

§501.731

shall be in short form, stating the grounds of objection relied upon. Objections to questions or evidence shall be noted by the deposition officer upon the deposition, but a deposition officer (other than an Administrative Law Judge) shall not have the power to decide on the competency, materiality or relevance of evidence. Failure to object to questions or evidence before the deposition officer shall not be deemed a waiver unless the ground of the objection is one that might have been obviated or removed if presented at that time.

(f) *Filing of depositions.* The questions asked and all answers or objections shall be recorded or transcribed verbatim, and a transcript shall be prepared by the deposition officer, or under his or her direction. The transcript shall be subscribed by the witness and certified by the deposition officer. The original deposition transcript and exhibits shall be filed with the Administrative Law Judge. A copy of the deposition transcript and exhibits shall be served on the opposing party or parties. The cost of the transcript (including copies) shall be paid by the party requesting the deposition.

§501.731 Depositions upon written questions.

(a) *Availability.* Depositions may be taken and submitted on written questions upon motion of any party. The motion shall include the information specified in §501.730(a). A decision on the motion shall be governed by §501.730(b).

(b) *Procedure.* Written questions shall be filed with the motion. Not later than 10 days after service of the motion and written questions, any party may file objections to such written questions and any party may file cross-questions. When a deposition is taken pursuant to this section no persons other than the witness, representative or counsel to the witness, the deposition officer, and, if the deposition officer does not act as reporter, a reporter, shall be present at the examination of the witness. No party shall be present or represented unless otherwise permitted by order. The deposition officer shall propound the questions and cross-

questions to the witness in the order submitted.

(c) *Additional requirements.* The order for deposition, filing of the deposition, form of the deposition and use of the deposition in the record shall be governed by paragraphs (b) through (g) of §501.730, except that no cross-examination shall be made.

§501.732 Evidence.

The applicable evidentiary standard for proceedings under this subpart is proof by a preponderance of reliable, probative, and substantial evidence. The Administrative Law Judge shall admit any relevant and material oral, documentary, or demonstrative evidence. The Federal Rules of Evidence do not apply, by their own force, to proceedings under this subpart, but shall be employed as general guidelines. The fact that evidence submitted by a party is hearsay goes only to the weight of the evidence and does not affect its admissibility.

(a) *Objections and offers of proof—(1) Objections.* Objections to the admission or exclusion of evidence must be made on the record and shall be in short form, stating the grounds relied upon. Exceptions to any ruling thereon by the Administrative Law Judge need not be noted at the time of the ruling. Such exceptions will be deemed waived on review by the Secretary's designee, however, unless raised:

(i) Pursuant to interlocutory review in accordance with §501.741;

(ii) In a proposed finding or conclusion filed pursuant to §501.738; or

(iii) In a petition for the Secretary's designee's review of an Administrative Law Judge's decision filed in accordance with §501.741.

(2) *Offers of proof.* Whenever evidence is excluded from the record, the party offering such evidence may make an offer of proof, which shall be included in the record. Excluded material shall be retained pursuant to §501.739(b).

(b) *Official notice.* An Administrative Law Judge or Secretary's designee may take official notice of any material fact that might be judicially noticed by a district court of the United States, any matter in the public official records of the Secretary, or any matter

that is particularly within the knowledge of the Department as an expert body. If official notice is requested or taken of a material fact not appearing in the evidence in the record, a party, upon timely request to the Administrative Law Judge, shall be afforded an opportunity to establish the contrary.

(c) *Stipulations.* The parties may, by stipulation, at any stage of the proceeding agree upon any pertinent fact in the proceeding. A stipulation may be received in evidence and, when accepted by the Administrative Law Judge, shall be binding on the parties to the stipulation.

(d) *Presentation under oath or affirmation.* A witness at a hearing for the purpose of taking evidence shall testify under oath or affirmation.

(e) *Presentation, rebuttal and cross-examination.* A party is entitled to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as, in the discretion of the Administrative Law Judge, may be required for a full and true disclosure of the facts.

§ 501.733 Evidence: confidential information, protective orders.

(a) *Procedure.* In any proceeding as defined in § 501.702, a respondent; the Director; any person who is the owner, subject or creator of a document subject to subpoena or which may be introduced as evidence; or any witness who testifies at a hearing may file a motion requesting a protective order to limit from disclosure to other parties or to the public documents or testimony containing confidential information. The motion should include a general summary or extract of the documents without revealing confidential details. If a person seeks a protective order against disclosure to other parties as well as the public, copies of the documents shall not be served on other parties. Unless the documents are unavailable, the person shall file for inspection by the Administrative Law Judge a sealed copy of the documents as to which the order is sought.

(b) *Basis for issuance.* Documents and testimony introduced in a public hearing are presumed to be public. A motion for a protective order shall be

granted only upon a finding that the harm resulting from disclosure would outweigh the benefits of disclosure.

(c) *Requests for additional information supporting confidentiality.* A person seeking a protective order under paragraph (a) of this section may be required to furnish in writing additional information with respect to the grounds for confidentiality. Failure to supply the information so requested not later than 5 days from the date of receipt by the person of a notice of the information required shall be deemed a waiver of the objection to public disclosure of that portion of the documents to which the additional information relates, unless the Administrative Law Judge shall otherwise order for good cause shown at or before the expiration of such 5-day period.

(d) *Confidentiality of documents pending decision.* Pending a determination of a motion under this section, the documents as to which confidential treatment is sought and any other documents that would reveal the confidential information in those documents shall be maintained under seal and shall be disclosed only in accordance with orders of the Administrative Law Judge. Any order issued in connection with a motion under this section shall be made public unless the order would disclose information as to which a protective order has been granted, in which case that portion of the order that would reveal the protected information shall not be made public.

§ 501.734 Introducing prior sworn statements of witnesses into the record.

(a) At a hearing, any person wishing to introduce a prior, sworn statement of a witness who is not a party to the proceeding, that is otherwise admissible in the proceeding, may make a motion setting forth the reasons therefor. If only part of a statement is offered in evidence, the Administrative Law Judge may require that all relevant portions of the statement be introduced. If all of a statement is offered in evidence, the Administrative Law Judge may require that portions not relevant to the proceeding be excluded. A motion to introduce a prior sworn statement may be granted if:
