## Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

### LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

### HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2014), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

### EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

### OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

#### PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

#### “[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

#### INCORPORATION BY REFERENCE

*What is incorporation by reference?* Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

*What is a proper incorporation by reference?* The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

*What if the material incorporated by reference cannot be found?* If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

#### CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume. The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

#### REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

#### INQUIRIES

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

AUTHORITY: 20 U.S.C. 1071 to 1087–2, unless otherwise noted.

SOURCE: 57 FR 60323, Dec. 18, 1992, unless otherwise noted.

### Subpart A—Purpose and Scope

#### § 682.100 The Federal Family Education Loan programs.

(a) This part governs the following four programs collectively referred to in these regulations as “the Federal Family Education Loan (FFEL) programs,” in which lenders used their own funds prior to July 1, 2010, to make loans to enable a student or his or her parents to pay the costs of the student’s attendance at postsecondary schools.

(1) The Federal Stafford Loan (Stafford) Program, which encouraged making loans to undergraduate, graduate, and professional students.

(2) The Federal Supplemental Loans for Students (SLS) Program, as in effect for periods of enrollment that began prior to July 1, 1994, which encouraged making loans to graduate, professional, independent undergraduate, and certain dependent undergraduate students.

## 34 CFR Ch. VI (7–1–14 Edition)

(3) The Federal PLUS (PLUS) Program, which encouraged making loans to parents of dependent undergraduate students. Before October 17, 1986, the PLUS Program also provided for making loans to graduate, professional, and independent undergraduate students. Before July 1, 1993, the PLUS Program also provided for making loans to parents of dependent graduate students. The PLUS Program also provided for making loans to graduate and professional students on or after July 1, 2006 and prior to July 1, 2010.

(4) The Federal Consolidation Loan Program (Consolidation Loan Program), which encouraged making loans to borrowers for the purpose of consolidating loans: under the Federal Insured Student Loan (FISL), Stafford loan, SLS, ALAS (as in effect before October 17, 1986), PLUS, Perkins Loan programs, the Health Professions Student Loan (HPSL) including Loans for Disadvantaged Students (LDS) Program authorized by subpart II of part A of Title VII of the Public Health Services Act, Health Education Assistance Loans (HEAL) authorized by subpart I of Part A of Title VII of the Health Services Act, Nursing Student Loan Program loans authorized by subpart II of part B of title VIII of the Public Health Service Act, and existing loans obtained under the Consolidation Loan Program, and William D. Ford Direct Loan (Direct Loan) program loans, if the application for the Consolidation loan was received on or after November 13, 1997 and prior to July 1, 2010.

(b)(1) Except for the loans guaranteed directly by the Secretary described in paragraph (b)(2) of this section, a guaranty agency guarantees a lender against losses due to default by the borrower on a FFEL loan. If the guaranty agency meets certain Federal requirements, the guaranty agency is reimbursed by the Secretary for all or part of the amount of default claims it pays to lenders.

(2)(i) The Secretary guarantees lenders against losses—

(A) Within the Stafford Loan Program, on loans made under Federal Insured Student Loan (FISL) Program;

(B) Within the PLUS Program, on loans made under the Federal PLUS Program;

(C) Within the SLS Program, on loans made under the Federal SLS Program as in effect for periods of enrollment that began prior to July 1, 1994; and

(D) Within the Consolidation Loan Program, on loans made under the Federal Consolidation Loan Program.

(ii) The loan programs listed in paragraph (b)(2)(i) of this section collectively are referred to in these regulations as the “Federal Guaranteed Student Loan (GSL) programs.”

(iii) The Federal GSL programs were authorized to operate in States not served by a guaranty agency program. In addition, the FISL and Federal SLS (as in effect for periods of enrollment that began prior to July 1, 1994) programs were authorized, under limited circumstances, to operate in States in which a guaranty agency program did not serve all eligible students.

#### § 682.101 Participation in the FFEL programs.

The following entities and persons participate in the FFEL programs:

(a) Eligible banks, savings and loan associations, credit unions, pension funds, insurance companies, schools, and State and private nonprofit agencies made loans prior to July 1, 2010.

(b) Institutions of higher education, including most colleges, universities, graduate and professional schools, and many vocational, technical schools participated as schools, enabling an eligible student or his or her parents to obtain a loan to pay for the student’s cost of education.

(c) Students who met certain requirements, including enrollment at a participating school, borrowed under the Stafford Loan Program prior to July 1, 2010 and, for periods of enrollment that began prior to July 1, 1994, the SLS program. Parents of eligible dependent undergraduate students borrowed under the PLUS Program prior to July 1, 2010. Borrowers with outstanding Stafford, SLS, FISL, Perkins, HPSL,

HEAL, ALAS, PLUS, or Nursing Student Loan Program loans borrowed under the Consolidation Loan Program prior to July 1, 2010. The PLUS Program also provided for making loans to graduate and professional students on or after July 1, 2006 and prior to July 1, 2010.

#### § 682.102 Repaying a loan.

(a) *General.* Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower’s obligation to repay is cancelled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. A parent borrower’s obligation to repay a PLUS loan is cancelled if the student, on whose behalf the parent borrowed, dies. The borrower’s or student’s obligation to repay all or a portion of his or her loan may be cancelled if the student is unable to complete his or her program of study because the school closed or the borrower’s or student’s eligibility to borrow was falsely certified by the school. The obligation to repay all or a portion of a loan may be forgiven for Stafford Loan borrowers who enter certain areas of the teaching profession.

(b) *Stafford loan repayment.* In the case of a subsidized Stafford loan, a borrower is not required to make any principal payments during the time the borrower is in school. The Secretary pays the interest on the borrower’s behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower’s behalf. In the case of an unsubsidized Stafford loan, the borrower is responsible for interest during these periods. At the end

## § 682.103

of the grace period, the repayment period begins. During the repayment period, for the subsidized and unsubsidized Stafford loan, the borrower pays both the principal and the interest accruing on the loan.

(c) *SLS loan repayment.* Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower's grace period on the Stafford loan expires.

(d) *PLUS loan repayment.* Generally, the repayment period for a PLUS loan begins on the day the loan is fully disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(e) *Consolidation loan repayment.* Generally, the repayment period for a Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(f) *Deferment of repayment.* Repayment of principal on a FFEL program loan may be deferred under the circumstances described in § 682.210.

(g) *Default.* If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

(2) 330 days for a loan repayable in less frequent installments.

*Disbursement.* The transfer of loan proceeds by a lender to a holder, in the case of a Consolidation loan, or to a borrower, a school, or an escrow agent by issuance of an individual check, a master check or by electronic funds transfer that may represent loan amounts for borrowers.

(2) With respect to a National or State chartered bank, a mutual savings bank, a savings and loan association, a stock savings bank, or a credit union—

(i) The phrase “subject to examination and supervision” in section 435(d) of the Act means “subject to examination and supervision in its capacity as a lender”;

(ii) The phrase “does not have as its primary consumer credit function the making or holding of loans made to students under this part” in section 435(d) of the Act means that the lender does not, or in the case of a bank holding company, the company’s wholly-owned subsidiaries as a group do not at any time, hold FFEL Program loans that total more than one-half of the lender’s or subsidiaries’ combined consumer credit loan portfolio, including home mortgages held by the lender or its subsidiaries. For purposes of this paragraph, loans held in trust by a trustee lender are not considered part of the trustee lender’s consumer credit function.

(4) The corporate parent or other owner of a school that qualifies as an eligible lender under section 435(d) of the Act is not an eligible lender unless the corporate parent or owner itself qualifies as an eligible lender under section 435(d) of the Act.

(5)(i) The term *eligible lender* does not include any lender that the Secretary determines, after notice and opportunity for a hearing before a designated Department official, has, directly or through an agent or contractor—

This includes but is not limited to—

(I) Payments or offerings of other benefits, including prizes or additional financial aid funds, to a prospective borrower or to a school or school employee in exchange for applying for or accepting a FFEL loan from the lender;

(2) Payments or other benefits, including payments of stock or other securities, tuition payments or reimbursements, to a school, a school employee, any school-affiliated organization, or to any other individual in exchange for FFEL loan applications, application referrals, or a specified volume or dollar amount of loans made, or placement on a school's list of recommended or suggested lenders;

(7) Payment of conference or training registration, travel, and lodging costs for an employee of a school or school-affiliated organization;

(8) Payment of entertainment expenses, including expenses for private hospitality suites, tickets to shows or sporting events, meals, alcoholic beverages, and any lodging, rental, transportation, and other gratuities related to lender-sponsored activities for employees of a school or a school-affiliated organization;

(10) Performance of, or payment to another third party to perform, any school function required under title IV, except that the lender may perform entrance counseling and, as provided in § 682.604(a), exit counseling, and may provide services to participating foreign schools at the direction of the Secretary, as a third-party servicer; and

(11) Any type of consulting arrangement or other contract with an employee of a financial aid office at a school, or an employee of a school who otherwise has responsibilities with respect to student loans or other financial aid provided by the school under which the employee would provide services to the lender.

(C) Offered, directly or indirectly, a FFEL loan to a prospective borrower to induce the purchase of a policy of insurance or other product or service by the borrower or other person; or

(D) Engaged in fraudulent or misleading advertising with respect to its FFEL loan activities.

(ii) Notwithstanding paragraph (5)(i) of this definition, a lender, in carrying out its role in the FFEL program and in attempting to provide better service, may provide—

(A) Technical assistance to a school that is comparable to the kinds of technical assistance provided to a school by the Secretary under the Direct Loan program, as identified by the Secretary in a public announcement, such as a notice in the FEDERAL REGISTER;

(B) Support of and participation in a school's or a guaranty agency's student aid and financial literacy-related outreach activities, including in-person

entrance and exit counseling, as long as the name of the entity that developed and paid for any materials is provided to the participants and the lender does not promote its student loan or other products;

(C) Meals, refreshments, and receptions that are reasonable in cost and scheduled in conjunction with training, meeting, or conference events if those meals, refreshments, or receptions are open to all training, meeting, or conference attendees;

(D) Toll-free telephone numbers for use by schools or others to obtain information about FFEL loans and free data transmission service for use by schools to electronically submit applicant loan processing information or student status confirmation data;

(E) A reduced origination fee in accordance with § 682.202(c);

(F) A reduced interest rate as provided under the Act;

(G) Payment of Federal default fees in accordance with the Act;

(H) Purchase of a loan made by another lender at a premium;

(I) Other benefits to a borrower under a repayment incentive program that requires, at a minimum, one or more scheduled payments to receive or retain the benefit or under a loan forgiveness program for public service or other targeted purposes approved by the Secretary, provided these benefits are not marketed to secure loan applications or loan guarantees;

(J) Items of nominal value to schools, school-affiliated organizations, and borrowers that are offered as a form of generalized marketing or advertising, or to create good will; and

(K) Other services as identified and approved by the Secretary through a public announcement, such as a notice in the FEDERAL REGISTER.

(iii) For the purposes of this paragraph (5)—

(A) The term “school-affiliated organization” is defined in § 682.200.

(B) The term “applications” includes the Free Application for Federal Student Aid (FAFSA), FFEL loan master promissory notes, and FFEL Consolidation loan application and promissory notes.

(C) The term “other benefits” includes, but is not limited to, preferential rates for or access to the lender’s other financial products, information technology equipment, or non-loan processing or non-financial aid-related computer software at below market rental or purchase cost, and printing and distribution of college catalogs and other materials at reduced or no cost.

(6) The term eligible lender does not include any lender that—

(i) Is debarred or suspended, or any of whose principals or affiliates (as those terms are defined in 2 CFR parts 180 and 3485) is debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4;

(ii) Is an affiliate, as defined in 2 CFR parts 180 and 3485, of any person who is debarred or suspended under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; or

(iii) Employs a person who is debarred or suspended under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, in a capacity that involves the administration or receipt of FFEL Program funds.

(7) An eligible lender may not make or hold a loan as trustee for a school, or for a school-affiliated organization as defined in this section, unless on or before September 30, 2006—

(i) The eligible lender was serving as trustee for the school or school-affiliated organization under a contract entered into and continuing in effect as of that date; and

(ii) The eligible lender held at least one loan in trust on behalf of the school or school-affiliated organization on that date.

(8) As of January 1, 2007, and for loans first disbursed on or after that date under a trustee arrangement, an eligible lender operating as a trustee under a contract entered into on or before September 30, 2006, and which continues in effect with a school or a school-affiliated organization—

(i) Must not—

## § 682.200

## 34 CFR Ch. VI (7–1–14 Edition)

(C) Make a loan to a borrower who is not enrolled at that school;

(ii) Must offer loans that carry an origination fee or an interest rate, or both, that are less than the fee or rate authorized under the provisions of the Act; and

(iii) Must, for any fiscal year beginning on or after July 1, 2006 in which the school engages in activities as an eligible lender, submit an annual compliance audit that satisfies the following requirements:

(A) With regard to a school that is a governmental entity or a nonprofit organization, the audit must be conducted in accordance with § 682.305(c)(2)(v) and chapter 75 of title 31, United States Code, and in addition, during years when the student financial aid cluster (as defined in Office of Management and Budget Circular A-133, Appendix B, Compliance Supplement) is not audited as a “major program” (as defined under 31 U.S.C. 7501) must, without regard to the amount of loans made, include in such audit the school’s lending activities as a major program.

(B) With regard to a school that is not a governmental entity or a nonprofit organization, the audit must be conducted annually in accordance with § 682.305(c)(2)(i) through (iii).

(C) With regard to any school, the audit must include a determination that—

(1) The school used all payments and proceeds (i.e., special allowance and interest payments from borrowers, interest subsidy payments, proceeds from the sale or other disposition of loans) from the loans for need-based grant programs;

(2) Those need-based grants supplemented, rather than supplanted, the institution’s use of non-Federal funds for such grants; and

(3) The school used no more than a reasonable portion of payments and proceeds from the loans for direct administrative expenses.

*Master Promissory Note (MPN).* A promissory note under which the borrower may receive loans for a single period of enrollment or multiple periods of enrollment.

*Nationwide consumer reporting agency.* A consumer reporting agency that

compiles and maintains files on consumers on a nationwide basis and as defined in 15 U.S.C. 1681a(p).

*Nonsubsidized Stafford loan.* A Stafford loan made prior to October 1, 1992 that does not qualify for interest benefits under § 682.301(b) or special allowance payments under § 682.302.

*Origination relationship.* A special business relationship between a school and a lender in which the lender delegates to the school, or to an entity or individual affiliated with the school, substantial functions or responsibilities normally performed by lenders before making FFEL program loans. In this situation, the school is considered to have “originated” a loan made by the lender.

*Origination fee.* A fee that the lender is required to pay the Secretary to help defray the Secretary’s costs of subsidizing the loan. The lender may pass this fee on to the Stafford loan borrower. The lender must pass this fee on to the SLS or PLUS borrower.

*Participating school.* A school that has in effect a current agreement with the Secretary under § 682.600.

*Period of enrollment.* The period for which a Stafford, SLS, or PLUS loan is intended. The period of enrollment must coincide with one or more bona fide academic terms established by the school for which institutional charges are generally assessed (e.g., a semester, trimester, or quarter in weeks of instructional time, an academic year, or the length of the student’s program of study in weeks of instructional time). The period of enrollment is also referred to as the loan period.

*Post-deferment grace period.* For a loan made prior to October 1, 1981, a single period of six consecutive months beginning on the day following the last day of an authorized deferment period.

*Repayment period.* (1) For a Stafford loan, the period beginning on the date following the expiration of the grace period and ending no later than 10 years, or 25 years under an extended repayment schedule, from the date the first payment of principal is due from the borrower, exclusive of any period of deferment or forbearance.

(2) For unsubsidized Stafford loans, the period that begins on the day after the expiration of the applicable grace

period that follows after the student ceases to be enrolled on at least a half-time basis and ending no later than 10 years or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. However, payments of interest are the responsibility of the borrower during the in-school and grace period, but may be capitalized by the lender.

(3) For SLS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years from that date, exclusive of any period of deferment or forbearance. The first payment of principal is due within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower but who, has not yet entered repayment on the Stafford loan requests that commencement of repayment on the SLS loan be delayed until the borrower's grace period on the Stafford loan expires. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan. The borrower is responsible for paying interest on the loan during the grace period and periods of deferment, but the interest may be capitalized by the lender.

(4) For Federal PLUS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years, or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan.

(5) For Federal Consolidation loans, the period that begins on the date the loan is disbursed and ends no later than 10, 12, 15, 20, 25, or 30 years from that date depending upon the sum of the amount of the Consolidation loan, and the unpaid balance on other student loans, exclusive of any period of deferment or forbearance.

*Satisfactory repayment arrangement.* (1) For purposes of regaining eligibility under the title IV student financial as-

sistance programs, the making of six consecutive, on-time, voluntary full monthly payments on a defaulted loan. A borrower may only obtain the benefit of this paragraph with respect to renewed eligibility once.

(2) The required full monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. Voluntary payments are payments made directly by the borrower, and do not include payments obtained by income tax off-set, garnishment, or income or asset execution. "On-time" means a payment received by the Secretary or a guaranty agency or its agent within 20 days of the scheduled due date.

(3) A borrower has not used the one opportunity to renew eligibility for title IV assistance if the borrower makes six consecutive, on-time, voluntary, full monthly payments under an agreement to rehabilitate a defaulted loan but does not receive additional title IV assistance prior to defaulting on that loan again.

*School.* (1) An "institution of higher education" as that term is defined in 34 CFR 600.4.

(2) For purposes of an in-school deferment, the term includes an institution of higher education, whether or not it participates in any title IV program or has lost its eligibility to participate in the FFEL program because of a high default rate.

*School-affiliated organization.* A school-affiliated organization is any organization that is directly or indirectly related to a school and includes, but is not limited to, alumni organizations, foundations, athletic organizations, and social, academic, and professional organizations.

*School lender.* A school, other than a correspondence school, that has entered into a contract of guarantee under this part with the Secretary or, a similar agreement with a guaranty agency.

*Stafford Loan Program.* The loan program authorized by Title IV-B of the Act which encourages the making of subsidized and unsubsidized loans to undergraduate, graduate, and professional students and is one of the Federal Family Education Loan programs.

## § 682.201

*Substantial gainful activity.* A level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both.

*Temporarily totally disabled.* The condition of an individual who, though not totally and permanently disabled, is unable to work and earn money or attend school, during a period of at least 60 days needed to recover from injury or illness. With regard to a disabled dependent of a borrower, this term means a spouse or other dependent who, during a period of injury or illness, requires continuous nursing or similar services for a period of at least 90 days.

*Third-party servicer.* Any State or private, profit or nonprofit organization or any individual that enters into a contract with a lender or guaranty agency to administer, through either manual or automated processing, any aspect of the lender's or guaranty agency's FFEL programs required by any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA that governs the FFEL programs, including, any applicable function described in the definition of third-party servicer in 34 CFR part 668; originating, guaranteeing, monitoring, processing, servicing, or collecting loans; claims submission; or billing for interest benefits and special allowance.

*Totally and permanently disabled.* The condition of an individual who—

(1) Is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that—

(i) Can be expected to result in death;

(ii) Has lasted for a continuous period of not less than 60 months; or

(iii) Can be expected to last for a continuous period of not less than 60 months; or

(2) Has been determined by the Secretary of Veterans Affairs to be unemployable due to a service-connected disability.

*Unsubsidized Stafford loan.* A loan made after October 1, 1992, authorized under section 428H of the Act for borrowers who do not qualify for interest benefits under § 682.301(b) but do qualify for special allowance under § 682.302.

*Write-off.* Cessation of collection activity on a defaulted FFEL loan due to a determination in accordance with applicable standards that no further collection activity is warranted.

### § 682.201 Eligible borrowers.

(a) *Student Stafford borrower.* Except for a refinanced SLS/PLUS loan, a student is eligible to receive a Stafford loan, and an independent undergraduate student, a graduate or professional student, or, subject to paragraph (a)(3) of this section, a dependent undergraduate student, is eligible to receive an unsubsidized Stafford loan, if the student who is enrolled or accepted for enrollment on at least a half-time basis at a participating school meets the requirements for an eligible student under 34 CFR part 668, and—

(1) In the case of an undergraduate student who seeks a Stafford loan or unsubsidized Stafford loan for the cost of attendance at a school that participates in the Pell Grant Program, has received a final determination, or, in the case of a student who has filed an application with the school for a Pell Grant, a preliminary determination, from the school of the student's eligibility or ineligibility for a Pell Grant

and, if eligible, has applied for the period of enrollment for which the loan is sought;

(2) In the case of any student who seeks an unsubsidized Stafford loan for the cost of attendance at a school that participates in the Stafford Loan Program, the student must—

(i) Receive a determination of need for a subsidized Stafford loan; and

(ii) If the determination of need is in excess of \$200, have made a request to a lender for a subsidized Stafford loan;

(3) For purposes of a dependent undergraduate student's eligibility for an additional unsubsidized Stafford loan amount, as described at § 682.204(d), is a dependent undergraduate student for whom the financial aid administrator determines and documents in the school's file, after review of the family financial information provided by the student and consideration of the student's debt burden, that the student's parents likely will be precluded by exceptional circumstances (e.g., denial of a PLUS loan to a parent based on adverse credit, the student's parent receives only public assistance or disability benefits, is incarcerated, or his or her whereabouts are unknown) from borrowing under the PLUS Program and the student's family is otherwise unable to provide the student's expected family contribution. A parent's refusal to borrow a PLUS loan does not constitute an exceptional circumstance;

(4)(i) Reaffirms any FFEL loan amount on which there has been a total cessation of collection activity, including all principal, interest, collection costs, court costs, attorney fees, and late charges that have accrued on that amount up to the date of reaffirmation.

(ii) For purposes of paragraph (a)(4) of this section, reaffirmation means the acknowledgement of the loan by the borrower in a legally binding manner. The acknowledgement may include, but is not limited to, the borrower—

(v) The lender must retain a record of its basis for determining that extenuating circumstances existed. This record may include, but is not limited to, an updated credit report, a statement from the creditor that the borrower has made satisfactory arrangements to repay the debt, or a satisfactory statement from the borrower explaining any delinquencies with outstanding balances of less than \$500.

(ii) The notice must be sent within five business days of the date the borrower becomes 60 days delinquent, unless the lender has sent such a notice within the previous 120 days.

(b) *Exception to disclosure requirement.* In the case of a Federal Unsubsidized Stafford loan or a Federal PLUS loan, the lender is not required to provide the information in paragraph (a)(2)(viii) of this section if the lender, instead of that disclosure, provides the borrower with sample projections of the monthly repayment amounts assuming different levels of borrowing and interest accruals resulting from

capitalization of interest while the borrower or student on whose behalf the loan is made is in school. Sample projections must disclose the cost to the borrower of principal and interest, interest only, and capitalized interest. The lender may rely on the Stafford and PLUS promissory notes and associated materials approved by the Secretary for purposes of complying with this section.

(c) *Borrower may not be charged for disclosures.* The lender must provide the information required by this section at no cost to the borrower.

(d) *Method of disclosure.* Any disclosure of information by a lender under this section may be through written or electronic means.

(e) *Notice of availability of income-sensitive and income-based repayment options.* (1) At the time of offering a borrower a loan and at the time of offering a borrower repayment options, the lender must provide the borrower with a notice that informs the borrower of the availability of income-sensitive and, except for parent PLUS borrowers and Consolidation Loan borrowers whose Consolidation Loan paid off one or more parent PLUS Loans, income-based repayment plans. This information may be provided in a separate notice or as part of the other disclosures required by this section. The notice must inform the borrower—

(i) That the borrower is eligible for income-sensitive repayment and may be eligible for income-based repayment, including through loan consolidation;

(ii) Of the procedures by which the borrower can elect income-sensitive or income-based repayment; and

(iii) Of where and how the borrower may obtain more information concerning income-sensitive and income-based repayment plans.

(2) The promissory note and associated materials approved by the Secretary satisfy the loan origination notice requirements provided for in paragraph (e)(1) of this section.

(f) *Disclosure procedures when a borrower's address is not available.* If a lender receives information indicating it does not know the borrower's current address, the lender is excused from providing disclosure information under

this section unless it receives communication indicating a valid borrower address before the 241st day of delinquency, at which point the lender must resume providing the installment bill or statement, and any other disclosure information required under this section not previously provided.

**§§ 682.206-682.207 [Reserved]**

**§ 682.208 Due diligence in servicing a loan.**

(a) The loan servicing process includes reporting to nationwide consumer reporting agencies, responding to borrower inquiries, establishing the terms of repayment, and reporting a borrower's enrollment and loan status information.

(b)(1) An eligible lender of a FFEL loan shall report to each nationwide consumer reporting agency—

(i) The total amount of FFEL loans the lender has made to the borrower, within 90 days of each disbursement;

(ii) The outstanding balance of the loans;

(iii) Information concerning the repayment status of the loan, no less frequently than every 90 days or quarterly after a change in that status from current to delinquent;

(iv) The date the loan is fully repaid by, or on behalf of, the borrower, or discharged by reason of the borrower's death, bankruptcy, or total and permanent disability, within 90 days after that date;

(v) Other information required by law to be reported.

(2) An eligible lender that has acquired a FFEL loan shall report to each nationwide consumer reporting agency the information required by paragraph (b)(1)(ii)-(v) of this section within 90 days of its acquisition of the loan.

(3) Upon receipt of a valid identity theft report as defined in section 603(q)(4) of the Fair Credit Reporting Act (15 U.S.C. 1681a) or notification from a consumer reporting agency that information furnished by the lender is a result of an alleged identity theft as defined in §682.402(e)(14), an eligible lender shall suspend consumer reporting agency reporting for a period not to exceed 120 days while the lender determines the enforceability of a loan.

(i) If the lender determines that a loan does not qualify for a discharge under §682.402(e)(1)(i)(C), but is nonetheless unenforceable, the lender must—

(A) Notify the consumer reporting agency of its determination; and

(B) Comply with §§682.300(b)(2)(ix) and 682.302(d)(1)(viii).

(ii) [Reserved]

(4) If, within 3 years of the lender's receipt of an identity theft report, the lender receives from the borrower evidence specified in §682.402(e)(3)(v), the lender may submit a claim and receive interest subsidy and special allowance payments that would have accrued on the loan.

(c)(1) A lender shall respond within 30 days after receipt to any inquiry from a borrower or any endorser on a loan.

(2) When a lender learns that a Stafford loan borrower or a student PLUS loan borrower is no longer enrolled at an institution of higher education on at least a half-time basis, the lender shall promptly contact the borrower in order to establish the terms of repayment.

(3)(i) If the borrower disputes the terms of the loan in writing and the lender does not resolve the dispute, the lender's response must provide the borrower with an appropriate contact at the guaranty agency for the resolution of the dispute.

(ii) If the guaranty agency does not resolve the dispute, the agency's response must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(d) Subject to the rules regarding maximum duration of a repayment period and minimum annual payment described in §682.209(a)(7), (c), and (h), nothing in this part is intended to

**§ 682.208**

**34 CFR Ch. VI (7-1-14 Edition)**

limit a lender's discretion in establishing, or, with the borrower's consent, revising a borrower's repayment schedule—

(1) To provide for graduated or income-sensitive repayment terms. The Secretary strongly encourages lenders to provide a graduated or income-sensitive repayment schedule to a borrower providing for at least the payment of interest charges, unless the borrower requests otherwise, in order to make the borrower's repayment burden commensurate with his or her projected ability to pay; or

(2) To provide a single repayment schedule, as authorized and if practicable, for all FFEL program loans to the borrower held by the lender.

(e)(1) If the assignment or transfer of ownership interest of a Stafford, PLUS, SLS, or Consolidation loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide, either jointly or separately, a notice to the borrower of—

- (i) The assignment;
- (ii) The identity of the assignee;
- (iii) The name and address of the party to whom subsequent payments or communications must be sent;
- (iv) The telephone numbers of both the assignor and the assignee;
- (v) The effective date of the assignment or transfer of the loan;
- (vi) The date, if applicable, on which the current loan servicer will stop accepting payments; and
- (vii) The date on which the new loan servicer will begin accepting payments.

(2) If the assignor and assignee separately provide the notice required by paragraph (e)(1) of this section, each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(3) For purposes of this paragraph, the term "assigned" is defined in § 682.401(b)(8)(ii).

(4) The assignee, or the assignor on behalf of the assignee, shall notify the guaranty agency that guaranteed the loan within 45 days of the date the as-

signee acquires a legally enforceable right to receive payment from the borrower on the loan of—

- (i) The assignment; and
- (ii) The name and address of the assignee, and the telephone number of the assignee that can be used to obtain information about the repayment of the loan.

(5) The requirements of this paragraph (e), as to borrower notification, apply if the borrower is in a grace period or has entered the repayment period.

(f)(1) Notwithstanding an error by the school or lender, a lender shall follow the procedures in § 682.412 whenever it receives information that can be substantiated that the borrower, or the student on whose behalf a parent has borrowed, has been convicted of, or has pled nolo contendere or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance, provided false or erroneous information or took actions that caused the student or borrower—

- (i) To be ineligible for all or a portion of a loan made under this part;
- (ii) To receive a Stafford loan subject to payment of Federal interest benefits as provided under § 682.301, for which he or she was ineligible; or
- (iii) To receive loan proceeds that were not paid to the school or repaid to the lender by or on behalf of a registered student who—

(A) The school notifies the lender under 34 CFR 688.21(a)(2)(ii) has withdrawn or been expelled prior to the first day of classes for the period of enrollment for which the loan was intended; or

(B) Failed to attend school during that period.

(2) For purposes of this section, the term "guaranty agency" in § 682.412(e) refers to the Secretary in the case of a Federal GSL loan.

(g) If, during a period when the borrower is not delinquent, a lender receives information indicating it does not know the borrower's address, it may commence the skip-tracing activities specified in § 682.411(h).

(h) *Notifying the borrower about a servicing change.* If an FFEL Program loan has not been assigned, but there is a change in the identity of the party to

whom the borrower must send subsequent payments or direct any communications concerning the loan, the holder of the loan shall, no later than 45 days after the date of the change, provide notice to the borrower of the name, telephone number, and address of the party to whom subsequent payments or communications must be sent. The requirements of this paragraph apply if the borrower is in a grace period or has entered the repayment period.

(i) A lender shall report enrollment and loan status information, or any Title IV loan-related data required by the Secretary, to the guaranty agency or to the Secretary, as applicable, by the deadline date established by the Secretary.

#### § 682.209 Repayment of a loan.

(a) *Conversion of a loan to repayment status.* (1) For a Consolidation loan, the repayment period begins on the date the loan is disbursed. The first payment is due within 60 days after the date the loan is disbursed.

(2)(i) For a PLUS loan, the repayment period begins on the date of the last disbursement made on the loan. Interest accrues and is due and payable from the date of the first disbursement of the loan. The first payment is due within 60 days after the date the loan is fully disbursed.

(ii) For an SLS loan, the repayment period begins on the date the loan is disbursed, or, if the loan is disbursed in multiple installments, on the date of the last disbursement of the loan. Interest accrues and is due and payable from the date of the first disbursement of the loan. Except as provided in paragraph (a)(2)(iii), (a)(2)(iv), and (a)(2)(v) of this section the first payment is due within 60 days after the date the loan is fully disbursed.

(iii) For an SLS borrower who has not yet entered repayment on a Stafford loan, the borrower may postpone payment, consistent with the grace period on the borrower's Stafford loan.

(iv) If the lender first learns after the fact that an SLS borrower has entered the repayment period, the repayment begins no later than 75 days after the date the lender learns that the borrower has entered the repayment period.

(v) The lender may establish a first payment due date that is no more than an additional 30 days beyond the period specified in paragraphs (a)(2)(i)–(a)(2)(iv) of this section in order for the lender to comply with the required deadline contained in § 682.205(c)(1).

(3)(i) Except as provided in paragraph (a)(4) of this section, for a Stafford loan the repayment period begins—

(A) For a borrower with a loan for which the applicable interest rate is 7 percent per year, not less than 9 nor more than 12 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school. The length of this grace period is determined by the lender for loans made under the FISL Program, and by the guaranty agency for loans guaranteed by the agency;

(B) For a borrower with a loan for which the initial applicable interest rate is 8 or 9 percent per year, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education;

(C) For a borrower with a loan with a variable interest rate, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education; and

(D) For a borrower with a loan for which the applicable interest rate is fixed at 6.0 percent per year, 5.6 percent per year, or 6.8 percent per year, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education.

(ii) The first payment on a Stafford loan is due on a date established by the lender that is no more than—

(A) 60 days following the first day that the repayment period begins;

(B) 60 days from the expiration of a deferment or forbearance period;

(C) 60 days following the end of the post deferment grace period;

(D) If the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the date the lender learns that the borrower has entered the repayment period; or

(E) An additional 30 days beyond the periods specified in paragraphs (a)(3)(ii)(A)–(a)(3)(ii)(D) of this section in order for the lender to comply with the required deadlines contained in § 682.205(a)(1).

(iii) When determining the date that the student was no longer enrolled on at least a half-time basis, the lender must use a new date it receives from a school, unless the lender has already disclosed repayment terms to the borrower and the new date is within the same month and year as the most recent date reported to the lender.

(4) For a borrower of a Stafford loan who is a correspondence student, the grace period specified in paragraph (a)(3)(i) of this section begins on the earliest of—

(i) The day after the borrower completes the program;

(ii) The day after withdrawal as determined pursuant to 34 CFR 668.22; or

(iii) 60 days following the last day for completing the program as established by the school.

(5) For purposes of establishing the beginning of the repayment period for Stafford and SLS loans, the grace periods referenced in paragraphs (a)(2)(iii) and (a)(3)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code is called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available regular enrollment period. Any Stafford or SLS borrower who is in a grace period when called or ordered to active duty as specified in this paragraph is entitled

to a full grace period upon completion of the excluded period.

(6)(i) The repayment schedule may provide for substantially equal installment payments or for installment payments that increase or decrease in amount during the repayment period. If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that—

(A) Provides for adjustments of the amount of the installment payment to reflect annual changes in the variable interest rate; or

(B) Contains no provision for an adjustment of the amount of the installment payment to reflect annual changes in the variable interest rate, but requires the lender to grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 3 years of payments in accordance with § 682.211(i)(5) in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term.

(ii) If a graduated or income-sensitive repayment schedule is established, it may not provide for any single installment that is more than three times greater than any other installment. An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(iii) Not more than six months prior to the date that the borrower's first payment is due, the lender must offer the borrower a choice of a standard, income-sensitive, income-based, graduated, or, if applicable, an extended repayment schedule.

(iv) Except in the case of an income-based repayment schedule, the repayment schedule must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(v) The lender shall require the borrower to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section if the borrower—

(A) Does not select an income-sensitive, income-based, graduated, or, if applicable, an extended repayment

schedule within 45 days after being notified by the lender to choose a repayment schedule;

(B) Chooses an income-sensitive repayment schedule, but does not provide the documentation requested by the lender under paragraph (a)(6)(viii)(C) of this section within the time period specified by the lender; or

(C) Chooses an income-based repayment schedule, but does not provide the income documentation requested by the lender under §682.215(e)(1)(i) through (e)(1)(iii) within the time period specified by the lender.

(vi) Under a standard repayment schedule, the borrower is scheduled to pay either—

(A) The same amount for each installment payment made during the repayment period, except that the borrower's final payment may be slightly more or less than the other payments; or

(B) An installment amount that will be adjusted to reflect annual changes in the loan's variable interest rate.

(vii) Under a graduated repayment schedule—

(A)(1) The amount of the borrower's installment payment is scheduled to change (usually by increasing) during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(viii) Under an income-sensitive repayment schedule—

(A)(1) The amount of the borrower's installment payment is adjusted annually, based on the borrower's expected total monthly gross income received by the borrower from employment and from other sources during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the pay-

ment amount as provided under paragraph (a)(6)(i) of this section; and

(B) In general, the lender shall request the borrower to inform the lender of his or her income no earlier than 90 days prior to the due date of the borrower's initial installment payment and subsequent annual payment adjustment under an income-sensitive repayment schedule. The income information must be sufficient for the lender to make a reasonable determination of what the borrower's payment amount should be. If the lender receives late notification that the borrower has dropped below half-time enrollment status at a school, the lender may request that income information earlier than 90 days prior to the due date of the borrower's initial installment payment;

(C) If the borrower reports income to the lender that the lender considers to be insufficient for establishing monthly installment payments that would repay the loan within the applicable maximum repayment period, the lender shall require the borrower to submit evidence showing the amount of the most recent total monthly gross income received by the borrower from employment and from other sources including, if applicable, pay statements from employers and documentation of any income received by the borrower from other parties;

(D) The lender shall grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 5 years of payments in accordance with §682.211(i)(5) in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in a loan not being repaid within the maximum repayment term; and

(E) The lender shall inform the borrower that the loan must be repaid within the time limits specified under paragraph (a)(7) of this section.

(ix) Under an extended repayment schedule, a new borrower whose total outstanding principal and interest in FFEL loans exceed \$30,000 may repay the loan on a fixed annual repayment amount or a graduated repayment amount for a period that may not exceed 25 years. For purposes of this section, a "new borrower" is an individual

§ 682.209

34 CFR Ch. VI (7-1-14 Edition)

who has no outstanding principal or interest balance on an FFEL Program loan as of October 7, 1998, or on the date he or she obtains an FFEL Program loan after October 7, 1998.

(x) Under an income-based repayment schedule, the borrower repays the loan in accordance with § 682.215.

(xi) A borrower may request a change in the repayment schedule on a loan. The lender must permit the borrower to change the repayment schedule no less frequently than annually, or at any time in the case of a borrower in an income-based repayment plan.

(xii) For purposes of this section, a lender shall, to the extent practicable require that all FFEL loans owed by a borrower to the lender be combined into one account and repaid under one repayment schedule. In that event, the word "loan" in this section shall mean all of the borrower's loans that were combined by the lender into that account.

(7)(i) Subject to paragraphs (a)(7)(ii) through (iv) of this section, and except as provided in paragraph (a)(6)(ix) a lender shall allow a borrower at least 5 years, but not more than 10 years, or 25 years under an extended repayment plan to repay a Stafford, SLS, or PLUS loan, calculated from the beginning of the repayment period. Except in the case of a FISL loan for a period of enrollment beginning on or after July 1, 1986, the lender shall require a borrower to fully repay a FISL loan within 15 years after it is made.

(ii) If the borrower receives an authorized deferment or is granted forbearance, as described in § 682.210 or § 682.211 respectively, the periods of deferment or forbearance are excluded from determinations of the 5-, 10-, and 15- and 25-year periods, and from the 10-, 12-, 15-, 20-, 25-, and 30-year periods for repayment of a Consolidation loan pursuant to § 682.209(h).

(iii) If the minimum annual repayment required in paragraph (c) of this section would result in complete repayment of the loan in less than 5 years, the borrower is not entitled to the full 5-year period.

(iv) The borrower may, prior to the beginning of the repayment period, request and be granted by the lender a repayment period of less than 5 years.

Subject to paragraph (a)(7)(iii) of this section, a borrower who makes such a request may notify the lender at any time to extend the repayment period to a minimum of 5 years.

(8) If, with respect to the aggregate of all loans held by a lender, the total payment made by a borrower for a monthly or similar payment period would not otherwise be a multiple of five dollars, except in the case of payments made under an income-based repayment plan, the lender may round that periodic payment to the next highest whole dollar amount that is a multiple of five dollars.

(b) *Payment application and prepayment.* (1) Except in the case of payments made under an income-based repayment plan, the lender may credit the entire payment amount first to any late charges accrued or collection costs and then to any outstanding interest and then to outstanding principal.

(2)(i) The borrower may prepay the whole or any part of a loan at any time without penalty.

(ii) If the prepayment amount equals or exceeds the monthly payment amount under the repayment schedule established for the loan, the lender shall apply the prepayment to future installments by advancing the next payment due date, unless the borrower requests otherwise. The lender must either inform the borrower in advance using a prominent statement in the borrower's coupon book or billing statement that any additional full payment amounts submitted without instructions to the lender as to their handling will be applied to future scheduled payments with the borrower's next scheduled payment due date advanced consistent with the number of additional payments received, or provide a notification to the borrower after the payments are received informing the borrower that the payments have been so applied and the date of the borrower's next scheduled payment due date. Information related to next scheduled payment due date need not be provided to borrowers making such prepayments while in an in-school, grace, deferment, or forbearance period when payments are not due.

(c) *Minimum annual payment.* (1)(i) Subject to paragraph (c)(1)(ii) of this section and except as otherwise provided by a graduated, income-sensitive, extended, or income-based repayment plan selected by the borrower, during each year of the repayment period, a borrower's total payments to all holders of the borrower's FFEL Program loans must total at least \$600 or the unpaid balance of all loans, including interest, whichever amount is less.

(ii) If the borrower and the lender agree, the amount paid may be less.

(2) The provisions of paragraphs (c)(1)(i) and (ii) of this section may not result in an extension of the maximum repayment period unless forbearance as described in § 682.211, or deferment described in § 682.210, has been approved.

(d) *Combined repayment of a borrower's student PLUS and SLS loans held by a lender.* (1) A lender may, at the request of a student borrower, combine the borrower's, student PLUS and SLS loans held by it into a single repayment schedule.

(2) The repayment period on the loans included in the combined repayment schedule must be calculated based on the beginning of repayment of the most recent included loan.

(3) The interest rate on the loans included in the new combined repayment schedule must be the weighted average of the rates of all included loans.

(e) *Consolidation loans.* (1) For a Consolidation loan, the repayment period begins on the day of disbursement, with the first payment due within 60 days after the date of disbursement.

(2) If the sum of the amount of the Consolidation loan and the unpaid balance on other student loans to the applicant—

(i) Is less than \$7,500, the borrower shall repay the Consolidation loan in not more than 10 years;

(ii) Is equal to or greater than \$7,500 but less than \$10,000, the borrower shall repay the Consolidation loan in not more than 12 years;

(iii) Is equal to or greater than \$10,000 but less than \$20,000, the borrower shall repay the Consolidation loan in not more than 15 years;

(iv) Is equal to or greater than \$20,000 but less than \$40,000, the borrower shall

repay the Consolidation loan in not more than 20 years;

(v) Is equal to or greater than \$40,000 but less than \$60,000, the borrower shall repay the Consolidation loan in not more than 25 years; or

(vi) Is equal to or greater than \$60,000, the borrower shall repay the Consolidation loan in not more than 30 years.

(3) For the purpose of paragraph (e)(2) of this section, the unpaid balance on other student loans—

(i) May not exceed the amount of the Consolidation loan; and

(ii) With the exception of the defaulted title IV loans on which the borrower has made satisfactory repayment arrangements with the holder of the loan, does not include the unpaid balance on any defaulted loans.

(4) A repayment schedule for a Consolidation loan—

(i) Must be established by the lender;

(ii) Except in the case of an income-based repayment schedule, must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(5) Upon receipt of the proceeds of a loan made under paragraph (e)(2) of this section, the holder of the underlying loan shall promptly apply the proceeds to discharge fully the borrower's obligation on the underlying loan, and provide the consolidating lender with the holder's written certification that the borrower's obligation on the underlying loan has been fully discharged.

(f) *Treatment by a lender of borrowers' title IV, HEA program funds received from schools if the borrower withdraws.* (1) A lender shall treat a refund or a return of title IV, HEA program funds under § 668.22 when a student withdraws received by the lender from a school as a credit against the principal amount owed by the borrower on the borrower's loan.

