

§ 155.5052 Response plan development and evaluation criteria for nontank vessels carrying group V petroleum oil.

Owners or operators of nontank vessels that carry group V petroleum oil as fuel or cargo must meet the requirements of 33 CFR 155.1052.

§ 155.5055 Training.

(a) For nontank vessels with an oil capacity of 250 barrels or greater—

(1) A vessel response plan (VRP) submitted to meet the requirements of § 155.5035 must identify the training to be provided to persons having responsibilities under the VRP, including members of the vessel crew, the qualified individual, and the spill management team. The training program must differentiate between that training provided to vessel personnel and that training provided to shore-based personnel. Appendix C of this part provides additional guidance regarding training; and

(2) A vessel owner or operator must comply with the vessel response plan training requirements of 33 CFR 155.1055.

(b) For nontank vessels with an oil capacity of less than 250 barrels, a vessel owner or operator must comply with the VRP training requirements of paragraph (a) of this section or the Alternative Training and Exercise Program requirements of § 155.5061.

§ 155.5060 Exercises.

(a) For nontank vessels with an oil capacity of 250 barrels or greater—

(1) A vessel owner or operator required by § 155.5035 to have a vessel response plan (VRP) must conduct exercises as necessary to ensure that the VRP will function in an emergency. Vessel owners or operators must include both announced and unannounced exercises; and

(2) A vessel owner or operator must comply with the VRP exercise requirements of 33 CFR 155.1060.

(b) For nontank vessels with an oil capacity of less than 250 barrels, a vessel owner or operator must comply with the VRP exercise requirements of paragraph (a) of this section or the Alternative Training and Exercise Program requirements of § 155.5061.

§ 155.5061 Alternative Training and Exercise Program.

(a) Owners or operators of nontank vessels with an oil capacity of less than 250 barrels, in lieu of the training and exercise requirements of §§ 155.5055 and 155.5060, may meet an Alternative Training and Exercise Program that has been approved by the Commandant (CG-CVC) for meeting the requirements of this section.

(b) Vessel owners or operators must make available to the Coast Guard, upon request, any information related to implementation of an approved Alternative Training and Exercise Program.

(c) For approval of an Alternative Training and Exercise Program the vessel owners or operators must submit to the Commandant (CG-CVC) for review and approval: The Alternative Training and Exercise Program and the following information to assess the adequacy of the proposed Alternative Training and Exercise Program—

(1) A list of the vessels to which the Alternative Training and Exercise Program is intended to apply;

(2) An explanation of how the Alternative Training and Exercise Program addresses the requirements of 33 CFR 155.1055(b) through (f) and 33 CFR 155.1060; and

(3) An explanation of how vessel owners or operators must implement the Alternative Training and Exercise Program in its entirety, including performing verification of implementation.

(d) Amendments to the Alternative Training and Exercise Program approved under this section may be initiated by the submitter of an Alternative Training and Exercise Program.

(e) Approval of the Alternative Training and Exercise Program is required before a vessel may receive a nontank vessel response plan approval letter.

(f) The Commandant (CG-CVC) will examine each submission for compliance with this section and—

(1) If the submission meets all the requirements, the Coast Guard will consider the training and exercise program requirements under this section to be satisfactory; or
