§ 1.881-5 Exception for certain possessions corporations.

(a) *Scope.* Section 881(b) and this section provide special rules for the application of sections 881 and 884 to certain corporations created or organized in possessions of the United States. Paragraph (g) of this section provides special rules for the application of sections 881 and 884 to corporations created or organized in the United States for purposes of determining tax liability incurred to certain possessions that administer income tax laws that are identical (except for the substitution of the name of the possession for the term “United States” where appropriate) to those in force in the United States. See § 1.884-0(b) for special rules relating to the application of section 884 with respect to possessions of the United States.

(b) *Operative rules.* (1) Corporations described in paragraphs (c) and (d) of this section are not treated as foreign corporations for purposes of section 881. Accordingly, they are exempt from the tax imposed by section 881(a).

(2) For corporations described in paragraph (e) of this section, the rate of tax imposed by section 881(a) on U.S. source dividends received is 10 percent (rather than the generally applicable 30 percent).

(c) *U.S. Virgin Islands and section 931 possessions.* A corporation created or organized in, or under the law of, the U.S. Virgin Islands or a section 931 possession is described in this paragraph (c) for a taxable year when the following conditions are satisfied—

(1) At all times during such taxable year, less than 25 percent in value of the stock of such corporation is beneficially owned (directly or indirectly) by foreign persons;

(2) At least 65 percent of the gross income of such corporation is shown to the satisfaction of the Commissioner upon examination to be effectively connected with the conduct of a trade or business in such a possession or the United States for the 3-year period ending with the close of the taxable year of such corporation (or for such part of

such period as the corporation or any predecessor has been in existence); and

(3) No substantial part of the income of such corporation for the taxable year is used (directly or indirectly) to satisfy obligations to persons who are not bona fide residents of such a possession or the United States.

(d) *Section 935 possessions.* A corporation created or organized in, or under the law of, a section 935 possession is described in this paragraph (d) for a taxable year when the following conditions are satisfied—

(1) At all times during such taxable year, less than 25 percent in value of the stock of such corporation is owned (directly or indirectly) by foreign persons; and

(2) At least 20 percent of the gross income of such corporation is shown to the satisfaction of the Commissioner upon examination to have been derived from sources within such possession for the 3-year period ending with the close of the preceding taxable year of such corporation (or for such part of such period as the corporation has been in existence).

(e) *Puerto Rico.* A corporation created or organized in, or under the law of, Puerto Rico is described in this paragraph (e) for a taxable year when the conditions of paragraphs (c)(1) through (c)(3) of this section are satisfied (using the language “Puerto Rico” instead of “such a possession”).

(f) *Definitions and other rules.* For purposes of this section—

(1) “Section 931 possession” is defined in § 1.931-1(c)(1); and

(2) “Section 935 possession” is defined in § 1.935-1(a)(3)(i).

(3) *Foreign person* means any person other than—

(i) A United States person (as defined in section 7701(a)(30) and the regulations under that section); or

(ii) A person who would be a United States person if references to the United States in section 7701 included references to a possession of the United States.

(4) *Bona fide resident*—

(i) With respect to a particular possession, means—

(A) An individual who is a bona fide resident of the possession as defined in § 1.937-1; or

(B) A business entity organized under the laws of the possession and taxable as a corporation in the possession; and

(ii) With respect to the United States, means—

(A) An individual who is a citizen or resident of the United States (as defined under section 7701(b)(1)(A)); or

(B) A business entity organized under the laws of the United States or any State that is classified as a corporation for Federal tax purposes under § 301.7701-2(b) of this chapter.

(5) *Source.* The rules of § 1.937-2 will apply for determining whether income is from sources within a possession.

(6) *Effectively connected income.* The rules of § 1.937-3 (other than paragraph (c) of that section) will apply for determining whether income is effectively connected with the conduct of a trade or business in a possession.

(7) *Indirect ownership.* The rules of section 318(a)(2) will apply except that the language “5 percent” will be used instead of “50 percent” in section 318(a)(2)(C).

(g) *Mirror code jurisdictions.* For purposes of applying mirrored section 881 to determine tax liability incurred to a section 935 possession or the U.S. Virgin Islands—

(1) The rules of paragraphs (b) through (d) of this section will not apply; and

(2) A corporation created or organized in, or under the law of, such possession or the United States will not be considered a foreign corporation.

(h) *Example.* The principles of this section are illustrated by the following example:

Example. X is a corporation organized under the law of the U.S. Virgin Islands with a branch located in State F. At least 65 percent of the gross income of X is effectively connected with the conduct of a trade or business in the U.S. Virgin Islands and no substantial part of the income of X for the taxable year is used to satisfy obligations to persons who are not bona fide residents of the United States or the U.S. Virgin Islands. Seventy-four percent of the stock of X is owned by unrelated individuals who are residents of the United States or the U.S. Virgin Islands. Y, a corporation organized under the law of State D, and Z, a partnership organized under the law of State F, each own 13 percent of the stock of X. A, an unrelated foreign individual, owns 100 percent of the stock of corporation Y. B and C, unrelated

foreign individuals, each own a 50 percent interest in partnership Z. Thus, the condition of paragraph (c)(1) of this section is not satisfied, because 26 percent of X is owned indirectly by foreign persons (A, B, and C). Accordingly, X is treated as a foreign corporation for purposes of section 881.

(i) *Effective/applicability dates.* Except as otherwise provided in this paragraph (i), this section applies to payments made in taxable years ending after April 9, 2008. If, on or after April 9, 2008, there takes effect an increase in the Commonwealth of Puerto Rico's withholding tax generally applicable to dividends paid to United States corporations not engaged in a trade or business in the Commonwealth to a rate greater than 10 percent, the rules of paragraphs (b)(2) and (e) of this section will not apply to dividends received on or after the effective date of the increase. Paragraph (f)(4) of this section applies to payments made after January 31, 2006. Taxpayers may choose to apply paragraph (f)(4) of this section to payments made after October 22, 2004.
