b) Leases covered by this subpart may authorize the construction of single-purpose or mixed-use projects designed for use by any number of lessees or occupants.

**§ 162.402 Is there a model business lease form?**

There is no model business lease form because of the need for flexibility in negotiating and writing business leases; however, we may:

(a) Provide other guidance, such as checklists and sample lease provisions, to assist in the lease negotiation process; and

(b) Assist the Indian landowners, upon their request, in developing appropriate lease provisions or in using tribal lease forms that conform to the requirements of this part.

LEASE REQUIREMENTS

**§ 162.411 How long may the term of a business lease run?**

(a) A business lease must provide for a definite term, state if there is an option to renew, and if so, provide for a definite term for the renewal period. The maximum term of a lease approved under 25 U.S.C. 415(a) may not exceed 50 years (consisting of an initial term not to exceed 25 years and one renewal not to exceed 25 years), unless a Federal statute provides for a longer maximum term (e.g., 25 U.S.C. 415(a) allows for a maximum term of 99 years for certain tribes), a different initial term, renewal term, or number of renewals.

(b) For tribal land, we will defer to the tribe's determination that the lease term, including any renewal, is reasonable. For individually owned Indian land, we will review the lease term, including any renewal, to ensure it is reasonable, given the:

- (1) Purpose of the lease;
- (2) Type of financing; and
- (3) Level of investment.

(c) The lease may not be extended by holdover.

**25 CFR Ch. I (4-1-14 Edition)**

**§ 162.412 What must the lease include if it contains an option to renew?**

(a) If the lease provides for an option to renew, the lease must specify:

(1) The time and manner in which the option must be exercised or is automatically effective;

(2) That confirmation of the renewal will be submitted to us, unless the lease provides for automatic renewal;

(3) Whether Indian landowner consent to the renewal is required;

(4) That the lessee must provide notice of the renewal to the Indian landowners and any sureties and mortgagees;

(5) The additional consideration, if any, that will be due upon the exercise of the option to renew or the start of the renewal term; and

(6) Any other conditions for renewal (e.g., that the lessee not be in violation of the lease at the time of renewal).

(b) We will record any renewal of a lease in the LTRO.

**§ 162.413 Are there mandatory provisions that a business lease must contain?**

(a) All business leases must identify:

(1) The tract or parcel of land being leased;

(2) The purpose of the lease and authorized uses of the leased premises;

(3) The parties to the lease;

(4) The term of the lease;

(5) The ownership of permanent improvements and the responsibility for constructing, operating, maintaining, and managing permanent improvements under § 162.415;

(6) Payment requirements and late payment charges, including interest;

(7) Due diligence requirements under § 162.417 (unless the lease is for religious, educational, recreational, cultural, or other public purposes);

(8) Insurance requirements under § 162.437; and

(9) Bonding requirements under § 162.434. If a performance bond is required, the lease must state that the lessee must obtain the consent of the surety for any legal instrument that directly affects their obligations and liabilities.

(b) Where a representative executes a lease on behalf of an Indian landowner or lessee, the lease must identify the
