§ 1960.72 Reporting Federal Agency Injury and Illness Information.

(a) Each agency must submit to the Secretary by May 1 of each year all information included on the agency’s previous calendar year’s occupational injury and illness recordkeeping forms. The information submitted must include all data entered on the OSHA Form 300, Log of Work-Related Injuries and Illnesses (or equivalent); OSHA Form 301, Injury and Illness Incident Report (or equivalent); and OSHA Form 300A, Summary of Work-Related Injuries and Illnesses (or equivalent).

(b) The Secretary must provide each agency by January 15 of each year with the format and guidelines for electronically submitting the agency’s occupational injury and illness recordkeeping information.

(c) Each agency must submit to the Secretary by May 1, 2014, a list of all establishments. The list must include information about the department/agency affiliation, NAICS code, a street address, city, state and zip code. Federal agencies are also responsible for updating their list of establishments by May 1 of each year when they submit the annual report to the Secretary required by §1960.71(a)(1).

§ 1960.73 Federal agency injury and illness recordkeeping forms.

(a) When filling out the OSHA Form 300 or equivalent, each agency must enter the employee’s OPM job series number and job title in Column (c).

(b) When recording the injuries and illnesses of uncompensated volunteers, each agency must enter a “V” before the OPM job series number in Column (c) of the OSH Form 300 log or equivalent.

(c) Each agency must calculate the total number of hours worked by uncompensated volunteers.

§ 1960.78 Purpose and scope.

(a) The purpose of this subpart is to establish a comprehensive program for the evaluation of Federal employee occupational safety and health programs. This subpart includes the responsibilities of agency heads in conducting self-evaluations of the effectiveness of their occupational safety and health programs, and the responsibilities of the Secretary in evaluating the extent to which each agency head has developed and implemented agency programs in accordance with the requirements of Executive Order 12196 and this part.

(b) Agency heads shall develop and implement a program for evaluating the effectiveness of their agency’s occupational safety and health program. An annual summary report shall be submitted to the Secretary covering self-evaluations conducted during the previous year.

(c) The Secretary shall conduct a comprehensive evaluation of each Federal agency’s occupational safety and health program. Evaluations shall be conducted on a regular schedule to determine the performance levels of each agency’s program. The Secretary shall submit to the President each year: A summary report of the status of the occupational safety and health of Federal employees; Department of Labor evaluations, together with agency responses, of individual agency progress and problems in correcting unsafe and unhealthful working conditions, and recommendations for improving agency’s performance.

§ 1960.79 Self-evaluations of occupational safety and health programs.

Agency heads shall develop and implement a program of self-evaluations to determine the effectiveness of their occupational safety and health programs. The self-evaluations are to include qualitative assessments of the extent to which their agency safety and health programs are:
(a) Developed in accordance with the requirements set forth in Executive Order 12196 and this part and,
(b) Implemented effectively in all agency field activities.
Agencies needing assistance in developing a self-evaluation program should contact the Secretary.

§ 1960.80 Secretary's evaluations of agency occupational safety and health programs.

(a) In accordance with section 1–401(h), the Secretary shall develop a comprehensive program for evaluating an agency's occupational safety and health program. To accomplish this, the Secretary shall conduct:

1. A complete and extensive evaluation of all elements of an agency's occupational safety and health program on a regular basis;
2. Special studies of limited areas of an agency's occupational safety and health program as deemed necessary by the Secretary; and
3. Field reviews and scheduled inspections of agency workplaces as deemed necessary by the Secretary.

(b) The Secretary shall develop and distribute to Federal agencies detailed information on the Department of Labor's evaluation program. The information shall include, but is not limited to:

1. The major program elements included in a complete and extensive evaluation of an agency's occupational safety and health program;
2. The methods and factors used to determine the effectiveness of each element of an agency's program;
3. The factors used to define "large" or "more hazardous" Federal agencies, establishments, or operations;
4. The procedures for conducting evaluations including field visits and scheduled inspections; and
5. The reporting format for agency heads in submitting annual summaries of their self-evaluation programs.

(c) Prior to the initiation of an agency evaluation, the Department of Labor will review the annual agency self-evaluation summary report. The Secretary will then develop a program evaluation plan before the initiation of an agency evaluation. A copy of the plan shall be furnished to the agency to be evaluated at the time of the notification of the evaluation.

(d) To facilitate the evaluation process and to assure full understanding of the procedures to be followed and the support required from the agency, the Secretary, or the Secretary's representative, shall conduct an opening conference with the agency head or designee. At the opening conference, the Secretary's authority and evaluation plan will be explained.

(e) The agency evaluation shall be completed within 90 calendar days of the date of the opening conference.

(f) A report of the evaluation shall be submitted to the agency head by the Secretary within 90 calendar days from the date of the closing conference.

(g) Agency heads shall respond to the evaluation report within 60 calendar days of receipt of the report.

Subpart K—Field Federal Safety and Health Councils

§ 1960.84 Purpose.

(a) Executive Order 12196 provides that the Secretary shall "facilitate the exchange of ideas and information throughout the Government about occupational safety and health."

(b) Consistent with this objective, the Secretary will continue to sponsor and/or provide guidance for those Field Federal Safety and Health Councils now established and in operation, and establish new field councils as necessary. The field councils will consist primarily of qualified representatives of local area Federal field activities whose duties pertain to occupational safety and health, and also of representatives of recognized local labor organizations, or other civilian employee organizations, at local area Federal field activities. For the purpose of this subpart the definition of field activity will be provided by each agency.

§ 1960.85 Role of the Secretary.

(a) The Secretary shall maintain liaison with agency heads to ensure that they encourage their field activities to participate actively in field council