(2)(i) If a lender receives a refund or a return of title IV, HEA program funds under § 668.22 when a student withdraws from a school on a loan that is no longer held by that lender, or that has been discharged by another lender by refinancing or by a Consolidation loan, the lender must transmit the amount of the payment, within 30 days

**§ 682.210**

of its receipt, to the lender to whom it assigned the loan, or to the lender that discharged the prior loan, with an explanation of the source of the payment.

(ii) Upon receipt of a refund or a return of title IV, HEA program funds transmitted under paragraph (f)(2)(i) of this section, the holder of the loan promptly must provide written notice to the borrower that the holder has received the return of title IV, HEA program funds.

(g) Any lender holding a loan is subject to all claims and defenses that the borrower could assert against the school with respect to that loan if—

(1) The loan was made by the school or a school-affiliated organization;

(2) The lender who made the loan provided an improper inducement, as described in paragraph (5)(i) of the definition of *Lender* in § 682.200(b), to the school or any other party in connection with the making of the loan;

(3) The school refers borrowers to the lender; or

(4) The school is affiliated with the lender by common control, contract, or business arrangement.

**§ 682.210 Deferment.**

(a) *General.* (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) and paragraphs (s) through (v) of this section.

(ii) With the exception of a deferment authorized under paragraph (o) of this section, a borrower may continue to receive a specific type of deferment that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferment does not exceed the maximum time period allowed for the deferment.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferment period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section, the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3)(i) Interest accrues and is paid by—

(A) The Secretary during the deferment period for a subsidized Stafford loan and for all or a portion of a Consolidation loan that qualifies for interest benefits under § 682.301; or

(B) The borrower during the deferment period and, as applicable, the post-deferment grace period, on all other loans.

(ii) A borrower who is responsible for payment of interest during a deferment period must be notified by the lender, at or before the time the deferment is granted, that the borrower has the option to pay the accruing interest or cancel the deferment and continue paying on the loan. The lender must also provide information, including an example, on the impact of capitalization of accrued, unpaid interest on loan principal, and on the total amount of interest to be paid over the life of the loan.

(4) As a condition for receiving a deferment, except for purposes of paragraphs (c)(1)(ii), (iii), and (iv) of this section, the borrower, or the borrower's representative for purposes of paragraphs (i) and (t) of this section, must request the deferment, and provide the lender with all information and documents required to establish eligibility for a specific type of deferment.

(5) An authorized deferment period begins on the date that the holder determines is the date that the condition entitling the borrower to the deferment first existed, except that an

initial unemployment deferment as described in paragraph (h)(2) of this section cannot begin more than 6 months before the date the holder receives a request and documentation required for the deferment.

(6) An authorized deferment period ends on the earlier of—

(i) The date when the condition establishing the borrower's eligibility for the deferment ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower's eligibility for the deferment is expected to end;

(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferment;

(iv) In the case of an in-school deferment, the student's anticipated graduation date as certified by an authorized official of the school; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower may be delinquent, but not in default, in making required installment payments. The 270- or 330-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under § 682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment on that loan, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (s) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(b) *Authorized deferments for borrowers prior to July 1, 1993*—(1) *For all borrowers who are not new borrowers on or after July 1, 1993.* Deferment is authorized for a FFEL borrower during any period when the borrower is—

(ii) Engaged in a course of study under an eligible graduate fellowship program in accordance with paragraph (d) of this section;

(iii) Engaged in a rehabilitation training program for disabled individuals in accordance with paragraph (e) of this section;

(iv) Temporarily totally disabled in accordance with paragraph (f) of this section, or unable to secure employment because the borrower is caring for a spouse or other dependent who is disabled and requires continuous nursing or similar services for up to three years in accordance with paragraph (g) of this section; or

(v) Conscientiously seeking, but unable to find, full-time employment in the United States, for up to two years, in accordance with paragraph (h) of this section.

(2) *For all Stafford and SLS borrowers who are not new borrowers on or after July 1, 1993, and for parent PLUS loans made before August 15, 1983.* Deferment is authorized during any period when the borrower is—

(i) On active duty status in the United States Armed Forces in accordance with paragraph (i) of this section, or an officer in the Commissioned Corps of the United States Public Health Service in accordance with paragraph (j) of this section, for up to three years (including any period during which the borrower received a

(3) *For new Stafford or SLS borrowers on or after July 1, 1987 but before July 1, 1993.* Deferment is authorized—

(i) In accordance with paragraph (o) of this section, if the borrower has been enrolled on at least a half-time basis at an institution of higher education during the six months preceding the beginning of the deferment, for a period of up to six months during which the borrower is—

(A)(I) Pregnant;

(2) Caring for his or her newborn child; or

(3) Caring for a child immediately following the placement of the child with the borrower before or immediately following adoption; and

(B) Not attending a school or gainfully employed;

(iii) During a period of up to three years when the borrower is serving as a full-time teacher in a public or non-profit private elementary or secondary school in a teacher shortage area designated by the Secretary under paragraph (q) of this section;

(iv) During a period when the borrower is engaged in an internship or residency program, for up to two years, in accordance with paragraph (n) of this section, (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(v) of this section); or

Full-time employment involves at least 30 hours of work a week and it is expected to last at least 3 months.

(4) *For new Stafford or SLS borrowers on or after July 1, 1987.* Deferment is authorized during periods when the borrower is engaged in at least half-time study at a school in accordance with paragraph (b) of this section.

(5) *For new parent PLUS borrowers on or after July 1, 1987 and before July 1, 1993.* Deferment is authorized during any period when a student on whose behalf the parent borrower received the loan—

(i) Is not independent as defined in section 480(d) of the Act; and

(ii) Meets the conditions and provides the required documentation, for any of the deferments described in paragraphs (b)(1)(i) through (iii) and (b)(4) of this section.

(6) *Definition of a new borrower.* For purposes of paragraphs (b)(3), (b)(4), and (b)(5) of this section, a “new borrower” with respect to a loan is a borrower who, on the date he or she signs the promissory note, has no outstanding balance on—

(ii) A Consolidation loan that repaid a loan made prior to July 1, 1987 and for a period of enrollment beginning prior to July 1, 1987.

(c) *In-school deferment.* (1) Except as provided in paragraph (c)(5) of this section, the lender processes a deferment

for full-time study or half-time study at a school, when—

(i) The borrower submits a request and supporting documentation for a deferment;

(ii) The lender receives information from the borrower's school about the borrower's eligibility in connection with a new loan;

(iii) The lender receives student status information from the borrower's school, either directly or indirectly, indicating that the borrower's enrollment status supports eligibility for a deferment; or

(iv) The lender confirms a borrower's half-time enrollment status through the use of the National Student Loan Data System if requested to do so by the school the borrower is attending.

(2) The lender must notify the borrower that a deferment has been granted based on paragraphs (c)(1)(ii), (iii), or (iv) of this section and that the borrower has the option to cancel the deferment and continue paying on the loan.

(3) The lender must consider a deferment granted on the basis of a certified loan application or other information certified by the school to cover the period lasting until the anticipated graduation date appearing on the application, and as updated by notice or Student Status Confirmation Report update to the lender from the school or guaranty agency, unless and until it receives notice that the borrower has ceased the level of study (*i.e.*, full-time or half-time) required for the deferment.

(4) In the case of a FFEL borrower, the lender shall treat a certified loan application or other form certified by the school or for multiple holders of a borrower's loans, shared data from the Student Status Confirmation Report, as sufficient documentation for an in-school student deferment for any outstanding FFEL loan previously made to the borrower that is held by the lender.

(5) A borrower serving in a medical internship or residency program, except for an internship in dentistry, is prohibited from receiving or continuing a deferment on a Stafford, or a PLUS (unless based on the dependent's

status) SLS, or Consolidation loan under paragraph (c) of this section.

(d) *Graduate fellowship deferment.* (1) To qualify for a deferment for study in a graduate fellowship program, a borrower shall provide the lender with a statement from an authorized official of the borrower's fellowship program certifying—

(i) That the borrower holds at least a baccalaureate degree conferred by an institution of higher education;

(ii) That the borrower has been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program; and

(iii) The borrower's anticipated completion date in the program.

(2) For purposes of paragraph (d)(1) of this section, an eligible graduate fellowship program is a fellowship program that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) *Temporary total disability deferment.*

(1) To qualify for a temporary total disability deferment, a borrower shall provide the lender with a statement from a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower is temporarily totally disabled as defined in § 682.200(b).

(2) A borrower is not considered temporarily totally disabled on the basis of a condition that existed before he or she applied for the loan, unless the condition has substantially deteriorated so as to render the borrower temporarily totally disabled, as substantiated by the statement required under paragraph (f)(1) of this section, after the borrower submitted the loan application.

(3) A lender may not grant a deferment based on a single certification under paragraph (f)(1) of this

section beyond the date that is six months after the date of certification.

(g) *Dependent's disability deferment.* (1) To qualify for a deferment given to a borrower whose spouse or other dependent requires continuous nursing or similar services for a period of at least 90 days, the borrower shall provide the lender with a statement—

(2) A borrower also qualifies for an unemployment deferment by providing to the lender a written certification, or an equivalent as approved by the Secretary, that—

(i) The borrower has registered with a public or private employment agency, if one is available to the borrower within a 50-mile radius of the borrower's current address; and

(ii) For all requests beyond the initial request, the borrower has made at least six diligent attempts during the preceding 6-month period to secure full-time employment.

(3) For purposes of obtaining an unemployment deferment under paragraph (h)(2) of this section, the following rules apply:

(i) A borrower may qualify for an unemployment deferment whether or not

the borrower has been previously employed.

(i) *Military deferment.* (1) To qualify for a military deferment, a borrower or a borrower's representative shall provide the lender with—

for national mobilization of reservists is issued.

(4) A borrower enlisted in the National Guard qualifies for a military deferment only while the borrower is on active duty status as a member of the U.S. Army or Air Force Reserves, and meets the requirements of paragraph (i)(3) of this section.

(5) A lender that grants a military service deferment based on a request from a borrower's representative must notify the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The lender may also notify the borrower's representative of the outcome of the deferment request.

(i) A statement by the chief administrative officer of the public or non-profit private elementary or secondary school in which the borrower is teaching, certifying that the borrower is employed as a full-time teacher; and

(ii) A certification that he or she is teaching in a teacher shortage area designated by the Secretary as provided in paragraphs (q) (5) through (7) of this section, as described in paragraph (q)(2) of this section.

(2) In order to satisfy the requirement for certification that a borrower is teaching in a teacher shortage area designated by the Secretary, a borrower must do one of the following:

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in

a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(3) In the case of a State in which borrowers wish to obtain certifications as provided for in paragraph (q)(2)(i) of this section, the State's Chief State School Officer must first have notified the Secretary, by means of a one-time written assurance, that he or she provides annually to the State's chief administrative officers whose schools are affected by the Secretary's designations and the guaranty agency for that State, a listing of the teacher shortage areas designated by the Secretary as provided for in paragraphs (q) (5) through (7) of this section.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. To continue to receive the deferment in a subsequent year under this paragraph, the borrower shall provide the lender with a statement by the chief administrative officer of the public or nonprofit private elementary or secondary school that employs the borrower, certifying that the borrower continues to be employed as a full-time teacher in the same teacher shortage area for which the deferment was received for the previous year.

(5) For purposes of this section a teacher shortage area is—

§ 682.210

34 CFR Ch. VI (7-1-14 Edition)

(i)(A) A geographic region of the State in which there is a shortage of elementary or secondary school teachers; or

(B) A specific grade level or academic, instructional, subject-matter, or discipline classification in which there is a statewide shortage of elementary or secondary school teachers; and

(ii) Designated by the Secretary under paragraphs (q)(6) or (q)(7) of this section.

(6)(i) In order for the Secretary to designate one or more teacher shortage areas in a State for a school year, the Chief State School Officer shall by January 1 of the calendar year in which the school year begins, and in accordance with objective written standards, propose teacher shortage areas to the Secretary for designation. With respect to private nonprofit schools included in the recommendation, the Chief State School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to—

(A) Teaching positions that are unfilled;

(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and

(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.

(iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE elementary and secondary teaching positions in the State, the Secretary des-

ignates those areas as teacher shortage areas.

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved, may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

(8) For purposes of paragraphs (q)(1) through (7) of this section—

(i) The definition of the term *school* in § 682.200(b) does not apply;

(ii) *Elementary school* means a day or residential school that provides elementary education, as determined under State law;

(iii) *Secondary school* means a day or residential school that provides secondary education, as determined under State law. In the absence of applicable State law, the Secretary may determine, with respect to that State, whether the term “secondary school”

includes education beyond the twelfth grade;

(iv) *Teacher* means a professional who provides direct and personal services to students for their educational development through classroom teaching;

(v) *Chief State School Officer* means the highest ranking educational official for elementary and secondary education for the State;

(vi) *School year* means the period from July 1 of a calendar year through June 30 of the following calendar year;

This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan was made.

(ii) As a condition for receiving a deferment, except for purposes of paragraph (s)(2) of this section, the borrower must request the deferment and provide the lender with all information and documents required to establish eligibility for the deferment.

(iii) After receiving a borrower’s written or verbal request, a lender may grant a deferment under paragraphs (s)(3) through (s)(6) of this section if the lender is able to confirm that the borrower has received a deferment on another FFEL loan or on a Direct Loan for the same reason and the same time period. The lender may grant the deferment based on information from the other FFEL loan holder or the Secretary or from an authoritative electronic database maintained or authorized by the Secretary that supports eligibility for the deferment for the same reason and the same time period.

(iv) A lender may rely in good faith on the information it receives under paragraph (s)(1)(iii) of this section when determining a borrower’s eligibility for a deferment unless the lender, as of the date of the determination, has information indicating that the borrower does not qualify for the deferment. (i) Has been granted an economic hardship deferment under either the Direct Loan or Federal Perkins Loan Programs for the period of time for which the borrower has requested an economic hardship deferment for his or her FFEL loan.

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance.

(B) An amount equal to 150 percent of the poverty guideline applicable to the borrower's family size as published annually by the Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). (vii) For purposes of paragraph (s)(6) of this section, a borrower's monthly income is the gross amount of income received by the borrower from employment and from other sources, or one-twelfth of the borrower's adjusted gross income, as recorded on the borrower's most recently filed Federal income tax return.

(viii) For purposes of paragraph (s)(6) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(ix) For purposes of paragraph (s)(6)(iii)(B) of this section, family size means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the period covered by the deferment, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower requests the economic hardship deferment, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(t) *Military service deferments.* (1) A borrower who receives a FFEL Program loan may receive a military service deferment for such loan for any period during which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency.

(2) For a borrower whose active duty service includes October 1, 2007, or begins on or after that date, the deferment period ends 180 days after the demobilization date for each period of service described in paragraph (t)(1)(i) and (t)(1)(ii) of this section.

(3) *Serving on active duty during a war or other military operation or national emergency* means service by an individual who is—

(i) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304 or 12306;

(iii) *National emergency* means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

(7) To receive a military service deferment, the borrower, or the borrower's representative, must request the deferment and provide the lender with all information and documents required to establish eligibility for the deferment, except that a lender may grant a borrower a military service deferment under the procedures specified in paragraphs (s)(1)(iii) through (s)(1)(v) of this section.

(8) A lender that grants a military service deferment based on a request from a borrower's representative must notify the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The lender may also notify the borrower's representative of the outcome of the deferment request.

(9) Without supporting documentation, a military service deferment may be granted to an otherwise eligible borrower for a period not to exceed the initial 12 months from the date the qualifying eligible service began based on a request from the borrower or the borrower's representative.

(u) *Post-active duty student deferment.*

(1) Effective October 1, 2007, a borrower who receives a FFEL Program loan and is serving on active duty on that date, or begins serving on or after that date, is entitled to receive a post-active duty student deferment for 13 months following the conclusion of the borrower's active duty military service and any applicable grace period if—

(i) The borrower is a member of the National Guard or other reserve component of the Armed Forces of the United States or a member of such forces in retired status; and

(ii) The borrower was enrolled, on at least a half-time basis, in a program of instruction at an eligible institution at the time, or within six months prior to the time, the borrower was called to active duty.

(iv) Active duty does not include employment in a full-time, permanent position in the National Guard unless the borrower employed in such a position is reassigned to active duty under paragraph (u)(2)(i) of this section or full-

time National Guard duty under paragraph (u)(2)(ii) of this section.

(3) If the borrower returns to enrolled student status, on at least a half-time basis, during the 13-month deferment period, the deferment expires at the time the borrower returns to enrolled student status, on at least a half-time basis.

(4) If a borrower qualifies for both a military service deferment and a post-active duty student deferment, the 180-day post-demobilization military service deferment period and the 13-month post-active duty student deferment period apply concurrently.

(5) To receive a post-active duty student deferment, the borrower must request the deferment and provide the lender with all information and documents required to establish eligibility for the deferment, except that a lender may grant a borrower a post-active duty student deferment under the procedures specified in paragraphs (s)(1)(iii) through (s)(1)(v) of this section.

(v) *In-school deferments for PLUS loan borrowers with loans first disbursed on or after July 1, 2008.* (1)(i) A student PLUS borrower is entitled to a deferment on a PLUS loan first disbursed on or after July 1, 2008 during the 6-month period that begins on the day after the student ceases to be enrolled on at least a half-time basis at an eligible institution.

(ii) If a lender grants an in-school deferment to a student PLUS borrower based on § 682.210(c)(1)(ii), (iii), or (iv), the deferment period for a PLUS loan first disbursed on or after July 1, 2008 includes the 6-month post-enrollment period described in paragraph (v)(1)(i) of this section. The notice required by § 682.210(c)(2) must inform the borrower that the in-school deferment on a PLUS loan first disbursed on or after July 1, 2008 will end six months after the day the borrower ceases to be enrolled on at least a half-time basis.

(2) Upon the request of the borrower, an eligible parent PLUS borrower must be granted a deferment on a PLUS loan first disbursed on or after July 1, 2008—

(i) During the period when the student on whose behalf the loan was obtained is enrolled at an eligible institution on at least a half-time basis; and

#### § 682.211 Forbearance.

(a)(1) The Secretary encourages a lender to grant forbearance for the benefit of a borrower or endorser in order to prevent the borrower or endorser from defaulting on the borrower's or endorser's repayment obligation, or to permit the borrower or endorser to resume honoring that obligation after default. *Forbearance* means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Subject to paragraph (g) of this section, a lender may grant forbearance of payments of principal and interest under paragraphs (b), (c), and (d) of this section only if—

(i) The lender reasonably believes, and documents in the borrower's file, that the borrower or endorser intends to repay the loan but, due to poor health or other acceptable reasons, is currently unable to make scheduled payments; or

(ii) The borrower's payments of principal are deferred under § 682.210 and the Secretary does not pay interest benefits on behalf of the borrower under § 682.301.

(3) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender may grant forbearance on repayment of the loan only if the ability of both individuals to make scheduled payments has

been impaired based on the same or differing conditions.

(4) Except as provided in paragraph (f)(11) of this section, if payments of interest are forborne, they may be capitalized as provided in § 682.202(b).

(b) A lender may grant forbearance if—

(1) The lender and the borrower or endorser agree to the terms of the forbearance and, unless the agreement was in writing, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file; or

(2) In the case of forbearance of interest during a period of deferment, if the lender informs the borrower at the time the deferment is granted that interest payments are to be forborne.

(c) Except as provided in paragraph (d)(2) of this section, a lender may grant forbearance for a period of up to one year at a time if both the borrower or endorser and an authorized official of the lender agree to the terms of the forbearance. If the borrower or endorser requests the forbearance orally and the lender and the borrower or endorser agree to the terms of the forbearance orally, the lender must notify the borrower or endorser of the terms within 30 days of that agreement.

(d)(1) A guaranty agency may authorize a lender to grant forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default but prior to claim payment. The forbearance agreement in this situation must include a new agreement to repay the debt signed by the borrower or endorser or a written or oral affirmation of the borrower's or endorser's obligation to repay the debt.

(2) If the forbearance is based on the borrower's or endorser's oral request and affirmation of the obligation to repay the debt—

(i) The forbearance period is limited to a period of 120 days;

(ii) Such a forbearance cannot be granted consecutively;

(iii) The lender must orally review with the borrower the terms and conditions of the forbearance, including the consequences of interest capitalization,

**§ 682.211**

**34 CFR Ch. VI (7-1-14 Edition)**

and all other repayment options available to the borrower; and

(iv) The lender must—

(A) Send a notice to the borrower or endorser, as provided in paragraph (c) of this section, that confirms the terms of the forbearance and the borrower's or endorser's affirmation of the obligation to repay the debt, and includes information on all other repayment options available to the borrower, and

(B) Retain a record of the terms of the forbearance and affirmation in the borrower's or endorser's file.

(3) For purposes of this section, an "affirmation" means an acknowledgment of the loan by the borrower or endorser in a legally binding manner. The form of the affirmation may include, but is not limited to, the borrower's or endorser's—

(i) New signed repayment agreement or schedule, or another form of signed agreement to repay the debt;

(ii) Oral acknowledgment and agreement to repay the debt documented by the lender in the borrower's or endorser's file and confirmed by the lender in a notice to the borrower; or

(iii) A payment made on the loan by the borrower or endorser.

(e)(1) At the time of granting a borrower or endorser a forbearance, the lender must provide the borrower or endorser with information to assist the borrower or endorser in understanding the impact of capitalization of interest on the loan principal and total interest to be paid over the life of the loan; and

(2) At least once every 180 days during the period of forbearance, the lender must contact the borrower or endorser to inform the borrower or endorser of—

(i) The outstanding obligation to repay;

(ii) The amount of the unpaid principal balance and any unpaid interest that has accrued on the loan since the last notice provided to the borrower or endorser under this paragraph;

(iii) The fact that interest will accrue on the loan for the full term of the forbearance;

(iv) The amount of interest that will be capitalized, as of the date of the notice, and the date capitalization will occur;

(v) The option of the borrower or endorser to pay the interest that has accrued before the interest is capitalized; and

(vi) The borrower's or endorser's option to discontinue the forbearance at any time.

(f) A lender may grant forbearance, upon notice to the borrower or if applicable, the endorser, with respect to payments of interest and principal that are overdue or would be due—

(1) For a properly granted period of deferment for which the lender learns the borrower did not qualify;

(2) Upon the beginning of an authorized deferment period under § 682.210, or an authorized period of forbearance;

(3) For the period beginning when the borrower entered repayment without the lender's knowledge until the first payment due date was established;

(4) For the period prior to the borrower's filing of a bankruptcy petition as provided in § 682.402(f);

(5) For the periods described in § 682.402(c) in regard to the borrower's total and permanent disability;

(6) Upon receipt of a valid identity theft report as defined in section 603(q)(4) of the Fair Credit Reporting Act (15 U.S.C. 1681a) or notification from a consumer reporting agency that information furnished by the lender is a result of an alleged identity theft as defined in § 682.402(e)(14), for a period not to exceed 120 days necessary for the lender to determine the enforceability of the loan. If the lender determines that the loan does not qualify for discharge under § 682.402(e)(1)(i)(C), but is nonetheless unenforceable, the lender must comply with §§ 682.300(b)(2)(ix) and 682.302(d)(1)(viii).

(7) For a period not to exceed an additional 60 days after the lender has suspended collection activity for the initial 60-day period required pursuant to § 682.211(i)(6) and § 682.402(b)(3), when the lender receives reliable information that the borrower (or student on whose behalf a parent has borrowed a PLUS Loan) has died;

(8) For periods necessary for the Secretary or guaranty agency to determine the borrower's eligibility for discharge of the loan because of an unpaid refund, attendance at a closed school or false certification of loan eligibility,

pursuant to § 682.402(d) or (e), or the borrower's or, if applicable, endorser's bankruptcy, pursuant to § 682.402(f);

(9) For a period of delinquency at the time a loan is sold or transferred, if the borrower or endorser is less than 60 days delinquent on the loan at the time of sale or transfer;

(10) For a period of delinquency that may remain after a borrower ends a period of deferment or mandatory forbearance until the next due date, which can be no later than 60 days after the period ends;

(11) For a period not to exceed 60 days necessary for the lender to collect and process documentation supporting the borrower's request for a deferment, forbearance, change in repayment plan, or consolidation loan. Interest that accrues during this period is not capitalized;

(12) For a period not to exceed 3 months when the lender determines that a borrower's ability to make payments has been adversely affected by a natural disaster, a local or national emergency as declared by the appropriate government agency, or a military mobilization;

(13) For a period not to exceed 60 days necessary for the lender to collect and process documentation supporting the borrower's eligibility for loan forgiveness under the income-based repayment program. The lender must notify the borrower that the requirement to make payments on the loans for which forgiveness was requested has been suspended pending approval of the forgiveness by the guaranty agency;

(14) For a period of delinquency at the time a borrower makes a change to the repayment plan; or

(15) For PLUS loans first disbursed before July 1, 2008, to align repayment with a borrower's PLUS loans that were first disbursed on or after July 1, 2008, or with Stafford Loans that are subject to a grace period under § 682.209(a)(3). The notice specified in paragraph (f) introductory text of this section must inform the borrower that the borrower has the option to cancel the forbearance and continue paying on the loan; or

(16) For the periods described in § 682.215(e)(9) in regard to the income-based repayment plan.

(g) In granting a forbearance under this section, except for a forbearance under paragraph (i)(5) of this section, a lender shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (a)(1) of this section.

(h) *Mandatory forbearance*—(1) *Medical or dental interns or residents*. Upon receipt of a request and sufficient supporting documentation, as described in § 682.210(n), from a borrower serving in a medical or dental internship or residency program, a lender shall grant forbearance to the borrower in yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) if the borrower has exhausted his or her eligibility for a deferment under § 682.210(n), or the borrower's promissory note does not provide for such a deferment—

(i) For the length of time remaining in the borrower's medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service; or

(ii) For the length of time that the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training.

(2) *Borrowers who are not medical or dental interns or residents, and endorsers*. Upon receipt of a request and sufficient supporting documentation from an endorser (if applicable), or from a borrower (other than a borrower who is serving in a medical or dental internship or residency described in paragraph (h)(1) of this section), a lender shall grant forbearance—

(i) In increments up to one year, for periods that collectively do not exceed three years, if—

(A) The borrower or endorser is currently obligated to make payments on Title IV loans; and

(B) The amount of those payments each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to

§ 682.211

34 CFR Ch. VI (7-1-14 Edition)

or greater than 20 percent of the borrower's or endorser's total monthly income;

(ii) In yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) for as long as a borrower—

(A) Is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(B) Is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs administered by the Department of Defense under 10 U.S.C. 2171, 2173, 2174 or any other student loan repayment programs administered by the Department of Defense; or

(C) Is performing the type of service that would qualify the borrower for loan forgiveness and associated forbearance under the requirements of the teacher loan forgiveness program in § 682.216; and

(iii) In yearly increments (or a lesser period equal to the actual period for which the borrower is eligible) when a member of the National Guard who qualifies for a post-active duty student deferment, but does not qualify for a military service deferment or other deferment, is engaged in active State duty as defined in § 682.210(u)(2)(i) and (ii) for a period of more than 30 consecutive days, beginning—

(A) On the day after the grace period expires for a Stafford loan that has not entered repayment; or

(B) On the day after the borrower ceases at least half-time enrollment, for a FFEL loan in repayment.

(3) *Forbearance agreement.* After the lender determines the borrower's or endorser's eligibility, and the lender and the borrower or endorser agree to the terms of the forbearance granted under this section, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file.

(4) *Documentation.* (i) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(i) of this section, the lender shall require the bor-

rower or endorser to submit at least the following documentation:

(A) Evidence showing the amount of the most recent total monthly gross income received by the borrower or endorser from employment and from other sources; and

(B) Evidence showing the amount of the monthly payments owed by the borrower or endorser to other entities for the most recent month for the borrower's or endorser's Title IV loans.

(ii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(B) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(iii) Before granting a forbearance to a borrower under paragraph (h)(2)(ii)(C) of this section, the lender must require the borrower to—

(A) Submit documentation for the period of the annual forbearance request showing the beginning and anticipated ending dates that the borrower is expected to perform, for that year, the type of service described in § 682.216(c); and

(B) Certify the borrower's intent to satisfy the requirements of § 682.216(c).

(i) *Mandatory administrative forbearance.* (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (i)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (i)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (i)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance

to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the president of the United States or Mexico, the Prime Minister of Canada, or by a Governor of a State.

(3) As soon as feasible, or by the date specified by the Secretary, the lender shall notify the borrower (or endorser, if applicable) that the lender has granted a forbearance and the date that payments should resume. The lender's notification shall state that the borrower or endorser—

(i) May decline the forbearance and continue to be obligated to make scheduled payments; or

(ii) Consents to making payments in accordance with the lender's notification if the forbearance is not declined.

(4) For purposes of paragraph (i)(2)(i) of this section, the term "military mobilization" shall mean a situation in which the Department of Defense orders members of the National Guard or Reserves to active duty under sections 688, 12301(a), 12301(g), 12302, 12304, and 12306 of title 10, United States Code. This term also includes the assignment of other members of the Armed Forces to duty stations at locations other than the locations at which they were normally assigned, only if the military mobilization involved the activation of the National Guard or Reserves.

(5) The lender shall grant a mandatory administrative forbearance to a borrower (or endorser, if applicable) during a period when the borrower (or endorser, if applicable) is making payments for a period of—

(i) Up to 3 years of payments in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term; or

(ii) Up to 5 years of payments in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in the loan not being re-

paid within the maximum repayment term.

(6) The lender shall grant a mandatory administrative forbearance to a borrower for a period not to exceed 60 days after the lender receives reliable information indicating that the borrower (or student in the case of a PLUS loan) has died, until the lender receives documentation of death pursuant to § 682.402(b)(3).

### § 682.214 [Reserved]

### § 682.215 Income-based repayment plan.

(a) *Definitions.* As used in this section—

(1) *Adjusted gross income* (AGI) means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income. For a married borrower filing separately, AGI includes only the borrower's income.

(2) *Eligible loan* means any outstanding loan made to a borrower under the FFEL and Direct Loan programs except for a defaulted loan, a FFEL or Direct PLUS Loan made to a parent borrower, or a FFEL or Direct Consolidation Loan that repaid a FFEL or Direct PLUS Loan made to a parent borrower.

(3) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the

year the borrower certifies family size, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

- (i) Live with the borrower; and
- (ii) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(4) *Partial financial hardship* means a circumstance in which—

- (i) For an unmarried borrower or a married borrower who files an individual Federal tax return, the annual amount due on all of the borrower's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the borrower initially entered repayment or at the time the borrower elects the income-based repayment plan, exceeds 15 percent of the difference between the borrower's AGI and 150 percent of the poverty guideline for the borrower's family size; or
- (ii) For a married borrower who files a joint Federal tax return with his or her spouse, the annual amount due on all of the borrower's eligible loans and, if applicable, the spouse's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the loans initially entered repayment or at the time the borrower or spouse elects the income-based repayment plan, exceeds 15 percent of the difference between the borrower's and spouse's AGI, and 150 percent of the poverty guideline for the borrower's family size.

(5) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for

the relevant family size) used for the 48 contiguous States.

(b) *Repayment plan.* (1) A borrower may elect the income-based repayment plan only if the borrower has a partial financial hardship. The borrower's aggregate monthly loan payments are limited to no more than 15 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty line income applicable to the borrower's family size, divided by 12. The loan holder adjusts the calculated monthly payment if—

(i) Except for borrowers provided for in paragraph (b)(1)(ii) of this section, the total amount of the borrower's eligible loans includes loans not held by the loan holder, in which case the loan holder determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of the borrower's eligible loans that are held by the loan holder;

(ii) Both the borrower and the borrower's spouse have eligible loans and filed a joint Federal tax return, in which case the loan holder determines—

(A) Each borrower's percentage of the couple's total eligible loan debt;

(B) The adjusted monthly payment for each borrower by multiplying the calculated payment by the percentage determined in paragraph (b)(1)(ii)(A) of this section; and

(C) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly payment by multiplying the payment determined in paragraph (b)(1)(ii)(B) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are held by the loan holder;

(iii) The calculated amount under paragraph (b)(1), (b)(1)(i), or (b)(1)(ii) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(iv) The calculated amount under paragraph (b)(1), (b)(1)(i), or (b)(1)(ii) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

§ 682.215

34 CFR Ch. VI (7-1-14 Edition)

(2) A borrower with eligible loans held by two or more loan holders must request income-based repayment from each loan holder if the borrower wants to repay all of his or her eligible loans under the income-based repayment plan. Each loan holder must apply the payment calculation rules in paragraphs (b)(1)(iii) and (iv) of this section to loans they hold.

(3) If a borrower elects the income-based repayment plan on or after July 1, 2013, the loan holder must, unless the borrower has some loans that are eligible for repayment under the income-based repayment plan and other loans that are not eligible for repayment under that plan, require that all eligible loans owed by the borrower to that holder be repaid under the income-based repayment plan.

(4) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's subsidized Stafford Loans or the subsidized portion of the borrower's Federal Consolidation loan, the Secretary pays to the holder the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on each loan repaid under the income-based repayment plan. On a Consolidation Loan that repays loans on which the Secretary has paid accrued interest under this section, the three-year period includes the period for which the Secretary paid accrued interest on the underlying loans. The three-year period does not include any period during which the borrower receives an economic hardship deferment.

(5) Except as provided in paragraph (b)(4) of this section, accrued interest is capitalized at the time the borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(6) If the borrower's monthly payment amount is not sufficient to pay any principal due, the payment of that principal is postponed until the borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(7) The special allowance payment to a lender during the period in which the borrower has a partial financial hard-

ship under the income-based repayment plan is calculated on the principal balance of the loan and any accrued interest unpaid by the borrower.

(8) The repayment period for a borrower under the income-based repayment plan may be greater than 10 years.

(c) *Payment application and prepayment.* (1) The loan holder shall apply any payment made under the income-based repayment plan in the following order:

- (i) Accrued interest.
- (ii) Collection costs.
- (iii) Late charges.
- (iv) Loan principal.

(2) The borrower may prepay the whole or any part of a loan at any time without penalty.

(3) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the loan holder shall apply the prepayment consistent with the requirements of § 682.209(b)(2)(ii).

(4) If the prepayment amount exceeds the monthly payment amount of \$0.00 under the repayment schedule established for the loan, the loan holder shall apply the prepayment consistent with the requirements of paragraph (c)(1) of this section.

(d) *Changes in the payment amount.* (1) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the income-based repayment plan but the loan holder must recalculate the borrower's monthly payment. The loan holder also recalculates the monthly payment for a borrower who chooses to stop making income-based payments. In either case, as a result of the recalculation—

(i) The maximum monthly amount that the loan holder requires the borrower to repay is the amount the borrower would have paid under the FFEL standard repayment plan based on a 10-year repayment period using the amount of the borrower's eligible loans that was outstanding at the time the borrower began repayment on the loans with that holder under the income-based repayment plan; and

(ii) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(2) If a borrower no longer wishes to pay under the income-based repayment plan, the borrower must pay under the FFEL standard repayment plan and the loan holder recalculates the borrower's monthly payment based on—

(i) Except as provided in paragraph (d)(2)(ii) of this section, the time remaining under the maximum 10-year repayment period and the amount of the borrower's loans that was outstanding at the time the borrower discontinued paying under the income-based repayment plan; or

(ii) For a Consolidation Loan, the time remaining under the applicable repayment period as initially determined under § 682.209(h)(2) and the total amount of that loan that was outstanding at the time the borrower discontinued paying under the income-based repayment plan.

(3) A borrower who no longer wishes to repay under the income-based repayment plan and who is required to repay under the FFEL standard repayment plan in accordance with paragraph (d)(2) of this section may request a change to a different repayment plan after making one monthly payment under the FFEL standard repayment plan. For this purpose, a monthly payment may include one payment made under a forbearance that provides for temporarily accepting smaller payments than previously scheduled, in accordance with § 682.211(a)(1).

(e) *Eligibility documentation, verification, and notifications.* (1) The loan holder determines whether a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower elects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the loan holder requires the borrower to—

(i) Provide documentation, acceptable to the loan holder, of the borrower's AGI;

(ii) If the borrower's AGI is not available, or the loan holder believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, provide other documentation to verify income;

(iii) If the spouse of a married borrower who files a joint Federal tax return has eligible loans and the loan holder does not hold at least one of the spouse's eligible loans—

(A) Ensure that the borrower's spouse has provided consent for the loan holder to obtain information about the spouse's eligible loans from the National Student Loan Data System; or

(B) Provide other documentation, acceptable to the loan holder, of the spouse's eligible loan information; and

(iv) Annually certify the borrower's family size. If the borrower fails to certify family size, the loan holder must assume a family size of one for that year.

(2) After making a determination that a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower initially elects the plan and for any subsequent year that the borrower has a partial financial hardship, the loan holder must send the borrower a written notification that provides the borrower with—

(i) The borrower's scheduled monthly payment amount, as calculated under paragraph (b)(1) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(ii) Information about the requirement for the borrower to annually provide the information described in paragraph (e)(1) of this section, if the borrower chooses to remain on the income-based repayment plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the loan holder must receive this information;

(iii) An explanation of the consequences, as described in paragraphs (e)(1)(iv) and (e)(7) of this section, if the borrower does not provide the required information;

(iv) An explanation of the consequences if the borrower no longer wishes to repay under the income-based repayment plan; and

(v) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the loan holder recalculate the borrower's monthly payment

amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly payment no longer reflects the borrower's current income. If the loan holder recalculates the borrower's monthly payment amount based on the borrower's request, the loan holder must send the borrower a written notification that includes the information described in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(3) For each subsequent year that a borrower who currently has a partial financial hardship remains on the income-based repayment plan, the loan holder must notify the borrower in writing of the requirements in paragraph (e)(1) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (e)(3)(i) of this section. The notification must provide the borrower with—

(i) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the loan holder must receive all of the information described in paragraph (e)(1) of this section (annual deadline); and

(ii) The consequences if the loan holder does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (d)(1) of this section, the effective date for the recalculated monthly payment amount, and the fact that unpaid accrued interest will be capitalized at the end of the borrower's current annual payment period in accordance with paragraph (b)(5) of this section.

(4) Each time a loan holder makes a determination that a borrower no longer has a partial financial hardship for a subsequent year that the borrower wishes to remain on the plan, the loan holder must send the borrower a written notification that provides the borrower with—

(i) The borrower's recalculated monthly payment amount, as determined in accordance with paragraph (d)(1) of this section;

(ii) An explanation that unpaid accrued interest will be capitalized in ac-

cordance with paragraph (b)(5) of this section; and

(iii) Information about the borrower's option to request, at any time, that the loan holder redetermine whether the borrower has a partial financial hardship, if the borrower's financial circumstances have changed and the income amount used to determine that the borrower no longer has a partial financial hardship does not reflect the borrower's current income, and an explanation that the borrower will be notified annually of this option. If the loan holder determines that the borrower again has a partial financial hardship, the loan holder must recalculate the borrower's monthly payment in accordance with paragraph (b)(1) of this section and send the borrower a written notification that includes the information described in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(5) For each subsequent year that a borrower who does not currently have a partial financial hardship remains on the income-based repayment plan, the loan holder must send the borrower a written notification that includes the information described in paragraph (e)(4)(iii) of this section.

(6) If a borrower who is currently repaying under another repayment plan selects the income-based repayment plan but does not provide the documentation described in paragraphs (e)(1)(i) through (e)(1)(iii) of this section, or if the loan holder determines that the borrower does not have a partial financial hardship, the borrower remains on his or her current repayment plan.

(7) The loan holder designates the repayment option described in paragraph (d)(1) of this section if a borrower who is currently repaying under the income-based repayment plan remains on the plan for a subsequent year but the loan holder does not receive the information described in paragraphs (e)(1)(i) through (e)(1)(iii) of this section within 10 days of the specified annual deadline, unless the loan holder is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(8) If the loan holder receives the information described in paragraphs (e)(1)(i) through (e)(1)(iii) of this section within 10 days of the specified annual deadline—

(i) The loan holder must promptly determine the borrower's new monthly payment amount.

(ii) If the loan holder does not determine the new monthly payment amount by the end of the borrower's current annual payment period, the loan holder must prevent the borrower's monthly payment amount from being recalculated in accordance with paragraph (d)(1) of this section and maintain the borrower's current scheduled monthly payment amount until the loan holder determines the new monthly payment amount.

(A) If the new monthly payment amount is less than the borrower's previously calculated income-based monthly payment amount, the loan holder must make the appropriate adjustment to the borrower's account to reflect any payments at the previously calculated amount that the borrower made after the end of the most recent annual payment period. Notwithstanding the requirements of § 682.209(b)(2)(ii), unless the borrower requests otherwise the loan holder applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of paragraph (c)(1) of this section.

(B) If the new monthly payment amount is equal to or greater than the borrower's previously calculated income-based monthly payment amount, the loan holder does not make any adjustments to the borrower's account.

(iii) The new annual payment period begins on the day after the end of the most recent annual payment period.

(9) If the loan holder receives the documentation described in paragraphs (e)(1)(i) through (e)(1)(iii) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (d)(1) of this section, the loan holder may grant forbearance with respect to payments that are overdue or would be due at the time the new calculated income-based monthly payment amount

is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated income-based monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(f) *Loan forgiveness.* (1) To qualify for loan forgiveness after 25 years, the borrower must have participated in the income-based repayment plan and satisfied at least one of the following conditions during that period—

(i) Made reduced monthly payments under a partial financial hardship as provided in paragraph (b)(1) of this section, including a monthly payment amount of \$0.00, as provided in paragraph (b)(1)(iii) of this section;

(ii) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-based payments as provided in paragraph (d)(1) of this section;

(iii) Made monthly payments under any repayment plan, that were not less than the amount required under the FFEL standard repayment plan described in § 682.209(a)(6)(vi) with a 10-year repayment period for the amount of the borrower's loans that were outstanding at the time the loans initially entered repayment;

(iv) Made monthly payments under the FFEL standard repayment plan described in § 682.209(a)(6)(vi) based on a 10-year repayment period; or

(v) Received an economic hardship deferment on eligible FFEL loans.

(2) As provided under paragraph (f)(4) of this section, the Secretary repays any outstanding balance of principal and accrued interest on FFEL loans for which the borrower qualifies for forgiveness if the guaranty agency determines that—

(i) The borrower made monthly payments under one or more of the repayment plans described in paragraph (f)(1) of this section, including a monthly amount of \$0.00 as provided in paragraph (b)(1)(ii) of this section; and

(ii)(A) The borrower made those monthly payments each year for a 25-year period; or

(B) Through a combination of monthly payments and economic hardship

deferments, the borrower made the equivalent of 25 years of payments.

(3) For a borrower who qualifies for the income-based repayment plan, the beginning date for the 25-year period is—

(i) For a borrower who has an eligible FFEL Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for income-based repayment. The beginning date is the date the borrower made the payment or received the deferment, but no earlier than July 1, 2009;

(ii) For a borrower who has one or more other eligible FFEL loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the deferment on that loan, but no earlier than July 1, 2009;

(iii) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(i) or (ii) of this section, the date the borrower made a payment under the income-based repayment plan on the loan; or

(iv) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the FFEL Consolidation Loan that met the conditions in paragraph (f)(1) of this section.

(4) If a borrower satisfies the loan forgiveness requirements, the Secretary repays the outstanding balance and accrued interest on the FFEL Consolidation Loan described in paragraph (f)(3)(i), (iii), or (iv) of this section or other eligible FFEL loans described in paragraph (f)(3)(ii) or (iv) of this section.

(5) Any payments made on a defaulted loan are not made under a qualifying repayment plan and are not counted toward the 25-year forgiveness period.

