

first provided to the Service. A final application for reimbursement of expenses must be submitted on Form 211A, State or Local Law Enforcement Application for Reimbursement, to the Chief, Criminal Investigation Division of the Internal Revenue Service district in which the taxpayer is located. Copies of Forms 9061, DAG-71, or other claim for an equitable share of asset forfeitures in the case must also be furnished with Form 211A.

(d) *Time for filing application for reimbursement.* An application for reimbursement may be filed by an agency at the time the information is first provided or as soon as practicable after submitting information to the Service. However, it must be filed not later than 30 days after the Service notifies the agency pursuant to section 7624(b) of the amount of taxes collected as a result of the information provided. If an application for reimbursement is filed by more than one agency with respect to taxes recovered from a taxpayer, the Service will use discretion in determining an equitable amount of reimbursement allocated to each agency based on all relevant factors. In no event, however, shall the aggregate of the amounts paid by the Service to two or more agencies exceed the amount specified in paragraph (e)(3) of this section.

(e) *Amount and payment of reimbursement—(1) De minimis rule.* No reimbursement shall be paid under section 7624 or this section to a State or local law enforcement agency in any case where the taxes recovered total less than \$50,000.

(2) *Taxes recovered.* For purposes of section 7624 and this section, the terms “taxes” recovered and “sum” recovered mean additional Federal taxes, civil penalties, and additions to tax collected (less any subsequent refund to the taxpayer) with respect to illegal drug or related money laundering activities, but not additional interest or criminal fines that may be collected.

(3) *Limitation on reimbursement.* The amount of reimbursement payable under section 7624 and this section shall not exceed 10 percent of any taxes recovered.

(4) *No duplicate reimbursement.* A State or local law enforcement agency

shall not receive reimbursement under section 7624 or this section for any expenses incurred in the investigation of a taxpayer which have been or will be reimbursed under any other program or arrangement including, but not limited to, Federal or State forfeiture programs, State revenue laws, or Federal and State equitable sharing arrangements.

(5) *Time of payment.* No payment of any reimbursement under this section will be made to a State or local law enforcement agency before the later of final expiration of the applicable period of limitations for filing a claim for refund by the taxpayer of the taxes recovered as provided in subchapter B of chapter 66 of the Code or the determination of the taxpayer’s tax liability, as defined in section 1313(a). However, reimbursement may be made earlier but only if the agency provides adequate indemnification against loss by the Service due to a refund to the taxpayer of Federal taxes recovered.

(6) *Applicability.* The provisions of section 7624 apply only to State and local law enforcement agencies within the United States and the District of Columbia.

(f) *Effective date.* This section applies with respect to information first provided to the Service by a State or local law enforcement agency after February 16, 1989.

POSSESSIONS

§ 301.7654-1 Coordination of U.S. and Guam individual income taxes.

(a) *Application of section*—(1) *Scope.* Section 7654 and this section set forth the general procedures to be followed by the Government of the United States and the Government of Guam in the division between the two governments of revenue derived from collections of the income taxes imposed for any taxable year beginning after December 31, 1972, with respect to any individual described in subparagraph (2) of this paragraph (a), and paragraph (e) of this section. To the extent that section 7654 and this section are inconsistent with the provisions of section 30 of the Organic Act of Guam (48 U.S.C. 1421h), relating to duties and taxes to be covered into the treasury of Guam and held in account for the Government of Guam, such section 30 is superseded.

(2) *Individuals covered.* Paragraph (b) of this section applies only to an individual who, for a taxable year, is described in paragraph (a)(2) of § 1.935-1 of this chapter (Income Tax Regulations) and has (or in the case of a joint return, such individual and his spouse have)—

(i) Adjusted gross income of \$50,000 or more, and

(ii) Gross income of \$5,000 or more from sources within the jurisdiction (either the United States or Guam) other than the jurisdiction with which the individual is required to file his income tax return under paragraph (b) of § 1.935-1 of this chapter.

For the determination of gross income and adjusted gross income see sections 61 and 62, and the regulations thereunder, or, when applicable, the corresponding provisions as made applicable in Guam by the Guam Territorial income tax (48 U.S.C. 1421i). For purposes of this paragraph, gross income consisting of compensation for military or naval service shall be taken into account notwithstanding section 514 of the Soldiers' and Sailors' Civil Relief Act of 1940 (50 App. U.S.C. 574). However, see paragraph (e) of this section.

(b) *Allocation of tax.* (1) Net collections of income taxes imposed for each

taxable year beginning after December 31, 1972, with respect to each individual described in paragraph (a)(2) of this section for such year shall be divided between the United States and Guam by the Commissioner of Internal Revenue and the Commissioner of Revenue and Taxation of Guam as follows:

(i) Net collections attributable to income from sources within the United States shall be covered into the Treasury of the United States.

(ii) Net collections attributable to income from sources within Guam shall be covered into the treasury of Guam, and

(iii) Net collections not described in subdivision (i) or (ii) of this subparagraph (*i.e.*, net collections attributable to income from sources other than within the United States or Guam) shall be covered into the treasury of the jurisdiction (either the United States or Guam) with which the individual is required to file his return under paragraph (b) of § 1.935-1 of this chapter for such year.

(2) The amount of tax of any individual for a taxable year which shall be allocated to Guam for purposes of determining the portion of the net collections from such individual which shall be covered into the treasury of Guam by the United States for such year shall be that amount which bears the same ratio to such amount of tax as the adjusted gross income of that individual for such year which is allocable to sources in Guam bears to the total adjusted gross income of such individual for such year. For purposes of such allocation by the United States, the adjusted gross income of the taxpayer shall be determined by taking into account any compensation of any member of the Armed Forces for services performed in Guam the withheld tax on which is paid into the treasury of Guam pursuant to paragraph (e) of this section. The amount of tax of any individual for any taxable year which shall be allocated to the United States for purposes of determining the portion of the net collections from such individual which shall be covered into the Treasury of the United States by Guam for such year shall be that amount which bears the same ratio to such
