### **Bureau of Indian Affairs, Interior**

### §162.469 How will payment rights relating to a business lease be allocated?

The business lease may allocate rights to payment for insurance proceeds, trespass damages, condemnation awards, settlement funds, and other payments between the Indian landowners and the lessee. If not specified in the lease, insurance policy, order, award, judgment, or other document, the Indian landowners or lessees will be entitled to receive these payments.

# §162.470 When will a cancellation of a business lease be effective?

(a) A cancellation involving a business lease will not be effective until 31 days after the lessee receives a cancellation letter from us, or 41 days from the date we mailed the letter, whichever is earlier.

(b) The cancellation decision will not be effective if an appeal is filed unless the cancellation is made immediately effective under part 2 of this chapter. While a cancellation decision is ineffective, the lessee must continue to pay compensation and comply with the other terms of the lease.

#### §162.471 What will BIA do if a lessee remains in possession after a business lease expires or is terminated or cancelled?

If a lessee remains in possession after the expiration, termination, or cancellation of a business lease, we may treat the unauthorized possession as a trespass under applicable law in consultation with the Indian landowners. Unless the Indian landowners of the applicable percentage of interests under §162.012 have notified us in writing that they are engaged in good faith negotiations with the holdover lessee to obtain a new lease, we may take action to recover possession on behalf of the Indian landowners, and pursue any additional remedies available under applicable law, such as a forcible entry and detainer action.

### §162.472 Will BIA appeal bond regulations apply to cancellation decisions involving business leases?

(a) Except as provided in paragraph (b) of this section, the appeal bond provisions in part 2 of this chapter will apply to appeals from lease cancellation decisions

(b) The lessee may not appeal the appeal bond decision. The lessee may, however, request that the official to whom the appeal is made reconsider the appeal bond decision, based on extraordinary circumstances. Any reconsideration decision is final for the Department.

### §162.473 When will BIA issue a decision on an appeal from a business leasing decision?

BIA will issue a decision on an appeal from a business leasing decision within 60 days of receipt of all pleadings.

# §162.474 What happens if the lessee abandons the leased premises?

If a lessee abandons the leased premises, we will treat the abandonment as a violation of the lease. The lease may specify a period of non-use after which the lease premises will be considered abandoned.

# Subpart E—Wind and Solar Resource Leases

SOURCE: 77 FR 72494, Dec. 5, 2012, unless otherwise noted.

### GENERAL PROVISIONS APPLICABLE TO WEELS AND WSR LEASES

## § 162.501 What types of leases does this subpart cover?

(a) This subpart covers:

(1) Wind energy evaluation leases (WEELs), which are short-term leases that authorize possession of Indian land for the purpose of installing, operating, and maintaining instrumentation, and associated infrastructure, such as meteorological towers, to evaluate wind resources for electricity generation; and

(2) Wind and solar resource (WSR) leases, which are leases that authorize possession of Indian land for the purpose of installing, operating, and maintaining instrumentation, facilities, and associated infrastructure, such as wind turbines and solar panels, to harness wind and/or solar energy to generate and supply electricity:

(i) For resale on a for-profit or non-profit basis;

# § 162.502

(ii) To a utility grid serving the public generally; or

(iii) To users within the local community (e.g., on and adjacent to a reservation).

(b) If the generation of electricity is solely to support a use approved under subpart B, Agricultural Leases; subpart C, Residential Leases; or subpart D Business Leases (including religious, educational, recreational, cultural, or other public purposes), for the same parcel of land, then the installation, operation, and maintenance of instrumentation, facilities, and associated infrastructure are governed by subpart B, C, or D, as appropriate.

# §162.502 Who must obtain a WEEL or WSR lease?

(a) Anyone seeking to possess Indian land to conduct activities associated with the evaluation of wind resources must obtain a WEEL, except that a WEEL is not required if use or possession of the Indian land to conduct wind energy evaluation activities is authorized:

(1) Under §162.005(b);

(2) By a permit from the Indian landowners under §162.007; or

(3) By a tribe on its land under 25 U.S.C. 81.

(b) Except as provided in §§162.005(b), 162.501, and paragraph (c) of this section, anyone seeking to possess Indian land to conduct activities associated with the development of wind and/or solar resources must obtain a WSR lease.

(c) A tribe that conducts wind and solar resource activities on its tribal land does not need a WEEL or WSR under this subpart.

# §162.503 Is there a model WEEL or WSR lease?

There is no model WEEL or WSR lease because of the need for flexibility in negotiating and writing WEELs and WSR leases; however, we may:

(a) Provide other guidance, such as checklists and sample lease provisions, to assist in the lease negotiation process; and

(b) Assist the Indian landowners, upon their request, in developing appropriate lease provisions or in using 25 CFR Ch. I (4–1–14 Edition)

tribal lease forms that conform to the requirements of this part.

#### WEELS

# §162.511 What is the purpose of a WEEL?

A WEEL is a short-term lease that allows the lessee to possess trust or restricted lands for the purpose of evaluating wind resources. The lessee may use information collected under the WEEL to assess the potential for wind energy development, and determine future placement and type of wind energy technology to use in developing the energy resource potential of the leased area.

# §162.512 How long may the term of a WEEL run?

(a) A WEEL must provide for a definite term, state if there is an option to renew and if so, provide for a definite term for the renewal period. WEELs are for project evaluation purposes, and therefore may have:

(1) An initial term that is no longer than 3 years; and

(2) One renewal period not to exceed 3 years.

(b) The exercise of the option to renew must be in writing and the WEEL must specify:

(1) The time and manner in which the option must be exercised or is automatically effective;

(2) That confirmation of the renewal will be submitted to us, unless the WEEL provides for automatic renewal; and

(3) Additional consideration, if any, that will be due upon the exercise of the option to renew or the start of the renewal term.

### §162.513 Are there mandatory provisions a WEEL must contain?

(a) All WEELs must identify:

(1) The tract or parcel of land being leased:

(2) The purpose of the WEEL and authorized uses of the leased premises;

(3) The parties to the WEEL;

(4) The term of the WEEL;

(5) The ownership of permanent improvements and the responsibility for constructing, operating, maintaining, and managing permanent improvements, under §162.515;