(g) *Loan forgiveness processing and payment.* (1) The loan holder determines when a borrower has met the loan forgiveness requirements under paragraph (f) of this section and does not require the borrower to submit a request for loan forgiveness. No later than six months prior to the anti-

dated date that the borrower will meet the loan forgiveness requirements, the loan holder must send the borrower a written notice that includes—

(i) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(ii) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(iii) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(2) No later than 60 days after the loan holder determines that a borrower qualifies for loan forgiveness, the loan holder must request payment from the guaranty agency.

(3) If the loan holder requests payment from the guaranty agency later than the period specified in paragraph (g)(2) of this section, interest that accrues on the discharged amount after the expiration of the 60-day filing period is ineligible for reimbursement by the Secretary, and the holder must repay all interest and special allowance received on the discharged amount for periods after the expiration of the 60-day filing period. The holder cannot collect from the borrower any interest that is not paid by the Secretary under this paragraph.

(4)(i) Within 45 days of receiving the holder's request for payment, the guaranty agency must determine if the borrower meets the eligibility requirements for loan forgiveness under this section and must notify the holder of its determination.

(ii) If the guaranty agency approves the loan forgiveness, it must, within the same 45-day period required under paragraph (g)(4)(i) of this section, pay the holder the amount of the forgiveness.

(5) After being notified by the guaranty agency of its determination of the eligibility of the borrower for loan forgiveness, the holder must, within 30 days—

(i) Inform the borrower of the determination and, if appropriate, that the borrower's repayment obligation on the loans is satisfied; and

(ii) Provide the borrower with the information described in paragraph (g)(1)(iii) of this section.

(6)(i) The holder must apply the payment from the guaranty agency under paragraph (g)(4)(ii) of this section to satisfy the outstanding balance on those loans subject to income-based forgiveness; or

(ii) If the forgiveness amount exceeds the outstanding balance on the eligible loans subject to forgiveness, the loan holder must refund the excess amount to the guaranty agency.

(7) If the guaranty agency does not pay the forgiveness claim, the lender will continue the borrower in repayment on the loan. The lender is deemed to have exercised forbearance of both principal and interest from the date the borrower's repayment obligation was suspended until a new payment due date is established. Unless the denial of the forgiveness claim was due to an error by the lender, the lender may capitalize any interest accrued and not paid during this period, in accordance with § 682.202(b).

(8) The loan holder must promptly return to the sender any payment received on a loan after the guaranty agency pays the loan holder the amount of loan forgiveness.

**§ 682.216 Teacher loan forgiveness program.**

(a) *General.* (1) The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph on the borrower's subsidized and unsubsidized Federal Stafford Loans, Direct Subsidized Loans, Direct Unsubsidized Loans, and in certain cases, Federal Consolidation Loans or Direct Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the FFEL Program or the Direct Loan Program on October 1, 1998 or

who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998.

(2)(i) The borrower must have been employed at an eligible elementary or secondary school that serves low-income families or by an educational service agency that serves low-income families as a full-time teacher for five consecutive complete academic years. The required five years of teaching may include any combination of qualifying teaching service at an eligible elementary or secondary school or an eligible educational service agency.

(ii) Teaching at an eligible elementary or secondary school may be counted toward the required five consecutive complete academic years only if at least one year of teaching was after the 1997-1998 academic year.

(iii) Teaching for an educational service agency may be counted toward the required five consecutive complete academic years only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007-2008 academic year.

(b) *Definitions.* The following definitions apply to this section:

*Academic year* means one complete school year at the same school, or two

complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. Half years exclude summer sessions and generally fall within a twelve-month period. For schools that have a year-round program of instruction, a minimum of nine months is considered an academic year.

*Educational service agency* means a regional public multiservice agency authorized by State statute to develop, manage, and provide services or programs to local educational agencies, as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

*Elementary school* means a public or nonprofit private school that provides elementary education as determined by State law or the Secretary if that school is not in a State.

*Full-time* means the standard used by a State in defining full-time employment as a teacher. For a borrower teaching in more than one school, the determination of full-time is based on the combination of all qualifying employment.

*Highly qualified* means highly qualified as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

*Secondary school* means a public or nonprofit private school that provides secondary education as determined by State law or the Secretary if the school is not in a State.

(c) *Borrower eligibility.* (1) A borrower who has been employed at an elementary or secondary school or for an educational service agency as a full-time teacher for five consecutive complete academic years may obtain loan forgiveness under this program if the elementary or secondary school or educational service agency—

(i) Is in a school district that qualifies for funds under title I of the Elementary and Secondary Education Act of 1965, as amended;

(ii) Has been selected by the Secretary based on a determination that more than 30 percent of the school's or educational service agency's total enrollment is made up of children who qualify for services provided under title I; and

(iii) Is listed in the *Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits*. If this directory is not available before May 1 of any year, the previous year's directory may be used.

(2) The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Education (BIE) or operated on Indian reservations by Indian tribal groups under contract with the BIE to qualify as schools serving low-income students.

(3) If the school or educational service agency at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and fails to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that borrower.

(4) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative officer of the eligible elementary school or educational service agency where the borrower was employed; or

(B) Taught in a subject area that is relevant to the borrower's academic major as certified by the chief administrative officer of the eligible secondary school or educational service agency where the borrower was employed.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis at an eligible secondary school, or taught mathematics or science to secondary school students on a full-time basis for an eligible educational service agency, and was a

highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities at an eligible elementary or secondary school or an educational service agency and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(iii) Teaching service performed for an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(5) In the case of a borrower whose five consecutive years of qualifying teaching service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full time at an eligible elementary or secondary school or for an educational service agency and was a highly qualified elementary or secondary school teacher.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis at an eligible secondary school, or taught mathematics or science on a full-time basis to secondary school students for an eligible educational service agency, and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities at an eligible elementary or secondary school or for an educational service agency and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(iii) Teaching service performed for an eligible educational service agency may be counted toward the required five years of teaching only if the con-

secutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(6) To qualify for loan forgiveness as a highly qualified teacher, the teacher must have been a highly qualified teacher for all five years of eligible teaching service.

(7) For teacher loan forgiveness applications received by the loan holder on or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements (unless otherwise applicable under State law) may qualify for loan forgiveness under paragraphs (c)(3)(ii) or (c)(4) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(8) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(ii) A condition that is covered under the Family and Medical Leave Act of 1993 (FMLA) (29 U.S.C. 2601, *et seq.*); or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code.

(9) A borrower's period of postsecondary education, qualifying FMLA condition, or military active duty as described in paragraph (c)(7) of this section, including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required five consecutive years of qualifying teaching service.

(10) A borrower who was employed as a teacher at more than one qualifying school, for more than one qualifying educational service agency, or at a combination of both during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools or educational service agencies involved, is considered to have completed one academic year of qualifying teaching.

(11) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to re-establish title IV eligibility, as defined in § 682.200.

(12) A borrower may not receive loan forgiveness for the same qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under—

(i) Subtitle D of title I of the National and Community Service Act of 1990;

(ii) 34 CFR 685.219; or

(iii) Section 428K of the Act.

(d) *Forgiveness amount.* (1) A qualified borrower is eligible for forgiveness of up to \$5,000, or up to \$17,500 if the borrower meets the requirements of paragraph (c)(4)(ii) or (c)(5)(ii) of this section. The forgiveness amount is deducted from the aggregate amount of the borrower's subsidized or unsubsidized Federal Stafford or Federal Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the consolidation loan that was used to repay an eligible subsidized or unsubsidized Federal Stafford Loan, an eligi-

ble Direct Subsidized Loan, or an eligible Direct Unsubsidized Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraph (c)(4)(ii) or (c)(5)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both this section and under section 34 CFR 685.217.

(3) The holder does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) *Authorized forbearance during qualifying teaching service and forgiveness processing.* (1) A holder grants a forbearance—

(i) Under § 682.211(h)(2)(ii)(C) and (h)(4)(iii), in annual increments for each of the years of qualifying teaching service, if the holder believes, at the time of the borrower's annual request, that the expected cancellation amount will satisfy the anticipated remaining outstanding balance on the loan at the time of the expected cancellation;

(ii) For a period not to exceed 60 days while the holder is awaiting a completed teacher loan forgiveness application from the borrower; and

(iii) For the period beginning on the date the holder receives a completed loan forgiveness application to the date the holder receives either a denial of the request or the loan forgiveness amount from the guaranty agency, in accordance with paragraph (f) of this section.

(2) At the conclusion of a forbearance authorized under paragraph (e)(1) of this section, the holder must resume collection activities and may capitalize any interest accrued and not paid during the forbearance period in accordance with § 682.202(b).

(3) Nothing in paragraph (e) of this section restricts holders from offering other forbearance options to borrowers who do not meet the requirements of paragraph (e)(1)(i) of this section.

(f) *Application and processing.* (1) A borrower, after completing the qualifying teaching service, requests loan forgiveness from the holder of the loan on a form approved by the Secretary.

(2)(i) The holder must file a request for payment with the guaranty agency

on a teacher loan forgiveness amount no later than 60 days after the receipt, from the borrower, of a completed teacher loan forgiveness application.

(ii) When filing a request for payment on a teacher loan forgiveness, the holder must provide the guaranty agency with the completed loan forgiveness application submitted by the borrower and any required supporting documentation.

(iii) If the holder files a request for payment later than 60 days after the receipt of the completed teacher loan forgiveness application form, interest that accrued on the loan forgiveness amount after the expiration of the 60-day filing period is ineligible for reimbursement by the Secretary, and the holder must repay all interest and special allowance received on the loan forgiveness amount for periods after the expiration of the 60-day filing period. The holder cannot collect from the borrower any interest that is not paid by the Secretary under this paragraph.

(3)(i) Within 45 days of receiving the holder's request for payment, the guaranty agency must determine if the borrower meets the eligibility requirements for loan forgiveness under this section and must notify the holder of its determination of the borrower's eligibility for loan forgiveness under this section.

(ii) If the guaranty agency approves the loan forgiveness, it must, within the same 45-day period, pay the holder the amount of the loan forgiveness, up to \$17,500, subject to paragraphs (c)(11), (d)(1), (d)(2) and (f)(2)(iii) of this section.

(4) After being notified by the guaranty agency of its determination of the eligibility of the borrower for the loan forgiveness, the holder must, within 30 days, inform the borrower of the determination. If the loan forgiveness is approved, the holder must also provide the borrower with information regarding any new repayment terms of remaining loan balances.

(5) Unless otherwise instructed by the borrower, the holder must apply the proceeds of the teacher forgiveness first to any outstanding unsubsidized Federal Stafford loan balances, next to any outstanding subsidized Federal Stafford loan balances, then to any eli-

gible outstanding Federal Consolidation loan balances.

(g) *Claims for reimbursement from the Secretary on loans held by guaranty agencies.* In the case of a teacher loan forgiveness applied to a defaulted loan held by the guaranty agency, the Secretary pays the guaranty agency a percentage of the amount forgiven that is equal to the complement of the reinsurance percentage paid on the loan. The payment of up to \$5,000, or up to \$17,500, may also include interest that accrues on the forgiveness amount during the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the guaranty agency determines that the borrower is eligible for the teacher loan forgiveness.

(A) The term “State or non-profit entity” means an entity described in paragraph (f)(3)(i)(A), (f)(3)(i)(B), or (f)(3)(i)(C) of this section, regardless of whether such entity is an eligible lender under section 435(d) of that Act.

(B) The term “special purpose entity” means an entity established for the limited purpose of financing the acquisition of loans from or at the direction of a State or non-profit entity, or servicing and collecting such loans, and that is—

(1) An entity established by such State or non-profit entity, or

(2) An entity established by an entity described in paragraph (f)(3)(ii)(B)(1) of this section.

(C) A special purpose entity is a “related special purpose entity” with respect to a State or non-profit entity if it holds any interest in loans acquired from or at the direction of that State or non-profit entity or from a special purpose entity established by that State or non-profit entity.

(iii) An entity that otherwise qualifies under paragraph (f)(3)(i) of this section shall not be considered an eligible not-for-profit holder unless such entity—

(A) Was a State or non-profit entity and an eligible lender under section 435(d) of the Act, other than a school lender, and on or before September 27, 2007 had made or acquired a FFEL loan, unless the State waives this requirement under paragraph (f)(3)(iv) of this section; or

(B) Is acting as an eligible lender trustee on behalf of a State or non-profit entity that was the sole beneficial owner of a loan eligible for a special allowance payment on September 27, 2007.

(iv) Subject to the provisions of section 435(d)(1)(D) of the Act, a State may waive the requirement of paragraph (f)(3)(iii)(A) of this section to identify a new eligible not-for-profit holder pursuant to a written application filed in accordance with paragraph (f)(3)(x) of this section, for the purposes of carrying out a public purpose of the State, except that a State may not designate a trustee for this purpose.

(v) A State or non-profit entity, and a trustee to the extent acting on behalf of such an entity or its related special purpose entity, shall not be an eligible not-for-profit holder if the State or non-profit entity or its related special purpose entity is owned or controlled, in whole or in part, by a for-profit entity. For purposes of this paragraph, a for-profit entity has ownership and control of a State or non-profit entity, or its related special purpose entity, if—

(A) The for-profit entity is a member or shareholder of a State or non-profit entity or related special purpose entity that is a membership or stock corporation, and the for-profit entity has sufficient power to control the State or non-profit entity or its special purpose entity;

(B) The for-profit entity employs or appoints individuals that together constitute a majority of the State, non-profit, or special purpose entity’s board of trustees or directors, or a majority of such board’s audit committee, executive committee, or compensation committee; or

(C) For a State, non-profit, or special purpose entity that has no board of trustees or directors and associated committees of such, the for-profit entity is authorized by law, agreement, or

otherwise to approve decisions by the entity regarding its audits, investments, hiring, retention, or compensation of officials, unless the Secretary determines that the particular authority to approve such decisions is not likely to affect the integrity of those decisions.

(vi) For purposes of paragraph (f)(3) of this section—

(A) A for-profit entity has sufficient power to control a State or non-profit entity or its related special purpose entity, if it possesses directly, or represents, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who hold, individually or in combination with the other person represented or the persons representing them, a sufficient voting percentage of the membership interests or voting securities to direct or cause the direction of the management and policies of the State or non-profit entity or its related special purpose entity.

(B) An individual is deemed to be employed or appointed by a for-profit entity if the for-profit entity employs a family member, as defined in § 600.21(f), of that individual, unless the Secretary determines that the particular nature of the family member's employment is not likely to affect the integrity of decisions made by the board or committee member.

(C) "Beneficial owner" (including "beneficial ownership" and "owner of a beneficial interest") means the entity that has those rights with respect to the loan or income from the loan that are the normal incidents of ownership, including the right to receive, possess, use, and sell or otherwise exercise control over the loan and the income from the loan, subject to any rights granted and limitations imposed in connection with or related to the granting of a security interest described in paragraph (f)(3)(ix) of this section, and subject to any limitations on such rights under the Act as a result of such entity not qualifying as an eligible lender or holder under the Act.

(D) "Sole owner" means the entity that has all the rights described in paragraph (f)(3)(vi)(C) of this section, which may be subject to the rights and

limitations described in paragraph (f)(3)(vi)(C), to the exclusion of any other entity, with respect both to a loan and the income from a loan.

(vii)(A) No State or non-profit entity, and no trustee to the extent acting on behalf of such a State or non-profit entity or its related special purpose entity, shall be an eligible not-for-profit holder with respect to any loan or income from any loan on which payment is claimed at the rate established under paragraph (f)(2) of this section, unless such State or non-profit entity or its related special purpose entity is the sole owner of the beneficial interest in such loan and the income from such loan.

(B) A State or non-profit entity that had sole ownership of the beneficial interest in a loan and the income from such loan is considered to retain that sole ownership for purposes of paragraph (f)(3)(vii)(A) of this section if such entity transferred beneficial interest in the loan to its related special purpose entity and no party other than that State or non-profit entity or its related special purpose entity owns any beneficial interest or residual ownership interest in the loan or income from the loan.

(viii)(A) A trustee described in paragraph (f)(3)(i)(D) of this section shall not receive compensation as consideration for acting as an eligible lender on behalf of a State or non-profit entity or its related special purpose entity in excess of reasonable and customary fees paid for providing the particular service or services that the trustee undertakes to provide to such entity.

(B) Fees are reasonable and customary for purposes of paragraph (f)(3)(viii) of this section, if they do not exceed the amounts received by the trustee for similar services with regard to similar portfolios of loans of that State or non-profit entity or its related special purpose entity that are not eligible to receive special allowance at the rate established under paragraph (f)(2) of this section, or if they do not exceed an amount as determined by such other method requested by the State or non-profit entity that the Secretary considers reliable.

(C) Loans owned by the State or non-profit entity or a related special purpose entity for which the trustee receives fees in excess of the amount permitted by paragraph (f)(3)(viii) of this section cease to qualify for a special allowance payment at the rate prescribed under paragraph (f)(2) of this section.

(ix) For purposes of paragraph (f)(3) of this section, if a State or non-profit entity, its related special purpose entity, or a trustee acting on behalf of any of these entities, grants a security interest in, or otherwise pledges as collateral, a loan, or the income from a loan, to secure a debt obligation for which such State or non-profit entity, or its related special purpose entity, is the issuer of that debt obligation, none of these entities shall, by such action—

(A) Be deemed to be owned or controlled, in whole or in part, by a for-profit entity; or

(B) Lose its status as the sole owner of a beneficial interest in a loan and the income from a loan.

(x) *Not-for-Profit Holder Eligibility Determination.* A State or non-profit entity that seeks to qualify as an eligible not-for-profit holder, either in its own right or through a trust agreement with an eligible lender trustee, must provide to the Secretary—

(A) A certification on the State or non-profit entity's letterhead signed by the State or non-profit entity's Chief Executive Officer (CEO) which—

(1) States the basis upon which the entity qualifies as a State or non-profit entity;

(2) Includes documentation establishing its status as a State or non-profit entity;

(3) Includes the name and lender identification number(s) of the entities for which designation is being certified;

(4) Includes the name of any related special purpose entities that hold any interest in any loan on which special allowance is claimed under paragraph (f)(2) of this section, describes the role of such entity with respect to the loans, and provides with respect to that entity the certifications and documentation described in paragraph (f)(3)(x)(A) and (B) of this section; and

(5) For an entity establishing status under section 150(d) of the Internal

Revenue Code of 1986, includes copies of the requests of the State or political subdivision or subdivisions thereof or requirements described in section 150(d)(2) of the Internal Revenue Code and the CEO's additional certification that the entity has not elected under section 150(d)(3) of the Internal Revenue Code to cease its status as a qualified scholarship funding corporation.

(B) A separately submitted certification or opinion by the State or non-profit entity's external legal counsel or the office of the attorney general of the State, with supporting documentation that shows that the State or non-profit entity—

(1) Is constituted a State entity by operation of specific State law;

(2) Has been designated by the State or one or more political subdivisions of the State to serve as a qualified scholarship funding corporation under section 150(d) of the Internal Revenue Code, has not made the election described under section 150(d)(3) of the Internal Revenue Code, and is incorporated under State law as a not-for-profit organization;

(3) Is incorporated under State law as a not-for-profit organization or is an entity described in section 501(c)(3) of the Internal Revenue Code; or

(4) Has in effect a relationship with an eligible lender under which the lender is acting as trustee on behalf of the State or non-profit entity.

(xi) *Annual Certification by Eligible Not-for-Profit Holder.* A State or non-profit entity that seeks to retain its eligibility as an eligible not-for-profit holder, either in its own right or through a trust agreement with an eligible lender trustee, must annually provide to the Secretary—

(A) A certification on the State or non-profit entity's letterhead signed by the State or non-profit entity's Chief Executive Officer (CEO) which—

(1) Includes the name and lender identification number(s) of the entities for which designation is being recertified;

(2) States that the State or non-profit entity has not altered its status as a State or non-profit entity since its prior certification to the Secretary, or,

if it has altered its status, describes any such alterations; and

(3) States that the State or non-profit entity continues to satisfy the requirements of an eligible not-for-profit holder, either in its own right or through a trust agreement with an eligible lender trustee; and

(B) A copy of its IRS Form 990, if applicable, and that of any related special purpose entity that holds an interest in loans on which it seeks to claim special allowance at the rate provided under paragraph (f)(2) of this section, at the same time these returns are filed with the Internal Revenue Service.

(xii) *Not-for-Profit Holder Change of Status.* Within 10 business days of becoming aware of the occurrence of a change that may result in a State or non-profit entity that has been designated an eligible not-for-profit holder, either directly or through an eligible lender trustee, losing that eligibility, the State or non-profit entity must—

(A) Submit details of the change to the Secretary; and

(B) Cease billing for special allowance at the rate established under paragraph (f)(2) of this section for the period from the date of the change that may result in it no longer being eligible for the rate established under paragraph (f)(2) of this section to the date of the Secretary's determination that such entity has not lost its eligibility as a result of such change; provided, however, that in the quarter following the Secretary's determination that such eligible not-for-profit holder has not lost its eligibility, the eligible not-for-profit holder may submit a billing for special allowance during the period from the date of the change to the date of the Secretary's determination equal to the difference between special allowance at the rate established under paragraph (f)(2) of this section and the amount it actually billed at the rate established under paragraph (f)(1) of this section.

(xiii) In the case of a loan for which the special allowance payment is calculated under paragraph (f)(2) of this section and that is sold by the eligible not-for-profit holder holding the loan to an entity that is not an eligible not-for-profit holder, the special allowance

payment for such loan shall, beginning on the date of the sale, no longer be calculated under paragraph (f)(2) and shall be calculated under paragraph (f)(1) of this section instead.

(4) In the case of a loan for which the special allowance payment is calculated under paragraph (f)(2) of this section and that is sold by the eligible not-for-profit holder holding the loan to an entity that is not an eligible not-for-profit holder, the special allowance payment for such loan shall, beginning on the date of the sale, no longer be calculated under paragraph (f)(2) and shall be calculated under paragraph (f)(1) of this section instead.

(g) For purposes of this section—

(1) A tax-exempt obligation is an obligation the income of which is exempt from taxation under the Internal Revenue Code of 1986 (26 U.S.C.);

(2) The date on which an obligation is considered to be "originally issued" is determined under § 682.302(f)(2)(i) or (ii), as applicable.

(i) An obligation issued to obtain funds to make loans, or to purchase a legal or equitable interest in loans, including by pledge as collateral for that obligation, is considered to be originally issued on the date issued.

(ii) A tax-exempt obligation that refunds, or is one of a series of tax-exempt refundings with respect to a tax-exempt obligation described in § 682.302(f)(2)(i), is considered to be originally issued on the date on which the obligation described in § 682.302(f)(2)(i) was issued.

(3) A loan is refinanced when an Authority that has pledged the loan as collateral for an obligation of that Authority retains an interest in the loan, but causes the loan to be released from the lien of that obligation and pledged as collateral for a different obligation of that Authority.

(4) References to an Authority include a successor entity that may not qualify as an Authority under § 682.200(b).

(h) *Calculation of special allowance payments for loans subject to the Servicemembers Civil Relief Act (50 U.S.C. 527, App. sec. 207).* For FFEL Program loans first disbursed on or after July 1, 2008 that are subject to the interest rate limit under the Servicemembers

## § 682.303 [Reserved]

### § 682.304 Methods for computing interest benefits and special allowance.

(a) *General.* The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender's loans. A lender shall use the average daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) *Average daily balance method for interest benefits.* (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans at each actual interest rate by multiplying the average daily balance thereof by the actual interest rate, multiplying this result by the number of days in the quarter, and then dividing this result by the actual number of days in the year.

(c) *Actual accrual method for interest benefits.* (1) Under this method, the lender computes the total unpaid principal balance outstanding on all qualified loans at each actual interest rate

## 34 CFR Ch. VI (7-1-14 Edition)

on each day of the quarter, multiplies this result by the actual interest rate, and divides this result by the actual number of days in the year, or, alternatively, 365.25 days. A lender who chooses to divide by 365.25 days must do so for four consecutive years.

(2) The interest benefits due for a quarter equal the sum of the daily interest benefits due, computed under paragraph (c)(1) of this section, for each day of the quarter.

(d) *Average daily balance method for special allowance.* (1) To compute the average daily balance outstanding for purposes of special allowance, the lender adds the unpaid principal balance outstanding on all qualified loans at each applicable interest rate for each day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at each applicable interest rate.

(2) To compute the average daily balance of unpaid accrued interest for purposes of special allowance on loans covered by § 682.215(b)(7), the lender adds the unpaid accrued interest on such loans for each eligible day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at the applicable interest rate.

(3) The Secretary computes the special allowance payable to a lender based upon the average daily balance computed by the lender under paragraphs (d)(1) and (2) of this section.

### § 682.305 Procedures for payment of interest benefits and special allowance and collection of origination and loan fees.

(a) *General.* (1) If a lender owes origination fees or loan fees under paragraph (a) of this section, it must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary, even if the lender is not

owed, or does not wish to receive, interest benefits or special allowance from the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3)(i)(A) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by—

(1) The amount of origination fees the lender was authorized to collect during the quarter under § 682.202(c), whether or not the lender actually collected that amount; and

(2) The amount of lender fees payable under paragraph (a)(3)(ii) of this section; and

(3) The amount of excess interest, as calculated in accordance with paragraph (d) of this section.

(B) The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under § 682.202(c).

(ii)(A) For any FFEL loan made on or after October 1, 1993, a lender shall pay the Secretary a loan fee equal to 0.50% of the principal amount of the loan.

(B) For any FFEL loan made on or after October 1, 2007 and prior to July 1, 2010, a lender shall pay the Secretary a loan fee equal to 1.0 percent of the principal amount of the loan.

(iii) The Secretary collects from an originating lender the amount of origination fees the originating lender was authorized to collect from borrowers during the quarter whether or not the originating lender actually collected those fees. The Secretary also collects the fees the originating lender is required to pay under paragraph (a)(3)(ii) of this section. Generally, the Secretary collects the fees from the originating lender by offsetting the amount of interest benefits and special allowance payable to the originating lender in a quarter, and, if necessary, the amount of interest benefits and special allowance payable in subsequent quarters may be offset until the total amount of fees has been recovered.

(iv) If the full amount of the fees cannot be collected within two quarters by reducing interest and special allowance payable to the originating lender, the Secretary may collect the unpaid amount directly from the originating lender.

(v) If the full amount of the fees cannot be collected within two quarters from the originating lender in accordance with paragraphs (a)(3)(iii) and (iv) of this section and if the originating lender has transferred the loan to a subsequent holder, the Secretary may, following written notice, collect the unpaid amount from the holder by using the same steps described in paragraphs (a)(3)(iii) and (iv) of this section, with the term “holder” substituting for the term “originating lender”.

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reinsurance to the guaranty agency until the origination fees are paid to the Secretary.

(b) *Penalty interest.* (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;

(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal Government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

(3) The Secretary pays penalty interest for the period—

(i) Beginning on the later of—

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

(4) A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

(5) A request for interest benefits and special allowance is not considered accurate and complete if it—

(i) Requests payments to which the lender is not entitled under §§ 682.300 through 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) *Independent audits.* (1)(i) A lender holding more than \$5 million in FFEL loans during its fiscal year must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person.

(ii) The Secretary may, following written notice, suspend the payment of interest benefits and special allowance to a lender that does not submit its audit within the time period prescribed in paragraph (c)(2) of this section.

(2) The audit required under paragraph (c)(1) of this section must—

(i) Examine the lender's compliance with the Act and applicable regulations;

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Government Auditing Standards*. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit; and

(v) With regard to a lender that is a governmental entity or a nonprofit organization, the audit required by this

paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR §§ 74.26 and 80.26, as applicable.

(3) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(d) *Recovery of excess interest paid by the Secretary.*(1) For any loan for which the first disbursement of principal is made on or after April 1, 2006, the Secretary collects the amount of excess interest paid to a lender on a quarterly basis when the applicable interest rate on a loan for each quarter exceeds the special allowance support level in paragraph (d)(2) of this section for the loan. Excess interest is calculated and recovered each quarter by subtracting the special allowance support level from the applicable interest rate, multiplying the result by the average daily principal balance of the loan (not including unearned interest added to principal) during the quarter, and dividing by four.

(2) The term *special allowance support level* means a number expressed as a percentage equal to the sum of—

(i) The average of the bond equivalent rates of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H-15 (or its successor) for such 3-month period; plus

(ii) 2.34 percent for a Federal Stafford loan in repayment;

(iii) 1.74 percent for a Federal Stafford loan during the in-school, grace, and deferment periods; or

(iv) 2.64 percent for a Federal PLUS or Consolidation Loan.

### Subpart D—Administration of the Federal Family Education Loan Programs by a Guaranty Agency

#### § 682.400 Agreements between a guaranty agency and the Secretary.

(a) The Secretary enters into agreements with a guaranty agency whose loan guarantee program meets the requirements of this subpart. The agreements enable the guaranty agency to participate in the FFEL programs and to receive the various payments and benefits related to that participation.

(b) There are four agreements:

(1) *Basic program agreement.* In order to participate in the FFEL programs, a guaranty agency must have a basic program agreement. Under this agreement—

(i) Borrowers whose Stafford or Consolidation loans are guaranteed by the agency may qualify for interest benefits that are paid to the lender on the borrower's behalf under § 682.301; and

(ii) Lenders under the guaranty agency program may receive special allowance payments from the Secretary and have death, disability, bankruptcy, closed school and false certification discharge claims paid by the Secretary through the guaranty agency.

(2) *Federal advances for claim payments agreement.* A guaranty agency must have an agreement for Federal advances for claim payments to receive and use Federal advances to pay default claims.

(3) *Reinsurance agreement.* A guaranty agency must have a reinsurance agreement to receive reimbursement from the Secretary for its losses on default claims.

## § 682.401

## 34 CFR Ch. VI (7–1–14 Edition)

(4) *Loan Rehabilitation Agreement.* A guaranty agency must have an agreement for rehabilitating a loan for which the Secretary has made a reinsurance payment under section 428(c)(1) of the Act.

(c) The Secretary's execution of an agreement does not indicate acceptance of any current or past standards or procedures used by the agency.

(d) All of the agreements are subject to subsequent changes in the Act, in other applicable Federal statutes, and in regulations that apply to the FFEL programs.

### § 682.401 Basic program agreement.

(a) *General.* In order to participate in the FFEL programs, a guaranty agency shall enter into a basic agreement with the Secretary.

(b) *Terms of agreement.* In the basic agreement, the guaranty agency shall agree to ensure that its loan guarantee program meets the following requirements at all times:

(1) *Reinstatement of borrower eligibility.* Except as provided in § 668.35(b) for a borrower with a defaulted loan on which a judgment has been obtained and § 668.35(i) for a borrower who fraudulently obtained title IV, HEA program assistance, reinstatement of Title IV eligibility for a borrower with a defaulted loan must be in accordance with this paragraph (b)(1). For a borrower's loans held by a guaranty agency on which a reinsurance claim has been paid by the Secretary, the guaranty agency must afford a defaulted borrower, upon the borrower's request, renewed eligibility for Title IV assistance once the borrower has made satisfactory repayment arrangements as that term is defined in § 682.200.

(i) For purposes of this section, the determination of reasonable and affordable must—

(A) Include consideration of the borrower's and spouse's disposable income and necessary expenses including, but not limited to, housing, utilities, food, medical costs, dependent care costs,

work-related expenses and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g. \$50, if the agency determines that a smaller amount is reasonable and affordable based on the borrower's total financial circumstances. The agency must include documentation in the borrower's file of the basis for the determination, if the monthly reasonable and affordable payment established under this section is less than \$50.00 or the monthly accrued interest on the loan, whichever is greater.

(C) Be based on the documentation provided by the borrower or other sources including, but not limited to—

(1) Evidence of current income (e.g. proof of welfare benefits, Social Security benefits, Supplemental Security Income, Workers' Compensation, child support, veterans' benefits, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g. a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(ii) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances upon providing the documentation specified in paragraph (b)(4)(i)(C) of this section.

(iii) A guaranty agency must provide the borrower with a written statement of the reasonable and affordable payment amount required for the reinstatement of the borrower's eligibility for Title IV student assistance, and provide the borrower with an opportunity to object to those terms.

(iv) A guaranty agency must provide the borrower with written information regarding the possibility of loan rehabilitation if the borrower makes three additional reasonable and affordable monthly payments after making payments to regain eligibility for Title IV assistance and the consequences of loan rehabilitation.

(v) A guaranty agency must inform the borrower that he or she may only

obtain reinstatement of borrower eligibility under this section once.

(2) *Lender eligibility.* (i) An eligible lender may participate in the program of the agency under reasonable criteria established by the guaranty agency except to the extent that—

(A) The lender's eligibility has been limited, suspended, or terminated by the Secretary under subpart G of this part or by the agency under standards and procedures that are substantially the same as those in subpart G of this part; or

(B) The lender is disqualified by the Secretary under sections 432(h)(1), 432(h)(2), 435(d)(3), or 435(d)(5) of the Act or § 682.712; or

(C) There is a State constitutional prohibition affecting the lender's eligibility.

(ii) The agency may not guarantee a loan made by a school lender that is not located in the geographical area that the agency serves.

(iii) The guaranty agency may refuse to guarantee loans made by a school on behalf of students not attending that school.

(iv) The guaranty agency may, in determining whether to enter into a guarantee agreement with a lender, consider whether the lender has had prior experience in a similar Federal, State, or private nonprofit student loan program and the amount and percentage of loans that are currently delinquent or in default under that program.

(3) *Insurance premiums and Federal default fees.* (i) Except for a Consolidation Loan or refinanced SLS or PLUS loans, a guaranty agency:

(A) May charge the lender an insurance premium for Stafford, SLS, or PLUS loans it guarantees prior to July 1, 2006; and

(B) Must collect, either from the lender or by payment from any other non-Federal source, a Federal default fee for any Stafford or PLUS loans it guarantees on or after July 1, 2006, to be deposited into the Federal Fund under § 682.419.

(ii) The guaranty agency may not use the Federal default fee for incentive payments to lenders, and may only use the insurance premium or the Federal default fee for costs incurred in guar-

anteeing loans or in the administration of the agency's loan guarantee program, as specified in § 682.410(a)(2) or § 682.419(c).

(iii) If a lender charges the borrower an insurance premium or Federal default fee, the lender must deduct the charge proportionately from each disbursement of the borrower's loan proceeds.

(iv) The amount of the insurance premium or Federal default fee, as applicable—

(A) May not exceed 3 percent of the principal balance for a loan disbursed on or before June 30, 1994;

(B) May not exceed 1 percent of the principal balance for a loan disbursed on or after July 1, 1994;

(C) Shall be 1 percent of the principal balance of a loan guaranteed on or after July 1, 2006 and prior to July 1, 2010.

(v) If the circumstances specified in paragraph (vi) exist, the guaranty agency shall refund to the lender any insurance premium or Federal default fee paid by the lender.

(vi) The lender shall refund to the borrower by a credit against the borrower's loan balance the insurance premium or Federal default fee paid by the borrower on a loan under the following circumstances:

(A) The insurance premium or Federal default fee attributable to each disbursement of a loan must be refunded if the loan check is returned uncashed to the lender.

(B) The insurance premium or Federal default fee, or an appropriate prorated amount of the premium or fee, must be refunded by application to the borrower's loan balance if—

(1) The loan or a portion of the loan is returned by the school to the lender in order to comply with the Act or with applicable regulations;

(2) Within 120 days of disbursement, the loan or a portion of the loan is repaid or returned, unless—

(i) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(ii) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in

accordance with § 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(3) Within 120 days of disbursement, the loan check has not been negotiated; or

(4) Within 120 days of disbursement, the loan proceeds disbursed by electronic funds transfer or master check have not been released from the restricted account maintained by the school.

(4) *Inquiries.* The agency must be able to receive and respond to written, electronic, and telephone inquiries.

(5) *Guaranty liability.* The guaranty agency shall guarantee—

(i) 100 percent of the unpaid principal balance of each loan guaranteed for loans disbursed before October 1, 1993;

(ii) Not more than 98 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after October 1, 1993 and before July 1, 2006; and

(iii) Not more than 97 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after July 1, 2006.

(6) *Guaranty agency verification of default data.* A guaranty agency must meet the requirements and deadlines provided for it in subpart M and N of 34 CFR part 668 for the cohort default rate process.

(7) *Guaranty agency administration.* In the case of a State loan guarantee program administered by a State government, the program must be administered by a single State agency, or by one or more private nonprofit institutions or organizations under the supervision of a single State agency. For this purpose, “supervision” includes, but is not limited to, setting policies and procedures, and having full responsibility for the operation of the program.

(8) *Loan assignment.* (i) Except as provided in paragraph (b)(8)(iii) of this section, the guaranty agency must allow a loan to be assigned only if the loan is fully disbursed and is assigned to—

(A) An eligible lender;

(B) A guaranty agency, in the case of a borrower’s default, death, total and permanent disability, or filing of a

bankruptcy petition, or for other circumstances approved by the Secretary, such as a loan made for attendance at a school that closed or a false certification claim;

(C) An educational institution, whether or not it is an eligible lender, in connection with the institution’s repayment to the agency or to the Secretary of a guarantee or a reinsurance claim payment made on a loan that was ineligible for the payment;

(D) A Federal or State agency or an organization or corporation acting on behalf of such an agency and acting as a conservator, liquidator, or receiver of an eligible lender; or

(E) The Secretary.

(ii) For the purpose of this paragraph, “assigned” means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(iii) The guaranty agency must allow a loan to be assigned under paragraph (b)(8)(i) of this section, following the first disbursement of the loan if the assignment does not result in a change in the identity of the party to whom payments must be made.

(9) *Transfer of guarantees.* Except in the case of a transfer of guarantee requested by a borrower seeking a transfer to secure a single guarantor, the guaranty agency may transfer its guarantee obligation on a loan to another guaranty agency, only with the approval of the Secretary, the transferee agency, and the holder of the loan.

(10) *Standards and procedures.* (i) The guaranty agency shall establish, disseminate to concerned parties, and enforce standards and procedures for—

(A) Ensuring that all lenders in its program meet the definition of “eligible lender” in section 435(d) of the Act and have a written lender agreement with the agency;

(B) Lender participation in its program;

(C) Limitation, suspension, termination of lender participation;

(D) Emergency action against a participating lender;

(E) The exercise of due diligence by lenders in making, servicing, and collecting loans; and

(F) The timely filing by lenders of default, death, disability, bankruptcy,

closed school, false certification unpaid refunds, identity theft, and ineligible loan claims.

(ii) The guaranty agency shall ensure that its program and all participants in its program at all times meet the requirements of subparts B, C, D, and F of this part.

(11) *Monitoring student enrollment.* The guaranty agency shall monitor the enrollment status of a FFEL program borrower or student on whose behalf a parent has borrowed that includes, at a minimum, reporting to the current holder of the loan within 35 days of any change in the student's enrollment status reported that triggers—

(i) The beginning of the borrower's grace period; or

(ii) The beginning or resumption of the borrower's immediate obligation to make scheduled payments.

(12) *Submission of interest and special allowance information.* Upon the Secretary's request, the guaranty agency shall submit, or require its lenders to submit, information that the Secretary deems necessary for determining the amount of interest benefits and special allowance payable on the agency's guaranteed loans.

(13) *Submission of information for reports.* The guaranty agency shall require lenders to submit to the agency the information necessary for the agency to complete the reports required by § 682.414(b).

(14) *Guaranty agency transfer of information.* (i) A guaranty agency from which another guaranty agency requests information regarding Stafford and SLS loans made after January 1, 1987, to students who are residents of the State for which the requesting agency is the principal guaranty agency shall provide—

(A) The name and social security number of the student; and

(B) The annual loan amount and the cumulative amount borrowed by the student in loans under the Stafford and SLS programs guaranteed by the responding agency.

(ii) The reasonable costs incurred by an agency in fulfilling a request for information made under paragraph (b)(14)(i) of this section must be paid by the guaranty agency making the request.

(15) *Information on defaults.* The guaranty agency shall, upon the request of a school, furnish information with respect to students, including the names and addresses of such students, who were enrolled at that school and who are in default on the repayment of any loan guaranteed by that agency.

(16) *Information on loan sales or transfers.* The guaranty agency must, upon the request of a school, furnish to the school last attended by the student, information with respect to the sale or transfer of a borrower's loan prior to the beginning of the repayment period, including—

(i) Notice of assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party by which contact may be made with the holder concerning repayment of the loan; and

(iv) The telephone number of the assignee or, if the assignee uses a lender servicer, another appropriate number for borrower inquiries.

(17) *Third-party servicers.* The guaranty agency may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the financial and compliance standards under § 682.416. The guaranty agency shall provide the Secretary with the name and address of any third-party servicer with which the agency enters into a contract and, upon request by the Secretary, a copy of that contract.

(18) *Consolidation of defaulted FFEL loans.* (i) A guaranty agency may charge collection costs in an amount not to exceed 18.5 percent of the outstanding principal and interest on a defaulted FFEL Program loan that is paid off by a Direct Consolidation loan.

(ii) On or after October 1, 2006, when returning proceeds to the Secretary from the consolidation of a defaulted loan, a guaranty agency that charged the borrower collection costs must remit an amount that equals the lesser of the actual collection costs charged or 8.5 percent of the outstanding principal and interest of the loan.

(iii) On or after October 1, 2009, when returning proceeds to the Secretary from the consolidation of a defaulted

loan that is paid off with excess consolidation proceeds as defined in paragraph (b)(18)(iv) of this section, a guaranty agency must remit the entire amount of collection costs repaid through the consolidation loan.

(iv) The term *excess consolidation proceeds* means, for any Federal fiscal year beginning on or after October 1, 2009, the amount of Consolidation Loan proceeds received for defaulted loans under the FFEL Program that exceed 45 percent of the agency's total collections on defaulted loans in that Federal fiscal year.

(19) *Change in agency's records system.* The agency shall provide written notification to the Secretary at least 30 days prior to placing its new guarantees or converting the records relating to its existing guaranty portfolio to an information or computer system that is owned by, or otherwise under the control of, an entity that is different than the party that owns or controls the agency's existing information or computer system. If the agency is soliciting bids from third parties with respect to a proposed conversion, the agency shall provide written notice to the Secretary as soon as the solicitation begins. The notification described in this paragraph must include a concise description of the agency's conversion project and the actual or estimated cost of the project.

(20) *Plans to Reduce Consolidation of defaulted loans.* A guaranty agency shall establish and submit to the Secretary for approval, procedures to ensure that consolidation loans are not an excessive proportion of the guaranty agency's recoveries on defaulted loans.

(c) *Review of forms and procedures.* (1) The guaranty agency shall submit to the Secretary its write-off criteria and procedures. The agency may not use these materials until the Secretary approves them.

(2) The guaranty agency shall promptly submit to the Secretary its regulations, statements of procedures and standards, agreements, and other materials that substantially affect the operation of the agency's program, and any proposed changes to those materials. Except as provided in paragraph (c)(1) of this section, the agency may

use these materials unless and until the Secretary disapproves them.

(3) The guaranty agency must use common application forms, promissory notes, Master Promissory Notes (MPN), and other common forms approved by the Secretary. Each loan made under an MPN is enforceable in accordance with the terms of the MPN and is eligible for claim payment based on a true and exact copy of such MPN.

(4) The guaranty agency must develop and implement appropriate procedures that provide for the granting of a student deferment as specified in § 682.210(a)(6)(iv) and (c)(3) and require their lenders to use these procedures.

