§ 133.7 Requests: Amount.
(a) The amount of funds that may be requested under this part—
(1) Is limited to the amount anticipated for immediate removal action for a single oil pollution incident, but, in any event, may not exceed $250,000 per incident;
(2) Must be for removal costs consistent with the National Contingency Plan; and
(3) Must be reasonable for the removal actions proposed, considering such factors as quantity and composition of the oil, weather conditions and customary costs of similar services in the locale.
(b) The funds requested are obligated only to the extent they are determined to be for immediate removal actions which are reasonable and otherwise eligible for payment under this part.

§ 133.9 Requests: Where made.
Requests for access to the Fund under § 133.5 must be made by telephone or other rapid means to the OSC.

§ 133.11 Request: Contents.
In making a request for access to the Fund, the person making the request shall—
(a) Indicate that the request is a State access request under 33 CFR part 133;
(b) Give his or her name, title, department, and State;
(c) Describe the incident in sufficient detail to allow a determination of jurisdiction, including at a minimum the date of the occurrence, type of product discharged, estimated quantity of the discharge, body of water involved, and proposed removal actions for which funds are being requested under this part; and
(d) Indicate the amount of funds being requested.

§ 133.13 Removal actions eligible for funding.
To be eligible for funding under this part, each removal action must meet the following:
(a) Must be for an incident, occurring after August 18, 1990, which resulted in a discharge, or the substantial threat of a discharge, of oil into or upon the navigable waters or adjoining shorelines.
(b) Must comply with the National Contingency Plan.
(c) Must be an immediate removal action.

§ 133.15 Determination of eligibility for funding.
Upon receipt of the information under § 133.11 and, if necessary, from other sources determined to be appropriate at his or her discretion, the OSC will determine whether the proposed removal actions meet the requirements of § 133.13. If necessary, the OSC may seek further clarification of the proposed actions from the State official. The OSC shall expeditiously notify the State official and the Director, NPFC, of his or her decision.

§ 133.17 Conduct of removal actions.
Removal actions funded under this part must be coordinated with the OSC and conducted in accordance with the National Contingency Plan.

§ 133.19 Recordkeeping.
(a) The State official shall maintain detailed records of expenditures made from the funds provided under this part, including records of—
(1) Daily expenditures for each individual worker, giving the individual’s name, title or position, activity performed, time on task, salary or hourly rate, travel costs, per diem, out-of-pocket or extraordinary expenses, and whether the individual is normally available for oil spill removal;
(2) Equipment purchased or rented each day, with the daily or hourly rate;
(3) Miscellaneous materials and expendables purchased each day; and
(4) Daily contractor or consultant fees, including costs for their personnel and contractor-owned or rented equipment, as well as that of any subcontractor.
(b) The State official shall submit a copy of these records and a summary document stating the total of all expenditures made to the NPFC official specified in § 133.25(c) within thirty days after completion of the removal actions. A copy of these documents shall also be submitted to the cognizant OSC.
