

**§ 166.608 What types of insurance may be required?**

We may require liability or casualty insurance (such as for fire, hazard, or flood), depending upon the activity conducted under the permit.

**Subpart H—Permit Violations****§ 166.700 What permit violations are addressed by this subpart?**

This subpart addresses violations of permit provisions other than trespass. Trespass is addressed under subpart I of this part.

**§ 166.701 How will the BIA determine whether the activities of a permittee under a permit are in compliance with the terms of the permit?**

Unless the permit provides otherwise, we may enter the range unit at any reasonable time, without prior notice, to protect the interests of the Indian landowners and ensure that the permittee is in compliance with the operating requirements of the permit.

**§ 166.702 Can a permit provide for negotiated remedies in the event of a permit violation?**

(a) A permit of tribal land may provide the tribe with certain negotiated remedies in the event of a permit violation, including the power to terminate the permit. A permit of individually-owned Indian land may provide the individual Indian landowners with similar remedies, so long as the permit also specifies the manner in which those remedies may be exercised by or on behalf of the Indian landowners. Any notice of violation must be provided by written notice.

(b) The negotiated remedies described in paragraph (a) of this section will apply in addition to the cancellation remedy available to us under § 166.705(c) of this subpart. If the permit specifically authorizes us to exercise any negotiated remedies on behalf of the Indian landowners, the exercise of such remedies may substitute for cancellation.

(c) A permit may provide for permit disputes to be resolved in tribal court or any other court of competent jurisdiction, or through arbitration or some

other alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to any ongoing proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us under § 166.705 of this subpart.

**§ 166.703 What happens if a permit violation occurs?**

(a) If an Indian landowner notifies us that a specific permit violation has occurred, we will initiate an appropriate investigation within five business days of that notification.

(b) If we determine that a permit violation has occurred based on facts known to us, we will provide written notice to the permittee and the sureties of the violation within five business days.

**§ 166.704 What will a written notice of a permit violation contain?**

The written notice of a permit violation will provide the permittee with ten days from the receipt of the written notice to:

(a) Cure the permit violation and notify us that the violation is cured.

(b) Explain why we should not cancel the permit; or

(c) Request in writing additional time to complete corrective actions. If additional time is granted, we may require that certain corrective actions be taken immediately.

**§ 166.705 What will the BIA do if a permit violation is not cured within the required time period?**

(a) If the permittee does not cure a violation within the required time period, we will consult with the Indian landowners, as appropriate, and determine whether:

(1) The permit should be canceled by us under paragraph (c) of this section and §§ 166.706 through 166.707 of this subpart;

(2) We should invoke any other remedies available to us under the permit, including collecting on any available bond;

(3) The Indian landowners wish to invoke any remedies available to them under the permit; or