(5) The guaranty agency shall ensure that all program materials meet the requirements of Federal and State law, including, but not limited to, the Act and the regulations in this part and part 668.

(d) *College Access Initiative.* (1) A guaranty agency shall establish a plan to promote access to postsecondary education by—

(i) Providing the Secretary and the public with information on Internet web links and a comprehensive listing of postsecondary education opportunities, programs, publications and other services available in the State, or States for which the guaranty agency serves as the designated guaranty agency;

(ii) Promoting and publicizing information for students and traditionally underrepresented populations on college planning, career preparation, and paying for college in coordination with other entities that provide or distribute such information in the State, or States for which the guaranty agency serves as the designated guaranty agency;

(2) The activities required by this section may be funded from the guaranty agency's Operating Fund in accordance with § 682.423(c)(1)(vii) or from funds remaining in restricted accounts established pursuant to section 422(h)(4) of the Act.

(3) The guaranty agency shall ensure that the information required by this subsection is available to the public by November 5, 2006 and is—

- (i) Free of charge; and
- (ii) Available in print.

(e)(1) A guaranty agency must work with schools that participated in its program to develop and make available high-quality educational materials and programs that provide training to students and their families in budgeting and financial management, including debt management and other aspects of financial literacy, such as the cost of using high-interest loans to pay for postsecondary education, and how budgeting and financial management relate to the title IV student loan programs.

(2) The materials and programs described in paragraph (e)(1) of this section must be in formats that are simple and understandable to students and their families, and must be made available to students and their families by the guaranty agency before, during, and after a student's enrollment at an institution of higher education.

(3) A guaranty agency may provide similar programs and materials to an institution that participates only in the William D. Ford Federal Direct Loan Program.

**§ 682.402 Death, disability, closed school, false certification, unpaid refunds, and bankruptcy payments.**

(a) *General.* (1) Rules governing the payment of claims based on filing for relief in bankruptcy, and discharge of loans due to death, total and permanent disability, attendance at a school that closes, false certification by a school of a borrower's eligibility for a loan, and unpaid refunds by a school are set forth in this section.

(2) If a Consolidation loan was obtained jointly by a married couple, the amount of the Consolidation loan that

is discharged if one of the borrowers dies or becomes totally and permanently disabled is equal to the portion of the outstanding balance of the Consolidation loan, as of the date the borrower died or became totally and permanently disabled, attributable to any of that borrower's loans that would have been eligible for discharge.

(3) If a PLUS loan was obtained by two parents as co-makers, and only one of the borrowers dies, becomes totally and permanently disabled, has collection of his or her loan obligation stayed by a bankruptcy filing, or has that obligation discharged in bankruptcy, the other borrower remains obligated to repay the loan unless that borrower would qualify for discharge of the loan under these regulations.

(4) Except for a borrower's loan obligation discharged by the Secretary under the false certification discharge provision of paragraphs (e)(1)(ii) or (iii) of this section, a loan qualifies for payment under this section and as provided in paragraph (h)(1)(iv) of this section, only to the extent that the loan is legally enforceable under applicable law by the holder of the loan.

(5) For purposes of this section—

(i) The legal enforceability of a loan is conclusively determined on the basis of a ruling by a court or administrative tribunal of competent jurisdiction with respect to that loan, or a ruling with respect to another loan in a judgment that collaterally estops the holder from contesting the enforceability of the loan;

(ii) A loan is conclusively determined to be legally unenforceable to the extent that the guarantor determines, pursuant to an objection presented in a proceeding conducted in connection with consumer reporting agency reporting, tax refund offset, wage garnishment, or in any other administrative proceeding, that the loan is not legally enforceable; and

(iii) If an objection has been raised by the borrower or another party about the legal enforceability of the loan and no determination has been made under paragraph (a)(5) (i) or (ii) of this section, the Secretary may authorize the payment of a claim under this section

under conditions the Secretary considers appropriate. If the Secretary determines in that or any other case that a claim was paid under this section with respect to a loan that was not a legally enforceable obligation of the borrower, the recipient of that payment must refund that amount of the payment to the Secretary.

(b) *Death.* (1) If an individual borrower dies, or the student for whom a parent received a PLUS loan dies, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(2) A discharge of a loan based on the death of the borrower (or student in the case of a PLUS loan) must be based on an original or certified copy of the death certificate, or an accurate and complete photocopy of the original or certified copy of the death certificate. Under exceptional circumstances and on a case-by-case basis, the chief executive officer of the guaranty agency may approve a discharge based upon other reliable documentation supporting the discharge request.

(3) After receiving reliable information indicating that the borrower (or student) has died, the lender must suspend any collection activity against the borrower and any endorser for up to 60 days and promptly request the documentation described in paragraph (b)(2) of this section. If additional time is required to obtain the documentation, the period of suspension of collection activity may be extended up to an additional 60 days. If the lender is not able to obtain an original or certified copy of the death certificate, or an accurate and complete photocopy of the original or certified copy of the death certificate or other documentation acceptable to the guaranty agency, under the provisions of paragraph (b)(2) of this section, during the period of suspension, the lender must resume collection activity from the point that it had been discontinued. The lender is deemed to have exercised forbearance as to repayment of the loan during the period when collection activity was suspended.

(4) Once the lender has determined under paragraph (b)(2) of this section that the borrower (or student) has died, the lender may not attempt to collect

on the loan from the borrower's estate or from any endorser.

(5) The lender shall return to the sender any payments received from the estate or paid on behalf of the borrower after the date of the borrower's (or student's) death.

(6) In the case of a Federal Consolidation Loan that includes a Federal PLUS or Direct PLUS loan borrowed for a dependent who has died, the obligation of the borrower or any endorser to make any further payments on the portion of the outstanding balance of the Consolidation Loan attributable to the Federal PLUS or Direct PLUS loan is discharged as of the date of the dependent's death.

(c)(1) *Total and permanent disability.* (i) A borrower's loan is discharged if the borrower becomes totally and permanently disabled, as defined in § 682.200(b), and satisfies the eligibility requirements in this section.

(ii) For a borrower who becomes totally and permanently disabled as described in paragraph (1) of the definition of that term in § 682.200(b), the borrower's loan discharge application is processed in accordance with paragraphs (c)(2) through (c)(8) of this section.

(iii) For a veteran who is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b), the veteran's loan discharge application is processed in accordance with paragraph (c)(9) of this section.

(iv) For purposes of this paragraph (c)—

(A) A borrower's representative or a veteran's representative is a member of the borrower's family, the borrower's attorney, or another individual authorized to act on behalf of the borrower in connection with the borrower's total and permanent disability discharge application. References to a "borrower" or a "veteran" include, if applicable, the borrower's representative or the veteran's representative for purposes of applying for a total and permanent disability discharge, providing notifications or information to the Secretary, and receiving notifications from the Secretary;

(B) References to "the lender" mean the guaranty agency if the guaranty

agency is the holder of the loan at the time the borrower applies for a total and permanent disability discharge, except that the total and permanent disability discharge claim filing requirements applicable to a lender do not apply to the guaranty agency; and

(C) References to “the applicable guaranty agency” mean the guaranty agency that guarantees the loan.

(2) *Discharge application process for a borrower who is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 682.200(b).*

(i) If the borrower notifies the lender that the borrower claims to be totally and permanently disabled as described in paragraph (1) of the definition of that term in § 682.200(b), the lender must direct the borrower to notify the Secretary of the borrower’s intent to submit an application for total and permanent disability discharge and provide the borrower with the information needed for the borrower to notify the Secretary.

(ii) If the borrower notifies the Secretary of the borrower’s intent to apply for a total and permanent disability discharge, the Secretary—

(A) Provides the borrower with information needed for the borrower to apply for a total and permanent disability discharge;

(B) Identifies all title IV loans owed by the borrower and notifies the lenders of the borrower’s intent to apply for a total and permanent disability discharge;

(C) Directs the lenders to suspend efforts to collect from the borrower for a period not to exceed 120 days; and

(D) Informs the borrower that the suspension of collection activity described in paragraph (c)(2)(ii)(C) of this section will end after 120 days and collection will resume on the loans if the borrower does not submit a total and permanent disability discharge application to the Secretary within that time;

(iii) If the borrower fails to submit an application for a total and permanent disability discharge to the Secretary within 120 days, collection resumes on the borrower’s title IV loans, and the lender is deemed to have exercised forbearance of principal and interest from the date it suspended collection activ-

ity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period, except that if the lender is a guaranty agency it may not capitalize accrued interest.

(iv) The borrower must submit to the Secretary an application for a total and permanent disability discharge on a form approved by the Secretary. The application must contain—

(A) A certification by a physician, who is a doctor of medicine or osteopathy legally authorized to practice in a State, that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 682.200(b); or

(B) An SSA notice of award for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) benefits indicating that the borrower’s next scheduled disability review will be within five to seven years.

(v) The borrower must submit the application described in paragraph (c)(2)(iv) of this section to the Secretary within 90 days of the date the physician certifies the application, if applicable.

(vi) After the Secretary receives the application described in paragraph (c)(2)(iv) of this section, the Secretary notifies the holders of the borrower’s title IV loans, that the Secretary has received a total and permanent disability discharge application from the borrower. The holders of the loans must notify the applicable guaranty agencies that the total and permanent disability discharge application has been received.

(vii) If the application is incomplete, the Secretary notifies the borrower of the missing information and requests the missing information from the borrower or the physician who provided the certification, as appropriate. The Secretary does not make a determination of eligibility until the application is complete.

(viii) The lender notification described in paragraph (c)(2)(vi) of this section directs the borrower’s loan holders to suspend collection activity or maintain the suspension of collection activity on the borrower’s title IV loans.

**§ 682.402**

**34 CFR Ch. VI (7-1-14 Edition)**

(ix) After the Secretary receives the disability discharge application, the Secretary sends a notice to the borrower that—

(A) States that the application will be reviewed by the Secretary;

(B) Informs the borrower that the borrower's lenders will suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans while the Secretary reviews the borrower's application for a discharge; and

(C) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(3) *Secretary's review of total and permanent disability discharge application.*

(i) If, after reviewing the borrower's completed application, the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits supports the conclusion that the borrower is totally and permanently disabled, as described in paragraph (1) of the definition of that term in §682.200(b), the borrower is considered totally and permanently disabled—

(A) As of the date the physician certified the borrower's application; or

(B) As of the date the Secretary received the SSA notice of award for SSDI or SSI benefits.

(ii) The Secretary may require the borrower to submit additional medical evidence if the Secretary determines that the borrower's application does not conclusively prove that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in §682.200(b). As part of the Secretary's review of the borrower's discharge application, the Secretary may require and arrange for an additional review of the borrower's condition by an independent physician at no expense to the borrower.

(iii) After determining that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in §682.200(b), the Secretary notifies the borrower and the borrower's lenders that the application for a disability discharge has been approved. With this notification, the Secretary provides the date the physician certified the

borrower's loan discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits and directs each lender to submit a disability claim to the guaranty agency so the loan can be assigned to the Secretary. The Secretary returns any payment received by the Secretary after the date the physician certified the borrower's loan discharge application or received the SSA notice of award for SSDI or SSI benefits to the person who made the payment.

(iv) After the loan is assigned, the Secretary discharges the borrower's obligation to make further payments on the loan and notifies the borrower and the lender that the loan has been discharged. The notification to the borrower explains the terms and conditions under which the borrower's obligation to repay the loan will be reinstated, as specified in paragraph (c)(6)(i) of this section.

(v) If the Secretary determines that the physician's certification or SSA notice of award for SSDI or SSI benefits provided by the borrower does not support the conclusion that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in §682.200(b), the Secretary notifies the borrower and the lender that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(B) A statement that the loan is due and payable to the lender under the terms of the promissory note and that the loan will return to the status that would have existed had the total and permanent disability discharge application not been received;

(C) A statement that the lender will notify the borrower of the date the borrower must resume making payments on the loan;

(D) An explanation that the borrower is not required to submit a new total and permanent disability discharge application if the borrower requests that the Secretary re-evaluate the application for discharge by providing, within

12 months of the date of the notification, additional information that supports the borrower's eligibility for discharge; and

(E) An explanation that if the borrower does not request re-evaluation of the borrower's prior discharge application within 12 months of the date of the notification, the borrower must submit a new total and permanent disability discharge application to the Secretary if the borrower wishes the Secretary to re-evaluate the borrower's eligibility for a total and permanent disability discharge.

(vi) If the borrower requests re-evaluation in accordance with paragraph (c)(3)(v)(D) of this section or submits a new total and permanent disability discharge application in accordance with paragraph (c)(3)(v)(E) of this section, the request must include new information regarding the borrower's disabling condition that was not provided to the Secretary in connection with the prior application at the time the Secretary reviewed the borrower's initial application for a total and permanent disability discharge.

(4) *Treatment of disbursements made during the period from the date of the physician's certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date of discharge.* If a borrower received a title IV loan or TEACH Grant before the date the physician certified the borrower's discharge application or before the date the Secretary received the SSA notice of award for SSDI or SSI benefits and a disbursement of that loan or grant is made during the period from the date of the physician's certification or the Secretary's receipt of the SSA notice of award for SSDI or SSI benefits until the date the Secretary grants a discharge under this section, the processing of the borrower's loan discharge request will be suspended until the borrower ensures that the full amount of the disbursement has been returned to the loan holder or to the Secretary, as applicable.

(5) *Receipt of new title IV loans or TEACH Grants after the date of the physician's certification or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits.* If a borrower receives a disbursement of a new

title IV loan or receives a new TEACH Grant made on or after the date the physician certified the borrower's discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits and before the date the Secretary grants a discharge under this section, the Secretary denies the borrower's discharge request and collection resumes on the borrower's loans.

(6) *Conditions for reinstatement of a loan after a total and permanent disability discharge.* (i) The Secretary reinstates the borrower's obligation to repay a loan that was discharged in accordance with paragraph (c)(3)(iii) of this section if, within three years after the date the Secretary granted the discharge, the borrower—

(A) Has annual earnings from employment that exceed 100 percent of the poverty guideline for a family of two, as published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2);

(B) Receives a new TEACH Grant or a new loan under the Perkins or Direct Loan programs, except for a Direct Consolidation Loan that includes loans that were not discharged; or

(C) Fails to ensure that the full amount of any disbursement of a title IV loan or TEACH Grant received prior to the discharge date that is made is returned to the loan holder or to the Secretary, as applicable, within 120 days of the disbursement date; or

(D) Receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(ii) If the borrower's obligation to repay a loan is reinstated, the Secretary—

(A) Notifies the borrower that the borrower's obligation to repay the loan has been reinstated;

(B) Returns the loan to the status that would have existed if the total and permanent disability discharge application had not been received; and

(C) Does not require the borrower to pay interest on the loan for the period from the date the loan was discharged

until the date the borrower's obligation to repay the loan was reinstated.

(iii) The Secretary's notification under paragraph (c)(6)(ii)(A) of this section will include—

(A) The reason or reasons for the reinstatement;

(B) An explanation that the first payment due date on the loan following reinstatement will be no earlier than 60 days after the date of the notification of reinstatement; and

(C) Information on how the borrower may contact the Secretary if the borrower has questions about the reinstatement or believes that the obligation to repay the loan was reinstated based on incorrect information.

(7) *Borrower's responsibilities after a total and permanent disability discharge.* During the three-year period described in paragraph (c)(6)(i) of this section, the borrower must—

(i) Promptly notify the Secretary of any changes in the borrower's address or phone number;

(ii) Promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (c)(6)(i)(A) of this section;

(iii) Provide the Secretary, upon request, with documentation of the borrower's annual earnings from employment, on a form approved by the Secretary; or

(iv) Promptly notify the Secretary if the borrower receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(8) *Lender and guaranty agency actions.* (i) If the Secretary approves the borrower's total and permanent disability discharge application—

(A) The lender must submit a disability claim to the guaranty agency, in accordance with paragraph (g)(1) of this section;

(B) If the claim satisfies the requirements of paragraph (g)(1) of this section and § 682.406, the guaranty agency must pay the claim submitted by the lender;

(C) After receiving a claim payment from the guaranty agency, the lender

must return to the sender any payments received by the lender after the date the physician certified the borrower's loan discharge application or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits as well as any payments received after claim payment from or on behalf of the borrower;

(D) The Secretary reimburses the guaranty agency for a disability claim paid to the lender after the agency pays the claim to the lender; and

(E) The guaranty agency must assign the loan to the Secretary within 45 days of the date the guaranty agency pays the disability claim and receives the reimbursement payment, or within 45 days of the date the guaranty agency receives the notice described in paragraph (c)(3)(iii) of this section if a guaranty agency is the lender.

(ii) If the Secretary does not approve the borrower's total and permanent disability discharge request, the lender must resume collection of the loan and is deemed to have exercised forbearance of payment of both principal and interest from the date collection activity was suspended. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period, except if the lender is a guaranty agency it may not capitalize accrued interest.

(9) *Discharge application process for veterans who are totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b)*—

(i) *General.* If a veteran notifies the lender that the veteran claims to be totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b), the lender must direct the veteran to notify the Secretary of the veteran's intent to submit an application for a total and permanent disability discharge and provide the veteran with the information needed for the veteran to apply for a total and permanent disability discharge to the Secretary.

(ii) If the veteran notifies the Secretary of the veteran's intent to apply for a total and permanent disability discharge, the Secretary—

(A) Provides the veteran with information needed for the veteran to apply

for a total and permanent disability discharge;

(B) Identifies all title IV loans owed by the veteran and notifies the lenders of the veteran's intent to apply for a total and permanent disability discharge;

(C) Directs the lenders to suspend efforts to collect from the veteran for a period not to exceed 120 days; and

(D) Informs the veteran that the suspension of collection activity described in paragraph (c)(9)(ii)(C) of this section will end after 120 days and the lender will resume collection on the loans if the veteran does not submit a total and permanent disability discharge application to the Secretary within that time.

(iii) If the veteran fails to submit an application for a total and permanent disability discharge to the Secretary within 120 days, collection resumes on the veteran's title IV loans and the lender is deemed to have exercised forbearance of principal and interest from the date it suspended collection activity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period, except that if the lender is a guaranty agency it may not capitalize accrued interest.

(iv) The veteran must submit to the Secretary an application for a total and permanent disability discharge on a form approved by the Secretary.

(v) The application must be accompanied by documentation from the Department of Veterans Affairs showing that the Department of Veterans Affairs has determined that the veteran is unemployable due to a service-connected disability. The veteran will not be required to provide any additional documentation related to the veteran's disability.

(vi) After the Secretary receives the application and supporting documentation described in paragraphs (c)(9)(iv) and (c)(9)(v) of this section, the Secretary notifies the holders of the veteran's title IV loans, that the Secretary has received a total and permanent disability discharge application from the veteran. The holders of the loans must notify the applicable guaranty agencies that the total and per-

manent disability discharge application has been received.

(vii) If the application is incomplete, the Secretary notifies the veteran of the missing information and requests the missing information from the veteran or the veteran's representative. The Secretary does not make a determination of eligibility until the application is complete.

(viii) The lender notification described in paragraph (c)(9)(vi) of this section directs the lenders to suspend collection activity or maintain the suspension of collection activity on the veteran's title IV loans.

(ix) After the Secretary receives the disability discharge application, the Secretary sends a notice to the veteran that—

(A) States that the application will be reviewed by the Secretary;

(B) Informs the veteran that the veteran's lenders will suspend collection activity on the veteran's title IV loans while the Secretary reviews the veteran's application for a discharge; and

(C) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(x) After making a determination that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b), the Secretary notifies the veteran and the veteran's lenders that the application for a disability discharge has been approved. With this notification, the Secretary provides the effective date of the determination and directs each lender to submit a disability claim to the guaranty agency.

(xi) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is not totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b), the Secretary notifies the veteran and the lender that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(B) An explanation that the loan is due and payable to the lender under the terms of the promissory note and that the loan will return to the status

it was in at the time the veteran applied for a total and permanent disability discharge;

(C) An explanation that the lender will notify the veteran of the date the veteran must resume making payments on the loan;

(D) An explanation that the veteran is not required to submit a new total and permanent disability discharge application if the veteran requests that the Secretary re-evaluate the application for discharge by providing, within 12 months of the date of the notification, additional documentation from the Department of Veterans Affairs that supports the veteran's eligibility for discharge; and

(E) Information on how the veteran may reapply for a total and permanent disability discharge in accordance with procedures described in paragraphs (c)(2) through (c)(8) of this section, if the documentation from the Department of Veterans Affairs does not indicate that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 682.200(b), but indicates that the veteran may be totally and permanently disabled as described in paragraph (1) of the definition of that term.

(xii)(A) If the Secretary approves the veteran's total and permanent disability discharge application based on documentation from the Department of Veterans Affairs the lender must submit a disability claim to the guaranty agency, in accordance with paragraph (g)(1) of this section.

(B) If the claim meets the requirements of paragraph (g)(1) of this section and § 682.406, the guaranty agency must pay the claim and discharge the loan.

(C) The Secretary reimburses the guaranty agency for a disability claim after the agency pays the claim to the lender.

(D) Upon receipt of the claim payment from the guaranty agency, the lender returns any payments received by the lender on or after the effective date of the determination by the Department of Veterans Affairs to the person who made the payments.

(E) If the Secretary does not approve the veteran's total and permanent disability discharge application based on

documentation from the Department of Veterans Affairs, the lender must resume collection and is deemed to have exercised forbearance of payment of both principal and interest from the date collection activity was suspended. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period, except that if the lender is a guaranty agency it may not capitalize accrued interest.

(d) *Closed school*—(1) *General*. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges the borrower's obligation with respect to the loan in accordance with the provisions of paragraph (d) of this section, if the borrower (or the student for whom a parent received a PLUS loan) could not complete the program of study for which the loan was intended because the school at which the borrower (or student) was enrolled closed, or the borrower (or student) withdrew from the school not more than 120 days prior to the date the school closed. The Secretary may extend the 120-day period if the Secretary determines that exceptional circumstances related to a school's closing justify an extension. Exceptional circumstances for this purpose may include, but are not limited to: the school's loss of accreditation; the school's discontinuation of the majority of its academic programs; action by the State to revoke the school's license to operate or award academic credentials in the State; or a finding by a State or Federal government agency that the school violated State or Federal law.

(ii) For purposes of the closed school discharge authorized by this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) The term "borrower" includes all endorsers on a loan; and

(C) A "school" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(2) *Relief available pursuant to discharge*. (i) Discharge under paragraph (d) of this section relieves the borrower

of an existing or past obligation to repay the loan and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (d) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (d) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (d) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (d) of this section must be reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(3) *Borrower qualification for discharge.* Except as provided in paragraph (d)(8) of this section, in order to qualify for a discharge of a loan under paragraph (d) of this section, a borrower must submit a written request and sworn statement to the holder of the loan. The statement need not be notarized, but must be made by the borrower under the penalty of perjury, and, in the statement, the borrower must state—

(i) Whether the student has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) That the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the educational program at that school because the school closed while the student was enrolled or on an approved leave of absence in accordance with § 682.605(c), or the student withdrew from the school

not more than 120 days before the school closed; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(iii) That the borrower agrees to provide, upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (d) of this section; and

(iv) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (d) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (d) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by

the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (d) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (d) of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) *Guaranty agency responsibilities—(i) Procedures applicable if a school closed on or after January 1, 1986, but prior to June 13, 1994.* (A) If a borrower received a loan for attendance at a school with a closure date on or after January 1, 1986, but prior to June 13, 1994, the loan may be discharged in accordance with the procedures specified in paragraph (d)(6)(i) of this section.

(B) If a loan subject to paragraph (d) of this section was discharged in part in accordance with the Secretary's "Closed School Policy" as authorized by section IV of Bulletin 89-G-159, the guaranty agency shall initiate the discharge of the remaining balance of the loan not later than August 13, 1994.

(C) A guaranty agency shall review its records and identify all schools that appear to have closed on or after January 1, 1986 and prior to June 13, 1994, and shall identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 120 days prior to the closure date.

(D) A guaranty agency shall notify the Secretary immediately if it determines that a school not previously known to have closed appears to have closed, and, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 120 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 120 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(E) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any

loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(F) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, by June 13, 1995, further refine the list of borrowers whose loans are potentially subject to discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(i)(E) of this section.

(G) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(H) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 120 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was in-

eligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(I) If a borrower described in paragraph (d)(6)(i)(E) or (F) of this section fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(J) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(ii) *Procedures applicable if a school closed on or after June 13, 1994.* (A) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating a school may have closed. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has closed and, within 30 days after receiving information indicating that the school may have closed, report the results of its investigation to the Secretary concerning the date of the school's closure and whether a teach-out of the closed school's program was made available to students.

(B) If a guaranty agency determines that a school appears to have closed, it shall, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 120 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 120 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(C) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(D) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, within one year after identifying the borrower, attempt to locate the borrower and further determine the borrower's potential eligibility for a discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge appli-

cation that meets the requirements of paragraph (d)(6)(ii)(B) of this section.

(E) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(F) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 120 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(G) Upon receipt of a closed school discharge claim filed by a lender, the agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations, and shall take the following actions—

(1) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (d) of this section, it shall pay the claim in accordance with § 682.402(h) not later than 90 days after the agency received the claim; or

(2) If the agency determines that the borrower does not qualify for a discharge, the agency shall, not later than 90 days after the agency received the claim, return the claim to the lender with an explanation of the reasons for its determination.

(H) If a borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the lender or guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The lender or guaranty agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(I) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(7) *Lender responsibilities.* (i) A lender shall comply with the requirements prescribed in paragraph (d) of this section. In the absence of specific instructions from a guaranty agency or the Secretary, if a lender receives information from a source it believes to be reliable indicating that an existing or former borrower may be eligible for a loan discharge under paragraph (d) of this section, the lender shall immediately notify the guaranty agency, and suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments).

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days after being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a closed school claim with the guaranty agency in accordance with § 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (d)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender

shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) Within 30 days after receiving reimbursement from the guaranty agency for a closed school claim, the lender shall notify the borrower that the loan obligation has been discharged, and request that all consumer reporting agencies to which it previously reported the status of the loan delete all adverse credit history assigned to the loan.

(v) Within 30 days after being notified by the guaranty agency that the borrower's request for a closed school discharge has been denied, the lender shall resume collection and notify the borrower of the reasons for the denial. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(8) *Discharge without an application.* A borrower's obligation to repay an FFEL Program loan may be discharged without an application from the borrower if the—

(i) Borrower received a discharge on a loan pursuant to 34 CFR 674.33(g) under the Federal Perkins Loan Program, or 34 CFR 685.214 under the William D. Ford Federal Direct Loan Program; or

(ii) The Secretary or the guaranty agency, with the Secretary's permission, determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(e) *False certification by a school of a student's eligibility to borrow and unauthorized disbursements—*(1) *General.* (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges a current or former borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's (or the student for whom a parent received a PLUS loan) eligibility to receive the loan was falsely certified by an eligible

school. On or after July 1, 2006, the Secretary reimburses the holder of a loan, and discharges a borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's eligibility to receive the loan was falsely certified as a result of a crime of identity theft. For purposes of a false certification discharge, the term "borrower" includes all endorsers on a loan. A student's or other individual's eligibility to borrow shall be considered to have been falsely certified by the school if the school—

(A) Certified the student's eligibility for a FFEL Program loan on the basis of ability to benefit from its training and the student did not meet the applicable requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable and as described in paragraph (e)(13) of this section; or

(B) Signed the borrower's name without authorization by the borrower on the loan application or promissory note.

(C) Certified the eligibility of an individual for an FFEL Program loan as a result of the crime of identity theft committed against the individual, as that crime is defined in § 682.402(e)(14).

(ii) The Secretary discharges the obligation of a borrower with respect to a loan disbursement for which the school, without the borrower's authorization, endorsed the borrower's loan check or authorization for electronic funds transfer, unless the student for whom the loan was made received the proceeds of the loan either by actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student. However, the Secretary does not reimburse the lender with respect to any amount disbursed by means of a check bearing an unauthorized endorsement unless the school also executed the application or promissory note for that loan for the named borrower without that individual's consent.

(iii) If a loan was made as a result of the crime of identity theft that was committed by an employee or agent of the lender, or if at the time the loan

was made, an employee or agent of the lender knew of the identity theft of the individual named as the borrower—

(A) The Secretary does not pay reinsurance, and does not reimburse the holder, for any amount disbursed on the loan; and

(B) Any amounts received by a holder as interest benefits and special allowance payments with respect to the loan must be refunded to the Secretary, as provided in paragraphs (e)(8)(ii)(B)(4) and (e)(10)(ii)(D) of this section.

(2) *Relief available pursuant to discharge.* (i) Discharge under paragraph (e)(1)(i) of this section relieves the borrower of an existing or past obligation to repay the loan certified by the school, and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was, otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (e) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (e) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (e) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (e) of this section is reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse or inaccurate credit history assigned to the loan.

(v) Discharge under paragraph (e)(1)(ii) of this section qualifies the borrower for relief only with respect to the amount of the disbursement discharged.

(3) *Borrower qualification for discharge.* Except as provided in paragraph (e)(15) of this section, to qualify for a discharge of a loan under paragraph (e) of this section, the borrower must submit to the holder of the loan a written request and a sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower must—

(i) State whether the student has made a claim with respect to the school's false certification with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) In the case of a borrower requesting a discharge based on defective testing of the student's ability to benefit, state that the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school; and

(B) Was admitted to that school on the basis of ability to benefit from its training and did not meet the applicable requirements for admission on the basis of ability to benefit as described in paragraph (e)(13) of this section;

(iii) In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note—

(A) State that the signature on either of those documents was not the signature of the borrower; and

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature;

(iv) In the case of a borrower requesting a discharge because the school, without authorization of the borrower, endorsed the borrower's name on the loan check or signed the authorization for electronic funds transfer or master check, the borrower shall—

(A) Certify that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or master check, or authorize the school to do so;

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature; and

(C) State that the proceeds of the contested disbursement were not received either through actual delivery of the loan funds or by a credit in the

amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student;

(v) In the case of an individual who is requesting a discharge of a loan because the individual's eligibility was falsely certified as a result of a crime of identity theft committed against the individual—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft by a perpetrator named in the verdict or judgment;

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime, provide—

(1) Authentic specimens of the signature of the individual, as provided in paragraph (e)(3)(iii)(B), or other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(vi) That the borrower agrees to provide upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower, that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (e) of this section; and

(vii) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e)(4) of this section, and to transfer

any right to recovery against a third party in accordance with paragraph (e)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (e) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (e) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (e) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, in-

cluding the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (e) of this section apply notwithstanding any provision of state law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) *Guaranty agency responsibilities—general.* (i) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating that a school may have falsely certified a student's eligibility or caused an unauthorized disbursement of loan proceeds, as described in paragraph (e)(3) of this section. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has falsely certified a student's eligibility and, within 30 days after receiving information indicating that the school may have done so, report the results of its preliminary investigation to the Secretary.

(ii) If the guaranty agency receives information it believes to be reliable indicating that a borrower whose loan is held by the agency may be eligible for a discharge under paragraph (e) of this section, the agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and inform the borrower of the procedures for requesting a discharge.

(iii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and

interest from the date it suspended collection activity. The agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iv) Upon receipt of a discharge claim filed by a lender or a request submitted by a borrower with respect to a loan held by the guaranty agency, the agency shall have up to 90 days to determine whether the discharge should be granted. The agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations.

(v) A borrower's request for discharge and sworn statement may not be denied solely on the basis of failing to meet any time limits set by the lender, the Secretary or the guaranty agency.

(7) *Guaranty agency responsibilities with respect to a claim filed by a lender based on the borrower's assertion that he or she did not sign the loan application or the promissory note that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.*

(i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(7) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e) of this section, it shall, not later than 30 days after the agency makes that determination, pay the claim in accordance with § 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(7)(ii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the amount of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan; and

(D) Within 30 days, demand payment in full from the perpetrator of the identity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(7)(iii)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's written statement described in paragraph (e)(7)(iii)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(v) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vi) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(7)(iii)(B) of this section.

(8) *Guaranty agency responsibilities with respect to a claim filed by a lender based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan funds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(8) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(ii)(B) of this section;

(B) Notify the lender that the borrower's liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay;

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(3) Refund to the borrower, within 30 days, all amounts paid by the borrower with respect to the loan disbursement

that was discharged, including any charges imposed or costs incurred by the lender related to the discharged loan amount; and

(4) Refund to the Secretary, within 30 days, all interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(C) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to a loan disbursement that was discharged because the borrower did not sign the loan check.

(iii) If the agency determines that a borrower who asserts that he or she did not sign the electronic funds transfer or master check authorization satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination, pay the claim in accordance with § 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(iii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(8)(iv)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(v) Within 30 days after receiving the borrower's written statement described in paragraph (e)(8)(iv)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(8)(iv)(B) of this section.

(9) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower's assertion that he or she did not sign the loan application or the promissory note, that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.* (i) The agency shall evaluate the borrower's request and consider relevant information it pos-

sesses and information available from other sources, and follow the procedures described in paragraph (e)(9) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e)(3) of this section, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was otherwise obligated to pay and, not later than 30 days after the agency makes the determination that the borrower satisfies the requirements for discharge—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(D) Within 30 days, demand payment in full from the perpetrator of the identity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination, notify the borrower that the borrower's liability with respect to the amount of the loan is not discharged, state the reasons for that conclusion, and if the borrower is not then making payments in accordance with a repayment arrangement with the agency on the loan, advise the borrower of the consequences of continued failure to reach such an arrangement, and that collection action will resume on the loan unless within 30 days the borrower—

(A) Acknowledges the debt and, if payments are due, reaches a satisfactory arrangement to repay the loan or

resumes making payments under such an arrangement to the agency; or

(B) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) The agency shall resume collection action if within 30 days of giving notice of its determination the borrower fails to seek review by the Secretary or agree to repay the loan.

(10) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan proceeds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(10) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall refund to the Secretary the amount of reinsurance payment received with respect to the amount discharged on that loan less any repayments made by the lender under paragraph (e)(10)(ii)(D)(2) of this section, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount;

(D) Notify the lender to whom a claim payment was made that the lender must refund to the Secretary, within 30 days—

(1) All interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(2) The amount of the borrower's payments that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section that represent borrower payments previously paid to the lender with respect to the loan disbursement that was discharged;

(E) Notify the lender to whom a claim payment was made that the lender must, within 30 days, reimburse the agency for the amount of the loan that was discharged, minus the amount of borrower payments made to the lender that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section; and

(F) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to the loan disbursement that was discharged.

(iii) In the case of a borrower who requests a discharge because he or she did not sign the electronic funds transfer or master check authorization, if the agency determines that the borrower meets the conditions for discharge, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to

delete all adverse credit history assigned to the loan.

(iv) The agency shall take the actions required under paragraphs (e)(9)(iii) through (v) if the agency determines that the borrower does not qualify for a discharge.

(11) *Guaranty agency responsibilities if a borrower requests a review by the Secretary.* (i) Within 30 days after receiving the borrower's request for review under paragraph (e)(7)(iii)(B)(2), (e)(8)(iv)(B)(2), (e)(9)(iii)(B), or (e)(10)(iv) of this section, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review.

(ii) The Secretary notifies the agency and the borrower of a determination on review. If the Secretary determines that the borrower is not eligible for a discharge under paragraph (e) of this section, within 30 days after being so informed, the agency shall take the actions described in paragraphs (e)(8)(iv) through (vii) or (e)(9)(iii) through (v) of this section, as applicable.

(iii) If the Secretary determines that the borrower meets the requirements for a discharge under paragraph (e) of this section, the agency shall, within 30 days after being so informed, take the actions required under paragraph (e)(7)(ii), (e)(8)(ii), (e)(8)(iii), (e)(9)(ii), (e)(10)(ii), or (e)(10)(iii) of this section, as applicable.

(12) *Lender Responsibilities.* (i) If the lender is notified by a guaranty agency or the Secretary, or receives information it believes to be reliable from another source indicating that a current or former borrower may be eligible for a discharge under paragraph (e) of this section, the lender shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments) and, within 30 days of receiving the information or notification, inform the borrower of the procedures for requesting a discharge.

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the lender shall resume collection and shall be deemed

to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a claim with the guaranty agency in accordance with § 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (e)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) The lender shall comply with all instructions received from the Secretary or a guaranty agency with respect to loan discharges under paragraph (e) of this section.

(v) The lender shall review a claim that the borrower did not endorse and did not receive the proceeds of a loan check. The lender shall take the actions required under paragraphs (e)(8)(ii)(A) and (B) of this section if it determines that the borrower did not endorse the loan check, unless the lender secures persuasive evidence that the proceeds of the loan were received by the borrower or the student for whom the loan was made, as provided in paragraph (e)(1)(ii). If the lender determines that the loan check was properly endorsed or the proceeds were received by the borrower or student, the lender may consider the borrower's objection to repayment as a statement of intention not to repay the loan, and may file a claim with the guaranty agency for reimbursement on that ground, but shall not report the loan to consumer reporting agencies as in default until the guaranty agency, or, as applicable, the Secretary, reviews the claim for relief. By filing such a claim, the lender shall be deemed to have agreed to the following—

(A) If the guarantor or the Secretary determines that the borrower endorsed

§ 682.402

34 CFR Ch. VI (7-1-14 Edition)

the loan check or the proceeds of the loan were received by the borrower or the student, any failure to satisfy due diligence requirements by the lender prior to the filing of the claim that would have resulted in the loss of reinsurance on the loan in the event of default will be waived by the Secretary; and

(B) If the guarantor or the Secretary determines that the borrower did not endorse the loan check and that the proceeds of the loan were not received by the borrower or the student, the lender will comply with the requirements specified in paragraph (e)(8)(ii)(B) of this section.

(vi) Within 30 days after being notified by the guaranty agency that the borrower's request for a discharge has been denied, the lender shall notify the borrower of the reasons for the denial and, if payments are due, resume collection against the borrower. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(13) *Requirements for certifying a borrower's eligibility for a loan.* (i) For periods of enrollment beginning between July 1, 1987 and June 30, 1991, a student who had a general education diploma or received one before the scheduled completion of the program of instruction is deemed to have the ability to benefit from the training offered by the school.

(ii) A student not described in paragraph (e)(13)(i) of this section is considered to have the ability to benefit from training offered by the school if the student—

(2) Was home schooled and met the requirements of 34 CFR 668.32(e)(4).

(iii) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student did not have the ability to benefit from training offered by the school if—

(A) The school certified the eligibility of the student for a FFEL Program loan; and

(B) At the time of certification, the student would not meet the requirements for employment (in the student's State of residence) in the occupation for which the training program supported by the loan was intended because of a physical or mental condition, age, or criminal record or other reason accepted by the Secretary.

(iv) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student has the ability to benefit from the training offered by the school if the student received a high school diploma or its recognized equivalent prior to enrollment at the school.

(C) Unique electronic identification number, address, or routing code; or

(D) Telecommunication identifying information or access device (as defined in 18 U.S.C. 1029(e)).

(15) *Discharge without an application.* A borrower's obligation to repay all or a portion of an FFEL Program loan may be discharged without an application from the borrower if the Secretary, or the guaranty agency with the Secretary's permission, determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(f) *Bankruptcy*—(1) *General.* If a borrower files a petition for relief under the Bankruptcy Code, the Secretary reimburses the holder of the loan for unpaid principal and interest on the loan in accordance with paragraphs (h) through (k) of this section.

(2) *Suspension of collection activity.* (i) If the lender is notified that a borrower has filed a petition for relief in bankruptcy, the lender must immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower and—

(A) Must suspend any collection efforts against any co-maker or endorser if the borrower has filed for relief under Chapters 12 or 13 of the Bankruptcy Code; or

(B) May suspend any collection efforts against any co-maker or endorser if the borrower has filed for relief under Chapters 7 or 11 of the Bankruptcy Code.

(ii) If the lender is notified that a co-maker or endorser has filed a petition for relief in bankruptcy, the lender must immediately suspend any collection efforts outside the bankruptcy

proceeding against the co-maker or endorser and—

(A) Must suspend collection efforts against the borrower and any other parties to the note if the co-maker or endorser has filed for relief under Chapters 12 or 13 of the Bankruptcy Code; or

(3) *Determination of filing.* The lender must determine that a borrower has filed a petition for relief in bankruptcy on the basis of receiving a notice of the first meeting of creditors or other proof of filing provided by the debtor's attorney or the bankruptcy court.

(4) *Proof of claim.* (i) Except as provided in paragraph (f)(4)(ii) of this section, the holder of the loan shall file a proof of claim with the bankruptcy court within—

(A) 30 days after the holder receives a notice of first meeting of creditors unless, in the case of a proceeding under chapter 7, the notice states that the borrower has no assets; or

(B) 30 days after the holder receives a notice from the court stating that a chapter 7 no-asset case has been converted to an asset case.

(ii) A guaranty agency that is a state guaranty agency, and on that basis may assert immunity from suit in bankruptcy court, and that does not assign any loans affected by a bankruptcy filing to another guaranty agency—

(A) Is not required to file a proof of claim on a loan already held by the guaranty agency; and

(B) May direct lenders not to file proofs of claim on loans guaranteed by that agency.

(5) *Filing of bankruptcy claim with the guaranty agency.* (i) The lender shall file a bankruptcy claim on the loan with the guaranty agency in accordance with paragraph (g) of this section, if—

(A) The borrower has filed a petition for relief under chapters 12 or 13 of the Bankruptcy Code; or

(B) The borrower has filed a petition for relief under chapters 7 or 11 of the Bankruptcy Code before October 8, 1998

and the loan has been in repayment for more than seven years (exclusive of any applicable suspension of the repayment period) from the due date of the first payment until the date of the filing of the petition for relief; or

(C) The borrower has begun an action to have the loan obligation determined to be dischargeable on grounds of undue hardship.

(ii) In cases not described in paragraph (f)(5)(i) of this section, the lender shall continue to hold the loan notwithstanding the bankruptcy proceeding. Once the bankruptcy proceeding is completed or dismissed, the lender shall treat the loan as if the lender had exercised forbearance as to repayment of principal and interest accrued from the date of the borrower's filing of the bankruptcy petition until the date the lender is notified that the bankruptcy proceeding is completed or dismissed.

(g) *Claim procedures for a loan held by a lender*—(1) *Documentation*. A lender shall provide the guaranty agency with the following documentation when filing a death, disability, closed school, false certification, or bankruptcy claim:

(i) The original or a true and exact copy of the promissory note.

(ii) The loan application, if a separate loan application was provided to the lender.

(iii) In the case of a death claim, an original or certified death certificate, or other documentation supporting the discharge request that formed the basis for the determination of death.

(iv) In the case of a disability claim, a copy of the notification described in paragraph (c)(3)(iii) or (c)(9)(ix) of this section in which the Secretary notifies the lender that the borrower is totally and permanently disabled.

(v) In the case of a bankruptcy claim—

(A) Evidence that a bankruptcy petition has been filed, all pertinent documents sent to or received from the bankruptcy court by the lender, and an assignment to the guaranty agency of any proof of claim filed by the lender regarding the loan; and

(B) A statement of any facts of which the lender is aware that may form the basis for an objection or exception to

the discharge of the borrower's loan obligation in bankruptcy and all documents supporting those facts.

(vi) In the case of a closed school claim, the documentation described in paragraph (d)(3) of this section, or any other documentation as the Secretary may require;

(vii) In the case of a false certification claim, the documentation described in paragraph (e)(3) of this section.

