Point-of-sale (POS) terminal means an automated credit card or debit card transaction device.

Presumed EFT means that agencies will presume that new payment recipients will elect EFT as the means of payment delivery. Enrollment forms for use in establishing routine payments will be designed with this approach in mind, to obtain the required written consent of the recipient.

Same-day deposit means a deposit made before the cutoff time on the day on which the funds were received by an agency. For example, if an agency receives funds for deposit at 10 a.m. on Monday and transmits the deposits by 2 p.m. on Monday (the depository's cutoff time), then a same-day deposit has been achieved.

§ 206.3 Billing policy and procedures.

An agency may prepare and transmit bills later than the 5-day timeframe if it can demonstrate that it is cost-effective to do so. In addition, the bill must include the terms and dates of payments, and late payment provisions, if applicable. Terms and dates of payments will be consistent with industry practices. I TFM 6-8000 describes detailed billing policies, procedures, and industry standards for agencies.
