

status. Recurring TYA premiums may be adjusted accordingly. Administrative processes may be established for changes in program enrollment; however, no change shall be effective until the applicable premium has been paid.

(e) *Preemption of State laws.*—The preemption provisions of §199.17(a)(7) are applicable to the TYA program.

(f) *Administration.* The Director, TRICARE Management Activity may establish other processes, policies and procedures for the effective administration of the TYA Program and may authorize exceptions to requirements of this section, if permitted by law.

(g) *Terminology.* The following term applies to the TYA program:

Undue hardship. This term involves a situation that the TYA dependent could neither have prevented nor avoided by taking reasonable and timely action. The ASD(HA) may provide further guidelines regarding use of this term.
