

§ 842.120

32 CFR Ch. VII (7-1-14 Edition)

§ 842.120 Asserting the claim.

When asserting the claim, the base SJA will:

(a) Assert it against the third parties whose liability is based in tort using an SF 96, Notice of Claim. Mail the original and one copy to each of the third parties and a copy to the third parties' insurers, if known.

(b) Assert it against third parties or insurers whose liability is not based in tort using a formal letter written on Air Force stationery. The letter will include the facts and legal basis for liability. Bases for liability could include local foreign law, US status as a third party beneficiary under uninsured or underinsured motorist coverage, workers' compensation laws, and no fault statutes. The specific provision of the injured party's insurance contract should be cited where appropriate.

(c) Mail all copies of the SF 96, or claim notice on Air Force letterhead:

(1) By certified mail with return receipt requested in all claims in which the amount claimed is \$5,000.00 or more or in which there is a substantial likelihood that the final amount claimed will be \$5,000.00 or more.

(2) By regular or certified mail with return receipt requested at the SJA's discretion in cases in which the final amount claimed is less than \$5,000.00, unless there is no response to the initial notice of claim within a reasonable period of time and a second notice of claim is required to be mailed. All second notices of claim and copies will be mailed by certified mail, return receipt requested.

(d) Notify the injured parties promptly in writing that the United States will attempt to recover from the third parties the reasonable value of medical care furnished or to be furnished and that they:

(1) Should seek advice from a legal assistance officer or civilian counsel and furnish the civilian counsel's name to the claims officer.

(2) Must cooperate in the prosecution of all actions of the United States against third parties.

(3) Must furnish a complete statement regarding the facts and circumstances surrounding the incident which caused the injury.

(4) Must not execute a release or settle any claim which exists as a result of the injury without prior notice to the SJA.

(5) Should read the enclosed Privacy Act statement.

§ 842.121 Referring a claim to the US Attorney.

Only HQ USAF/JACC authorizes referral of a claim to the US Attorney. The base SJA ensures review of all claims not later than 2 years after the date of the incident. These unsettled claims are forwarded, with the base SJA's disposition recommendation, to HQ USAF/JACC.

NOTE: On a case-by-case basis, HQ USAF/JACC will authorize referral of a case to the US Attorney by telephone.

§ 842.122 Statute of limitations.

The United States or the injured party on behalf of the United States must file suit within 3 years after an action accrues. This is usually 3 years after the initial treatment is provided in a federal medical facility or after the initial payment is made by CHAMPUS, whichever is first.

§ 842.123 Recovery rates in government facilities.

The FEDERAL REGISTER contains the rates set by the Office of Management and Budget, of which judges take judicial notice. HQ USAF/JACC can provide certified copies of the FEDERAL REGISTER upon request. Apply the rates in effect at the time of care to claims.

§ 842.124 Waiver and compromise of United States interest.

Waivers and compromises of government claims can be made. This paragraph lists the basic guidance for each action. (See §842.117(e) for claims involving waiver and compromise of amounts in excess of settlement authorities' delegated amounts.)

(a) Waiver for the convenience of the government can be made when the tort-feasor:

(1) Cannot be located.

(2) Is judgment proof.

(3) Has refused to pay and the case is too weak for litigation.

(b) Waiver can be made when collection causes undue hardship to the injured party. Ordinarily, factors such as the following should be considered:

- (1) Permanent disability or disfigurement.
- (2) Decreased earning power.
- (3) Out of pocket losses.
- (4) Financial status of injured party.
- (5) Pension rights.
- (6) Other government benefits to the injured party.
- (7) An offer of settlement from a third party which includes virtually all the thirty party's assets, although the amount is considerably less than the calculation of the injured party's damages.

(c) A compromise can be made upon written request from the injured party or the injured party's legal representative when liability is questionable, the injured party received excessive treatment, or the litigation risks dictate, and either of the following occurs:

- (1) The injured party accepts less than the jury verdict expectancy. When this occurs, the Air Force should consider settling its claim in a ratio similar to that which the total settlement bears to the jury verdict expectancy.
- (2) The government's claim is almost as large as, or is larger than, the assets available for settlement.

§ 842.125 Reconsideration of a waiver for undue hardship.

A settlement authority may reconsider its disapproval of a waiver or compromise, when either:

- (a) The injured party submits new evidence.
- (b) Errors exist in claim submission or settlement.