(2) *Filing deadlines*. A lender shall file a death, disability, closed school, false certification, or bankruptcy claim within the following periods:

(i) Within 60 days of the date on which the lender determines that a borrower (or the student on whose behalf a parent obtained a PLUS loan) has died.

(ii) Within 60 days of the date the lender received notification from the Secretary that the borrower is totally and permanently disabled, in accordance with paragraphs (c)(3)(iii) or (c)(9)(ix) of this section.

(iii) In the case of a closed school claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (d)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iv) In the case of a false certification claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (e)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(v) A lender shall file a bankruptcy claim with the guaranty agency by the earlier of—

(A) 30 days after the date on which the lender receives notice of the first meeting of creditors or other information described in paragraph (f)(3) of this section; or

(B) 15 days after the lender is served with a complaint or motion to have the loan determined to be dischargeable on grounds of undue hardship, or, if the

lender secures an extension of time within which an answer may be filed, 25 days before the expiration of that extended period, whichever is later.

(h) *Payment of death, disability, closed school, false certification, and bankruptcy claims by the guaranty agency*—(1) *General.* (i) Except as provided in paragraph (h)(1)(v) of this section, the guaranty agency shall review a death, disability, bankruptcy, closed school, or false certification claim promptly and shall pay the lender on an approved claim the amount of loss in accordance with paragraphs (h)(2) and (h)(3) of this section—

(A) Not later than 45 days after the claim was filed by the lender for death, disability, and bankruptcy claims; and

(B) Not later than 90 days after the claim was filed by the lender for closed school or false certification claims.

(ii) In the case of a bankruptcy claim, the guaranty agency shall, upon receipt of the claim from the lender, immediately take those actions required under paragraph (i) of this section to oppose the discharge of the loan by the bankruptcy court.

(iii) In the case of a closed school claim or a false certification claim based on the determination that the borrower did not sign the loan application, the promissory note, or the authorization for the electronic transfer of loan funds, or that the school failed to test, or improperly tested, the student's ability to benefit, the guaranty agency shall document its determination that the borrower is eligible for discharge under paragraphs (d) or (e) of this section and pay the borrower or the holder the amount determined under paragraph (h)(2) of this section.

(iv) In reviewing a claim under this section, the issue of confirmation of subsequent loans under an MPN will not be reviewed and a claim will not be denied based on the absence of any evidence relating to confirmation in a particular loan file. However, if a court rules that a loan is unenforceable solely because of the lack of evidence of the confirmation process or processes, insurance benefits must be repaid.

(v) In the case of a disability claim based on a veteran's discharge application processed in accordance with paragraph (c)(9) of this section, the guar-

anty agency must review the claim promptly and not later than 45 days after the claim was filed by the lender pay the claim or return the claim to the lender in accordance with paragraph (c)(9)(xi)(B) of this section.

(2)(i) The amount of loss payable—

(A) On a death or disability claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest up to the date the lender should have filed the claim.

(B) On a bankruptcy claim is equal to the unpaid balance of principal and interest determined in accordance with paragraph (h)(3) of this section.

(ii) The amount of loss payable to a lender on a closed school claim or on a false certification claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest determined in accordance with paragraph (h)(3) of this section.

(iii) In the case of a closed school or false certification claim filed by a lender on an outstanding loan owed by the borrower, on the same date that the agency pays a claim to the lender, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(iv) In the case of a claim filed by a lender based on a request received from a borrower whose loan had been repaid in full by, or on behalf of the borrower to the lender, on the same date that the agency notifies the lender that the borrower is eligible for a closed school or false certification discharge, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery

fund, performance bond, or other third-party source.

(v) In the case of a loan that has been included in a Consolidation Loan, the agency shall pay to the holder of the borrower's Consolidation Loan, an amount equal to—

(A) The amount paid on the loan by or on behalf of the borrower at the time the loan was paid through consolidation;

(B) The amount paid by the consolidating lender to the holder of the loan when it was repaid through consolidation; minus

(C) Any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source if those refunds or payments were—

(1) Received by the borrower or received by the holder and applied to the borrower's loan balance before the date the loan was repaid through consolidation; or

(2) Received by the borrower or received by the Consolidation Loan holder on or after the date the consolidating lender made a payment to the former holder to discharge the borrower's obligation to that former holder.

(3) *Payment of interest.* If the guaranty covers unpaid interest, the amount payable on an approved claim includes the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in paragraph (g)(2) of this section for filing the claim.

(ii) During a period not to exceed 30 days following the receipt date by the lender of a claim returned by the guaranty agency for additional documentation necessary for the claim to be approved by the guaranty agency.

(iii) During the period required by the guaranty agency to approve the claim and to authorize payment or to return the claim to the lender for additional documentation not to exceed—

(A) 45 days for death, disability, or bankruptcy claims; or

(B) 90 days for closed school or false certification claims.

(i) *Guaranty agency participation in bankruptcy proceedings—(1) Undue hard-*

*ship claims.* (i) In response to a petition filed prior to October 8, 1998 with regard to any bankruptcy proceeding by the borrower for discharge under 11 U.S.C. 523(a)(8) on the grounds of undue hardship, the guaranty agency must, on the basis of reasonably available information, determine whether the first payment on the loan was due more than 7 years (exclusive of any applicable suspension of the repayment period) before the filing of that petition and, if so, process the claim.

(ii) In all other cases, the guaranty agency must determine whether repayment under either the current repayment schedule or any adjusted schedule authorized under this part would impose an undue hardship on the borrower and his or her dependents.

(iii) If the guaranty agency determines that repayment would not constitute an undue hardship, the guaranty agency must then determine whether the expected costs of opposing the discharge petition would exceed one-third of the total amount owed on the loan, including principal, interest, late charges, and collection costs. If the guaranty agency has determined that the expected costs of opposing the discharge petition will exceed one-third of the total amount of the loan, it may, but is not required to, engage in the activities described in paragraph (i)(1)(iv) of this section.

(iv) The guaranty agency must use diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. Unless discharge would be more effectively opposed by not taking the following actions, the agency must—

(A) Oppose the borrower's petition for a determination of dischargeability; and

(B) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(v) In opposing a petition for a determination of dischargeability on the grounds of undue hardship, a guaranty agency may agree to discharge of a portion of the amount owed on a loan if it reasonably determines that the agreement is necessary in order to obtain a judgment on the remainder of the loan.

(2) *Response by a guaranty agency to plans proposed under Chapters 11, 12, and 13.* The guaranty agency shall take the following actions when a petition for relief in bankruptcy under Chapters 11, 12, or 13 is filed:

(i) The agency is not required to respond to a proposed plan that—

(A) Provides for repayment of the full outstanding balance of the loan;

(B) Makes no provision with regard to the loan or to general unsecured claims.

(ii) In any other case, the agency shall determine, based on a review of its own records and documents filed by the debtor in the bankruptcy proceeding—

(A) What part of the loan obligation will be discharged under the plan as proposed;

(B) Whether the plan itself or the classification of the loan under the plan meets the requirements of 11 U.S.C. 1129, 1225, or 1325, as applicable; and

(C) Whether grounds exist under 11 U.S.C. 1112, 1208, or 1307, as applicable, to move for conversion or dismissal of the case.

(iii) If the agency determines that grounds exist to challenge the proposed plan, the agency shall, as appropriate, object to the plan or move to dismiss the case, if—

(A) The costs of litigation of these actions are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan; and

(B) With respect to an objection under 11 U.S.C. 1325, the additional amount that may be recovered under the plan if an objection is successful can reasonably be expected to equal or exceed the cost of litigating the objection.

(iv) The agency shall monitor the debtor's performance under a confirmed plan. If the debtor fails to make payments required under the plan or seeks but does not demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge or move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the

amount of the loan to be discharged under the plan.

(j) *Mandatory purchase by a lender of a loan subject to a bankruptcy claim.* (1) The lender shall repurchase from the guaranty agency a loan held by the agency pursuant to a bankruptcy claim paid to that lender, unless the guaranty agency sells the loan to another lender, promptly after the earliest of the following events:

(i) The entry of an order denying or revoking discharge or dismissing a proceeding under any chapter.

(ii) A ruling in a proceeding under chapter 7 or 11 that the loan is not dischargeable under 11 U.S.C. 523(a)(8) or other applicable law.

(iii) The entry of an order granting discharge under chapter 12 or 13, or confirming a plan of arrangement under chapter 11, unless the court determined that the loan is dischargeable under 11 U.S.C. 523(a)(8) on grounds of undue hardship.

(2) The lender may capitalize all outstanding interest accrued on a loan purchased under paragraph (j) of this section to cover any periods of delinquency prior to the bankruptcy action through the date the lender purchases the loan and receives the supporting loan documentation from the guaranty agency.

(k) *Claims for reimbursement from the Secretary on loans held by guarantee agencies.* (1)(i) The Secretary reimburses the guaranty agency for its losses on bankruptcy claims paid to lenders after—

(A) A determination by the court that the loan is dischargeable under 11 U.S.C. 523(a)(8) with respect to a proceeding initiated under chapter 7 or chapter 11; or

(B) With respect to any other loan, after the agency pays the claim to the lender.

(ii) The guaranty agency shall refund to the Secretary the full amount of reimbursement received from the Secretary on a loan that a lender repurchases under this section.

(2) The Secretary pays a death, disability, bankruptcy, closed school, or false certification claim in an amount determined under §682.402(k)(5) on a loan held by a guaranty agency after the agency has paid a default claim to

the lender thereon and received payment under its reinsurance agreement. The Secretary reimburses the guaranty agency only if—

(i) The Secretary determines that the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan or each of the co-makers of a PLUS loan) has died, or has filed for relief in bankruptcy, in accordance with the procedures in paragraph (b), (c), or (f) of this section, or the student was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school. For purposes of this paragraph, references to the "lender" and "guaranty agency" in paragraphs (b) through (f) of this section mean the guaranty agency and the Secretary respectively;

(ii) In the case of a Stafford, SLS, or PLUS loan, the Secretary determines that the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or has filed the petition for relief in bankruptcy within 10 years of the date the borrower entered repayment, exclusive of periods of deferment or periods of forbearance granted by the lender that extended the 10-year maximum repayment period, or the borrower (or the student for whom a parent received a PLUS loan) was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school;

(iii) In the case of a Consolidation loan, the borrower (or one of the co-makers) has died, is determined by the Secretary to be totally and permanently disabled under § 682.402(c), or has filed the petition for relief in bankruptcy within the maximum repayment period described in § 682.209(h)(2),

exclusive of periods of deferment or periods of forbearance granted by the lender that extended the maximum repayment period;

(iv) The guaranty agency has not written off the loan in accordance with the procedures established by the agency under § 682.410(b)(6)(x), except for closed school and false certification discharges; and

(v) The guaranty agency has exercised due diligence in the collection of the loan in accordance with the procedures established by the agency under § 682.410(b)(6)(x), until the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled or filed a Chapter 12 or Chapter 13 petition, or had the loan discharged in bankruptcy, or for closed school and false certification claims, the guaranty agency receives a request for discharge from the borrower or another party.

(3) [Reserved]

(4) Within 30 days of receiving reimbursement for a closed school or false certification claim, the guaranty agency shall pay—

(i) The borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder, guaranty agency, or the borrower from a tuition recovery fund, performance bond, or other third-party source; or

(ii) The amount determined under paragraph (h)(2)(iv) of this section to the holder of the borrower's Consolidation Loan.

(5) The Secretary pays the guaranty agency a percentage of the outstanding principal and interest that is equal to the complement of the reinsurance percentage paid on the loan. This interest includes interest that accrues during—

(i) For death or bankruptcy claims, the shorter of 60 days or the period from the date the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) died, or filed a petition for relief in bankruptcy until the Secretary authorizes payment;

(ii) For disability claims, the shorter of 60 days or the period from the date the Secretary makes a determination that the borrower became totally and permanently disabled until the Secretary authorizes payment; or

(iii) For closed school or false certification claims, the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the Secretary authorizes payment of the closed school or false certification claim.

(1) *Unpaid refund discharge*—(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary reimburses the guarantor of a loan and discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL Program loan (disbursed, in whole or in part on or after January 1, 1986) equal to the refund that should have been made by the school under applicable Federal law and regulations, including this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums or Federal default fees) associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* In the case of a school that is open, the guarantor discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL loan (disbursed, in whole or in part, on or after January 1, 1986) equal to the amount of the refund that should have been made by the school under applicable Federal law and regulations, including this section, if—

(i) The borrower (or the student on whose behalf a parent borrowed) is not attending the school that owes the refund; and

(ii) The guarantor receives documentation regarding the refund and the borrower and guarantor have been unable to resolve the unpaid refund within 120 days from the date the guarantor receives a complete application in accordance with paragraph (1)(4) of this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums or Federal default fees) associ-

ated with the amount of the unpaid refund amount are also discharged.

(3) *Relief to borrower (and any endorser) following discharge.* (i) If a borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest, late charges, collection costs, origination fees, and insurance premiums or Federal default fees) owed by the borrower at the time of discharge.

(ii) The holder of the loan reports the discharge of a portion of a loan under this section to all credit reporting agencies to which the holder of the loan previously reported the status of the loan.

(4) *Borrower qualification for discharge.* To receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the holder or guaranty agency except as provided in paragraph (1)(5)(iv) of this section. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to the accuracy of the information in the application. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as a holder of a performance bond or a tuition recovery program.

(ii) State whether the borrower has any other application for discharge pending for this loan; and

(iii) State that the borrower—

(A) Agrees to provide upon request by the Secretary or the Secretary's designee other documentation reasonably

available to the borrower that demonstrates that the borrower meets the qualifications for an unpaid refund discharge under this section; and

(B) Agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (d) of this section.

(5) *Unpaid refund discharge procedures.*

(i) Except for the requirements of paragraph (1)(5)(iv) of this section related to an open school, if the holder or guaranty agency learns that a school did not pay a refund of loan proceeds owed under applicable law and regulations, the holder or the guaranty agency sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan.

(ii) If the borrower returns the application, specified in paragraph (1)(4) of this section, the holder or the guaranty agency must review the application to determine whether the application appears to be complete. In the case of a loan held by a lender, once the lender determines that the application appears complete, it must provide the application and all pertinent information to the guaranty agency including, if available, the borrower's last date of attendance. If the borrower returns the application within 60 days, the lender must extend the period during which efforts to collect on the affected loan are suspended to the date the lender receives either a denial of the request or the unpaid refund amount from the guaranty agency. At the conclusion of the period during which the collection activity was suspended, the lender may capitalize any interest accrued and not paid during that period in accordance with § 682.202(b).

(iii) If the borrower fails to return the application within 60 days, the holder of the loan resumes collection efforts and grants forbearance of principal and interest for the period during which the collection activity was suspended. The holder may capitalize any

interest accrued and not paid during that period in accordance with § 682.202(b).

(iv) The guaranty agency may, with the approval of the Secretary, discharge a portion of a loan under this section without an application if the guaranty agency determines, based on information in the guaranty agency's possession, that the borrower qualifies for a discharge.

(v) If the holder of the loan or the guaranty agency determines that the information contained in its files conflicts with the information provided by the borrower, the guaranty agency must use the most reliable information available to it to determine eligibility for and the appropriate payment of the refund amount.

(vi) If the holder of the loan is the guaranty agency and the agency determines that the borrower qualifies for a discharge of an unpaid refund, the guaranty agency must suspend any efforts to collect on the affected loan and, within 30 days of its determination, discharge the appropriate amount and inform the borrower of its determination. Absent documentation of the exact amount of refund due the borrower, the guaranty agency must calculate the amount of the unpaid refund using the unpaid refund calculation defined in paragraph (o) of this section.

(vii) If the guaranty agency determines that a borrower does not qualify for an unpaid refund discharge, (or, if the holder is the lender and is informed by the guarantor that the borrower does not qualify for a discharge)—

(A) Within 30 days of the guarantor's determination, the agency must notify the borrower in writing of the reason for the determination and of the borrower's right to request a review of the agency's determination. The guaranty agency must make a determination within 30 days of the borrower's submission of additional documentation supporting the borrower's eligibility that was not considered in any prior determination. During the review period, collection activities must be suspended; and

(B) The holder must resume collection if the determination remains unchanged and grant forbearance of principal and interest for any period during

which collection activity was suspended under this section. The holder may capitalize any interest accrued and not paid during these periods in accordance with § 682.202(b).

(viii) If the guaranty agency determines that a current or former borrower at an open school may be eligible for a discharge under this section, the guaranty agency must notify the lender and the school of the unpaid refund allegation. The notice to the school must include all pertinent facts available to the guaranty agency regarding the alleged unpaid refund. The school must, no later than 60 days after receiving the notice, provide the guaranty agency with documentation demonstrating, to the satisfaction of the guarantor, that the alleged unpaid refund was either paid or not required to be paid.

(ix) In the case of a school that does not make a refund or provide sufficient documentation demonstrating the refund was either paid or was not required, within 60 days of its receipt of the allegation notice from the guaranty agency, relief is provided to the borrower (and any endorser) if the guaranty agency determines the relief is appropriate. The agency must forward documentation of the school's failure to pay the unpaid refund to the Secretary.

(m) *Unpaid refund discharge procedures for a loan held by a lender.* In the case of an unpaid refund discharge request, the lender must provide the guaranty agency with documentation related to the borrower's qualification for discharge as specified in paragraph (1)(4) of this section.

(n) *Payment of an unpaid refund discharge request by a guaranty agency—(1) General.* The guaranty agency must review an unpaid refund discharge request promptly and must pay the lender the amount of loss as defined in paragraphs (1)(1) and (1)(2) of this section, related to the unpaid refund not later than 45 days after a properly filed request is made.

(2) *Determination of the unpaid refund discharge amount to the lender.* The amount of loss payable to a lender on an unpaid refund includes that portion of an FFEL Program loan equal to the amount of the refund required under

applicable Federal law and regulations, including this section, and including any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums or Federal default fees) associated with the unpaid refund.

(o)(1) *Determination of amount eligible for discharge.* The guaranty agency determines the amount eligible for discharge based on information showing the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the guaranty agency. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (o)(1) of this section is not available, the guaranty agency uses the following formulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the lesser of the institutional charges unearned or the loan amount. The guaranty agency determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the loan amount unearned. The guaranty agency determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the guaranty agency does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(p) *Requests for reimbursement from the Secretary on loans held by guaranty agencies.* The Secretary reimburses the guaranty agency for its losses on unpaid refund request payments to lenders or borrowers in an amount that is equal to the amount specified in paragraph (n)(2) of this section.

(q) *Payments received after the guaranty agency's payment of an unpaid refund request.* (1) The holder must promptly return to the sender any payment on a fully discharged loan, received after the guaranty agency pays an unpaid refund request unless the sender is required to pay (as in the case of a tuition recovery fund) in which case, the payment amount must be forwarded to the Secretary. At the same time that the holder returns the payment, it must notify the borrower that there is no obligation to repay a loan fully discharged.

(2) If the holder has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraph (q)(1) of this section, and the borrower (or representative) continues to send payments to the holder, the holder must remit all of those payments to the Secretary.

(3) If the loan has not been fully discharged, payments must be applied to the remaining debt.

(r) *Payments received after the Secretary's payment of a death, disability, closed school, false certification, or bankruptcy claim.* (1) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been discharged in bankruptcy on which the Secretary previously paid a bankruptcy claim, the guaranty agency must return 100 percent of these payments to the sender. The guaranty agency must promptly return, to the sender, any payment on a cancelled or discharged loan made by the sender and received after the Secretary pays a closed school or false certification claim. At the same time

that the agency returns the payment, it must notify the borrower that there is no obligation to repay a loan discharged on the basis of death, bankruptcy, false certification, or closing of the school.

(2) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary based on the determination that the borrower is eligible for a total and permanent disability discharge, the guaranty agency must promptly return these payments to the sender. At the same time that the agency returns the payments, it must notify the borrower that there is no obligation to make payments on the loan after it has been discharged due to a total and permanent disability, unless the loan is reinstated in accordance with paragraph (c) of this section, or the Secretary directs the borrower otherwise.

(3) When the Secretary discharges the loan, the Secretary returns to the sender any payments received by the Secretary on the loan after the date the borrower became totally and permanently disabled.

(4) The guaranty agency shall remit to the Secretary all payments received from a tuition recovery fund, performance bond, or other third party with respect to a loan on which the Secretary previously paid a closed school or false certification claim.

(5) If the guaranty agency has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraphs (r)(1) or (r)(2) of this section, and the borrower (or representative) continues to send payments to the guaranty agency, the agency must remit all of those payments to the Secretary.

(s) *Applicable suspension of the repayment period.* For purposes of this section and 11 U.S.C. 523(a)(8)(A) with respect to loans guaranteed under the FFEL Program, an applicable suspension of the repayment period—

(1) Includes any period during which the lender does not require the borrower to make a payment on the loan.

(2) Begins on the date on which the borrower qualifies for the requested deferment as provided in §682.210(a)(5)

or the lender grants the requested forbearance;

(3) Closes on the later of the date on which—

(i) The condition for which the requested deferment or forbearance was received ends; or

(ii) The lender receives notice of the end of the condition for which the requested deferment or forbearance was received, if the condition ended earlier than represented by the borrower at the time of the request and the borrower did not notify timely the lender of the date on which the condition actually ended;

(4) Includes the period between the end of the borrower's grace period and the first payment due date established by the lender in the case of a borrower who entered repayment without the knowledge of the lender;

(5) Includes the period between the filing of the petition for relief and the date on which the proceeding is completed or dismissed, unless payments have been made during that period in amounts sufficient to meet the amount owed under the repayment schedule in effect when the petition was filed.

#### § 682.403 [Reserved]

#### § 682.404 Federal reinsurance agreement.

(a) *General.* (1) The Secretary may enter into a reinsurance agreement with a guaranty agency that has a basic program agreement. Except as provided in paragraph (b) of this section, under a reinsurance agreement, the Secretary reimburses the guaranty agency for—

(i) 95 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998;

(ii) 98 percent of its losses on default claim payments to lenders for loans for

which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 100 percent of its losses on default claim payments to lenders—

(A) For loans for which the first disbursement is made prior to October 1, 1993;

(B) For loans made under an approved lender-of-last-resort program;

(C) For loans transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(D) For loans that meet the definition of exempt claims in paragraph (a)(2)(iii) of this section;

(E) For a guaranty agency that entered into a basic program agreement under section 428(b) of the Act after September 30, 1976, or was not actively carrying on a loan guarantee program covered by a basic program agreement on October 1, 1976 for five consecutive fiscal years beginning with the first year of its operation.

(2) For purposes of this section—

(i) *Losses* means the amount of unpaid principal and accrued interest the agency paid on a default claim filed by a lender on a reinsured loan, minus payments made by or on behalf of the borrower after default but before the Secretary reimburses the agency;

(ii) *Default aversion assistance* means the activities of a guaranty agency that are designed to prevent a default by a borrower who is at least 60 days delinquent and that are directly related to providing collection assistance to the lender.

(iii) *Exempt claims* means claims with respect to loans for which it is determined that the borrower (or student on whose behalf a parent has borrowed), without the lender's or the institution's knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the borrower or the student to be ineligible for all of a portion of the loan or for interest benefits on the loan.

(3) A guaranty agency's loss on a loan that was outstanding when a reinsurance agreement was executed is covered by the reinsurance agreement only if the default on the loan occurs

after the effective date of the agreement.

(4) If a lender has requested default aversion assistance as described in paragraph (a)(2)(ii) of this section, the agency must, upon request of the school at which the borrower received the loan, notify the school of the lender's request. The guaranty agency may not charge the school or the school's agent for providing this notification and must accept a blanket request from the school to be notified whenever any of the school's current or former students are the subject of a default aversion assistance request. The agency must notify schools annually of the option to make this blanket request.

(b) *Reduction in reinsurance rate.* (1) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 5 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 90 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 88 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 85 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(2) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 9 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 80 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary

from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 78 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 75 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(3) For purposes of this section, the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year does not include amounts paid on claims by the guaranty agency—

(i) On loans considered in default under § 682.412(e);

(ii) Under a policy established by the agency that addresses instances in which, for a non-school originated loan, a lender learns that the school terminated its teaching activities while a student was enrolled during the academic period covered by the loan;

(iii) That were filed by lenders at the direction of the Secretary; or

(iv) On loans made under a guaranty agency's approved lender-of-last-resort program.

(4) For purposes of this section, *amount of loans in repayment* means—

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was canceled;

(B) The loan guarantee was transferred to another agency;

(C) The borrower has not yet reached the repayment period;

(D) Payment in full has been made by the borrower;

(E) The borrower was in deferment status at the time repayment was scheduled to begin and remains in deferment status;

(F) Reinsurance coverage has been lost and cannot be regained; and

(G) The agency paid claims, excluding the amount of those claims—

(1) Paid under § 682.412(e);

(2) Paid under a policy established by the agency that addresses the condition identified in paragraph (b)(3)(ii) of this section; or

(3) Paid at the direction of the Secretary.

(c) *Submission of reinsurance rate base data.* The guaranty agency shall submit to the Secretary the quarterly report required by the Secretary for the previous quarter ending September 30 containing complete and accurate data in order for the Secretary to calculate the amount of loans in repayment at the end of the preceding fiscal year. The Secretary does not pay a reinsurance claim to the guaranty agency after the date the quarterly report is due until the guaranty agency submits a complete and accurate report.

(d) *Reinsurance fee.* (1) Except for loans that were refinanced pursuant to section 428B(e)(2) and (3) of the Act, and all loans guaranteed on or after October 1, 1993, a guaranty agency shall pay to the Secretary during each fiscal year in quarterly installments a reinsurance fee equal to—

(i) 0.25 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year; or

(ii) 0.5 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year if the agency's reinsurance claims paid reach the amount described in paragraph (b)(1) of this section at any time during that fiscal year.

(2) The agency that is the original guarantor of a loan shall pay the reinsurance fee to the Secretary even if the guaranty agency transfers its guarantee obligation on the loan to another guaranty agency.

(3) The guaranty agency shall pay the reinsurance fee required by paragraph (d)(1) of this section due the Secretary for each calendar quarter ending March 31, June 30, September 30, and December 31, within 90 days after the end of the applicable quarter or within 30 days after receiving written notice from the Secretary that the fees are due, whichever is earlier.

(e) *Initiation or extension of agreements.* In deciding whether to enter into or extend a reinsurance agreement, or, if an agreement has been terminated, whether to enter into a new agreement, the Secretary considers the adequacy of—

(1) Efforts by the guaranty agency and the lenders to which it provides guarantees to collect outstanding loans as required by § 682.410(b) (6) or (7), and § 682.411;

(2) Efforts by the guaranty agency to make FFEL loans available to all eligible borrowers; and

(3) Other relevant aspects of the guaranty agency's program operations.

(f) *Application of borrower payments.* A payment made to a guaranty agency by a borrower on a defaulted loan must be applied first to the collection costs incurred to collect that amount and then to other incidental charges, such as late charges, then to accrued interest and then to principal.

(g) *Share of borrower payments returned to the Secretary.* (1) After an agency pays a default claim to a holder using assets of the Federal Fund, the agency must pay to the Secretary the portion of payments received on those defaulted loans remaining after—

(i) The agency deposits into the Federal Fund the amount of those payments equal to the applicable complement of the reinsurance percentage that was in effect at the time the claim was paid; and

(ii) The agency has deducted an amount equal to—

(A) 30 percent of borrower payments received before October 1, 1993;

(B) 27 percent of borrower payments received on or after October 1, 1993, and before October 1, 1998;

(C) 24 percent of borrower payments received on or after October 1, 1998, and before October 1, 2003; and

(D) 23 percent of borrower payments received on or after October 1, 2003.

(E) 16 percent of borrower payments received on or after October 1, 2007.

(2) Unless the Secretary approves otherwise, the guaranty agency must pay to the Secretary the Secretary's share of borrower payments within 45 days of its receipt of the payments.

(h) *Account maintenance fee.* A guaranty agency is paid an account maintenance fee based on the original principal amount of outstanding FFEL Program loans insured by the agency. For fiscal years 1999 and 2000, the fee is 0.12 percent of the original principal amount of outstanding loans. For fiscal years 2000 through 2007, the fee is 0.10 percent of the original principal amount of outstanding loans. After fiscal year 2007, the fee is 0.06 percent of the original principal amount of outstanding loans.

(i) *Loan processing and issuance fee.* A guaranty agency is paid a loan processing and issuance fee based on the principal amount of FFEL Program loans originated during a fiscal year that are insured by the agency. The fee is paid quarterly. No payment is made for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed. For fiscal years 1999 through 2003, the fee is 0.65 percent of the principal amount of loans originated. Beginning October 1, 2003, the fee is 0.40 percent.

(j) *Default aversion fee—(1) General.* If a guaranty agency performs default aversion activities on a delinquent loan in response to a lender's request for default aversion assistance on that loan, the agency receives a default aversion fee. The fee may not be paid more than once on any loan. The lender's request for assistance must be submitted to the guaranty agency no earlier than the 60th day and no later than the 120th day of the borrower's delinquency. A guaranty agency may not restrict a lender's choice of the date during this period on which the lender submits a request for default aversion assistance.

(2) *Amount of fees transferred.* No more frequently than monthly, a guaranty agency may transfer default aversion fees from the Federal Fund to its Operating Fund. The amount of the fees that may be transferred is equal to—

(i) One percent of the unpaid principal and accrued interest owed on loans that were submitted by lenders to the agency for default aversion assistance; minus

(ii) One percent of the unpaid principal and accrued interest owed by borrowers on default claims that—

(A) Were paid by the agency for the same time period for which the agency transferred default aversion fees from its Federal Fund; and

(B) For which default aversion fees have been received by the agency.

(3) *Calculation of fee.* (i) For purposes of calculating the one percent default aversion fee described in paragraph (j)(2)(i) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the default aversion assistance request is submitted by the lender.

(ii) For purposes of paragraph (j)(2)(ii) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the agency paid the default claim.

(4) *Prohibition against conflicts.* If a guaranty agency contracts with an outside entity to perform any default aversion activities, that outside entity may not—

(i) Hold or service the loan; or

(ii) Perform collection activities on the loan in the event of default within 3 years of the claim payment date.

(k) *Other terms.* The reinsurance agreement contains other terms and conditions that the Secretary finds necessary to—

(1) Promote the purposes of the FFEL programs and to protect the United States from unreasonable risks of loss;

(2) Ensure proper and efficient administration of the loan guarantee program; and

(3) Ensure that due diligence will be exercised in the collection of loans.

**§ 682.405 Loan rehabilitation agreement.**

(a) *General.* (1) A guaranty agency that has a basic program agreement

must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans, except for loans for which a judgment has been obtained, loans on which a default claim was filed under § 682.412, and loans on which the borrower has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance, so that the loan may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after—

(i) The borrower has made and the guaranty agency has received nine of the ten qualifying payments required under a monthly repayment agreement.

(A) A qualifying payment is—

(1) Made voluntarily;

(2) In the full amount required; and

(3) Received within 20 days of the due date for the payment, and

(B) All nine payments are received within a 10-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month, and

(ii) The loan has been sold to an eligible lender.

(3)(i) If a borrower's loan is being collected by administrative wage garnishment while the borrower is also making monthly payments on the same loan under a loan rehabilitation agreement, the guaranty agency must continue collecting the loan by administrative wage garnishment until the borrower makes five qualifying monthly payments under the rehabilitation agreement, unless the guaranty agency is otherwise precluded from doing so under § 682.410(b)(9).

(ii) After the borrower makes the fifth qualifying monthly payment, the guaranty agency must, unless otherwise directed by the borrower, suspend the garnishment order issued to the borrower's employer.

(iii) A borrower may only obtain the benefit of a suspension of administrative wage garnishment while also at-

tempting to rehabilitate a defaulted loan once.

(4) After the loan has been rehabilitated, the borrower regains all benefits of the program, including any remaining deferment eligibility under section 428(b)(1)(M) of the Act, from the date of the rehabilitation. Effective for any loan that is rehabilitated on or after August 14, 2008, the borrower cannot rehabilitate the loan again if the loan returns to default status following the rehabilitation.

(b) *Terms of agreement.* In the loan rehabilitation agreement, the guaranty agency agrees to ensure that its loan rehabilitation program meets the following requirements at all times:

(1) A borrower may request rehabilitation of the borrower's defaulted loan held by the guaranty agency. In order to be eligible for rehabilitation of the loan, the borrower must voluntarily make at least 9 of the 10 payments required under a monthly repayment agreement.

(i) Each payment must be—

(A) Made voluntarily;

(B) For the full amount required;

(C) Received within 20 days of the due date for the payment; and

(D) Reasonable and affordable.

(ii) All 9 payments must be received within a 10-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month.

(iii) The guaranty agency initially considers the borrower's reasonable and affordable payment amount to be an amount equal to 15 percent of the amount by which the borrower's Adjusted Gross Income (AGI) exceeds 150 percent of the poverty guideline amount applicable to the borrower's family size and State, divided by 12, except that if this amount is less than \$5, the borrower's monthly rehabilitation payment is \$5.

(iv) The guaranty agency or its agents may calculate the payment amount based on information provided orally by the borrower or the borrower's representative and provide the borrower with a rehabilitation agreement using that amount. The guaranty agency must request documentation

from the borrower to confirm the borrower's AGI and family size. If the borrower does not provide the guaranty agency or its agents with any documentation requested by the guaranty agency to calculate or confirm the reasonable and affordable payment amount, within a reasonable time deadline set by the guaranty agency or its agent, the rehabilitation agreement provided is null and void.

(v) The reasonable and affordable payment amount calculated under this section must not be—

(A) A required minimum loan payment amount (e.g., \$50) if the agency determines that a smaller amount is reasonable and affordable;

(B) A percentage of the borrower's total loan balance; or

(C) Based on other criteria unrelated to the borrower's total financial circumstances.

(vi) Within 15 business days of its determination of the borrower's loan rehabilitation payment amount, the guaranty agency must provide the borrower with a written rehabilitation agreement which includes the borrower's payment amount calculated under paragraph (b)(1)(iii), a prominent statement that the borrower may object orally or in writing to the payment amount, with the method and timeframe for raising such an objection, and an explanation of any other terms and conditions applicable to the required series of payments that must be made before the borrower's account can be considered for repurchase by an eligible lender (i.e., rehabilitated). To accept the agreement, the borrower must sign and return the agreement or accept the agreement electronically under a process provided by the agency. The agency may not impose any other conditions unrelated to the amount or timing of the rehabilitation payments in the rehabilitation agreement. The written rehabilitation agreement must inform the borrower—

(A) Of the effects of having the loans rehabilitated (e.g., removal of the record of default from the borrower's credit history and return to normal repayment);

(B) Of the amount of any collection costs to be added to the unpaid principal of the loan when the loan is sold

to an eligible lender, which may not exceed 18.5 percent of the unpaid principal and accrued interest on the loan at the time of the sale; and

(C) That the rehabilitation agreement is null and void if the borrower fails to provide the documentation required to confirm the monthly payment calculated under paragraph (b)(1)(iii) of this section.

(vii) If the borrower objects to the monthly payment amount determined under paragraph (b)(1)(iii) of this section, the guaranty agency or its agents must recalculate the payment amount based solely on information provided on a form approved by the Secretary and, if requested, supporting documentation from the borrower and other sources, and must consider—

(A) The borrower's, and if applicable, the spouse's current disposable income, including public assistance payments, and other income received by the borrower and the spouse, such as welfare benefits, Social Security benefits, Supplemental Security Income, and workers' compensation. Spousal income is not considered if the spouse does not contribute to the borrower's household income;

(B) Family size as defined in § 682.215(a)(3); and

(C) Reasonable and necessary expenses, which include—

(1) Food;

(2) Housing;

(3) Utilities;

(4) Basic communication expenses;

(5) Necessary medical and dental costs;

(6) Necessary insurance costs;

(7) Transportation costs;

(8) Dependent care and other work-related expenses;

(9) Legally required child and spousal support;

(10) Other title IV and non-title IV student loan payments; and

(11) Other expenses approved by the Secretary.

(viii) The guaranty agency must provide the borrower with a new written rehabilitation agreement confirming the borrower's recalculated reasonable and affordable payment amount within the timeframe specified in paragraph (b)(1)(vii) of this section. To accept the agreement, the borrower must sign and

return the agreement or accept the agreement electronically under a process provided by the agency.

(ix) The agency must include any payment made under §682.401(b)(1) in determining whether the 9 out of 10 payments required under paragraph (b)(1) of this section have been made.

(x) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (b)(1)(vii) of this section.

(xi) During the rehabilitation period, the guaranty agency must limit contact with the borrower on the loan being rehabilitated to collection activities that are required by law or regulation and to communications that support the rehabilitation.

(2) For the purposes of this section, payment in the full amount required means payment of an amount that is reasonable and affordable, based on the borrower's total financial circumstances, as agreed to by the borrower and the agency. Voluntary payments are those made directly by the borrower and do not include payments obtained by Federal offset, garnishment, income or asset execution, or after a judgment has been entered on a loan. A guaranty agency must attempt to secure a lender to purchase the loan at the end of the 9- or 10-month payment period as applicable.

(3) Upon the sale of a rehabilitated loan to an eligible lender—

(i) The guaranty agency must, within 45 days of the sale—

(A) Provide notice to the prior holder of such sale, and

(B) Request that any consumer reporting agency to which the default was reported remove the record of default from the borrower's credit history.

(ii) The prior holder of the loan must, within 30 days of receiving the notification from the guaranty agency, request that any consumer reporting agency to which the default claim payment or other equivalent record was reported remove such record from the borrower's credit history.

(4) An eligible lender purchasing a rehabilitated loan must establish a repayment schedule that meets the same

requirements that are applicable to other FFEL Program loans of the same loan type as the rehabilitated loan and must permit the borrower to choose any statutorily available repayment plan for that loan type. The lender must treat the first payment made under the nine payments as the first payment under the applicable maximum repayment term, as defined under §682.209(a) or (h). For Consolidation loans, the maximum repayment term is based on the balance outstanding at the time of loan rehabilitation.

(c) A guaranty agency must make available financial and economic education materials, including debt management information, to any borrower who has rehabilitated a defaulted loan in accordance with paragraph (a)(2) of this section.

(3) If the lender determines that the borrower does not qualify for a discharge under this section, or the lender does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the lender that the borrower claims to qualify for a discharge, the lender shall resume collection and

shall be deemed to have exercised forbearance of payment of both principal and interest from the date the lender was notified by the borrower. The lender must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during this period.

Upon receipt of the returned claim, the lender must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan. The lender is deemed to have exercised forbearance of both principal and interest from the date collection activity was suspended until the next payment due date. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during this period.

(8) If the guaranty agency determines that the borrower qualifies for a discharge, the guaranty agency pays the lender on an approved claim the amount of loss required under paragraph (c)(9) of this section. The guar-

anty agency shall pay the claim not later than 90 days after the claim was filed by the lender.

(9) The amount of loss payable on a discharge claim is—

(i) An amount equal to the sum of the remaining principal balance and interest accrued on the loan, unpaid collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest up to the date the lender should have filed the claim; or

(11) After being notified that the guaranty agency has paid a discharge claim, the lender shall notify the borrower that the loan has been discharged or, in the case of a partial discharge of a Consolidation Loan, partially discharged. Except in the case of a partial discharge of a Consolidation Loan, the lender shall return to the lender any payments received by the lender after the date the guaranty agency paid the discharge claim.

(12) The Secretary reimburses the guaranty agency for a discharge claim paid to the lender under this section after the agency pays the lender. Any failure by the lender to satisfy due diligence requirements prior to the filing

of the claim that would have resulted in the loss of reinsurance on the loan in the event of default are waived by the Secretary, provided the loan was held by an eligible loan holder at all times.

(13) Except in the case of a partial discharge of a Consolidation Loan, the guaranty agency shall promptly return to the sender any payment on a discharged loan made by the sender and received after the Secretary pays a discharge claim. At the same time that the agency returns the payment it shall notify the borrower that the loan has been discharged and that there is no further obligation to repay the loan.

(14) A FFEL Program Loan owed by an eligible public servant or an eligible victim may be discharged under the procedures in § 682.402 for a discharge based on the death or total and permanent disability of the eligible public servant or eligible victim.

(6) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a Perkins Loan, a Direct Loan, or a FFEL Program Loan held by another FFEL lender because the eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation in paragraphs (d)(1) through (d)(3) of this section.

(7) If the borrower is the spouse or parent of an eligible victim, and has been granted a discharge on a Direct Loan or on a FFEL Program Loan held by another FFEL lender because the eligible victim died due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation in paragraphs (d)(4) and (d)(5) of this section.

(8) Under exceptional circumstances and on a case-by-case basis, the determination that an eligible public servant or an eligible victim died due to injuries suffered in the terrorist attacks on September 11, 2001 may be based on other reliable documentation approved by the chief executive officer of the guaranty agency.

(e) *Documentation that an eligible public servant or eligible victim became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.* (1) Documentation that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 must include—

(i) A certification from an authorized official that the individual was a member of the Armed Forces or was employed as a police officer, firefighter or other safety or rescue personnel, and was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the time of the terrorist-related aircraft crashes or in the immediate aftermath of these crashes;

(iii) A certification by a physician, who is a doctor of medicine or osteopathy and legally authorized to practice in a state, that the individual became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.

(2) Documentation that an eligible victim became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 must include—

(i) The documentation described in paragraphs (e)(1)(ii) and (e)(1)(iii) of this section; and

(ii) A certification signed by the borrower that the eligible victim was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the

time of the terrorist-related aircraft crashes or in the immediate aftermath of these crashes.

(3) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a Perkins Loan, a Direct Loan, or a FFEL Program Loan held by another FFEL lender because the eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation in paragraph (e)(1) of this section.

(4) If the borrower is the spouse or parent of an eligible victim, and has been granted a discharge on a Direct Loan or on a FFEL Program Loan held by another FFEL lender because the eligible victim became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation in paragraph (e)(2) of this section.

(f) *Additional information.* (1) A lender or guaranty agency may require the borrower to submit additional information that the lender or guaranty agency deems necessary to determine the borrower's eligibility for a discharge under this section.

(2) To establish that the eligible public servant or eligible victim was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site, such additional information may include but is not limited to—

(i) Records of employment;

(ii) Contemporaneous records of a federal, state, city, or local government agency;

(iii) An affidavit or declaration of the eligible public servant's or eligible victim's employer; and

(3) To establish that the disability of the eligible public servant or eligible victim is due to injuries suffered in the terrorist attacks on September 11, 2001,

## § 682.408

such additional information may include but is not limited to—

(i) Contemporaneous medical records of hospitals, clinics, physicians, or other licensed medical personnel;

(ii) Registries maintained by federal, state, or local governments; or

(iii) Records of all continuing medical treatment.

(4) To establish the borrower's relationship to the eligible public servant or eligible victim, such additional information may include but is not limited to—

(i) Copies of relevant legal records including court orders, letters of testamentary or similar documentation;

(ii) Copies of wills, trusts, or other testamentary documents; or

(iii) Copies of approved joint Consolidation Loan applications or approved FFEL or Direct Loan PLUS loan applications.

(g) *Limitations on discharge.* (1) Only outstanding Federal SLS Loans, Federal Stafford Loans, Federal PLUS Loans, and Federal Consolidation Loans for which amounts were owed on September 11, 2001, or outstanding Federal Consolidation Loans incurred to pay off loan amounts that were owed on September 11, 2001, are eligible for discharge under this section.

(2)(i) Eligibility for a discharge under this section does not qualify a borrower for a refund of any payments made on the borrower's loan prior to the date the loan was discharged.

(ii) A borrower may apply for a partial discharge of a joint Consolidation loan due to death or total and permanent disability under the procedures in § 682.402(b) or (c). (iii) A borrower may apply for a discharge of a PLUS loan due to the death of the student for whom the borrower received the PLUS loan under the procedures in § 682.402(b). If a borrower is granted a discharge under the procedures in § 682.402(b), the borrower may qualify for a refund of payments in accordance with § 682.402(b)(5).

(3) A determination by a lender or a guaranty agency that an eligible public

servant or an eligible victim became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 for purposes of this section does not qualify the eligible public servant or the eligible victim for a discharge based on a total and permanent disability under § 682.402.

(4) The spouse of an eligible public servant or eligible victim may not receive a discharge under this section if the eligible public servant or eligible victim has been identified as a participant or conspirator in the terrorist-related aircraft crashes on September 11, 2001. An eligible parent may not receive a discharge on a FFEL PLUS Loan or on a Consolidation Loan that was used to repay a FFEL or Direct Loan PLUS Loan incurred on behalf of an individual who has been identified as a participant or conspirator in the terrorist-related aircraft crashes on September 11, 2001.

## § 682.408 [Reserved]

### § 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(a)(1) If the Secretary determines that action is necessary to protect the Federal fiscal interest, the Secretary directs a guaranty agency to promptly assign to the Secretary any loans held by the agency on which the agency has received payment under § 682.402(f), 682.402(k), or 682.404. The collection of unpaid loans owed by Federal employees by Federal salary offset is, among other things, deemed to be in the Federal fiscal interest. Unless the Secretary notifies an agency, in writing, that other loans must be assigned to the Secretary, an agency must assign any loan that meets all of the following criteria as of April 15 of each year:

(i) The unpaid principal balance is at least \$100.

(ii) For each of the two fiscal years following the fiscal year in which these regulations are effective, the loan, and any other loans held by the agency for that borrower, have been held by the

agency for at least four years; for any subsequent fiscal year such loan must have been held by the agency for at least five years.

(iii) A payment has not been received on the loan in the last year.

(iv) A judgment has not been entered on the loan against the borrower.

(2) If the agency fails to meet a fiscal year recovery rate standard under paragraph (a)(2)(ii) of this section for a loan type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to assign in addition to those loans described in paragraph (a)(1) of this section, loans in amounts needed to satisfy the requirements of paragraph (a)(2)(iii) or (a)(3)(i) of this section.

(i) *Calculation of fiscal year loan type recovery rate.* A fiscal year loan type recovery rate for an agency is determined by dividing the amount collected on defaulted loans, including collections by Federal Income Tax Refund Offset, for each loan program (i.e., the Stafford, PLUS, SLS, and Consolidation loan programs) by the agency for loans of that program (including payments received by the agency on loans under §682.401(b)(1) and §682.409 and the amounts of any loans purchased from the guaranty agency by an eligible lender) during the most recent fiscal year for which data are available by the total of principal and interest owed to an agency on defaulted loans for each loan program at the beginning of the same fiscal year, less accounts permanently assigned to the Secretary through the most recent fiscal year.

(ii) *Fiscal year loan type recovery rates standards.* (A) If, in each of the two fiscal years following the fiscal year in which these regulations are effective, the fiscal year loan type recovery rate for a loan program for an agency is below 80 percent of the average recovery rate of all active guaranty agencies in each of the same two fiscal years for that program type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to make additional assignments in accordance with paragraph (a)(2)(iii) of this section.

(B) In any subsequent fiscal year the loan type recovery rate standard for a loan program must be 90 percent of the average recovery rate of all active guaranty agencies.

(iii) *Non-achievement of loan type recovery rate standards.*

(A) Unless the Secretary determines under paragraph (a)(2)(iv) of this section that protection of the Federal fiscal interest requires that a lesser amount be assigned, upon notice from the Secretary, an agency with a fiscal year loan type recovery rate described in paragraph (a)(2)(ii) of this section must promptly assign to the Secretary a sufficient amount of defaulted loans, in addition to loans to be assigned in accordance with paragraph (a)(1) of this section, to cause the fiscal year loan type recovery rate of the agency that fiscal year to equal or exceed the average rate of all agencies described in paragraph (a)(2)(ii) of this section when recalculated to exclude from the denominator of the agency's fiscal year loan type recovery rate the amount of these additional loans.

(B) The Secretary, in consultation with the guaranty agency, may require the amount of loans to be assigned under paragraph (a)(2) of this section to include particular categories of loans that share characteristics that make the performance of the agency fall below the appropriate percentage of the loan type recovery rate as described in paragraph (a)(2)(ii) of this section.

(iv) *Calculation of loan type recovery rate standards.* The Secretary, within 30 days after the date for submission of the second quarterly report from all agencies, makes available to all agencies a mid-year report, showing the recovery rate for each agency and the average recovery rate of all active guaranty agencies for each loan type. In addition, the Secretary, within 120 days after the beginning of each fiscal year, makes available a final report showing those rates and the average rate for each loan type for the preceding fiscal year.

(3)(i) *Determination that the protection of the Federal fiscal interest requires assignments.* Upon petition by an agency submitted within 45 days of the notice required by paragraph (a)(2)(iii)(A) of

this section, the Secretary may determine that protection of the Federal fiscal interest does not require assignment of all loans described in paragraph (a)(1) of this section or of loans in the full amount described in paragraph (a)(2)(iii) of this section only after review of the agency's petition. In making this determination, the Secretary considers all relevant information available to him (including any information and documentation obtained by the Secretary in reviews of the agency or submitted to the Secretary by the agency) as follows:

(A) For each of the two fiscal years following the fiscal year in which these regulations are effective, the Secretary considers information presented by an agency with a fiscal year loan type recovery rate above the average rate of all active agencies to demonstrate that the protection of the Federal fiscal interest will be served if any amounts of loans of the loan type required to be assigned to the Secretary under paragraph (a)(1) of this section are retained by that agency. For any subsequent fiscal year, the Secretary considers information presented by an agency with a fiscal year recovery rate 10 percent above the average rate of all active agencies.

(B) The Secretary considers information presented by an agency that is required to assign loans under paragraph (a)(2) of this section to demonstrate that the protection of the Federal fiscal interest will be served if the agency demonstrates that its compliance with § 682.401(b)(1) and § 682.405 has reduced substantially its fiscal year loan type recovery rate or rates or if the agency is not required to assign amounts of loans that would otherwise have to be assigned.

(C) The information provided by an agency pursuant to paragraphs (a)(3)(i)(A) and (B) of this section may include, but is not limited to the following:

(1) The fiscal year loan type recovery rate within such school sectors as the Secretary may designate for the agency, and for all agencies.

(2) The fiscal year loan type recovery rate for loans for the agency and for all agencies categorized by age of the loans as the Secretary may determine.

(3) The performance of the agency, and all agencies, in default aversion.

(4) The agency's performance on judgment enforcement.

(5) The existence and use of any state or guaranty agency-specific collection tools.

(6) The agency's level of compliance with §§ 682.409 and 682.410(b)(6).

(7) Other factors that may affect loan repayment such as State or regional unemployment and natural disasters.

(ii) *Denial of an agency's petition.* If the Secretary does not accept the agency's petition, the Secretary provides, in writing, to the agency the Secretary's reasons for concluding that the Federal fiscal interest is best protected by requiring the assignment.

(b)(1) A guaranty agency that assigns a defaulted loan to the Secretary under this section thereby releases all rights and title to that loan. The Secretary does not pay the guaranty agency any compensation for a loan assigned under this section.

(2) The guaranty agency does not share in any amounts received by the Secretary on a loan assigned under this section, regardless of the reinsurance percentage paid on the loan or the agency's previous collection costs.

(c)(1) A guaranty agency must assign a loan to the Secretary under this section at the time, in the manner, and with the information and documentation that the Secretary requires. The agency must submit this information and documentation in the form (including magnetic media) and format specified by the Secretary.

(2) The guaranty agency must execute an assignment to the United States of America of all right, title, and interest in the promissory note or judgment evidencing a loan assigned under this section. If more than one loan is made under an MPN, the assignment of the note only applies to the loan or loans being assigned to the Secretary.

(3) If the agency does not provide the required information and documentation in the form and format required by the Secretary, the Secretary may, at his option—

(i) Allow the agency to revise the agency's submission to include the required information and documentation in the specified form and format;

(ii) In the case of an improperly formatted computer tape, reformat the tape and assess the cost of the activity against the agency;

(iii) Reorganize the material submitted and assess the cost of that activity against the agency; or

(iv) Obtain from other agency records and add to the agency's submission any information from the original submission, and assess the cost of that activity against the agency.

(4) For each loan assigned, the agency shall submit to the Secretary the following documents associated for each loan, assembled in the order listed below:

(i) The original or a true and exact copy of the promissory note.

(ii) Any documentation of a judgment entered on the loan.

(iii) A written assignment of the loan or judgment, unless this assignment is affixed to the promissory note.

(iv) The loan application, if a separate application was provided to the lender.

(v) A payment history for the loan, as described in § 682.414(a)(1)(ii)(C).

(vi) A collection history for the loan, as described in § 682.414(a)(1)(ii)(D).

(vii) The record of the lender's disbursement of Stafford and PLUS loan funds to the school for delivery to the borrower.

(viii) If the MPN or promissory note was signed electronically, the name and location of the entity in possession of the original electronic MPN or promissory note.

(5) The agency may submit copies of required documents in lieu of originals.

(6) The Secretary may accept the assignment of a loan without all of the documents listed in paragraph (c)(4) of this section. If directed to do so, the agency must retain these documents for submission to the Secretary at some future date.

(d)(1) If the Secretary determines that the agency has not submitted a document or record required by paragraph (c) of this section, and the Secretary decides to allow the agency an additional opportunity to submit the

omitted document under paragraph (c)(3)(i) of this section, the Secretary notifies the agency and provides a reasonable period of time for the agency to submit the omitted record or document.

(2) If the omitted document is not submitted within the time specified by the Secretary, the Secretary determines whether that omission impairs the Secretary's ability to collect the loan.

(3) If the Secretary determines that the ability to collect the loan has been impaired under paragraph (d)(2) of this section, the Secretary assesses the agency the amount paid to the agency under the reinsurance agreement and accrued interest at the rate applicable to the borrower under § 682.410(b)(3).

(4) The Secretary reassigns to the agency that portion of the loan determined to be unenforceable by the Department.

#### § 682.410 Fiscal, administrative, and enforcement requirements.

(a) *Fiscal requirements*—(1) *Reserve fund assets*. A guaranty agency shall establish and maintain a reserve fund to be used solely for its activities as a guaranty agency under the FFEL Program ("guaranty activities"). The guaranty agency shall credit to the reserve fund—

(i) The total amount of insurance premiums and Federal default fees collected;

(ii) Funds received from a State for the agency's guaranty activities, including matching funds under section 422(a) of the Act;

(iii) Federal advances obtained under sections 422(a) and (c) of the Act;

(iv) Federal payments for default, bankruptcy, death, disability, closed schools, and false certification claims;

(v) Supplemental preclaims assistance payments;

**§ 682.410**

**34 CFR Ch. VI (7-1-14 Edition)**

(vi) Transitional support payments received under section 458(a) of the Act;

(vii) Funds collected by the guaranty agency on FFEL Program loans on which a claim has been paid;

(viii) Investment earnings on the reserve fund; and

(ix) Other funds received by the guaranty agency from any source for the agency's guaranty activities.

(2) *Uses of reserve fund assets.* A guaranty agency may use the assets of the reserve fund established under paragraph (a)(1) of this section to pay only—

(i) Insurance claims;

(ii) Costs that are reasonable, as defined under § 682.410(a)(11)(iii), and that are ordinary and necessary for the agency to fulfill its responsibilities under the HEA, including costs of collecting loans, providing default aversion assistance, monitoring enrollment and repayment status, and carrying out any other guaranty activities. Those costs must be—

(A) Allocable to the FFEL Program;

(B) Not higher than the agency would incur under established policies, regulations, and procedures that apply to any comparable non-Federal activities of the guaranty agency;

(C) Not included as a cost or used to meet cost sharing or matching requirements of any other federally supported activity, except as specifically provided by Federal law;

(D) Net of all applicable credits; and

(E) Documented in accordance with applicable legal and accounting standards;

(iii) The Secretary's equitable share of collections;

(iv) Federal advances and other funds owed to the Secretary;

(v) Reinsurance fees;

(vi) Insurance premiums and Federal default fees related to cancelled loans;

(vii) Borrower refunds, including those arising out of student or other borrower claims and defenses;

(viii) (A) The repayment, on or after December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency provides the Secretary 30 days prior notice of the repayment and demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation specifying that receipt was on a temporary basis only;

(2) The objective for which these amounts were originally received by the agency has been fully achieved; and

(3) Repayment of these amounts would not cause the agency to fail to comply with the minimum reserve levels provided by paragraph (a)(10) of this section, except that the Secretary may, for good cause, provide written permission for a payment that meets the other requirements of this paragraph (a)(2)(ix)(A).

(B) The repayment, prior to December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved.

(ix) Any other costs or payments ordinary and necessary to perform functions directly related to the agency's responsibilities under the HEA and for their proper and efficient administration;

(x) Notwithstanding any other provision of this section, any other payment that was allowed by law or regulation at the time it was made, if the agency acted in good faith when it made the payment or the agency would otherwise be unfairly prejudiced by the non-allowability of the payment at a later time; and

(xi) Any other amounts authorized or directed by the Secretary.

(3) *Accounting basis.* Except as approved by the Secretary, a guaranty agency shall credit the items listed in paragraph (a)(1) of this section to its reserve fund upon their receipt, without any deferral for accounting purposes, and shall deduct the items listed in paragraph (a)(2) of this section from its reserve fund upon their payment, without any accrual for accounting purposes.

(4) *Accounting records.* (i) The accounting records of a guaranty agency must reflect the correct amount of sources and uses of funds under paragraph (a) of this section.

(ii) A guaranty agency may reverse prior credits to its reserve fund if—

(A) The agency gives the Secretary prior notice setting forth a detailed justification for the action;

(B) The Secretary determines that such credits were made erroneously and in good faith; and

(C) The Secretary determines that the action would not unfairly prejudice other parties.

(iii) A guaranty agency shall correct any other errors in its accounting or reporting as soon as practicable after the errors become known to the agency.

(iv) If a general reconstruction of a guaranty agency's historical accounting records is necessary to make a change under paragraphs (a)(4)(ii) and (a)(4)(iii) of this section or any other retroactive change to its accounting records, the agency may make this reconstruction only upon prior approval by the Secretary and without any deduction from its reserve fund for the cost of the reconstruction.

(5) *Investments.* The guaranty agency shall exercise the level of care required of a fiduciary charged with the duty of investing the money of others when it invests the assets of the reserve fund described in paragraph (a)(1) of this section. It may invest these assets only in low-risk securities, such as obligations issued or guaranteed by the United States or a State.

(6) *Development of assets.* (i) If the guaranty agency uses in a substantial way for purposes other than the agency's guaranty activities any funds required to be credited to the reserve fund under paragraph (a)(1) of this section or any assets derived from the reserve fund to develop an asset of any kind and does not in good faith allocate a portion of the cost of developing and maintaining the developed asset to funds other than the reserve fund, the Secretary may require the agency to—

(A) Correct this allocation under paragraph (a)(4)(iii) of this section; or

(B) Correct the recorded ownership of the asset under paragraph (a)(4)(iii) of this section so that—

(1) If, in a transaction with an unrelated third party, the agency sells or otherwise derives revenue from uses of the asset that are unrelated to the agency's guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a percentage of the sale proceeds or revenue equal to the fair percentage of the total development cost of the asset paid with the reserve fund monies or provided by assets derived from the reserve fund; or

(2) If the agency otherwise converts the asset, in whole or in part, to a use unrelated to its guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a fair percentage of the fair market value or, in the case of a temporary conversion, the rental value of the portion of the asset employed for the unrelated use.

(ii) If the agency uses funds or assets described in paragraph (a)(6)(i) of this section in the manner described in that paragraph and makes a cost and maintenance allocation erroneously and in good faith, it shall correct the allocation under paragraph (a)(4)(iii) of this section.

(7) *Third-party claims.* If the guaranty agency has any claim against any other party to recover funds or other assets for the reserve fund, the claim is the property of the United States.

(8) *Related-party transactions.* All transactions between a guaranty agency and a related organization or other person that involve funds required to be credited to the agency's reserve fund under paragraph (a)(1) of this section or assets derived from the reserve fund must be on terms that are not less advantageous to the reserve fund than would have been negotiated on an arm's-length basis by unrelated parties.

(9) *Scope of definition.* The provisions of this § 682.410(a) define reserve funds and assets for purposes of sections 422 and 428 of the Act. These provisions do not, however, affect the Secretary's authority to use all funds and assets of the agency pursuant to section 428(c)(9)(F)(vi) of the Act.

§ 682.410

34 CFR Ch. VI (7-1-14 Edition)

(10) *Minimum reserve fund level.* The guaranty agency must maintain a current minimum reserve level of not less than—

(i) .5 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1993;

(ii) .7 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1994;

(iii) .9 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1995; and

(iv) 1.1 percent of the amount of loans outstanding, for each fiscal year of the agency that begins on or after January 1, 1996.

(11) *Definitions.* For purposes of this section—

(i) *Reserve fund level* means—

(A) The total of reserve fund assets as defined in paragraph (a)(1) of this section;

(B) Minus the total amount of the reserve fund assets used in accordance with paragraphs (a)(2) and (a)(3) of this section; and

(ii) *Amount of loans outstanding* means—

(A) The sum of—

(1) The original principal amount of all loans guaranteed by the agency; and

(2) The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(B) Minus the original principal amount of all loans on which—

(1) The loan guarantee was cancelled;

(2) The loan guarantee was transferred to another agency;

(3) Payment in full has been made by the borrower;

(4) Reinsurance coverage has been lost and cannot be regained; and

(5) The agency paid claims.

(iii) *Reasonable cost* means a cost that, in its nature and amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the

cost. The burden of proof is upon the guaranty agency, as a fiduciary under its agreements with the Secretary, to establish that costs are reasonable. In determining reasonableness of a given cost, consideration must be given to—

(A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient performance and administration of the guaranty agency's responsibilities under the HEA;

(B) The restraints or requirements imposed by factors such as sound business practices, arms-length bargaining, Federal, State, and other laws and regulations, and the terms and conditions of the guaranty agency's agreements with the Secretary; and

(C) Market prices of comparable goods or services.

(b) *Administrative requirements—(1) Independent audits.* The guaranty agency shall arrange for an independent financial and compliance audit of the agency's FFEL program as follows:

(i) With regard to a guaranty agency that is an agency of a State government, an audit must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(ii) With regard to a guaranty agency that is a nonprofit organization, an audit must be conducted in accordance with OMB Circular A-133, Audits of Institutions of Higher Education and Other Nonprofit Organizations and 34 CFR 74.61(h)(3). If a nonprofit guaranty agency meets the criteria in Circular A-133 to have a program specific audit, and chooses that option, the program specific audit must meet the following requirements:

(A) The audit must examine the agency's compliance with the Act, applicable regulations, and agreements entered into under this part.

(B) The audit must examine the agency's financial management of its FFEL program activities.

(C) The audit must be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by, and available from, the Office of the Inspector General of the Department.

(D) The audit must be conducted annually and must be submitted to the Secretary within six months of the end of the audit period. The first audit must cover the agency's activities for a period that includes July 23, 1992, unless the agency is currently submitting audits on a biennial basis, and the second year of its biennial cycle starts on or before July 23, 1992. Under these circumstances, the agency shall submit a biennial audit that includes July 23, 1992 and submit its next audit as an annual audit.

(2) *Collection charges.* Whether or not provided for in the borrower's promissory note and subject to any limitation on the amount of those costs in that note, the guaranty agency shall charge a borrower an amount equal to reasonable costs incurred by the agency in collecting a loan on which the agency has paid a default or bankruptcy claim. These costs may include, but are not limited to, all attorney's fees, collection agency charges, and court costs. Except as provided in §§ 682.401(b)(18)(i) and 682.405(b)(1)(iv)(B), the amount charged a borrower must equal the lesser of—

(i) The amount the same borrower would be charged for the cost of collection under the formula in 34 CFR 30.60; or

(ii) The amount the same borrower would be charged for the cost of collection if the loan was held by the U.S. Department of Education.

(3) *Interest charged by guaranty agencies.* The guaranty agency shall charge the borrower interest on the amount owed by the borrower after the capitalization required under paragraph (b)(4) of this section has occurred at a rate that is the greater of—

(i) The rate established by the terms of the borrower's original promissory note;

(ii) In the case of a loan for which a judgment has been obtained, the rate provided for by State law.

(4) *Capitalization of unpaid interest.* The guaranty agency shall capitalize any unpaid interest due the lender from the borrower at the time the agency pays a default claim to the lender.

(5) *Reports to consumer reporting agencies.* (i) After the completion of the pro-

cedures in paragraph (b)(5)(ii) of this section, the guaranty agency shall, after it has paid a default claim, report promptly, but not less than sixty days after completion of the procedures in paragraph (b)(6)(ii) of this section, and on a regular basis, to all nationwide consumer reporting agencies—

(A) The total amount of loans made to the borrower and the remaining balance of those loans;

(B) The date of default;

(C) Information concerning collection of the loan, including the repayment status of the loan;

(D) Any changes or corrections in the information reported by the agency that result from information received after the initial report; and

(E) The date the loan is fully repaid by or on behalf of the borrower or discharged by reason of the borrower's death, bankruptcy, total and permanent disability, or closed school or false certification.

(ii) The guaranty agency, after it pays a default claim on a loan but before it reports the default to a consumer reporting agency or assesses collection costs against a borrower, shall, within the timeframe specified in paragraph (b)(6)(ii) of this section, provide the borrower with—

(A) Written notice that meets the requirements of paragraph (b)(5)(vi) of this section regarding the proposed actions;

(B) An opportunity to inspect and copy agency records pertaining to the loan obligation;

(C) An opportunity for an administrative review of the legal enforceability or past-due status of the loan obligation; and

(D) An opportunity to enter into a repayment agreement on terms satisfactory to the agency.

(iii) The procedures set forth in 34 CFR 30.20–30.33 (administrative offset) satisfy the requirements of paragraph (b)(5)(ii) of this section.

(iv)(A) In response to a request submitted by a borrower, after the deadlines established under agency rules, for access to records, an administrative review, or for an opportunity to enter into a repayment agreement, the agency shall provide the requested relief but may continue reporting the debt to

consumer reporting agencies until it determines that the borrower has demonstrated that the loan obligation is not legally enforceable or that alternative repayment arrangements satisfactory to the agency have been made with the borrower.

(B) The deadline established by the agency for requesting administrative review under paragraph (b)(5)(ii)(C) of this section must allow the borrower at least 60 days from the date the notice described in paragraph (b)(5)(ii)(A) of this section is sent to request that review.

(v) An agency may not permit an employee, official, or agent to conduct the administrative review required under this paragraph if that individual is—

(A) Employed in an organizational component of the agency or its agent that is charged with collection of loan obligations; or

(B) Compensated on the basis of collections on loan obligations.

(vi) The notice sent by the agency under paragraph (b)(5)(ii)(A) of this section must—

(A) Advise the borrower that the agency has paid a default claim filed by the lender and has taken assignment of the loan;

(B) Identify the lender that made the loan and the school for attendance at which the loan was made;

(C) State the outstanding principal, accrued interest, and any other charges then owing on the loan;

(D) Demand that the borrower immediately begin repayment of the loan;

(E) Explain the rate of interest that will accrue on the loan, that all costs incurred to collect the loan will be charged to the borrower, the authority for assessing these costs, and the manner in which the agency will calculate the amount of these costs;

(F) Notify the borrower that the agency will report the default to all nationwide consumer reporting agencies to the detriment of the borrower's credit rating;

(G) Explain the opportunities available to the borrower under agency rules to request access to the agency's records on the loan, to request an administrative review of the legal enforceability or past-due status of the loan, and to reach an agreement on re-

payment terms satisfactory to the agency to prevent the agency from reporting the loan as defaulted to consumer reporting agencies and provide deadlines and method for requesting this relief;

(H) Unless the agency uses a separate notice to advise the borrower regarding other proposed enforcement actions, describe specifically any other enforcement action, such as offset against Federal or state income tax refunds or wage garnishment that the agency intends to use to collect the debt, and explain the procedures available to the borrower prior to those other enforcement actions for access to records, for an administrative review, or for agreement to alternative repayment terms;

(I) Describe the grounds on which the borrower may object that the loan obligation as stated in the notice is not a legally enforceable debt owed by the borrower;

(J) Describe any appeal rights available to the borrower from an adverse decision on administrative review of the loan obligation;

(K) Describe any right to judicial review of an adverse decision by the agency regarding the legal enforceability or past-due status of the loan obligation;

(L) Describe the collection actions that the agency may take in the future if those presently proposed do not result in repayment of the loan obligation, including the filing of a lawsuit against the borrower by the agency and assignment of the loan to the Secretary for the filing of a lawsuit against the borrower by the Federal Government; and

(M) Inform the borrower of the options that are available to the borrower to remove the loan from default, including an explanation of the fees and conditions associated with each option.

(vii) As part of the guaranty agency's response to a borrower who appeals an adverse decision resulting from the agency's administrative review of the loan obligation, the agency must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(6) *Collection efforts on defaulted loans.*  
(i) A guaranty agency must engage in

reasonable and documented collection activities on a loan on which it pays a default claim filed by a lender. For a non-paying borrower, the agency must perform at least one activity every 180 days to collect the debt, locate the borrower (if necessary), or determine if the borrower has the means to repay the debt.

(ii) Within 45 days after paying a lender's default claim, the agency must send a notice to the borrower that contains the information described in paragraph (b)(5)(ii) of this section. During this time period, the agency also must notify the borrower, either in the notice containing the information described in paragraph (b)(5)(ii) of this section, or in a separate notice, that if he or she does not make repayment arrangements acceptable to the agency, the agency will promptly initiate procedures to collect the debt. The agency's notification to the borrower must state that the agency may administratively garnish the borrower's wages, file a civil suit to compel repayment, offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower, assign the loan to the Secretary in accordance with § 682.409, and take other lawful collection means to collect the debt, at the discretion of the agency. The agency's notification must include a statement that borrowers may have certain legal rights in the collection of debts, and that borrowers may wish to contact counselors or lawyers regarding those rights.

(iii) Within a reasonable time after all of the information described in paragraph (b)(6)(ii) of this section has been sent, the agency must send at least one notice informing the borrower that the default has been reported to all nationwide consumer reporting agencies and that the borrower's credit rating may thereby have been damaged.

(iv) The agency must send a notice informing the borrower of the options that are available to remove the loan from default, including an explanation of the fees and conditions associated with each option. This notice must be sent within a reasonable time after the end of the period for requesting an administrative review as specified in

paragraph (b)(5)(iv)(B) of this section or, if the borrower has requested an administrative review, within a reasonable time following the conclusion of the administrative review.

(v) A guaranty agency must attempt an annual Federal offset against all eligible borrowers. If an agency initiates proceedings to offset a borrower's State or Federal income tax refunds and other payments made by the Federal Government to the borrower, it may not initiate those proceedings sooner than 60 days after sending the notice described in paragraph (b)(5)(ii)(A) of this section.

(vi) A guaranty agency must initiate administrative wage garnishment proceedings against all eligible borrowers, except as provided in paragraph (b)(6)(vii) of this section, by following the procedures described in paragraph (b)(9) of this section.

(vii) A guaranty agency may file a civil suit against a borrower to compel repayment only if the borrower has no wages that can be garnished under paragraph (b)(9) of this section, or the agency determines that the borrower has sufficient attachable assets or income that is not subject to administrative wage garnishment that can be used to repay the debt, and the use of litigation would be more effective in collection of the debt.

(7) *Special conditions for agency payment of a claim.*

(i) A guaranty agency may adopt a policy under which it pays a claim to a lender on a loan under the condition described in § 682.404(b)(3)(ii).

(ii) Upon the payment of a claim under a policy described in paragraph (b)(7)(i) of this section, the guaranty agency shall—

(A) Perform the loan servicing functions required of a lender under § 682.208, except that the agency is not required to follow the consumer reporting agency reporting requirements of that section;

(B) Perform the functions of the lender during the repayment period of the loan, as required under § 682.209;

(C) If the borrower is delinquent in repaying the loan at the time the agency pays a claim thereon to the lender

**§ 682.410**

**34 CFR Ch. VI (7-1-14 Edition)**

or becomes delinquent while the agency holds the loan, exercise due diligence in accordance with § 682.411 in attempting to collect the loan from the borrower and any endorser or co-maker; and

(D) After the date of default on the loan, if any, comply with paragraph (b)(6) of this section with respect to collection activities on the loan, with the date of default treated as the claim payment date for purposes of those paragraphs.

(8) *Preemption of State law.* The provisions of paragraphs (b)(2), (5), and (6) of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements of these provisions.

(9) *Administrative garnishment.* (i) If a guaranty agency decides to garnish the disposable pay of a borrower who is not making payments on a loan held by the agency, on which the Secretary has paid a reinsurance claim, it must do so in accordance with the following procedures:

(A) At least 30 days before the initiation of garnishment proceedings, the guaranty agency must mail to the borrower's last known address, a written notice described in paragraph (b)(9)(i)(B) of this section.

(B) The notice must describe—

(1) The nature and amount of the debt;

(2) The intention of the agency to collect the debt through deductions from disposable pay;

(3) An explanation of the borrower's rights;

(4) The deadlines by which a borrower must exercise those rights; and

(5) The consequences of failure to exercise those rights in a timely manner.

(C) The guaranty agency must offer the borrower an opportunity to inspect and copy agency records related to the debt.

(D) The guaranty agency must offer the borrower an opportunity to enter into a written repayment agreement with the agency under terms agreeable to the agency.

(E)(1) The guaranty agency must offer the borrower an opportunity for a hearing in accordance with paragraphs (b)(9)(i)(F) through (J) of this section

and other guidance provided by the Secretary, for any objection regarding the existence, amount, or enforceability of the debt, and any objection that withholding from the borrower's disposable pay in the amount or at the rate proposed in the notice would cause financial hardship to the borrower.

(2) The borrower must request a hearing in writing. At the borrower's option, the hearing may be oral or written. The time and location of the hearing is established by the guaranty agency. An oral hearing may, at the borrower's option, be conducted either in-person or by telephone conference. The agency notifies the borrower of the process for arranging the time and location of an oral hearing. All telephonic charges are the responsibility of the agency. All travel expenses incurred by the borrower in connection with an in-person oral hearing are the responsibility of the borrower.

(F)(1) If the borrower submits a written request for a hearing on the existence, amount, or enforceability of the debt—

(i) The guaranty agency must provide evidence of the existence of the debt. If the agency provides evidence of the existence of the debt, the borrower must prove by the preponderance of the evidence that no debt exists, the debt is not enforceable under applicable law, the amount the guaranty agency claims the borrower owes is incorrect, including that any amount of collection costs assessed to the borrower exceeds the limits established under § 682.410(b)(2), or the debt is not delinquent; and

(ii) The borrower may raise any of the objections described in paragraph (b)(9)(i)(F)(1)(i) of this section not raised in the written request, but must do so before a hearing is completed. For purposes of this paragraph, a hearing is completed when the record is closed and the hearing official notifies the parties that no additional evidence or objections will be accepted.

(2) If the borrower submits a written request for a hearing on an objection that withholding in the amount or at the rate that the agency proposed in its notice would cause financial hardship to the borrower and the borrower's spouse and dependents—

(i) The borrower bears the burden of proving the claim of financial hardship by a preponderance of the credible evidence by providing credible documentation that the amount of wages proposed in the notice would leave the borrower unable to meet basic living expenses of the borrower, the borrower's spouse, and the borrower's dependents. The documentation must show the amount of the costs incurred for basic living expenses and the income available from any source to meet those expenses;

(ii) The borrower's claim of financial hardship must be evaluated by comparing the amounts that the borrower proves are being incurred for basic living expenses against the amounts spent for basic living expenses by families of the same size as the borrower's. For the purposes of this section, the standards published by the Internal Revenue Service under 26 U.S.C. 7122(d)(2) (the "Collection Financial Standards") establish the average amounts spent for basic living expenses for families of the same size as the borrower's family;

(iii) The amount that the borrower proves is incurred for a type of basic living expense is considered to be reasonable to the extent that the amount does not exceed the amount spent for that expense by families of the same size according to the Collection Financial Standards. If the borrower claims an amount for any basic living expense that exceeds the amount in the Collection Financial Standards, the borrower must prove that the amount claimed is reasonable and necessary;

(iv) If the borrower's objection to the rate or amount proposed in the notice is upheld in part, the garnishment must be ordered at a lesser rate or amount, that is determined will allow the borrower to meet basic living expenses proven to be reasonable and necessary. If this financial hardship determination is made after a garnishment order is already in effect, the guaranty agency must notify the borrower's employer of any change required by the determination in the amount to be withheld or the rate of withholding under that order; and

(v) A determination by a hearing official that financial hardship would result from garnishment is effective for a

period not longer than six months after the date of the finding. After this period, the guaranty agency may require the borrower to submit current information regarding the borrower's family income and living expenses. If the borrower fails to submit current information within 30 days of this request, or the guaranty agency concludes from a review of the available evidence that garnishment should now begin or the rate or the amount of an outstanding withholding should be increased, the guaranty agency must notify the borrower and provide the borrower with an opportunity to contest the determination and obtain a hearing on the objection under the procedures in paragraph (b)(9)(i) of this section.

(G) If the borrower's written request for a hearing is received by the guaranty agency on or before the 30th day following the date of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency may not issue a withholding order until the borrower has been provided the requested hearing and a decision has been rendered. The guaranty agency must provide a hearing to the borrower in sufficient time to permit a decision, in accordance with the procedures that the agency may prescribe, to be rendered within 60 days.

(H) If the borrower's written request for a hearing is received by the guaranty agency after the 30th day following the date of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency must provide a hearing to the borrower in sufficient time that a decision, in accordance with the procedures that the agency may prescribe, may be rendered within 60 days, but may not delay issuance of a withholding order unless the agency determines that the delay in filing the request was caused by factors over which the borrower had no control, or the agency receives information that the agency believes justifies a delay or cancellation of the withholding order. If a decision is not rendered within 60 days following receipt of a borrower's written request for a hearing, the guaranty agency must suspend the order beginning on the 61st day after the hearing request was received until a

hearing is provided and a decision is rendered.

(I) The hearing official appointed by the agency to conduct the hearing may be any qualified individual, including an administrative law judge. Under no circumstance may the hearing official be under the supervision or control of the head of the guaranty agency or of a third-party servicer or collection contractor employed by the agency. Payment of compensation by the guaranty agency, third-party servicer, or collection contractor employed by the agency to the hearing official for service as a hearing official does not constitute impermissible supervision or control under this paragraph. The guaranty agency must ensure that, except as needed to arrange for administrative matters pertaining to the hearing, including the type of hearing requested by the borrower, the time, place, and manner of conducting an oral hearing, and post-hearing matters such as issuance of a hearing decision, all oral communications between the hearing official and any representative of the guaranty agency or with the borrower are made within the hearing of the other party, and that copies of any written communication with either party are promptly provided to the other party. This paragraph does not preclude a hearing in the absence of one of the parties if the borrower is given proper notice of the hearing, both parties have agreed on the time, place, and manner of the hearing, and one of the parties fails to attend.

(J) The hearing official must conduct any hearing as an informal proceeding, require witnesses in an oral hearing to testify under oath or affirmation, and maintain a summary record of any hearing. The hearing official must issue a final written decision at the earliest practicable date, but not later than 60 days after the guaranty agency's receipt of the borrower's hearing request. However—

(1) The borrower may request an extension of that deadline for a reasonable period, as determined by the hearing official, for the purpose of submitting additional evidence or raising a new objection described in paragraph (b)(9)(i)(F)(I)(ii) of this section; and

(2) The agency may request, and the hearing official must grant, a reasonable extension of time sufficient to enable the guaranty agency to evaluate and respond to any such additional evidence or any objections raised pursuant to paragraph (b)(9)(i)(F)(I)(ii) of this section.

(K) An employer served with a garnishment order from the guaranty agency with respect to a borrower whose wages are not then subject to a withholding order of any kind must deduct and pay to the agency from a borrower's disposable pay an amount that does not exceed the smallest of—

(1) The amount specified in the guaranty agency order;

(2) The amount permitted by section 488A(a)(1) of the Act, which is 15 percent of the borrower's disposable pay; or

(3) The amount permitted by 15 U.S.C. 1673(a)(2), which is the amount by which the borrower's disposable pay exceeds 30 times the minimum wage.

(L) If a borrower's pay is subject to more than one garnishment order—

(1) Unless other Federal law requires a different priority, the employer must pay the agency the amount calculated under paragraph (b)(9)(i)(K) of this section before the employer complies with any later garnishment orders, except a family support withholding order;

(2) If an employer is withholding from a borrower's pay based on a garnishment order served on the employer before the guaranty agency's order, or if a withholding order for family support is served on an employer at any time, the employer must comply with the agency's garnishment order by withholding an amount that is the lesser of—

(i) The amount specified in the guaranty agency order; or

(ii) The amount calculated under paragraph (b)(9)(i)(L)(3) of this section less the amount or amounts withheld under the garnishment order or orders that have priority over the agency's order; and

(3) The cumulative withholding for all garnishment orders issued by guaranty agencies may not exceed, for an individual borrower, the amount permitted by 15 U.S.C. 1673, which is the lesser of 25 percent of the borrower's

disposable pay or the amount by which the borrower's disposable pay exceeds 30 times the minimum wage. If a borrower owes debts to one or more guaranty agencies, each agency may issue a garnishment order to enforce each of those debts, but no single agency may order a total amount exceeding 15 percent of the disposable pay of a borrower to be withheld. The employer must honor these orders as provided in paragraphs (b)(9)(i)(L)(1) and (2) of this section.

(M) Notwithstanding paragraphs (b)(9)(i)(K) and (L) of this section, an employer may withhold and pay a greater amount than required under the order if the borrower gives the employer written consent.

(N) A borrower may, at any time, raise an objection to the amount or the rate of withholding specified in the guaranty agency's order to the borrower's employer on the ground of financial hardship. However, the guaranty agency is not required to consider such an objection and provide the borrower with a hearing until at least six months after the agency issued the most recent garnishment order, either one for which the borrower did not request a hearing or one that was issued after a hardship-related hearing determination. The agency may provide a hearing in extraordinary circumstances earlier than six months if the borrower's request for review shows that the borrower's financial circumstances have substantially changed after the garnishment notice because of an event such as injury, divorce, or catastrophic illness.

(O) A garnishment order is effective until the guaranty agency rescinds the order or the agency has fully recovered the amounts owed by the borrower, including interest, late fees, and collections costs. If an employer is unable to honor a garnishment order because the amount available for garnishment is insufficient to pay any portion of the amount stated in the order, the employer must notify the agency and comply with the order when sufficient disposable pay is available. Upon full recovery of the debt, the agency must send the borrower's employer notification to stop wage withholding.

(P) The guaranty agency must sue any employer for any amount that the employer, after receipt of the withholding order provided by the agency under paragraph (b)(9)(i)(R) of this section, fails to withhold from wages owed and payable to an employee under the employer's normal pay and disbursement cycle.

(Q) The guaranty agency may not garnish the wages of a borrower whom it knows has been involuntarily separated from employment until the borrower has been reemployed continuously for at least 12 months. The borrower has the burden of informing the guaranty agency of the circumstances surrounding the borrower's involuntary separation from employment.

(R) Unless the guaranty agency receives information that the agency believes justifies a delay or cancellation of the withholding order, it must send a withholding order to the employer within 20 days after the borrower fails to make a timely request for a hearing, or, if a timely request for a hearing is made by the borrower, within 20 days after a final decision is made by the agency to proceed with garnishment.

(S) The notice given to the employer under paragraph (b)(9)(i)(R) of this section must contain only the information as may be necessary for the employer to comply with the withholding order and to ensure proper credit for payments received. At a minimum, the notice given to the employer includes the borrower's name, address, and Social Security Number, as well as instructions for withholding and information as to where the employer must send payments.

(T)(1) A guaranty agency may use a third-party servicer or collection contractor to perform administrative activities associated with administrative wage garnishment, but may not allow such a party to conduct required hearings or to determine that a withholding order is to be issued. Subject to the limitations of paragraphs (b)(9)(i)(T)(2) and (3) of this section, administrative activities associated with administrative wage garnishment may include but are not limited to—

(i) Identifying to the agency suitable candidates for wage garnishment pursuant to agency standards;

**§ 682.410**

**34 CFR Ch. VI (7-1-14 Edition)**

- (ii) Obtaining employment information for the purposes of garnishment;
- (iii) Sending candidates selected for garnishment by the agency notices prescribed by the agency;
- (iv) Negotiating alternative repayment arrangements with borrowers;
- (v) Responding to inquiries from notified borrowers;
- (vi) Receiving garnishment payments on behalf of the agency;
- (vii) Arranging for the retention of hearing officials and for the conduct of hearings on behalf of the agency;
- (viii) Providing information to borrowers or hearing officials on the process or conduct of hearings; and
- (ix) Sending garnishment orders and other communications to employers on behalf of the agency.

(2) Only an authorized official of the agency may determine that an individual withholding order is to be issued. The guarantor must record the official's determination for each order it issues, including any order which it causes to be prepared or mailed by a third-party servicer or collection contractor. The guarantor must evidence the official's approval, either by including the official's signature on the order or, if the agency uses a form of withholding order that does not provide for execution by signature, by retaining in the agency's records the identity of the approving official, the date of the approval, the amount or rate of the order, the name and address of the employer to whom the order was issued, and the debt for which the order was issued.

(3) The withholding order must identify the guaranty agency as the holder of the debt, as the issuer of the order, and as the sole party legally authorized to issue the withholding order. If a guaranty agency uses a third-party servicer or collection contractor to prepare and mail a withholding order that includes the name of the servicer or contractor that prepared or mailed the order, the guaranty agency must also ensure that the order contains no captions or representations that the servicer or contractor is the party that issued, or was empowered by Federal law or by the agency to issue, the withholding order.

(U) As specified in section 488A(a)(8) of the Act, the borrower may seek judicial relief, including punitive damages, if the employer discharges, refuses to employ, or takes disciplinary action against the borrower due to the issuance of a withholding order.

(V) A guaranty agency is required to suspend a garnishment order when the agency receives a borrower's fifth qualifying payment under a loan rehabilitation agreement with the agency, unless otherwise directed by the borrower, in accordance with § 682.405(a)(3).

(ii) For purposes of paragraph (b)(9) of this section—

(A) "Borrower" includes all endorsers on a loan;

(B) "Day" means calendar day;

(C) "Disposable pay" means that part of a borrower's compensation for personal services, whether or not denominated as wages from an employer, that remains after the deduction of health insurance premiums and any amounts required by law to be withheld, and includes, but is not limited to, salary, bonuses, commissions, or vacation pay. "Amounts required by law to be withheld" include amounts for deductions such as Social Security taxes and withholding taxes, but do not include any amount withheld under a court order or other withholding order. All references to an amount of disposable pay refer to disposable pay calculated for a single week;

(D) "Employer" means a person or entity that employs the services of another and that pays the latter's wages or salary and includes, but is not limited to, State and local governments, but does not include an agency of the Federal Government;

(E) "Financial hardship" means an inability to meet basic living expenses for goods and services necessary for the survival of the borrower and the borrower's spouse and dependents;

(F) "Garnishment" means the process of withholding amounts from an employee's disposable pay and paying those amounts to a creditor in satisfaction of a withholding order; and

(G) "Withholding order" means any order for withholding or garnishment of pay issued by the guaranty agency and may also be referred to as "wage

garnishment order” or “garnishment order.”

(10) *Conflicts of interest.* (i) A guaranty agency shall maintain and enforce written standards of conduct governing the performance of its employees, officers, directors, trustees, and agents engaged in the selection, award, and administration of contracts or agreements. The standards of conduct must, at a minimum, require disclosure of financial or other interests and must mandate disinterested decision-making. The standards must provide for appropriate disciplinary actions to be applied for violations of the standards by employees, officers, directors, trustees, or agents of the guaranty agency, and must include provisions to—

(A) Prohibit any employee, officer, director, trustee, or agent from participating in the selection, award, or decision-making related to the administration of a contract or agreement supported by the reserve fund described in paragraph (a) of this section, if that participation would create a conflict of interest. Such a conflict would arise if the employee, officer, director, trustee, or agent, or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of those parties has a financial or ownership interest in the organization selected for an award or would benefit from the decision made in the administration of the contract or agreement. The prohibitions described in this paragraph do not apply to employees of a State agency covered by codes of conduct established under State law;

(B) Ensure sufficient separation of responsibility and authority between its lender claims processing as a guaranty agency and its lending or loan servicing activities, or both, within the guaranty agency or between that agency and one or more affiliates, including independence in direct reporting requirements and such management and systems controls as may be necessary to demonstrate, in the independent audit required under § 682.410(b)(1), that claims filed by another arm of the guaranty agency or by an affiliate of that agency receive no more favorable treatment than that accorded the claims filed by a lender or servicer that

is not an affiliate or part of the guaranty agency; and

(C) Prohibit the employees, officers, directors, trustees, and agents of the guaranty agency, his or her partner, or any member of his or her immediate family, from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to agreements, except that nominal and unsolicited gratuities, favors, or items may be accepted.

(ii) *Guaranty agency restructuring.* If the Secretary determines that action is necessary to protect the Federal fiscal interest because of an agency’s failure to meet the requirements of § 682.410(b)(10)(i), the Secretary may require the agency to comply with any additional measures that the Secretary believes are appropriate, including the total divestiture of the agency’s non-FFEL functions and the agency’s interests in any affiliated organization.

(c) *Enforcement requirements.* A guaranty agency shall take such measures and establish such controls as are necessary to ensure its vigorous enforcement of all Federal, State, and guaranty agency requirements, including agreements, applicable to its loan guarantee program, including, at a minimum, the following:

(1) Conducting comprehensive biennial on-site program reviews, using statistically valid techniques to calculate liabilities to the Secretary that each review indicates may exist, of at least—

(i)(A) Each participating lender whose dollar volume of FFEL loans held by the lender and guaranteed by the agency in the preceding year—

(1) Equaled or exceeded two percent of the total of all loans guaranteed by the agency;

(2) Was one of the ten largest lenders whose loans were guaranteed by the agency; or

(3) Equaled or exceeded \$10 million in the most recent fiscal year;

(B) Each lender described in section 435(d)(1)(D) or (J) of the Act that is located in any State in which the agency is the principal guarantor, and, at the option of each guaranty agency, the Student Loan Marketing Association; and

(C) Each school that participated in the guaranty agency's program, located in a State for which the guaranty agency is the principal guaranty agency, that has a cohort default rate, as described in subpart M of 34 CFR part 668, that includes FFEL Program loans, for either of the 2 immediately preceding fiscal years, as defined in 34 CFR 668.182, that exceeds 20 percent, unless the school is under a mandate from the Secretary under subpart M of 34 CFR part 668 to take specific default reduction measures or if the total dollar amount of loans entering repayment in each fiscal year on which the cohort default rate of over 20 percent is based does not exceed \$100,000; or

(ii) The schools and lenders selected by the agency as an alternative to the reviews required by paragraphs (c)(1)(i)(A)-(C) of this section if the Secretary approves the agency's proposed alternative selection methodology.

(2) Demanding prompt repayment by the responsible parties to lenders, borrowers, the agency, or the Secretary, as appropriate, of all funds found in those reviews to be owed by the participants with regard to loans guaranteed by the agency, whether or not the agency holds the loans, and monitoring the implementation by participants of corrective actions, including these repayments, required by the agency as a result of those reviews.

(3) Referring to the Secretary for further enforcement action any case in which repayment of funds to the Secretary is not made in full within 60 days of the date of the agency's written demand to the school, lender, or other party for payment, together with all supporting documentation, any correspondence, and any other documentation submitted by that party regarding the repayment.

(4) Undertaking or arranging with State or local law enforcement agencies for the prompt and thorough investigation of all allegations and indications of criminal or other programmatic misconduct by its program participants, including violations of Federal law or regulations.

(5) Promptly referring to appropriate State and local regulatory agencies and to nationally recognized accred-

iting agencies and associations for investigation information received by the guaranty agency that may affect the retention or renewal of the license or accreditation of a program participant.

(6) Promptly reporting all of the allegations and indications of misconduct having a substantial basis in fact, and the scope, progress, and results of the agency's investigations thereof to the Secretary.

(7) Referring appropriate cases to State or local authorities for criminal prosecution or civil litigation.

(8) Promptly notifying the Secretary of—

(i) Any action it takes affecting the FFEL program eligibility of a participating lender or title IV eligibility of a school;

(ii) Information it receives regarding an action affecting the FFEL program eligibility of a participating lender or title IV eligibility of a school taken by a nationally recognized accrediting agency, association, or a State licensing agency;

(iii) Any judicial or administrative proceeding relating to the enforceability of FFEL loans guaranteed by the agency or in which tuition obligations of a school's students are directly at issue, other than a proceeding relating to a single borrower or student; and

(iv) Any petition for relief in bankruptcy, application for receivership, or corporate dissolution proceeding brought by or against a school or lender participating in its loan guarantee program.

(9) Cooperating with all program reviews, investigations, and audits conducted by the Secretary relating to the agency's loan guarantee program.

(10) Taking prompt action to protect the rights of borrowers and the Federal fiscal interest respecting loans that the agency has guaranteed when the agency learns that a school that participated in the FFEL Program or a holder of loans participating in the program is experiencing problems that threaten the solvency of the school or holder, including—

(i) Conducting on-site program reviews;

**§ 682.411 Lender due diligence in collecting guaranty agency loans.**

(a) *General.* In the event of delinquency on an FFEL Program loan, the lender must engage in at least the collection efforts described in paragraphs (c) through (n) of this section, except that in the case of a loan made to a borrower who is incarcerated, residing outside a State, Mexico, or Canada, or whose telephone number is unknown, the lender may send a forceful collection letter instead of each telephone effort required by this section.

(b) *Delinquency.* (1) For purposes of this section, delinquency on a loan begins on the first day after the due date of the first missed payment that is not later made. The due date of the first payment is established by the lender but must occur by the deadlines specified in § 682.209(a) or, if the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in § 682.209(a)(2)(v) and (a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment that is not later made. A payment that is

within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender's procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c), (d), and (e) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (j) of this section, of more than 45 days (60 days in the case of a transfer).

(3) As part of one of the collection activities provided for in this section, the lender must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(c) *1-15 days delinquent.* Except in the case in which a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender's receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period must send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender or servicer contact, a telephone number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled repayment.

(d) *16-180 days delinquent (16-240 days delinquent for a loan repayable in installments less frequently than monthly).* (1) Unless exempted under paragraph (d)(4) of this section, during this period the lender must engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by telephone must occur on or before, and another one must occur after, the 90th day of delinquency. Collection letters sent during this period must include,

at a minimum, information for the borrower regarding deferment, forbearance, income-sensitive repayment, income-based repayment and loan consolidation, and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that, if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to each nationwide consumer reporting agency, and that the agency may institute proceedings to offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower or to garnish the borrower's wages, or to assign the loan to the Federal Government for litigation against the borrower.

(3) Following the lender's receipt of a payment on the loan or a correct address for the borrower, the lender's receipt from the drawee of a dishonored check received as a payment on the loan, the lender's receipt of a correct telephone number for the borrower, or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone during this period if the loan is 91-120 days delinquent (121-180 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance.

(4) A lender need not attempt to contact by telephone any borrower who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender's receipt of—

(i) A payment on the loan;

(ii) A correct address or correct telephone number for the borrower;

(iii) A dishonored check received from the drawee as a payment on the loan; or

(iv) The expiration of an authorized deferment or forbearance.

(e) *181-270 days delinquent (241-330 days delinquent for a loan repayable in installments less frequently than monthly)*. During this period the lender must engage in efforts to urge the borrower to make the required payments on the loan. These efforts must, at a minimum, provide information to the borrower regarding options to avoid default and the consequences of defaulting on the loan.

(f) *Final demand*. On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to each nationwide consumer reporting agency. The lender must allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(g) *Collection procedures when borrower's telephone number is not available*. Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (m) of this section, the lender is excused from any further efforts to contact the borrower by telephone, unless the borrower's number is obtained before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(h) *Skip-tracing*. (1) Unless the letter specified under paragraph (f) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower's current address, the lender must begin to diligently attempt to locate the borrower through the use of effective commercial skip-tracing techniques. These efforts must include, but are not limited to, sending a letter to or making a diligent effort to contact

each endorser, relative, reference, individual, and entity, identified in the borrower's loan file, including the schools the student attended. For this purpose, a lender's contact with a school official who might reasonably be expected to know the borrower's address may be with someone other than the financial aid administrator, and may be in writing or by phone calls. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower's current address, the lender must discontinue the collection efforts described in paragraphs (c) through (f) of this section.

(3) If the lender is unable to ascertain the borrower's current address despite its performance of the activities described in paragraph (h)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c) through (f) and (1)(1) through (1)(3) and (1)(5) of this section unless it receives communication indicating the borrower's address before the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly).

(4) The activities specified by paragraph (m)(1)(i) or (ii) of this section (with references to the "borrower" understood to mean endorser, reference, relative, individual, or entity as appropriate) meet the requirement that the lender make a diligent effort to contact each individual identified in the borrower's loan file.

(i) *Default aversion assistance.* Not earlier than the 60th day and no later than the 120th day of delinquency, a lender must request default aversion assistance from the guaranty agency that guarantees the loan.

(j) *Gap in collection activity.* For purposes of this section, the term *gap in collection activity* means, with respect to a loan, any period—

(1) Beginning on the date that is the day after—

(i) The due date of a payment unless the lender does not know the borrower's address on that date;

(ii) The day on which the lender receives a payment on a loan that remains delinquent notwithstanding the payment;

(iii) The day on which the lender receives the correct address for a delinquent borrower;

(iv) The day on which the lender completes a collection activity;

(v) The day on which the lender receives a dishonored check submitted as a payment on the loan;

(vi) The expiration of an authorized deferment or forbearance period on a delinquent loan; or

(vii) The day the lender receives information indicating it does not know the borrower's current address; and

(2) Ending on the date of the earliest of—

(i) The day on which the lender receives the first subsequent payment or completed deferment request or forbearance agreement;

(ii) The day on which the lender begins the first subsequent collection activity;

(iii) The day on which the lender receives written communication from the borrower relating to his or her account; or

(iv) Default.

(k) *Transfer.* For purposes of this section, the term *transfer* with respect to a loan means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

(l) *Collection activity.* For purposes of this section, the term *collection activity* with respect to a loan means—

(1) Mailing or otherwise transmitting to the borrower at an address that the lender reasonably believes to be the borrower's current address a collection letter or final demand letter that satisfies the timing and content requirements of paragraph (c), (d), (e), or (f) of this section;

(2) Making an attempt to contact the borrower by telephone to urge the borrower to begin or resume repayment;

(3) Conducting skip-tracing efforts, in accordance with paragraph (h)(1) or (m)(1)(iii) of this section, to locate a

§ 682.411

34 CFR Ch. VI (7-1-14 Edition)

borrower whose correct address or telephone number is unknown to the lender;

(4) Mailing or otherwise transmitting to the guaranty agency a request for default aversion assistance available from the agency on the loan at the time the request is transmitted; or

(5) Any telephone discussion or personal contact with the borrower so long as the borrower is apprised of the account's past-due status.

(m) *Diligent effort for telephone contact.* (1) For purposes of this section, the term *diligent effort* with respect to telephone contact means—

(i) A successful effort to contact the borrower by telephone;

(ii) At least two unsuccessful attempts to contact the borrower by telephone at a number that the lender reasonably believes to be the borrower's correct telephone number; or

(iii) An unsuccessful effort to ascertain the correct telephone number of a borrower, including, but not limited to, a directory assistance inquiry as to the borrower's telephone number, and sending a letter to or making a diligent effort to contact each reference, relative, and individual identified in the most recent loan application or most recent school certification for that borrower held by the lender. The lender may contact a school official other than the financial aid administrator who reasonably may be expected to know the borrower's address or telephone number.

(2) If the lender is unable to ascertain the borrower's correct telephone number despite its performance of the activities described in paragraph (m)(1)(iii) of this section, the lender is excused thereafter from attempting to contact the borrower by telephone unless it receives a communication indicating the borrower's current telephone number before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(3) The activities specified by paragraph (m)(1) (i) or (ii) of this section (with references to "the borrower" understood to mean endorser, reference, relative, or individual as appropriate), meet the requirement that the lender make a diligent effort to contact each

endorser or each reference, relative, or individual identified on the borrower's most recent loan application or most recent school certification.

(n) *Due diligence for endorsers.* (1) Before filing a default claim on a loan with an endorser, the lender must—

(i) Make a diligent effort to contact the endorser by telephone; and

(ii) Send the endorser on the loan two letters advising the endorser of the delinquent status of the loan and urging the endorser to make the required payments on the loan with at least one letter containing the information described in paragraph (d)(2) of this section (with references to "the borrower" understood to mean the endorser).

(2) On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the endorser requiring repayment of the loan in full and notifying the endorser that a default will be reported to each nationwide consumer reporting agency. The lender must allow the endorser at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(3) Unless the letter specified under paragraph (n)(2) of this section has already been sent, upon receipt of information indicating that it does not know the endorser's current address or telephone number, the lender must diligently attempt to locate the endorser through the use of effective commercial skip-tracing techniques. This effort must include an inquiry to directory assistance.

(o) *Preemption.* The provisions of this section—

(1) Preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements or frustrate the purposes of this section; and

(2) Do not preempt provisions of the Fair Credit Reporting Act that provide relief to a borrower while the lender determines the legal enforceability of a loan when the lender receives a valid identity theft report or notification from a consumer reporting agency that information furnished is a result of an

alleged identity theft as defined in § 682.402(e)(14).

**§ 682.412 Consequences of the failure of a borrower or student to establish eligibility.**

(a) The lender shall immediately send to the borrower a final demand letter meeting the requirements of § 682.411(f) when it learns and can substantiate that the borrower or the student on whose behalf a parent has borrowed, without the lender or school's knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the student or borrower—

(1) To be ineligible for all or a portion of a loan made under this part;

(2) To receive a Stafford loan subject to payment of Federal interest benefits for which he or she was ineligible; or

(3) To receive loan proceeds for a period of enrollment from which he or she has withdrawn or been expelled prior to the first day of classes or during which he or she failed to attend school and has not paid those funds to the school or repaid them to the lender.

(b) The lender shall neither bill the Secretary for nor be entitled to interest benefits on a loan after it learns that one of the conditions described in paragraph (a) of this section exists with respect to the loan.

(c) In the final demand letter transmitted under paragraph (a) of this section, the lender shall demand that within 30 days from the date the letter is mailed the borrower repay in full any principal amount for which the borrower is ineligible and any accrued interest, including interest and all special allowance paid by the Secretary.

(d) If the borrower repays the amounts described in paragraph (c) of this section within the 30-day period, the lender shall—

(1) On its next quarterly interest billing submitted under § 682.305, refund to

the Secretary the interest benefits and special allowance repaid by the borrower and all other interest benefits and special allowance previously paid by the Secretary on the ineligible portion of the loan; and

(2) Treat that payment of the principal amount of the ineligible portion of the loan as a prepayment of principal.

(e) If a borrower fails to comply with the terms of a final demand letter described in paragraph (a) of this section, the lender shall treat the entire loan as in default, and—

(1) With its next quarterly interest billing submitted under § 682.305, refund to the Secretary the amount of the interest benefits received from the Secretary on the ineligible portion of the loan, whether or not repaid by the borrower; and

(2) Within the time specified in § 682.406(a)(5), file a default claim thereon with the guaranty agency for the entire unpaid balance of principal and accrued interest.

**§ 682.413 Remedial actions.**

(a)(1) The Secretary requires a lender and its third-party servicer administering any aspect of the FFEL programs under a contract with the lender to repay interest benefits and special allowance or other compensation received on a loan guaranteed by a guaranty agency, pursuant to paragraph (a)(2) of this section—

(i) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to comply with any of the requirements set forth in § 682.406(a)(1)–(a)(6), (a)(9), and (a)(12);

(ii) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to meet a condition of guarantee coverage established by the guaranty agency, to the date, if any, on which the guaranty

**§ 682.413**

**34 CFR Ch. VI (7-1-14 Edition)**

agency reinstated the guarantee coverage pursuant to policies and procedures established by the agency;

(iii) For any period in which the lender or servicer, with respect to the loan, violates the requirements of subpart C of this part; and

(iv) For any period beginning on the day after the Secretary's obligation to pay special allowance on the loan terminates under § 682.302(d).

(2) For purposes of this section, a lender and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits and special allowance paid as a result of a violation of applicable requirements by the servicer in administering the lender's FFEL programs.

(3) For purposes of paragraph (a)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (a)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The lender has not repaid in full the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability;

(B) The lender has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the lender by offsetting the lender's bill to the Secretary for interest benefits or special allowance, if—

(1) The bill is submitted after the 30 day period specified in paragraph (a)(3)(ii)(A) of this section has passed; and

(2) The lender has not paid, or made satisfactory arrangements to pay, the liability.

(b)(1) The Secretary requires a guaranty agency to repay reinsurance payments received on a loan if the lender, third-party servicer, if applicable, or the agency failed to meet the requirements of § 682.406(a).

(2) The Secretary may require a guaranty agency to repay reinsurance pay-

ments received on a loan or to assign FFEL loans to the Department if the agency fails to meet the requirements of § 682.410.

(c)(1) In addition to requiring repayment of reinsurance payments pursuant to paragraph (b) of this section, the Secretary may take one or more of the following remedial actions against a guaranty agency or third-party servicer administering any aspect of the FFEL programs under a contract with the guaranty agency, that makes an incomplete or incorrect statement in connection with any agreement entered into under this part or violates any applicable Federal requirement:

(i) Require the agency to return payments made by the Secretary to the agency.

(ii) Withhold payments to the agency.

(iii) Limit the terms and conditions of the agency's continued participation in the FFEL programs.

(iv) Suspend or terminate agreements with the agency.

(v) Impose a fine on the agency or servicer. For purposes of assessing a fine on a third-party servicer, a repeated mechanical systemic unintentional error shall be counted as one violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system.

(vi) Require repayment from the agency and servicer pursuant to paragraph (c)(2) of this section, of interest, special allowance, and reinsurance paid on Consolidation loan amounts attributed to Consolidation loans for which the required lender verification certification is not available.

(vii) Require repayment from the agency or servicer, pursuant to paragraph (c)(2) of this section, of any related payments that the Secretary became obligated to make to others as a result of an incomplete or incorrect statement or a violation of an applicable Federal requirement.

(2) For purposes of this section, a guaranty agency and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits, special allowance, reinsurance paid, or other compensation on Consolidation

loan amounts attributed to Consolidation loans as specified in § 682.413(c)(1)(vi) as a result of a violation by the servicer administering any aspect of the FFEL programs under a contract with that guaranty agency.

(3) For purposes of paragraph (c)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (c)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The guaranty agency has not repaid in full the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability;

(B) The guaranty agency has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the guaranty agency by offsetting the guaranty agency's first reinsurance claim to the Secretary, if—

(1) The claim is submitted after the 30-day period specified in paragraph (c)(3)(ii)(A) of this section has passed; and

(2) The guaranty agency has not paid, or made satisfactory arrangements to pay, the liability.

(d)(1) The Secretary follows the procedures described in 34 CFR part 668, subpart G, applicable to fine proceedings against schools, in imposing a fine against a lender, guaranty agency, or third-party servicer. References to "the institution" in those regulations shall be understood to mean the lender, guaranty agency, or third-party servicer, as applicable, for this purpose.

(2) The Secretary also follows the provisions of section 432(g) of the Act in imposing a fine against a guaranty agency or lender.

(e)(1)(i) The Secretary's decision to require repayment of funds, withhold funds, or to limit or suspend a lender, guaranty agency, or third party servicer from participation in the FFEL Program or to terminate a lender or third party from participation in the FFEL Program does not become

final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard. The hearing is at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests the hearing.

(ii) The Secretary's decision to terminate a guaranty agency's participation in the FFEL Program after September 24, 1998 does not become final until the Secretary provides the agency with written notice of the intended action and provides an opportunity for a hearing on the record.

(2)(i) The Secretary may withhold payments from an agency or suspend an agreement with an agency prior to giving notice and an opportunity to be heard if the Secretary finds that emergency action is necessary to prevent substantial harm to Federal interests.

(ii) The Secretary follows the notice and show cause procedures described in § 682.704 applicable to emergency actions against lenders in taking an emergency action against a guaranty agency.

(3) The Secretary follows the procedures in 34 CFR 30.20-30.32 in collecting a debt by offset against payments otherwise due a guaranty agency or lender.

(f) Notwithstanding paragraphs (a)-(e) of this section, the Secretary may waive the right to require repayment of funds by a lender or agency if in the Secretary's judgment the best interests of the United States so require. The Secretary's waiver policy for violations of § 682.406(a)(3) or (a)(5) is set forth in appendix D to this part.

(g) The Secretary's final decision to require repayment of funds or to take other remedial action, other than a fine, against a lender or guaranty agency under this section is conclusive and binding on the lender or agency.

(h) In any action to require repayment of funds or to withhold funds from a guaranty agency, or to limit, suspend, or terminate a guaranty agency based on a violation of section 428(b)(3) of the Act, if the Secretary

**§ 682.414**

**34 CFR Ch. VI (7-1-14 Edition)**

finds that the guaranty agency provided or offered the prohibited payments or activities, the Secretary applies a rebuttable presumption that the payments or activities were offered or provided to secure applications for FFEL loans or to secure FFEL loan volume. To reverse the presumption, the guaranty agency must present evidence that the activities or payments were provided for a reason unrelated to securing applications for FFEL loans or securing FFEL loan volume.

NOTE TO § 682.413: A decision by the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321-322.

The records must be maintained in a system that allows ready identification of each loan's current status, updated at least once every 10 business days. (2) A guaranty agency must retain the records required for each loan for not less than 3 years following the date the loan is repaid in full by the borrower, or for not less than 5 years following the date the agency receives payment in full from any other source. However, in particular cases, the Secretary may require the retention of records beyond these minimum periods.

(3) A guaranty agency shall retain a copy of the audit report required under § 682.410(b) for not less than five years after the report is issued.

(J) A collection history showing the date and subject of each communication between the lender and the borrower or endorser relating to collection of a delinquent loan, each communication other than regular reports by the lender showing that an account is current, between the lender and a consumer reporting agency regarding the loan, each effort to locate a borrower whose address is unknown at any time, and each request by the lender for default aversion assistance on the loan;

(K) Documentation of any MPN confirmation process or processes; and

(L) Any additional records that are necessary to document the validity of a claim against the guarantee or the accuracy of reports submitted under this part.

(iii) Except as provided in paragraph (a)(4)(iv) of this section, a lender must retain the records required for each loan for not less than 3 years following the date the loan is repaid in full by the borrower, or for not less than five years following the date the lender receives payment in full from any other source. However, in particular cases, the Secretary or the guaranty agency may require the retention of records beyond this minimum period.

(iv) A lender shall retain a copy of the audit report required under § 682.305(c) for not less than five years after the report is issued.

(5)(i) A guaranty agency or lender may store the records specified in paragraphs (a)(4)(ii)(C)–(L) of this section in accordance with 34 CFR 668.24(d)(3)(i) through (iv).

(ii) If a promissory note was signed electronically, the guaranty agency or lender must store it electronically and it must be retrievable in a coherent format.

(iii) A lender or guaranty agency holding a promissory note must retain the original or a true and exact copy of

the promissory note until the loan is paid in full or assigned to the Secretary. When a loan is paid in full by the borrower, the lender or guaranty agency must return either the original or a true and exact copy of the note to the borrower or notify the borrower that the loan is paid in full, and retain a copy for the prescribed period.

(iv) If a lender made a loan based on an electronically signed MPN, the holder of the original electronically signed MPN must retain that original MPN for at least 3 years after all the loans made on the MPN have been satisfied.

(6)(i) Upon the Secretary's request with respect to a particular loan or loans assigned to the Secretary and evidenced by an electronically signed promissory note, the guaranty agency and the lender that created the original electronically signed promissory note must cooperate with the Secretary in all activities necessary to enforce the loan or loans. The guaranty agency or lender must provide—

(A) An affidavit or certification regarding the creation and maintenance of the electronic records of the loan or loans in a form appropriate to ensure admissibility of the loan records in a legal proceeding. This affidavit or certification may be executed in a single record for multiple loans provided that this record is reliably associated with the specific loans to which it pertains; and

(iii) The Secretary may request a record, affidavit, certification or evidence under paragraph (a)(6) of this section as needed to resolve any factual dispute involving a loan that has been assigned to the Secretary including, but not limited to, a factual dispute raised in connection with litigation or any other legal proceeding, or as needed in connection with loans assigned to the Secretary that are included in a Title IV program audit sample, or for other similar purposes. The guaranty agency must respond to any request from the Secretary within 10 business days.

(iv) As long as any loan made to a borrower under a MPN created by the lender is not satisfied, the holder of the original electronically signed promissory note is responsible for ensuring that all parties entitled to access to the electronic loan record, including the guaranty agency and the Secretary, have full and complete access to the electronic record.

(b) *Reports.* A guaranty agency shall accurately complete and submit to the Secretary the following reports:

(1) A report concerning the status of the agency's reserve fund and the operation of the agency's loan guarantee program at the time and in the manner that the Secretary may reasonably require. (5) Any other information concerning its loan insurance program requested by the Secretary.

(c) *Inspection requirements.* (1) For purposes of examination of records, references to an institution in 34 CFR 668.24(f) (1) through (3) shall mean a guaranty agency or its agent.

(2) A guaranty agency shall require in its agreement with a lender or in its published rules or procedures that the lender or its agent give the Secretary or the Secretary's designee and the guaranty agency access to the lender's records for inspection and copying in order to verify the accuracy of the information provided by the lender pursuant to § 682.401(b) (12) and (13), and the right of the lender to receive or retain payments made under this part, or to permit the Secretary or the agency to enforce any right acquired by the

**§ 682.415 [Reserved]**

**§ 682.416 Requirements for third-party servicers and lenders contracting with third-party servicers.**

(a) *Standards for administrative capability.* A third-party servicer is considered administratively responsible if it—

(1) Provides the services and administrative resources necessary to fulfill its contract with a lender or guaranty agency, and conducts all of its contractual obligations that apply to the FFEL programs in accordance with FFEL programs regulations;

(2) Has business systems including combined automated and manual systems, that are capable of meeting the requirements of part B of Title IV of the Act and with the FFEL programs regulations; and

(3) Has adequate personnel who are knowledgeable about the FFEL programs.

(b) *Standards of financial responsibility.* The Secretary applies the provisions of 34 CFR 668.15(b) (1)–(4) and (6)–(9) to determine that a third-party servicer is financially responsible under this part. References to “the institution” in those provisions shall be understood to mean the third-party servicer, for this purpose.

(c) *Special review of third-party servicer.* (1) The Secretary may review a third-party servicer to determine that it meets the administrative capability and financial responsibility standards in this section.

(2) In response to a request from the Secretary, the servicer shall provide evidence to demonstrate that it meets the administrative capability and fi-

ancial responsibility standards in this section.

(3) The servicer may also provide evidence of why administrative action is unwarranted if it is unable to demonstrate that it meets the standards of this section.

(4) Based on the review of the materials provided by the servicer, the Secretary determines if the servicer meets the standards in this part. If the servicer does not, the Secretary may initiate an administrative proceeding under subpart G.

(d) *Past performance of third-party servicer or persons affiliated with servicer.* Notwithstanding paragraphs (b) and (c) of this section, a third-party servicer is not financially responsible if—

(1)(i) The servicer; its owner, majority shareholder, or chief executive officer; any person employed by the servicer in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds; any person, entity, or officer or employee of an entity with which the servicer contracts where that person, entity, or officer or employee of the entity acts in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving such funds, unless—

(A) The funds that were fraudulently obtained, or criminally acquired, used, or expended have been repaid to the United States, and any related financial penalty has been paid;

(B) The persons who were convicted of, or pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of the funds are no longer incarcerated for that crime; and

(C) At least five years have elapsed from the date of the conviction, *nolo contendere* plea, guilty plea, or administrative or judicial determination; or

(ii) The servicer, or any principal or affiliate of the servicer (as those terms are defined in 34 CFR part 85), is—

(A) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(B) Engaging in any activity that is a cause under 2 CFR 180.700 or 180.800, as those sections are adopted at 2 CFR 3485.12 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; and

(2) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph (d)(1) of this section, the servicer does not promptly remove the person, agency, or organization from any involvement in the administration of the servicer's participation in title IV, HEA programs, including, as applicable, the removal or elimination of any substantial control, as determined under 34 CFR 668.15, over the servicer.

(e) *Independent audits.* (1) A third-party servicer shall arrange for an independent audit of its administration of the FFELP loan portfolio unless—

(i) The servicer contracts with only one lender or guaranty agency; and

(ii) The audit of that lender's or guaranty agency's FFEL programs involves every aspect of the servicer's administration of those FFEL programs.

(2) The audit must—

(i) Examine the servicer's compliance with the Act and applicable regulations;

(ii) Examine the servicer's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.) Procedures for audits are contained in an audit guide developed by and available from the Office of Inspector General of the Department of Education; and

(iv) Except for the initial audit, be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period.

The initial audit must be an annual audit of the servicer's first full fiscal year beginning on or after July 1, 1994, and include any period from the beginning of the first full fiscal year. The audit report must be submitted to the Secretary within six months of the end of the audit period. Each subsequent audit must cover the servicer's activities for the one-year period beginning no later than the end of the period covered by the preceding audit.

(3) With regard to a third-party servicer that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(4) With regard to a third-party servicer that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with Office of Management and Budget (OMB) Circular A-133, "Audit of Institutions of Higher Education and Other Nonprofit Institutions," as incorporated in 34 CFR 74.61(h)(3).

(f) *Contract responsibilities.* A lender that participates in the FFEL programs may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the requirements of this section. The lender must provide the Secretary with the name and address of any third-party servicer with which the lender enters into a contract and, upon request by the Secretary, a copy of that contract. A third-party servicer that is under contract with a lender to perform any activity for which the records in § 682.414(a)(4)(ii) are relevant to perform the services for which the servicer has contracted shall maintain current, complete, and accurate records pertaining to each loan that the servicer is under contract to administer on behalf of the lender. The

records must be maintained in a system that allows ready identification of each loan's current status.

**§ 682.417 Determination of Federal funds or assets to be returned.**

(a) *General.* The procedures described in this section apply to a determination by the Secretary that—

(1) A guaranty agency must return to the Secretary a portion of its Federal Fund that the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

(2) A guaranty agency must require the return to the agency or the Secretary of Federal funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity that the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or that are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets.

(b) *Return of unnecessary Federal funds.* (1) The Secretary may initiate a process to recover unnecessary Federal funds under paragraph (a)(1) of this section if the Secretary determines that a guaranty agency's Federal Fund ratio under § 682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary Federal funds, the Secretary requires the return of a portion of the Federal funds that the Secretary determines will permit the agency to—

(i) Have a Federal Fund ratio of at least 2.0 percent under § 682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum Federal Fund requirements under § 682.410(a)(10) and retain sufficient additional Federal funds to perform its responsibilities as

a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3)(i) The Secretary makes a determination of the amount of Federal funds needed by the guaranty agency under paragraph (b)(2) of this section on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency must provide the projections within 60 days of the Secretary's request. If the agency does not provide the projections within the specified time period, the Secretary determines the amount of Federal funds needed by the agency on the basis of other information.

(c) *Notice.* (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its Federal funds, or to direct the return of Federal funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary's determination that Federal funds or assets must be returned;

(ii) Describes the basis for the Secretary's determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of Federal funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the Federal funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary's

determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the Federal funds in an escrow account. If the Secretary has directed the guaranty agency to require the return of Federal funds or assets held by or under the control of another entity, the guaranty agency must ensure that the agency's claims to those funds or assets and the collectability of the agency's claims will not be compromised or jeopardized during an appeal. The guaranty agency must also comply with all other applicable regulations relating to the use of Federal funds and assets.

(d) *Appeal.* (1) A guaranty agency may appeal the Secretary's determination that Federal funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination. If the agency files a notice of appeal, the requirement that the return of Federal funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary's determination is final.

(2) A guaranty agency must submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination unless the Secretary agrees to extend the period at the agency's request. If the agency does not submit that information within the prescribed period, the Secretary's determination is final.

(3) A guaranty agency's appeal of a determination that Federal funds or assets must be returned is considered and decided by a Departmental official other than the official who issued the determination or a subordinate of that official.

(4) In an appeal of the Secretary's determination, the guaranty agency must—

(i) State the reasons the guaranty agency believes the Federal funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position

that Federal funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that Federal funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5)(i) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides this opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

(6) The guaranty agency has the burden of production and the burden of persuading the deciding official that the Secretary's determination should be modified or withdrawn.

(e) *Third-party participation.* (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the FEDERAL REGISTER announcing the portion of the Federal Fund to be returned by the agency and providing interested persons an opportunity to submit written information relating to the determination within 30 days after the date of publication. The Secretary publishes the notice no earlier than five days after the agency receives a copy of the determination.

(2) If the guaranty agency to which the determination relates files a notice of appeal of the determination, the deciding official may consider any information submitted in response to the FEDERAL REGISTER notice. All information submitted by a third party is available for inspection and copying at the offices of the Department of Education in Washington, D.C., during normal business hours.

(f) *Adverse information.* If the deciding official considers information in addition to the evidence described in the notice of the Secretary's determination that is adverse to the guaranty agency's position on appeal, the deciding official informs the agency and provides it a reasonable opportunity to respond to the information without regard to the period referred to in paragraph (d)(2) of this section.

(g) *Decision.* (1) The deciding official issues a written decision on the guaranty agency's appeal within 45 days of the date on which the information described in paragraphs (d)(4) and (d)(5)(ii) of this section is received, or the oral argument referred to in paragraph (d)(5) of this section is held, whichever is later. The deciding official mails the decision to the guaranty agency by certified mail, return receipt requested. The decision of the deciding official becomes the final decision of the Secretary 30 days after the deciding official issues it. In the case of a determination that a guaranty agency must return Federal funds, if the deciding official does not issue a decision within the prescribed period, the agency is no longer required to take the actions described in paragraph (c)(2)(v) of this section.

(2) A guaranty agency may not seek judicial review of the Secretary's determination to require the return of Federal funds or assets until the deciding official issues a decision.

(3) The deciding official's written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary's determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) *Collection of Federal funds or assets.* (1) If the deciding official's final decision requires the guaranty agency to return Federal funds, or requires the guaranty agency to require the return of Federal funds or assets to the agency or to the Secretary, the decision states a new date for compliance with the decision. The new date is no earlier

than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the Federal funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

**§ 682.603 Certification by a school that participated in the FFEL Program in connection with a loan application.**

(a) A school shall certify that the information it provides in connection with a loan application about the borrower and, in the case of a parent borrower, the student for whom the loan is intended, is complete and accurate. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made by the borrower and, in the case of a parent borrower of a PLUS loan, the student and the parent borrower.

(b) The information to be provided by the school about the borrower pertains to—

(1) The borrower's eligibility for a loan, as determined in accordance with § 682.201 and § 682.204;

(2) For a subsidized Stafford loan, the student's eligibility for interest benefits as determined in accordance with § 682.301; and

(3) The schedule for disbursement of the loan proceeds, which must reflect the delivery of the loan proceeds as set forth in section 428G of the Act.

(c) Except as provided in paragraph (e) of this section, in certifying a loan, a school must certify a loan for the lesser of the borrower's request or the loan limits determined under § 682.204.

(d) Before certifying a PLUS loan application for a graduate or professional student borrower, the school must determine the borrower's eligibility for a Stafford loan. If the borrower is eligible for a Stafford loan but has not requested the maximum Stafford loan amount for which the borrower is eligible, the school must—

(1) Notify the graduate or professional student borrower of the maximum Stafford loan amount that he or she is eligible to receive and provide the borrower with a comparison of—

(i) The maximum interest rate for a Stafford loan and the maximum interest rate for a PLUS loan;

(ii) Periods when interest accrues on a Stafford loan and periods when interest accrues on a PLUS loan; and

(iii) The point at which a Stafford loan enters repayment and the point at which a PLUS loan enters repayment; and

(2) Give the graduate or professional student borrower the opportunity to request the maximum Stafford loan amount for which the borrower is eligible.

(e) A school may not certify a Stafford or PLUS loan, or a combination of loans, for a loan amount that—

(1) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in § 682.204; or

(2) Exceeds the student's estimated cost of attendance for the period of enrollment, less—

(i) The student's estimated financial assistance for that period; and

(ii) In the case of a Subsidized Stafford loan, the borrower's expected family contribution for that period.

(f)(1)(i) The minimum period of enrollment for which a school may certify a loan application is—

(A) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, or has terms that are substantially equal in length with no term less than nine weeks in length, a single term (e.g., a semester or quarter); or

(B) Except as provided in paragraphs (f)(1)(ii) or (iii) of this section, at a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system and does not have terms that are substantially equal in length with no term less than nine weeks in length, the lesser of—

(1) The length of the student's program (or the remaining portion of that program if the student has less than the full program remaining) at the school; or

(2) The academic year as defined by the school in accordance with 34 CFR 688.3.

(ii) For a student who transfers into a school with credit or clock hours from another school, and the prior school certified or originated a loan for a period of enrollment that overlaps the period of enrollment at the new school, the new school may certify a loan for the remaining portion of the program or academic year. In this case the school may certify a loan for an amount that does not exceed the remaining balance of the student's annual loan limit.

(iii) For a student who completes a program at a school, where the student's last loan to complete that program had been for less than an academic year, and the student then begins a new program at the same school, the school may certify a loan for the remainder of the academic year. In this case the school may certify a loan for an amount that does not exceed the remaining balance of the student's annual loan limit at the loan level associated with the new program.

(2) May not, for first-time borrowers, assign through award packaging or

other methods, a borrower's loan to a particular lender;

(3) May refuse to certify a Stafford or PLUS loan or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the borrower in writing, provided that—

(i) The determination is made on a case-by-case basis; and

(ii) The documentation supporting the determination is retained in the student's file; and

(4) May not, under paragraph (f)(1), (2), and (3) of this section, engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, or selection of a particular lender or guaranty agency.

(g) The maximum period for which a school may certify a loan application is—

(1) Generally an academic year, as defined by 34 CFR 688.3, except that a guaranty agency may allow a school to use a longer period of time, corresponding to the period to which the agency applies the annual loan limits; or

(2) For a defaulted borrower who has regained eligibility under § 682.401(b)(1), the academic year in which the borrower regained eligibility.

(h) In certifying a Stafford or Unsubsidized Stafford loan amount in accordance with § 682.204—

(1) A program of study must be considered at least one full academic year if—

(i) The number of weeks of instructional time is at least 30 weeks; and

(ii) The number of clock hours is at least 900, the number of semester or trimester hours is at least 24, or the number of quarter hours is at least 36;

(2) A program of study must be considered two-thirds (2/3) of an academic year if—

(i) The number of weeks of instructional time is at least 20 weeks; and

(ii) The number of clock hours is at least 600, the number of semester or trimester hours is at least 16, or the number of quarter hours is at least 24;

(3) A program of study must be considered one-third ( $\frac{1}{3}$ ) of an academic year if—

(i) The number of weeks of instructional time is at least 10 weeks; and

(ii) The number of clock hours is at least 300, the number of semester or trimester hours is at least 8, or the number of quarter hours is at least 12; and

(4) In prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the number of hours for which an eligible student is enrolled changes after the school certifies the loan.

(i)(1) If a school measures academic progress in an educational program in credit hours and uses either standard terms (semesters, trimesters, or quarters) or nonstandard terms that are substantially equal in length, and each term is at least nine weeks of instructional time in length, a student is considered to have completed an academic year and progresses to the next annual loan limit when the academic year calendar period has elapsed.

(2) If a school measures academic progress in an educational program in credit hours and uses nonstandard terms that are not substantially equal in length or each term is not at least nine weeks of instructional time in length, or measures academic progress in credit hours and does not have academic terms, a student is considered to have completed an academic year and progresses to the next annual loan limit at the later of—

(i) The student's completion of the weeks of instructional time in the student's academic year; or

(ii) The date, as determined by the school, that the student has successfully completed the academic coursework in the student's academic year.

(3) If a school measures academic progress in an educational program in clock hours, a student is considered to have completed an academic year and progresses to the next annual loan limit at the later of—

(i) The student's completion of the weeks of instructional time in the student's academic year; or

(ii) The date, as determined by the school, that the student has successfully completed the clock hours in the student's academic year.

(4) For purposes of this section, terms in a loan period are substantially equal in length if no term in the loan period is more than two weeks of instructional time longer than any other term in that loan period.

(j)(1) A school must cease certifying loans based on the exceptions in section 428G(a)(3) of the Act no later than—

(i) 30 days after the date the school receives notification from the Secretary of an FFEL cohort default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in those paragraphs; or

(ii) October 1, 2002.

(2) A school must cease certifying loans based on the exceptions in section 428G(a)(3) of the Act no later than 30 days after the date the school receives notification from the Secretary of an FFEL cohort default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in those paragraphs.

(k) A school may not assess the borrower, or the student in the case of a parent PLUS loan, a fee for the completion or certification of any FFEL Program form or information or for providing any information necessary for a student or parent to receive a loan under part B of the Act or any benefits associated with such a loan.

(l) Pursuant to paragraph (b)(3) of this section, a school may not request the disbursement by the lender for loan

### § 682.604 Required exit counseling for borrowers.

(a) *Exit counseling.* (1) A school must ensure that exit counseling is conducted with each Stafford Loan borrower and graduate or professional student PLUS Loan borrower either in person, by audiovisual presentation, or by interactive electronic means. In each case, the school must ensure that this counseling is conducted shortly before the student borrower ceases at least half-time study at the school, and that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program that the home institution approves for credit, written counseling materials may be provided by mail within 30 days after the student borrower completes the program. If a student borrower withdraws from school without the school's prior knowledge or fails to complete an exit counseling session as required, the school must, within 30 days after learning that the student borrower has withdrawn from school or failed to complete the exit counseling as required, ensure that exit counseling is provided through interactive electronic means, by mailing written counseling materials to the student borrower at the student borrower's last known address, or by sending written counseling materials to an email address provided by the student borrower that is not an email address

associated with the school sending the counseling materials.

