Receipt will be acknowledged in writing within 10 working days and the requester advised of any additional time needed due to the unusual circumstances described in § 295.7(i) of this part.

(5) If additional time is required, the final decision may be delayed for the number of working days (not to exceed 10) that were not used as additional time for responding to the initial request. If no additional time is required, the requester will be advised in writing of the final decision within 20 working days.

(6) If the appeal is approved in part or in whole, or responsive records located upon additional search, the requester will be informed and promptly provided any records determined to be releasable.

(7) If “no records” can be located in response to the appeal, the requester will be informed that no records were located, of the identity of the official making the final determination, and of the right to judicial review.

(9) When the final refusal is based in whole or in part on a security classification, the explanation shall include a determination that the record meets the cited criteria and rationale of the governing Executive Order, and that this determination is based on a declassification review, with an explanation of how that review confirmed the continuing validity of the security classification.

(10) Final refusal involving issues not previously resolved or that the OIG knows to be inconsistent with rulings of other DoD components ordinarily will not be made before consultation with the Assistant General Counsel

(Fiscal and Inspector General), OGC, DoD.

APPENDIX A TO PART 295—FOR OFFICIAL USE ONLY (FOUO)

I. General Provisions

A. General

Information that has not been given a security classification pursuant to the criteria of an Executive Order, but which may be withheld from the public for one or more of the reasons cited in FOIA exemptions (b)(2) through (b)(9) shall be considered as being for official use only. No other material shall be considered or marked "For Official Use Only" (FOUO), and FOUO is not authorized as an anemic form of classification to protect national security interests.

B. Prior FOUO Application

The prior application of FOUO markings is not a conclusive basis for withholding a record that is requested under the FOIA. When such a record is requested, the information in it shall be evaluated to determine whether, under current circumstances, FOIA exemptions apply in withholding the record or portions of it. If any exemption or exemptions apply or applies, it may nonetheless be released when it is determined that no governmental interest will be jeopardized by its release.

C. Historical Papers

Records such as notes, working papers, and drafts retained as historical evidence of actions enjoy no special status apart from the exemptions under the FOIA.

D. Time To Mark Records

The marking of records at the time of their creation provides notice of FOUO content and facilitates review when a record is requested under the FOIA. Records requested under the FOIA that do not bear such markings, shall not be assumed to be releasable without examination for the presence of information that requires continued protection and qualifies as exempt from public release.

E. Distribution Statement

Information in a technical document that requires a distribution statement pursuant to DoD Directive 5230.24,¹ "Distribution Statements on Technical Documents", shall bear that statement and may be marked FOUO, as appropriate.

II. Markings

A. Location of Markings

(1) An unclassified document containing FOUO information shall be marked "For Official Use Only" at the bottom on the outside of the front cover (if any), on each page continuing FOUO information, and on the outside of the back cover (if any).

(2) Within a classified document, an individual page that contains both FOUO and classified information shall be marked at the top and bottom with the highest security classification of information appearing on the page.

(3) Within a classified document, an individual page that contains FOUO information but no classified information shall be marked "For Official Use Only" at the bottom of the page.

(4) Other records, such as, photographs, films, tapes, or slides, shall be marked "For Official Use Only" or "FOUO" in a manner that ensures that a recipient or viewer is aware of the status of the information therein.

(5) The FOUO material transmitted outside the Department of Defense requires application of an expanded marking to explain the significance of the FOUO marking. This may be accomplished by typing or stamping the following statement on the record prior to transfer:
