of the property because of the restrictions imposed by the national security clause or recapture provisions.)

(b) *Reserving property for civil defense purposes.* GSA has agreed to accept reports of excess of missile sites and other facilities having similar protective features, with restrictions on their disposal. DEs will be notified when DOD advises that a specified local government unit is interested in acquiring such property. Reports of excess will specify the local government unit interested. Disposal of the property will be limited to conveyance to the local government unit, with conditions restricting its use to civil defense purposes for a period of 20 years, with reverter to the United States for breach of condition. In appropriate cases, GSA will enter into a temporary lease arrangement if necessary to afford a local government unit an opportunity to obtain the necessary funds for purchase. This procedure is limited to cases where DOD has determined and advised there is a civil defense need. Disposal action will not be delayed pending receipt of such advise.

### § 644.355 Preparation and submission of reports of excess.

(a) *Preparation*—(1) *General.* Reports of excess will be prepared on SF 118, with schedules, in accordance with the instructions contained in FPMR section 101-47.4902, and § 644.349 herein. However, since the type of information called for a Block 9 of standard form (SF) 118 and Columns f, g, h, and i of schedule A is not generally applicable to camps, airfields, etc., such information will be furnished only when it is available and can be furnished without additional cost. Reports of excess will include all related or appurtenant easements, licenses, and related personal property. Decontamination data will be included as prescribed in §§ 644.516 through 644.539. Information on flood hazard will be included as required by § 644.352.

(2) *GSA regulations.* Pursuant to GSA regulations, all final reports of excess will be made only after the property has been determined excess to the needs of the Department of Defense and will bear the statement: "This property has been screened against the

known defense needs of the Department of Defense." Report of excess will indicate that the provisions of title 10, United States Code, section 2662, requiring reports to the Armed Services Committees of Congress, have been met, or that the report of excess is not subject to this section.

(3) *Reports of excess—Air Force property.* The Air Force will prepare SF 118, with Schedules A and C, and transmit them to the DE for completion and execution. Land descriptions, title reports, and other data required by the FPMR will be the responsibility of the DE.

(4) *Reports of excess—Army property.* DEs will prepare the SF 118 and the schedules for excess Army property.

(b) *Submission.* Reports of excess will be transmitted directly by the DE to the appropriate regional office of GSA. Each DE making such reports of excess will assign a number in Block 1 of SF 118, beginning with No. 1 for the first report and continuing in numerical sequence for succeeding reports made during the calendar year. The number will be preceded by the symbol of the DE making the report and the calendar year e.g., SWF-79-6, for the sixth report submitted by Fort Worth District of Southwestern Division for calendar year 1979.

### § 644.356 Report on Government title.

In all cases where Government-owned land is reported, there shall be attached to and made a part of SF 118 (original and copies thereof), a report prepared by a qualified employee of the holding agency on the Government's title to the property, based upon his review of the records of the agency. The report shall recite:

(a) The description of the property.

(b) The date title vested in the United States.

(c) All exceptions, reservations, conditions and restrictions relating to the title acquired.

(d) Detailed information concerning any action, thing or circumstance that occurred from the date of the acquisition of the property by the United States to the date of the report which in any way affected, or may have affected, the right, title, and interest of the United States in and to the real property (together with copies of such
