§ 300.227 Direct services by the SEA.

(a) General. (1) An SEA must use the payments that would otherwise have been available to an LEA or to a State agency to provide special education and related services directly to children with disabilities residing in the area served by that LEA, or for whom that State agency is responsible, if the SEA determines that the LEA or State agency—

(i) Has not provided the information needed to establish the eligibility of the LEA or State agency, or elected not to apply for its Part B allotment, under Part B of the Act;

(ii) Is unable to establish and maintain programs of FAPE that meet the requirements of this part;

(iii) Is unable or unwilling to be consolidated with one or more LEAs in order to establish and maintain the programs; or

(iv) Has one or more children with disabilities who can best be served by a regional or State program or service delivery system designed to meet the needs of these children.

(2) SEA administrative procedures. (i) In meeting the requirements in paragraph (a)(1) of this section, the SEA may provide special education and related services directly, by contract, or through other arrangements.

(ii) The excess cost requirements of § 300.202(b) do not apply to the SEA.

(b) Manner and location of education and services. The SEA may provide special education and related services under paragraph (a) of this section in the manner and at the locations (including regional or State centers) as the SEA considers appropriate. The education and services must be provided in accordance with this part.

Any State agency that desires to receive a subgrant for any fiscal year under § 300.705 must demonstrate to the satisfaction of the SEA that—

§ 300.229 Disciplinary information.

(a) The State may require that a public agency include in the records of a child with a disability a statement of any current or previous disciplinary action that has been taken against the child and transmit the statement to the same extent that the disciplinary information is included in, and transmitted with, the student records of nondisabled children.

(b) The statement may include a description of any behavior engaged in by the child that required disciplinary action, a description of the disciplinary action taken, and any other information that is relevant to the safety of the child and other individuals involved with the child.

(c) If the State adopts such a policy, and the child transfers from one school to another, the transmission of any of the child’s records must include both the child’s current IEP and any statement of current or previous disciplinary action that has been taken against the child.

§ 300.230 SEA flexibility.

(a) Adjustment to State fiscal effort in certain fiscal years. For any fiscal year for which the allotment received by a State under § 300.703 exceeds the amount the State received for the previous fiscal year and if the State in school year 2003–2004 or any subsequent school year pays or reimburses all LEAs within the State from State revenue 100 percent of the non-Federal share of the costs of special education and related services, the SEA, notwithstanding §§ 300.162 through 300.163 (related to State-level nonsupplanting
and maintenance of effort), and § 300.175 (related to direct services by the SEA) may reduce the level of expenditures from State sources for the education of children with disabilities by not more than 50 percent of the amount of such excess.

(b) **Prohibition.** Notwithstanding paragraph (a) of this section, if the Secretary determines that an SEA is unable to establish, maintain, or oversee programs of FAPE that meet the requirements of this part, or that the State needs assistance, intervention, or substantial intervention under § 300.603, the Secretary prohibits the SEA from exercising the authority in paragraph (a) of this section.

(c) **Education activities.** If an SEA exercises the authority under paragraph (a) of this section, the agency must use funds from State sources, in an amount equal to the amount of the reduction under paragraph (a) of this section, to support activities authorized under the ESEA, or to support need-based student or teacher higher education programs.

(d) **Report.** For each fiscal year for which an SEA exercises the authority under paragraph (a) of this section, the SEA must report to the Secretary—

1. The amount of expenditures reduced pursuant to that paragraph; and
2. The activities that were funded pursuant to paragraph (c) of this section.

(e) **Limitation.** (1) Notwithstanding paragraph (a) of this section, an SEA may not reduce the level of expenditures described in paragraph (a) of this section if any LEA in the State would, as a result of such reduction, receive less than 100 percent of the amount necessary to ensure that all children with disabilities served by the LEA receive FAPE from the combination of Federal funds received under Part B of the Act and State funds received from the SEA.

2. If an SEA exercises the authority under paragraph (a) of this section, LEAs in the State may not reduce local effort under § 300.205 by more than the reduction in the State funds they receive.
