

## § 50.51

## 31 CFR Subtitle A (7–1–14 Edition)

(9) The procedures specified in this Subpart have been followed and all conditions for payment have been met.

(e) *Adjustments.* Treasury may subsequently adjust, including requiring repayment of, any payment made under paragraph (d) of this section in accordance with its authority under the Act.

(f) *Suspension of payment for other insured losses.* Upon a determination by Treasury that an insurer has failed to meet any of the requirements for payment specified in paragraph (d) of this section for a particular insured loss, Treasury may suspend payment of the Federal share of compensation for all other insured losses of the insurer pending investigation and audit of the insurer's insured losses.

(g) *Aggregate industry losses.* Treasury will determine the amount of aggregate industry insured losses resulting from a certified act of terrorism. If such aggregate industry insured losses exceed the applicable Program Trigger amounts specified in paragraph (b) of this section, Treasury will publish notice in the FEDERAL REGISTER that the act of terrorism is a Program Trigger event.

### § 50.51 Adjustments to the Federal share of compensation.

(a) *Aggregate amount of insured losses.* The aggregate amount of insured losses of an insurer in a Program Year used to calculate the Federal share of compensation shall be reduced by any amounts recovered by the insurer as salvage or subrogation for its insured losses in the Program Year.

(b) *Amount of Federal share of compensation.* The Federal share of compensation shall be adjusted as follows:

(1) *No excess recoveries.* For any Program Year, the sum of the Federal share of compensation paid by Treasury to an insurer and the insurer's recoveries for insured losses from other sources shall not be greater than the insurer's aggregate amount of insured losses for acts of terrorism in that Program Year. Amounts recovered for insured losses in excess of an insurer's aggregate amount of insured losses in a Program Year shall be repaid to Treasury within 45 days after the end of the

month in which total recoveries of the insurer, from all sources, become excess. For purposes of this paragraph, amounts recovered from a reinsurer pursuant to an agreement whereby the reinsurer's right to any excess recovery has priority over the rights of Treasury shall not be considered a recovery subject to repayment to Treasury.

(2) *Reduction of amount payable.* The Federal share of compensation for insured losses under the Program shall be reduced by the amount of other compensation provided by other Federal programs to an insured or a third party to the extent such other compensation duplicates the insurance indemnification for those insured losses.

(i) *Other Federal program compensation.* For purposes of this section, compensation provided by other Federal programs for insured losses means compensation that is provided by Federal programs established for the purpose of compensating persons for losses in the event of emergencies, disasters, acts of terrorism, or similar events. Compensation provided by Federal programs for insured losses excludes benefit or entitlement payments, such as those made under the Social Security Act, under laws administered by the Secretary of Veteran Affairs, railroad retirement benefit payments, and other similar types of benefit payments.

(ii) *Insurer due diligence.* Each insurer shall inquire of each of its policyholders, insureds, and claimants whether the person receiving insurance proceeds for an insured loss has received, expects to receive, or is entitled to receive compensation from another Federal program for the insured loss, and if so, the source and the amount of the compensation received or expected. The response, source, and such amounts shall be reported with each underlying claim on the bordereau specified in § 50.53(b)(1).

### § 50.52 Initial Notice of Insured Loss.

Each insurer shall submit to Treasury an Initial Notice of Insured Loss, on a form prescribed by Treasury, whenever the insurer's aggregate insured losses (including reserves for "incurred but not reported" losses) within a Program Year exceed an
