

§ 345.34

advance hiring preference, and does not receive consideration for accelerated promotion back to the grade held at time of transfer.

(e) *Special needs.* For special needs, such as Inmate Financial Responsibility assignment to assist in paying a significant financial obligation or for release preparation, the unit team may recommend an inmate for priority placement on the waiting list. Such placement must be documented and include the reason for the exception.

§ 345.34 Refusal to employ.

(a) The SOI has authority to refuse an FPI assignment to an inmate who, in the judgment of the SOI, would constitute a serious threat to the orderly and safe operation of the FPI factory. A refusal to assign must be documented by a memorandum to the unit team listing reasons for the refusal, with a copy to the position classification files in FPI. Typically, the reasons should include other earlier (ordinarily within the past twelve months) documented violations of the FPI inmate worker standards or institution disciplinary regulations.

(b) The refusal to assign is to be rescinded when, in the judgment of the SOI, the worker no longer constitutes a serious threat to the FPI industrial operation.

§ 345.35 Assignments to FPI.

(a) An inmate or detainee may be considered for assignment with FPI unless the inmate is a pretrial inmate or is currently under an order of deportation, exclusion, or removal. However, an inmate or detainee who is currently under an order of deportation, exclusion, or removal may be considered for assignment with FPI if the Attorney General has determined that the inmate or detainee cannot be removed from the United States because the designated country of removal will not accept his/her return. Any request by an inmate for consideration must be made through the unit team. FPI does not discriminate on the bases of race, color, religion, ethnic origin, age, or disability.

(b) The SOI ordinarily makes assignments based on the recommendation of the unit team.

28 CFR Ch. III (7–1–14 Edition)

(1) New workers are ordinarily assigned at pay grade five. All first-time inmate workers shall enter at pay grade five and may be required to successfully complete a course in pre-industrial training or on-the-job training (as available) before promotion to pay grade four.

(2) An inmate who has not successfully completed pre-industrial or on-the-job training remains at pay grade five for at least 30 days.

(3) An inmate hired after having resigned voluntarily from FPI may be excused from pre-industrial training and may be hired at a pay grade based on previous training and experience.

Subpart E—Inmate Worker Standards and Performance Appraisal

§ 345.40 General.

This subpart authorizes the establishment of minimum work standards for inmate workers assigned to the Industries program at all field locations. The SOI may reproduce these standards and may also develop additional local guidelines to augment these standards and to adapt them to local needs and conditions. Local Industries shall place these standards and any additional local guidelines on display at appropriate locations within the industrial sites. Inmates shall be provided with a copy of these standards and local guidelines, and shall sign receipts acknowledging they have received and understand them before beginning work in the Industries program. In the case of a disabled inmate, alternate media or means of communicating this information and indicating the inmate's receipt may be provided, if necessary as a reasonable accommodation.

(a) At a minimum, each industrial location is to have work standards for each of the following areas:

(1) Safety—ensuring the promotion of workplace safety and the avoidance of activities that could result in injury to self or others.

(2) Quality assurance—ensuring that work is done as directed by the supervisor in an attentive manner so as to minimize the chance of error.

(3) Personal conduct and hygiene—ensuring the promotion of harmony and sanitary conditions in the workplace through observation of good hygiene and full cooperation with other inmate workers, work supervisors, and training staff.

(4) Punctuality and productivity—ensuring the productive and efficient use of time while the inmate is on work assignment or in training.

(b) *Compliance with work standards.* Each inmate assigned to FPI shall comply with all work standards pertaining to his or her work assignment. Adherence to the standards should be considered in evaluating the inmate's work performance and documented in individual hiring, retention, and promotion/demotion situations.

§ 345.41 Performance appraisal for inmate workers.

Work supervisors should complete a performance appraisal form for each inmate semi-annually, by March 31 and September 30, or upon termination or transfer from the industrial work assignment. Copies shall be sent to the unit team. Inmate workers should discuss their appraisals with their supervisors at a mutually agreeable time in order to improve their performance. Satisfactory and unsatisfactory performance ratings shall be based on the standards in § 345.40(a).

(a) The SOI is to ensure that evaluations are done and are submitted to unit teams in a timely manner.

(b) The SOI or a designee may promote an inmate to a higher grade level if an opening exists when the inmate's skills, abilities, qualifications, and work performance are sufficiently developed to enable the inmate to carry out a more complex FPI factory assignment successfully, when the inmate has met the institution's time-in-grade (unless waived by the SOI), and when the inmate has abided by the inmate worker standards. Conversely, the SOI or SOI designee may demote an inmate worker for failing to abide by the inmate worker standards. Such demotions shall be fully documented.

§ 345.42 Inmate worker dismissal.

The SOI may remove an inmate from Industries work status in cooperation with the unit team.

(a) The SOI may remove an inmate from FPI work status according to the conditions outlined in the pay and benefits section of this policy and in cooperation with the unit team.

(b) An inmate may be removed from FPI work status for failure to comply with any court-mandated financial responsibility. (See 28 CFR 545.11(d)).

(c) An inmate found to have committed a prohibited act (whether or not it is FPI related) resulting in segregation or disciplinary transfer is also to be dismissed from Industries based on an unsatisfactory performance rating for failure to be at work.

(d) Any inmate or detainee who is a pretrial inmate or who is currently under an order of deportation, exclusion, or removal shall be removed from any FPI work assignment and reassigned to a non-FPI work assignment for which the inmate is eligible. However, an inmate or detainee who is currently under an order of deportation, exclusion, or removal may be retained in the FPI assignment if the Attorney General has determined that the inmate or detainee cannot be removed from the United States because the designated country of removal will not accept his/her return.

Subpart F—Inmate Pay and Benefits

§ 345.50 General.

Title 18 U. S. Code section 4126 authorizes FPI to compensate inmates under rules and regulations promulgated by the Attorney General. It is the policy of FPI to provide compensation to FPI inmate workers through various conditions of pay and benefits, except as otherwise provided in these regulations.

§ 345.51 Inmate pay.

(a) *Grade levels.* Inmate workers in FPI locations receive pay at five levels ranging from 5th grade pay (lowest) to 1st grade pay (highest).
