§ 110.111 Marina del Rey Harbor, Calif.

An area in the main channel within the following described boundaries:

Beginning at the most northeasterly corner at latitude 33°58′58″, longitude 118°26′46″, thence southerly to latitude 33°58′33″, longitude 118°26′46″; thence southeasterly to latitude 33°58′32″, longitude 118°26′45″; thence westerly to latitude 33°58′39″, longitude 118°26′45″; thence northerly to longitude 33°58′38″, longitude 118°26′55″; thence northerly to
§ 110.115 Santa Barbara Harbor, Calif.

North of the Santa Barbara breakwater; seaward of the line of mean high water; and southwest of a line bearing 46°30′ from the north corner of Bath Street and Cabrillo Boulevard to the end of the Santa Barbara breakwater; excluding a fairway 225 feet wide, 100 feet from each side of and parallel to the Navy pier.

Note: Moorings and boating activities will be allowed in these areas conforming to applicable City of Morro Bay ordinances and regulations adopted pursuant thereto.

§ 110.120 San Luis Obispo Bay, Calif.

(a) Area A–1. Area A–1 is the water area bounded by the San Luis Obispo County wharf, the shoreline, a line drawn from the southernmost point of Fossil Point to latitude 35°10′18.5″ N., longitude 120°43′38.5″ W.; thence to the southeast corner of the San Luis Obispo County wharf.

(b) Area A–2. Area A–2 is the water area enclosed by a line drawn from the outer end of Whaler Island breakwater at latitude 35°09′22″ N., longitude 120°44′56″ W., to the Marré Chimney at latitude 35°10′56″ N., longitude 120°44′31″ W.

Note: The Port San Luis Harbor District prescribes local regulations for mooring and boating activities in these areas.

§ 110.125 Morro Bay Harbor, Calif.

(a) Area A–1. Opposite the City of Morro Bay, beginning 50 feet west of the intersection of the west channel line and the prolongation of the center line of Seventh Street; thence in a generally southeasterly direction and parallel to the channel line for a distance of 450 yards; thence 166° and parallel to the revetment for a distance of 1,025 yards; thence 270° for a distance of 200 yards; thence 346° for a distance of about 1,425 yards to meet the prolongation of the center line of Seventh Street; and thence to the point of beginning.

Note: This area is reserved for yachts and other recreational craft and for all types of small craft during storm, stress, or other emergency. Single and fore-and-aft moorings will be allowed in the area as permitted by the Director of the Department of Small Craft Harbors, Los Angeles County.

§ 110.126 Monterey Harbor, Calif.

The waters of Monterey Harbor between the shoreline and the following coordinates: Beginning at a point on the shoreline at latitude 36°36′27.5″ N., longitude 121°53′35.0″ W.; thence to latitude 36°36′32.4″ N., longitude 121°53′31.0″ W., in an easterly direction to latitude 36°36′28.8″ N., 121°53′19.0″ W.; thence south to latitude 36°36′23.1″ N., longitude 121°53′19.0″ W.; thence to the north end of Municipal Wharf No. 1 at latitude 36°36′20.0″ N., longitude 121°53′28.0″ W.

Note: Mariners anchoring in the special anchorage area should consult applicable City of Morro Bay ordinances and regulations adopted pursuant thereto.

§ 110.126a San Francisco Bay, Calif.

Richardson Bay Anchorage. That portion of Richardson Bay, north of a line bearing 257° from Peninsula Point to the shore at Sausalito, except for federally-maintained channels, and all channels approved for private use therein.

Note: Mariners anchoring in the special anchorage area should consult applicable ordinances of the Richardson Bay Regional Agency and the County of Marin. These ordinances establish requirements on matters including the anchoring of vessels, placement of moorings, and use of anchored and moored vessels within the special anchorage area. Information on these local agency requirements may be obtained from the Richardson Bay Harbor Administrator.
