§ 17.102 Amount of bond.

The bond shall be a continuing one, in an amount sufficient to cover the total drawback to be claimed on spirits used during any quarter. However, the amount of any bond shall not exceed \$200,000 nor be less than \$1,000.

§ 17.103 Bonds obtained from surety companies.

(a) The bond may be obtained from any surety company authorized by the Secretary of the Treasury to be a surety on Federal bonds. Surety companies so authorized are listed in the current revision of Department of the Treasury Circular 570 (Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies), and subject to such amendatory circulars as may be issued from time to time. Bonds obtained from surety companies are also governed by the provisions of 31 U.S.C. 9304, and 31 CFR part 223.

(b) A bond executed by two or more surety companies shall be the joint and several liability of the principal and the sureties; however, each surety company may limit its liability, in terms upon the face of the bond, to a definite, specified amount. This amount shall not exceed the limitations prescribed for each surety company by the Secretary, as stated in Department of the Treasury Circular 570. If the sureties limit their liability in this way, the total of the limited liabilities shall equal the required amount of the bond.

(c) Department of the Treasury Circular No. 570 is published in the FEDERAL REGISTER annually on the first workday in July. As they occur, interim revisions of the circular are published in the FEDERAL REGISTER. Copies of the circular may be obtained from:

Surety Bond Branch, Financial Management Service, Department of the Treasury, Washington, DC 20227.

§ 17.104 Deposit of collateral.

Except as otherwise provided by law or regulations, bonds or notes of the United States, or other obligations which are unconditionally guaranteed as to both interest and principal by the United States, may be pledged and deposited by principals as collateral security in lieu of bonds obtained from surety companies. Deposit of collateral security is governed by the provisions of 31 U.S.C. 9303, and 31 CFR part 225.

(Sec. 1, Pub. L. 97-258, 96 Stat. 1046 (31 U.S.C. 9301, 9303))

§ 17.105 Filing of powers of attorney.

(a) *Surety companies.* The surety company shall prepare and submit with each bond, and with each consent to changes in the terms of a bond, a power of attorney in accordance with §17.6, authorizing the agent or officer who executed the bond or consent to act in this capacity on behalf of the surety. The power of attorney shall be prepared on a form provided by the surety company and executed under the corporate seal of the company. If other than a manually signed original is submitted, it shall be accompanied by certification of its validity.

(b) *Principal.* The principal shall execute and file a power of attorney, in accordance with §17.6, for every person authorized to execute bonds on behalf of the principal.

(Sec. 1, Pub. L. 97-258, 96 Stat. 1047 (31 U.S.C. 9304, 9306))

§ 17.106 Consents of surety.

The principal and surety shall execute on TTB Form 1533 (5000.18), Consent of Surety, any consents of surety to changes in the terms of bonds. Form 1533 (5000.18) shall be executed with the same formality and proof of authority as is required for the execution of bonds.

§ 17.107 Strengthening bonds.

Whenever the amount of a bond on file and in effect becomes insufficient,

§ 17.108

the principal may give a strengthening bond in a sufficient amount, provided the surety is the same as on the bond already on file and in effect; otherwise a superseding bond covering the entire liability shall be filed. Strengthening bonds, filed to increase the bond liability of the surety, shall not be construed in any sense to be substitute bonds, and the appropriate TTB officer shall not approve a strengthening bond containing any notation which may be interpreted as a release of any former bond or as limiting the amount of either bond to less than its full amount.

§ 17.108 Superseding bonds.

(a) The principal on any bond filed pursuant to this part may at any time replace it with a superseding bond.

(b) Executors, administrators, assignees, receivers, trustees, or other persons acting in a fiduciary capacity continuing or liquidating the business of the principal, shall execute and file a superseding bond or obtain the consent of the surety or sureties on the existing bond or bonds.

(c) When, in the opinion of the appropriate TTB officer, the interests of the Government demand it, or in any case where the security of the bond becomes impaired in whole or in part for any reason whatever, the principal shall file a superseding bond. A superseding bond shall be filed immediately in case of the insolvency of the surety. If a bond is found to be not acceptable or for any reason becomes invalid or of no effect, the principal shall immediately file a satisfactory superseding bond.

(d) A bond filed under this section to supersede an existing bond shall be marked by the obligors at the time of execution, "Superseding Bond." When such a bond is approved, the superseded bond shall be released as to transactions occurring wholly subsequent to the effective date of the superseding bond, and notice of termination of the superseded bond shall be issued, as provided in § 17.111.

§ 17.111 General.

(a) Bonds on TTB Form 5154.3 shall be terminated by the appropriate TTB officer, as to liability on drawback al-

lowed after a specified future date, in the following circumstances:

(1) Pursuant to a notice by the surety as provided in § 17.112.

(2) Following approval of a superseding bond, as provided in § 17.108.

(3) Following notification by the principal of an intent to discontinue the filing of claims on a monthly basis.

(b) However, the bond shall not be terminated until all outstanding liability under it has been discharged. Upon termination, the appropriate TTB officer shall mark the bond "canceled," followed by the date of cancellation, and shall issue a notice of termination of bond. A copy of this notice shall be given to the principal and to each surety.

§ 17.112 Notice by surety of termination of bond.

A surety on any bond required by this part may at any time, in writing, notify the principal and the appropriate TTB officer in whose office the bond is on file that the surety desires, after a date named, to be relieved of liability under the bond. Unless the notice is withdrawn, in writing, before the date named in it, the notice shall take effect on that date. The date shall not be less than 60 days after the date on which both the notice and proof of service on the principal have been received by the appropriate TTB officer. The surety shall deliver one copy of the notice to the principal and the original to the appropriate TTB officer. The surety shall also file with the appropriate TTB officer an acknowledgment or other proof of service on the principal.

§ 17.113 Extent of release of surety from liability under bond.

The rights of the principal as supported by the bond shall cease as of the date when termination of the bond takes effect, and the surety shall be relieved from liability for drawback allowed on and after that date. Liability for drawback previously allowed shall continue until the claims for such drawback have been properly verified by the appropriate TTB officer according to law and this part.
