

§511.17

28 CFR Ch. V (7–1–14 Edition)

may be conducted by staff members of the opposite sex only in emergency situations with the Warden's authorization.

(c) *Visual Search.* You and your belongings may be visually searched as follows:

(1) *Person.* (i) A visual search of your person involves removing all articles of clothing, including religious headwear, to allow a visual (non-tactile) inspection of your body surfaces and cavities.

(ii) Visual searches of your person must always be authorized by the Warden or his/her designee and based on reasonable suspicion; random visual searches are prohibited.

(iii) When authorized, visual searches will be performed discreetly, in a private area away from others, and by staff members of the same sex as the non-inmate being searched. Visual searches may be conducted by staff members of the opposite sex in emergency situations with the Warden's authorization.

(iv) Body cavity (tactile) searches of non-inmates are prohibited.

(2) *Belongings.* A visual search of your belongings involves opening and exposing all contents for visual and manual inspection, and may be done either as part of a random search or with reasonable suspicion.

(d) *Drug Testing.* (1) You may be tested for use of intoxicating substances by any currently reliable testing method, including, but not limited to, breathalyzers and urinalysis.

(2) Drug testing must always be authorized by the Warden or his/her designee and must be based on reasonable suspicion that you are under the influence of an intoxicating substance upon entering, or while inside, a Bureau facility or Bureau grounds.

(3) Searches of this type will always be performed discreetly, in a private area away from others, and by staff members adequately trained to perform the test. Whenever possible, urinalysis tests will be conducted by staff members of the same sex as the non-inmate being tested. Urinalysis tests may be conducted by staff members of the opposite sex only in emergency situations with the Warden's authorization.

§511.17 When a non-inmate will be denied entry to or required to leave a Bureau facility or Bureau grounds.

At the Warden's, or his/her designee's, discretion, and based on this subpart, you may be denied entry to, or required to leave, a Bureau facility or Bureau grounds if:

(a) You refuse to be searched under this subpart; or

(b) There is reasonable suspicion that you may be engaged in, attempting, or about to engage in, prohibited activity that jeopardizes the Bureau's ability to ensure the safety, security, and orderly operation of its facilities, or protect the public. "Reasonable suspicion," for this purpose, may be based on the results of a search conducted under this subpart, or any other reliable information.

§511.18 When Bureau staff can arrest and detain a non-inmate.

(a) You may be arrested and detained by Bureau staff anytime there is probable cause indicating that you have violated or attempted to violate applicable criminal laws while at a Bureau facility, as authorized by 18 U.S.C. 3050.

(b) "Probable cause" exists when specific facts and circumstances lead a reasonably cautious person (not necessarily a law enforcement officer) to believe a violation of criminal law has occurred, and warrants consideration for prosecution.

(c) Non-inmates arrested by Bureau staff under this regulation will be physically secured, using minimally necessary force and restraints, in a private area of the facility away from others. Appropriate law enforcement will be immediately summoned to investigate the incident, secure evidence, and commence criminal prosecution.