(2) The exit counseling must—

(i) Inform the student borrower of the average anticipated monthly repayment amount based on the student borrower's indebtedness or on the average indebtedness of student borrowers who have obtained Stafford loans, PLUS Loans, or student borrowers who have obtained both Stafford and PLUS loans, depending on the types of loans the student borrower has obtained, for attendance at the same school or in the same program of study at the same school;

(ii) Review for the student borrower available repayment plan options, including standard, graduated, extended, income sensitive and income-based repayment plans, including a description of the different features of each plan and sample information showing the average anticipated monthly payments, and the difference in interest paid and total payments under each plan;

(iii) Explain to the borrower the options to prepay each loan, to pay each loan on a shorter schedule, and to change repayment plans;

(iv) Provide information on the effects of loan consolidation including, at a minimum—

(A) The effects of consolidation on total interest to be paid, fees to be paid, and length of repayment;

(B) The effects of consolidation on a borrower's underlying loan benefits, including grace periods, loan forgiveness, cancellation, and deferment opportunities;

(C) The options of the borrower to prepay the loan and to change repayment plans; and

(D) That borrower benefit programs may vary among different lenders;

(v) Include debt-management strategies that are designed to facilitate repayment;

(vi) Explain to the borrower the use of a Master Promissory Note;

(vii) Emphasize to the student borrower the seriousness and importance of the repayment obligation the borrower has assumed;

(viii) Emphasize to the student borrower that the full amount of the loan (other than a loan made or originated

by the school) must be repaid in full even if the student borrower does not complete the program, does not complete the program within the regular time for program completion, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services that the student borrower purchased from the school;

(ix) Describe the likely consequences of default, including adverse credit reports, delinquent debt collection procedures under Federal law, and litigation;

(x) Provide—

(A) A general description of the terms and conditions under which a borrower may obtain full or partial forgiveness or discharge of principal and interest, defer repayment of principal or interest, or be granted forbearance on a title IV loan, including forgiveness benefits or discharge benefits available to a FFEL borrower who consolidates his or her loan into the Direct Loan program; and

(B) A copy, either in print or by electronic means, of the information the Secretary makes available pursuant to section 485(d) of the HEA;

(xi) Require the student borrower to provide current information concerning name, address, social security number, references, and driver's license number and State of issuance, as well as the student borrower's expected permanent address, the address of the student borrower's next of kin, and the name and address of the student borrower's expected employer (if known). The school must ensure that this information is provided to the guaranty agency or agencies listed in the student borrower's records within 60 days after the student borrower provides the information;

(xii) Review for the student borrower information on the availability of the Student Loan Ombudsman's office;

(xiii) Inform the student borrower of the availability of title IV loan information in the National Student Loan Data System (NSLDS) and how NSLDS can be used to obtain title IV loan status information; and

(xiv) A general description of the types of tax benefits that may be available to borrowers.

(3) If exit counseling is conducted by electronic interactive means, the school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the counseling.

(4) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(5)(i) For students who have received both FFEL Program and Direct Loan Program loans for attendance at a school, the school's compliance with the exit counseling requirements in 34 CFR 685.304(b) satisfies the requirements of this section if the school ensures that the exit counseling also provides the borrower with the information described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section.

(ii) A student's completion of electronic interactive exit counseling offered by the Secretary satisfies the requirements of this section, and for students who have also received Direct Loan Program loans for attendance at the school, the requirements of 34 CFR 685.304(b).

**§ 682.703 Informal compliance procedure.**

(a) The Secretary may use the informal compliance procedure in paragraph (b) of this section if the Secretary receives a complaint or other reliable information indicating that a lender or third-party servicer may be in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) Under the informal compliance procedure, the Secretary gives the lender or servicer a reasonable opportunity to—

(1) Respond to the complaint or information; and

(2) Show that the violation has been corrected or submit an acceptable plan for correcting the violation and preventing its recurrence.

(c) The Secretary does not delay limitation, suspension, or termination procedures during the informal compliance procedure if—

(1) The delay would harm the FFEL programs; or

(2) The informal compliance procedure will not result in correction of the alleged violation.

**§ 682.704 Emergency action.**

(a) The Secretary, or a designated Departmental official, may take emergency action to withhold payment of interest benefits and special allowance to a lender if the Secretary—

(1) Receives reliable information that the lender or a third-party servicer with which the lender contracts is in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA pertaining to the lender's portfolio of loans;

(2) Determines that immediate action is necessary to prevent the likelihood of substantial losses by the Federal Government, parent borrowers, or students; and

(3) Determines that the likelihood of loss exceeds the importance of following the procedures for limitation, suspension, or termination.

(b) The Secretary begins an emergency action by notifying the lender or third-party servicer, by certified mail, return receipt requested, of the action and the basis for the action.

(c) The action becomes effective on the date the notice is mailed to the lender or third-party servicer.

(d)(1) An emergency action does not exceed 30 days unless a limitation, suspension, or termination proceeding is begun before that time expires.

(2) If a limitation, suspension, or termination proceeding is begun before the expiration of the 30-day period—

(i) The emergency action may be extended until completion of the proceeding, including any appeal to the Secretary; and

(ii) Upon the written request of the lender or third-party servicer, the Secretary may provide the lender or

servicer with an opportunity to demonstrate that the emergency action is unwarranted.

### § 682.705 Suspension proceedings.

(a) *Scope.* (1) A suspension by the Secretary removes a lender's eligibility under the FFEL programs or a third-party servicer's ability to enter into contracts with eligible lenders, and the Secretary does not guarantee or reinsure a new loan serviced by the servicer during a period not to exceed 60 days from the date the suspension becomes effective, unless—

(i) The lender or servicer and the Secretary agree to an extension of the suspension period, if the lender or third-party servicer has not requested a hearing; or

(ii) The Secretary begins a limitation or a termination proceeding.

(2) If the Secretary begins a limitation or a termination proceeding before the suspension period ends, the Secretary may extend the suspension period until the completion of that proceeding, including any appeal to the Secretary.

(b) *Notice.* (1) The Secretary, or a designated Departmental official, begins a suspension proceeding by sending the lender or servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to suspend the lender's or servicer's eligibility for a period not to exceed 60 days;

(ii) Describes the consequences of a suspension;

(iii) Identifies the alleged violations on which the proposed suspension is based;

(iv) States the proposed date the suspension becomes effective, which is at least 20 days after the date of mailing of the notice;

(v) Informs the lender or servicer that the suspension will not take effect on the proposed date if the Secretary receives at least five days prior to that date a request for an oral hearing or written material showing why the suspension should not take effect; and

### § 682.706 Limitation or termination proceedings.

(a) *Notice.* (1) The Secretary, or a designated Departmental official, begins a limitation or termination proceeding, whether a suspension proceeding has begun, by sending the lender or third-party servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to limit or terminate the lender's or servicer's eligibility;

(ii) Describes the consequences of a limitation or termination;

(iii) Identifies the alleged violations on which the proposed limitation or termination is based;

(iv) States the limits which may be imposed, in the case of a limitation proceeding;

(v) States the proposed date the limitation or termination becomes effective, which is at least 20 days after the date of mailing of the notice;

(vi) Informs the lender or servicer that the limitation or termination will not take effect on the proposed date if the Secretary receives, at least five days prior to that date, a request for an oral hearing or written material showing why the limitation or termination should not take effect;

(vii) Asks the lender or servicer to correct voluntarily any alleged violations; and

(viii) Notifies the lender or servicer that the Secretary may collect any amount owed by means of offset against amounts owed to the lender by the Department and other Federal agencies.

(b) *Hearing.* (1) If the lender or servicer does not request an oral hearing but submits written material, the Secretary, or a designated Departmental official, considers the material and—

(i) Dismisses the proposed limitation or termination; or

(ii) Notifies the lender or servicer of the date the limitation or termination becomes effective.

(2) If the lender or servicer requests a hearing within the time specified in paragraph (a)(2)(vi) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15 days after receipt of the request from the lender or servicer. No proposed limitation or termination takes effect until a hearing is held.

(3) The hearing is conducted by a presiding officer who—

(i) Ensures that a written record of the hearing is made;

(ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and

(iii) Issues an initial decision, based on findings of fact and conclusions of law, that may limit or terminate the lender's or servicer's eligibility if the presiding officer is persuaded that the limitation or termination is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure (28 U.S.C. appendix), is required.

(5) The presiding officer shall base findings of fact only on evidence presented at or before the hearing and matters given official notice.

(6) If a termination action is brought against a lender or third-party servicer and the presiding officer concludes that a limitation is more appropriate, the presiding officer may issue a decision imposing one or more limitations on a lender or third-party servicer rather than terminating the lender's or servicer's eligibility.

(7) In a termination action against a lender or third-party servicer based on a debarment under Executive Order 12549 or under the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4 that does not meet the standards described in 2 CFR 3485.612(d), the presiding official finds that the debarment constitutes prima facie evidence that cause for debarment and termination under this subpart exists.

(8) The initial decision of the presiding officer is mailed to the lender or servicer.

(9) Any time schedule specified in this section may be shortened with the approval of the presiding officer and the consent of the lender or servicer and the Secretary or designated Departmental official.

(10) The presiding officer's initial decision automatically becomes the Secretary's final decision 20 days after it is issued and received by both parties unless the lender, servicer, or designated Departmental official appeals the decision to the Secretary within this period.

(c) Notwithstanding the other provisions of this section, if a lender or a lender's owner or officer or third-party servicer or servicer's owner or officer, respectively, is convicted of or pled *nolo contendere* or guilty to a crime involving the unlawful acquisition, use, or expenditure of FFEL program funds, that conviction or guilty plea is grounds for terminating the lender's or servicer's eligibility, respectively, to participate in the FFEL programs.

#### § 682.707 Appeals in a limitation or termination proceeding.

(a) If the lender, third-party servicer, or designated Departmental official appeals the initial decision of the presiding officer in accordance with § 682.706(b)(10)—

(1) An appeal is made to the Secretary by submitting to the Secretary and the opposing party within 15 days of the date of the appealing party's receipt of the presiding officer's decision, a brief or other written material explaining why the decision of the presiding officer should be overturned or modified; and

(2) The opposing party shall submit its brief or other written material to the Secretary and the appealing party within 15 days of its receipt of the brief or written material of the appealing party.

(b) The Secretary issues a final decision affirming, modifying, or reversing

## § 682.708

the initial decision, including a statement of the reasons for the Secretary's decision.

(c) Any party submitting material to the Secretary shall provide a copy to each party that participates in the hearing.

(d) If the presiding officer's initial decision would limit or terminate the lender's or servicer's eligibility, it does not take effect pending the appeal unless the Secretary determines that a stay of the date it becomes effective would seriously and adversely affect the FFEL programs or student or parent borrowers.

### § 682.708 Evidence of mailing and receipt dates.

(a) All mailing dates and receipt dates referred to in this subpart must be substantiated by the original receipts from the U.S. Postal Service.

### § 682.709 Reimbursements, refunds, and offsets.

(a) As part of a limitation or termination proceeding, the Secretary, or a designated Departmental official, may require a lender or third-party servicer to take reasonable corrective action to remedy a violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action may include payment to the Secretary or recipients designated by the Secretary of any funds, and any interest thereon, that the lender, or, in the case of a third-party servicer, the servicer or the lender that has a contract with a third-party servicer, improperly received, withheld, disbursed, or caused to be

## 34 CFR Ch. VI (7-1-14 Edition)

disbursed. A third-party servicer may be held liable up to the amounts specified in § 682.413(a)(2).

(c) If a final decision requires a lender, a lender that has a contract with a third-party servicer, or a third-party servicer to reimburse or make any payment to the Secretary, the Secretary may, without further notice or opportunity for a hearing, proceed to offset or arrange for another Federal agency to offset the amount due against any interest benefits, special allowance, or other payments due to the lender, the lender that has a contract with the third-party servicer, or the third-party servicer. A third-party servicer may be held liable up to the amounts specified in § 682.413(a)(2).

(d) In any action under this part based on a violation of the prohibitions in section 435(d)(5) of the Act, if the Secretary, the designated Department official, or the hearing official finds that the lender provided or offered the payments or activities described in paragraph (5)(i) of the definition of "lender" in § 682.200(b), the Secretary or the official applies a rebuttable presumption that the payments or activities were offered or provided to secure applications for FFEL loans. To reverse the presumption, the lender must present evidence that the activities or payments were provided for a reason unrelated to securing applications for FFEL loans or securing FFEL loan volume.

### § 682.710 Removal of limitation.

(a) A lender or third-party servicer may request removal of a limitation imposed by the Secretary in accordance with the regulations in this subpart at any time more than 12 months after the date the limitation becomes effective.

(b) The request must be in writing and must show that the lender or servicer has corrected any violations on which the limitation was based.

(c) Within 60 days after receiving the request, the Secretary—

- (1) Grants the request;
- (2) Denies the request; or

(3) Grants the request subject to other limitations.

(d)(1) If the Secretary denies the request or establishes other limitations, the lender or servicer, upon request, is given an opportunity to show why all limitations should be removed.

(2) A lender or third-party servicer may continue to participate in the FFEL programs, subject to any limitation imposed by the Secretary under paragraph (c)(3) of this section, pending a decision by the Secretary on a request under paragraph (d)(1) of this section.

**§ 682.711 Reinstatement after termination.**

(a) A lender or third-party servicer whose eligibility has been terminated by the Secretary in accordance with the procedures of this subpart may request reinstatement of its eligibility after the later of—

(1) Eighteen months from the effective date of the termination; or

(2) The expiration of the period of debarment under Executive Order 12459 or the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4.

(b) The request must be in writing and must show that—

(1) The lender or servicer has corrected any violations on which the termination was based; and

(2) The lender or servicer meets all requirements for eligibility.

(c) Within 60 days after receiving a request for reinstatement, the Secretary—

(1) Grants the request;

(2) Denies the request; or

(3) Grants the request subject to limitations.

(d)(1) If the Secretary denies the lender's or servicer's request or allows reinstatement subject to limitations, the lender or servicer, upon request, is given an opportunity to show why its eligibility should be reinstated and all limitations removed.

(2) A lender or third-party servicer whose eligibility to participate in the FFEL programs is reinstated subject to limitations imposed by the Secretary pursuant to paragraph (c)(3) of this sec-

tion, may participate in those programs, subject to those limitations, pending a decision by the Secretary on a request under paragraph (d)(1) of this section.

**§ 682.712 Disqualification review of limitation, suspension, and termination actions taken by guarantee agencies against lenders.**

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a lender participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the lender of the Secretary's decision by mail.

(b) The Secretary disqualifies a lender from participation in the FFEL programs if—

(1) The lender waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(U) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The lender has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the lender will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a lender to the Secretary within 30 days of its final decision to limit, suspend, or terminate

**§ 682.713**

the lender's eligibility to participate in the agency's program.

(e) The Secretary reviews an agency's limitation, suspension, or termination of a lender's eligibility only when the guaranty agency's action is final, e.g., the lender is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency's letter initiating the action.

(2) The lender's response.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(5) The decision of the agency on appeal from the hearing officer's decision, if any.

(6) The regulations and written procedures of the agency under which the action was taken.

(7) The audit or lender review report or documented basis that led to the action.

(8) All other documents relevant to the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (i) of this section.

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(U) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances de-

scribed in paragraph (i) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(U) of the Act and, if applicable, one or more of the circumstances described in paragraph (i) of this section exist, the Secretary notifies the lender that the Secretary will review the guaranty agency's action to determine whether to disqualify the lender from further participation in the FFEL programs and affords the lender an opportunity—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) In the case of an action by an agency that limits or suspends a lender's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The lender has not corrected the violation. A violation is corrected if, among other things, the lender has satisfied fully all liabilities incurred by the lender as a result of the violation, including its liability to the Secretary, or the lender has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The lender has not provided satisfactory assurances to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the lender from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the lender's eligibility to participate in the agency's program.

CLAIMS [BULLETIN 88–G–138]

NOTE: The following is a reprint of Bulletin 88–G–138, issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline. For the purpose of determining the 3-year deadline, reinsurance is lost on the later of (a) 3 years from the last date the claim could have been filed for claim payment with the guaranty agency for a claim that was not filed; or (b) 3 years from the date the guaranty agency rejected the claim, for a claim that was filed. These deadlines are extended by periods during which collection activities are suspended due to the filing of a bankruptcy petition.

## INTRODUCTION

(1) This letter sets forth the circumstances under which the Secretary, pursuant to sections 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR 682.406(b) and 682.413(f), will waive certain of the Secretary's rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Program.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1986, whether or not the affected loans have been submitted as claims to the guaranty agency.

(2) The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Program. As a part of this effort, the Secretary published final regulations on November 10,

1986, requiring lenders and guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, §682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency's receiving or retaining reinsurance payments made by the Secretary on a loan. See 34 CFR 682.406(a)(3), (a)(5), (a)(6), and 682.413(b). The regulations also specify that a lender must comply with §682.411 and with the applicable filing deadline as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. See 34 CFR 682.300(b)(2)(vii), 682.302(d)(1)(iv), 682.413(a)(1).

(3) The Department has received inquiries regarding the procedures by which a lender may cure a violation of §682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in §682.406(a)(3) and (a)(5), in order to reinstate the agency's right to reinsurance and the lender's right to interest benefits and special allowance. Preliminarily, please note that, absent an exercise of the Secretary's waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under §§682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation or any other violation of Federal regulations. A lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. See §§682.406(a)(7) and 682.413(b). As §§682.406(a)(7) and 682.413(b) make clear, a guaranty agency's cure procedures are relevant to reinsurance coverage only insofar as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all those requirements must be submitted to the Secretary for review and approval under 34 CFR 682.401(c).

(4) References throughout this letter to “due diligence and timely filing” rules, requirements, and violations should be understood to mean only the Federal rules cited above, unless the context clearly requires otherwise.

#### A. SCOPE

This letter outlines the Secretary’s waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the lender’s violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

#### B. DUTY OF A GUARANTY AGENCY TO ENFORCE ITS STANDARDS

As noted above, a lender’s violation of a guaranty agency’s requirement that affects the agency’s guarantee coverage also affects reinsurance coverage. Thus, as a general rule, an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guaranty agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988.

(1) The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

(2) The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency’s due diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement policy outlined in section I.C.1. However, for any violation of an agency’s due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on

the underlying loan. For these post-April 30 violations, and for any other violation of an agency’s rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

#### C. DUE DILIGENCE

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 270 days for loans payable in monthly installments, or for 330 days for loans payable in less frequent installments. The 270/330-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment 3 months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on December 27th, when the April payment becomes 270 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

NOTE: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

#### D. TIMELY FILING

(1) The 90-day filing period applicable to FFEL Program default claims is described in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 270/330-day default period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 360th day of delinquency (270-day default period plus 90-day filing period) if the borrower brings the account less than 270 days

delinquent before the 360th day. Thus, in the above example, if the borrower makes the April 1st payment on December 28th, that payment makes the loan 241 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 270 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 270 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if those payments are sufficient to make the loan less than 270 days delinquent.

(2) Section I of this letter outlines the Secretary's waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary's authority to waive the Secretary's rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

#### I. WAIVER POLICY

##### A. DEFINITIONS

The following definitions apply to terms used throughout this letter:

*Full payment* means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of \$50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$25 per month for a specified time, and the borrower defaulted in making the reduced payments, a full payment would be \$50, or two \$25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a full payment only if a senior officer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

*Earliest unexcused violation* means:

(a) In cases when reinsurance is lost due to a failure to timely establish a first payment due date, the earliest unexcused violation

would be the 46th day after the date the first payment due date should have been established.

(b) In cases when reinsurance is lost due to a gap of 46 days, the earliest unexcused violation date would be the 46th day following the last collection activity.

(c) In cases when reinsurance is lost due to three or more due diligence violations of 6 days or more, the earliest unexcused violation would be the day after the date of default.

(d) In cases when reinsurance is lost due to a timely filing violation, the earliest unexcused violation would be the day after the filing deadline.

*Reinstatement* with respect to reinsurance coverage means the reinstatement of the guaranty agency's right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. Reinstatement with respect to reinsurance on a loan also includes reinstatement of the lender's right to receive interest and special allowance payments on that loan.

*Gap in collection activity* on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has "skipped" and the lender's first skip-tracing activity.

**NOTE:** The concept of "gap" is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on or after November 10, 1986. For those loans, not all gaps are violations of the due diligence rules.

*Violation* with respect to the due diligence requirements in §682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If during the delinquency period a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after the 45-day gap (or 60 for loans with a transfer) will be considered the date that the violation occurred.

*Transfer* means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

*B. General*

1. *Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations.* For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. *Reservation of the Secretary's Right to Strict Enforcement.* While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules and in cases where the best interests of the United States otherwise require strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. *Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority.* The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

a. The guaranty agency and lender must ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1., by an adjustment to one of the next three quarterly billings for interest benefits and special allowance submitted by the lender in a timely manner after May 1, 1988. The guaranty agency's responsibility in this regard is satisfied by receipt of a certification from the lender that this repayment has been made in full.

b. The guaranty agency, on or before October 1, 1988, must repay all reinsurance received on loans involving violations occurring prior to May 1, 1988, for which the agency is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1. Pending completion of the repayment described above, a lender or guaranty agency may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be

made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. *Applicability of the Waiver Policy to Particular Classes of Loans.* The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day or 270/330-day default period (as applicable) that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence or timely filing requirements or both. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline.

5. *Excuse of Certain Due Diligence Violations.* Except as noted in section II, if a loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411. Guarantors must review the due diligence for the 180/240 or 270/330-day period (as applicable) prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. *Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures.* If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency and files a default claim on the loan not more than 45 days after completing the additional activities.

7. *Treatment of Accrued Interest on "Cured" Claims.* For any loan involving any violation of the due diligence or timely filing rules for which a "cure" is required under section I.C. or I.E., for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unpaid interest accruing after the date of the earliest unexcused violation occurring after the last payment received before the cure is accomplished, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unpaid interest accruing on

the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage. However, if the agency later files a claim for reinsurance on that loan, the agency must deduct this capitalized interest from the amount of the claim. Some cures will not reinstate coverage. For treatment of accrued interest in those cases, see section I.E.1.c.

*C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)*

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made. The special provisions for transfers apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A.

*1. Retrospective Period.* For one or more due diligence violations occurring during the period March 10, 1987–April 30, 1988—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.

b. If a gap of 46–60 days (61–75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.

c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or the lender, in order for reinsurance on the loan to be reinstated. (See section I.E.1.d., for a description of acceptable evidence of location.) In addition, if the loan is held by the lender or after March 15, 1988, the lender must follow the steps described in section I.E.1., or receive a full payment or a new signed repayment agreement, in order for the loan to again be eligible for reinsurance. The lender must repay all interest benefits and special allowance received for the period beginning with its earliest unexcused violation, occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

*2. Prospective Period.* For due diligence violations occurring on or after May 1, 1988 based on due dates prior to October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer.)

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a preclaims assistance request must be made before the 240th day of delinquency. If the lender fails to make this request by the 240th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 180 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

*3. Post 1998 Amendments.* For due diligence violations based on due dates on or after October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer).

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest,

interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a default aversion assistance request must be made before the 330th day of delinquency. If the lender fails to make this request by the 330th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 270 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1. or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1. for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished and ending with the date, if any, that reinsurance on the loan is reinstated.

*D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations.*

1. *Cures.* In the case of a loan involving violations described in section I.C.2.d. or I.C.3.d., the lender may utilize either of the two procedures described in section I.D.1.a or I.D.1.b. for obtaining reinstatement of reinsurance coverage on the loan.

a. After the violations occur, the lender obtains a new repayment agreement signed by the borrower. The repayment agreement must comply with the repayment period limitations set out in 34 CFR 682.209(a)(8) and 682.209(h)(2); or

b. After the violations occur, the lender obtains one full payment. If the borrower later defaults, the guaranty agency must obtain

evidence of this payment (e.g., a copy of the check) from the lender.

2. *Borrower Deemed Current as of Date of Cure.* On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., reinsurance coverage on the loan is reinstated, and the borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender must then follow the collection and timely filing requirements applicable to the loan.

*E. Cures for Timely Filing Violations and Certain Due Diligence Violations*

1. *Default Claims.*

a. *Reinstatement of Insurance Coverage.* Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c. or I.C.3.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d. for description of acceptable evidence of location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, that complies with the ten-year repayment limitations in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed. If, within 15 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender must, within 5 days thereafter, diligently attempt to contact the borrower by telephone. Within 5-10 days after completing these efforts, the lender must again diligently attempt to contact the borrower by telephone. Finally, within 5-10 days after completing these efforts, the lender must send a forceful collection letter indicating that the entire unpaid balance of the loan is due and payable, and that, unless the borrower immediately contacts the lender to arrange repayment, the lender will be filing a default claim with the guaranty agency.

b. *Borrower Deemed Current Under Certain Circumstances.* If, at any time on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender receives a full payment or a new signed repayment agreement, reinsurance coverage on the loan is reinstated on the date the lender receives the full payment or new agreement. The borrower must be deemed by the lender to be

current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation to the date of reinstatement of reinsurance coverage on the loan.

*c. Borrower Deemed in Default Under Certain Circumstances.* If the borrower does not make a full payment, or sign and return the new repayment agreement, on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender must deem the borrower to be in default. The lender must then file a default claim on the loan, accompanied by acceptable evidence of location (see section I.E.1.d.), within 30 days after the end of the 30-day period. Reinsurance coverage, and therefore the lender's right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of those loans, on unpaid interest as provided in section I.B.7., and for reimbursement of eligible supplemental preclaims assistance costs. In the case of a timely filing violation on a loan for which the borrower is deemed in default under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

*d. Acceptable Evidence of Location.* Only the following documentation is acceptable as evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower not more than 15 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(2) Documentation submitted by the lender showing—

(i) The name, identification number, and address of the lender;

(ii) The name and Social Security number of the borrower; and

(iii) A signed certification by an employee or agent of the lender, that—

(A) On a specified date, he or she spoke with or received written communication (attached to the certification) from the borrower on the loan underlying the default claim, or a parent, spouse, sibling, roommate, or neighbor of the borrower;

(B) The address and, if available, telephone number of the borrower were provided to the lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., had not been returned undelivered as of 20 days after the date those items were sent, for due diligence violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

*2. Death, Disability, and Bankruptcy Claims.* The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the 60-day timely filing requirement (See 34 CFR 682.402(g)(2)(i)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period. The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (§ 682.402(g)(2)(iv)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy or, if previously discharged, has been the subject of a reversal of the discharge. In that case, the lender must return the borrower to the appropriate status that existed prior to the filing of the bankruptcy claim unless the status has changed due solely to passage of time. In the latter case, the lender must place the borrower in the status that would exist had no bankruptcy claim been filed. If the borrower is delinquent after the loan is determined nondischargeable, the lender should grant administrative forbearance to bring the borrower's account current as provided in § 682.211(f)(4) and § 682.402(f)(5)(ii) and (f)(6). The Secretary will not reimburse the guaranty agency for interest for the period beginning on the filing deadline for the bankruptcy claim and ending on the date the loan becomes eligible again for reinsurance. Reinsurance is reinstated on the date the bankruptcy action concludes and the loan is not

discharged or on the date a previous discharge is reversed.

II. *Due Date of First Payment.* Section 682.411(b)(1) refers to the “due date of the first missed payment not later made” as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period on an FFEL Program loan begins some number of months after the month in which the borrower ceases at least half-time study. Where the borrower enters the repayment period with the lender’s knowledge, the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins. In this situation, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first payment (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)).

1. In cases where the lender learns that the borrower has entered the repayment period after the fact, current §682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun (“the notice”) as the first payment due date. In recognition of this apparently widespread practice, the Secretary has decided that, both retrospectively and prospectively, a lender should be allowed to establish a first payment due date within 60 days after receipt of the notice, to capitalize interest accruing up to the first payment due date, and to exercise forbearance with respect to the period during which the borrower was in the repayment period but made no payment. In effect, this means that, if the lender sends the borrower a coupon book, billing notice, or other correspondence establishing a new first payment due date, on or before the 60th day after receipt of the notice, the lender is deemed to have exercised forbearance up to the new first payment due date. The new first payment due date must fall no later than 75 days after receipt of the notice (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)). In keeping with the 5-day tolerance permitted under section I.C.2.a., for the “prospective period,” or section I.C.3.a., for the “post 1998 amendment period,” a lender that sends the above-described material on or before the 65th day after receipt of the notice will be held harmless. However, a lender that does so on the 66th day will have failed by more than 5 days to send both of the collection letters required by §682.411(c) to be sent within the first 30 days of delinquency and will thus have committed two violations of more than five days of that rule.

2. If the lender fails to send the material establishing a new first payment due date on or before the 65th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent and will be deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the material is sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., that only violations occurring during the most recent 180 or 270 days (as applicable) of the delinquency period on a loan are relevant to the Secretary’s examination of due diligence.

*Please Note:* References to the “65th day after receipt of the notice” and “66th day” in the preceding paragraphs should be amended to read “95th day” and “96th day” respectively for lenders subject to §682.209(a)(3)(ii)(E).

### III. *Questions and Answers*

The waiver policy outlined in this letter was developed after extensive discussion and consultation with participating lenders and guaranty agencies. In the course of these discussions, lenders and agencies raised a number of questions regarding the due diligence rules as applied to various circumstances. The Secretary’s responses to these questions follow.

NOTE: The answer to questions 1 and 4 are applicable only to loans subject to §682.411 of the FFEL and PLUS program regulations published on or after November 10, 1986.

1. Q: Section 682.411 of the program regulations requires the lender to make “diligent efforts to contact the borrower by telephone” during each 30-day period of delinquency beginning after the 30th day of delinquency. What must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact with the borrower, or two attempts to make such contact on different days and at different times, will satisfy the “diligent efforts” requirement for any of the 30-day delinquency periods described in the rule. However, the “diligent efforts” requirement is intended to be a flexible one, requiring the lender to act on information it receives in the course of attempting telephone contact regarding the borrower’s actual telephone number, the best time to call to reach the borrower, etc. For instance, if the lender is told during its second telephone contact attempt that the borrower can be reached at another number or at a different time of day, the lender must then attempt to reach the borrower by telephone at that number or that time of day.

2. *Q*: What must a lender do when it receives conflicting information regarding the date a borrower ceased at least half-time study?

*A*: A lender must promptly attempt to reconcile conflicting information regarding a borrower's in-school status by making inquiries of appropriate parties, including the borrower's school. Pending reconciliation, the lender may rely on the most recent credible information it has.

3. *Q*: If a loan is transferred from one lender to another, is the transferee held responsible for information regarding the borrower's status that is received by the transferor but is not passed on to the transferee?

*A*: No. A lender is responsible only for information received by its agents and employees. However, if the transferee has reason to believe that the transferor has received additional information regarding the loan, the transferee must make a reasonable inquiry of the transferor as to the nature and substance of that information.

4. *Q*: What are a lender's due diligence responsibilities where a check received on a loan is dishonored by the bank on which it was drawn?

*A*: Upon receiving notice that a check has been dishonored, the lender must treat the payment as having never been made for purposes of determining the number of days that the borrower is delinquent at that time. The lender must then begin (or resume) attempting collection on the loan in accordance with §682.411, commencing with the first 30-day delinquency period described in §682.411 that begins after the 30-day delinquency period in which the notice of dishonor is received. The same result occurs when the lender successfully obtains a delinquent borrower's correct address through skip-tracing, or when a delinquent borrower leaves deferment or forbearance status.

**Subpart A—Purpose and Scope****§ 685.100 The William D. Ford Federal Direct Loan Program.**

(a) Under the William D. Ford Federal Direct Loan (Direct Loan) Program (formerly known as the Federal Direct Student Loan Program), the Secretary makes loans to enable a student or parent to pay the costs of the student's attendance at a postsecondary school. This part governs the Federal Direct Stafford/Ford Loan Program, the Federal Direct Unsubsidized Stafford/Ford Loan Program, the Federal Direct PLUS Program, and the Federal Direct Consolidation Loan Program. The Secretary makes loans under the following program components:

(1)(i) Federal Direct Stafford/Ford Loan Program (Direct Subsidized Loan Program), which provides loans to undergraduate, graduate, and professional students. Loans made under this program are referred to as Direct Subsidized Loans. Except as provided in paragraph (a)(1)(ii) of this section, the Secretary subsidizes the interest while the borrower is in an in-school, grace, or deferment period. Graduate and professional students are not eligible to receive Direct Subsidized Loans for any period of enrollment beginning on or after July 1, 2012.

(ii) The Secretary does not subsidize the interest that accrues during the grace period on any Direct Subsidized Loan for which the first disbursement is made on or after July 1, 2012 and before July 1, 2014.

(2) Federal Direct Unsubsidized Stafford/Ford Loan Program (Direct Unsubsidized Loan Program), which provides loans to undergraduate, graduate and professional students. Loans made under this program are referred to as Direct Unsubsidized Loans. The borrower is responsible for the interest that accrues during any period.

(3) Federal Direct PLUS Program (Direct PLUS Loan Program), which provides loans to parents of dependent students and to graduate or professional students. Loans made under this program are referred to as Direct PLUS Loans. The borrower is responsible for the interest that accrues during any period.

(4) Federal Direct Consolidation Loan Program (Direct Consolidation Loan Program), which provides loans to borrowers to consolidate certain Federal educational loans. Loans made under this program are referred to as Direct Consolidation Loans.

(b) The Secretary makes a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan only to a student or a parent of a student enrolled in a school that participates in the Direct Loan Program.

(c) The Secretary makes a Direct Consolidation Loan only to a borrower who is consolidating at least one loan made under the Direct Loan Program or the Federal Family Education Loan (FFEL) Program.

(iii) Ten years after the date of the first anticipated disbursement, except that a remaining portion of a loan may be disbursed after this date.

(3) For MPNs processed by the Secretary on or after July 1, 2003, loans may no longer be made under an MPN after the earliest of—

(i) The date the Secretary or the school receives the borrower's written notice that no further loans may be made;

(3) For the purpose of paragraph (2)(i) of this definition, the required monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. "On-time" means a payment made within 20 days of the scheduled due date, and voluntary payments are payments made directly by the borrower and do not include payments obtained by Federal offset, garnishment, or income or asset execution.

(4) A borrower has not used the one opportunity to renew eligibility for title IV assistance if the borrower makes six consecutive, on-time, voluntary, full monthly payments under an agreement to rehabilitate a defaulted loan, but does not receive additional title IV assistance prior to defaulting on that loan again.

*Substantial gainful activity:* A level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both.

---

Number of days in the academic year for annual loan limit purposes for which the borrower receives the Direct Subsidized Loan

(iv) *Remaining eligibility period* is the difference, measured in academic years, between the borrower’s maximum eligibility period and the sum of

(iv) A borrower who completes an undergraduate program and who has not become responsible for accruing interest on Direct Subsidized Loans as a result of attendance in that program does not become responsible for accruing

interest under paragraph (f)(3)(i) of this section on any Direct Subsidized Loans received for attendance in any program prior to completing that undergraduate program and for which the borrower has not previously become responsible for accruing interest, regardless of subsequent attendance in any other program.

(4) *Exceptions to the calculation of subsidized usage periods.* (i) For a first-time borrower who receives a Direct Subsidized Loan in an amount that is equal to the full annual loan limit for a loan period that is less than a full academic year in length, the subsidized usage period is one year.

for enrollment in a graduate or professional program is the maximum eligibility period for the undergraduate program for which the borrower most recently received a Direct Subsidized Loan;

(iv) For enrollment in preparatory coursework necessary for enrollment in an undergraduate program, the borrower becomes responsible for accruing interest as described in paragraph (f)(3) of this section only if the borrower has no remaining eligibility period in the program for which the coursework is required; and

(v) Enrollment in preparatory coursework necessary for enrollment in a graduate or professional program does not result in a borrower becoming responsible for accruing interest as described in paragraph (f)(3) of this section.

(7) *Treatment of teacher certification programs for which an institution does not award an academic credential.* For first-time borrowers who receive a Direct Subsidized Loan under 34 CFR 668.32(a)(1)(iii) who are enrolled at an eligible institution in a program necessary for a professional credential or certification from a State that is required for employment as a teacher in an elementary or secondary school in that State but for which the institution awards no academic credential—

(i) The borrower's maximum eligibility period for Direct Subsidized Loans is a period of time equal to 150 percent of the length of the teacher certification program, as published by the institution, in which the borrower is currently enrolled;

(iii) For purposes of determining a borrower's remaining eligibility period for programs other than a teacher certification program for which an institution does not award an academic credential, any Direct Subsidized Loans that the borrower received for enrollment in such a teacher certification program are not included in a borrower's subsidized usage period; and

(iv) Enrollment in such a teacher certification program does not result in a borrower becoming responsible for accruing interest on any Direct Subsidized Loan under paragraph (f)(3) of this section.

(8) *Special admission degree programs.*

(i) For purposes of calculating the maximum eligibility period, a bachelor's degree program that requires an associate degree or the successful completion of at least two years of postsecondary coursework as a prerequisite for admission has a program length of four years.

student, except as provided in paragraph (c)(3) of this section, the total amount a student may borrow for any academic year of study under the Direct Unsubsidized Loan Program is the same as the amount determined under paragraph (a) of this section, less any amount received under the Direct Subsidized Loan Program, plus—

(i) \$2,000 for a program of study of at least a full academic year in length.

(ii) In order for a dependent undergraduate student to receive this additional loan amount, the financial aid administrator must determine that the student's parent likely will be pre-

cluded by exceptional circumstances from borrowing under the Direct PLUS Loan Program and the student's family is otherwise unable to provide the student's expected family contribution. The financial aid administrator must base the determination on a review of the family financial information provided by the student and consideration of the student's debt burden and must document the determination in the school's file.

(iii) "Exceptional circumstances" under paragraph (c)(1)(ii) of this section include but are not limited to circumstances in which the student's parent receives only public assistance or disability benefits, the parent is incarcerated, the parent has an adverse credit history, or the parent's whereabouts are unknown. A parent's refusal to borrow a Direct PLUS Loan does not constitute "exceptional circumstances."

(2) The additional amount that a student described in paragraph (c)(1)(i) of this section may borrow under the Direct Unsubsidized Loan Program for any academic year of study may not exceed the following:

(i) In the case of a student who has not successfully completed the first year of a program of undergraduate education—

(B) \$7,000 for coursework necessary for enrollment in a graduate or profes-

sional degree or certification program for a student who has obtained a baccalaureate degree.

(vii) In the case of a student who has obtained a baccalaureate degree and is enrolled or accepted for enrollment in coursework necessary for a professional credential or certification from a State that is required for employment as a teacher in an elementary or secondary school in that State, \$7,000.

(viii) Except as provided in paragraph (c)(2)(iv) of this section, an undergraduate student who is enrolled in a program that is one academic year or less in length may not borrow an amount for any academic year of study that exceeds the amounts in paragraph (c)(2)(i) of this section.

(ix) Except as provided in paragraph (c)(2)(iv) of this section—

(A) An undergraduate student who is enrolled in a program that is more than one academic year in length and who has not successfully completed the first year of that program may not borrow an amount for any academic year of study that exceeds the amounts in paragraph (c)(2)(i) of this section.

(d) *Aggregate limits for subsidized loans.* The aggregate unpaid principal amount of all Direct Subsidized Loans and Subsidized Federal Stafford Loans made to a student but excluding the amount of capitalized interest may not exceed the following:

(1) \$23,000 in the case of any student who has not successfully completed a program of study at the undergraduate level.

(2) \$65,500 in the case of a graduate or professional student, including loans for undergraduate study.

(e) *Aggregate limits for unsubsidized loans.* The total amount of Direct Unsubsidized Loans, Unsubsidized Federal Stafford Loans, and Federal SLS Loans, excluding the amount of capitalized interest, may not exceed the following:

(1) For a dependent undergraduate student, \$31,000 minus any Direct Subsidized Loan and Subsidized Federal Stafford Loan amounts, unless the student qualifies under paragraph (c) of this section for additional eligibility or qualified for that additional eligibility under the Federal SLS Program.

(2) For an independent undergraduate or a dependent undergraduate who qualifies for additional eligibility under paragraph (c) of this section or

qualified for this additional eligibility under the Federal SLS Program, \$57,500 minus any Direct Subsidized Loan and Subsidized Federal Stafford Loan amounts.

(3) For a graduate or professional student, \$138,500, including any loans for undergraduate study, minus any Direct Subsidized Loan, Subsidized Federal Stafford Loan, and Federal SLS Program loan amounts.

(f) *Direct PLUS Loans annual limit.* The total amount of all Direct PLUS Loans that a parent or parents may borrow on behalf of each dependent student, or that a graduate or professional student may borrow, for any academic year of study may not exceed the cost of attendance minus other estimated financial assistance for the student.

(i) *Treatment of Direct Consolidation Loans and Federal Consolidation Loans.* The percentage of the outstanding balance on Direct Consolidation Loans or Federal Consolidation Loans counted against a borrower's aggregate loan limits is calculated as follows:

(1) For Direct Subsidized Loans, the percentage equals the percentage of the original amount of the Direct Consolidation Loan or Federal Consolidation Loan attributable to the Direct Subsidized and Subsidized Federal Stafford Loans.

(2) For Direct Unsubsidized Loans, the percentage equals the percentage of the original amount of the Direct Consolidation Loan or Federal Consolidation Loan attributable to the Direct Unsubsidized, Federal SLS, and Unsubsidized Federal Stafford Loans.

(j) *Maximum loan amounts.* In no case may a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan amount

(1) The student's estimated financial assistance for that period; and

(2) In the case of a Direct Subsidized Loan, the borrower's expected family contribution for that period.

(k) Any TEACH Grants that have been converted to Direct Unsubsidized Loans are not counted against any annual or aggregate loan limits under this section.

### § 685.204 Deferment.

(a) *General.* (1) A Direct Subsidized Loan or Direct Subsidized Consolidation Loan borrower who meets the requirements described in paragraphs (b), (d), (e), (f), (g), (h), (i), or (j) of this section is eligible for a deferment during which periodic installments of principal and interest need not be paid.

(2) A Direct Unsubsidized Loan, Direct Unsubsidized Consolidation Loan, Direct PLUS Loan, or Direct PLUS Consolidation Loan borrower who meets the requirements described in paragraphs (b) through (j) of this section is eligible for a deferment during which periodic installments of principal need not be paid but interest does accrue and is capitalized or paid by the borrower. At or before the time a deferment is granted, the Secretary provides information, including an example, to assist the borrower in understanding the impact of capitalization of accrued, unpaid interest on the borrower's loan principal and on the total amount of interest to be paid over the life of the loan.

(3) A borrower whose loan is in default is not eligible for a deferment, unless the borrower has made payment arrangements satisfactory to the Secretary.

(4)(i) To receive a deferment, except as provided for in-school deferments under paragraphs (b)(2)(ii) through (iv) of this section, the borrower must request the deferment and, except as pro-

vided in paragraph (a)(5)(i) of this section, provide the Secretary with all information and documents required to establish eligibility for the deferment.

(ii) In the case of a military service deferment under paragraph (h) of this section, a borrower's representative may request the deferment and provide the required information and documents on behalf of the borrower. If the Secretary grants a military service deferment based on a request from a borrower's representative, the Secretary notifies the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The Secretary may also notify the borrower's representative of the outcome of the deferment request.

(5)(i) After receiving a borrower's written or verbal request for a deferment, the Secretary may grant a graduate fellowship deferment under paragraph (d), a rehabilitation training deferment under paragraph (e), an unemployment deferment under paragraph (f), an economic hardship deferment under paragraph (g), a military service deferment under paragraph (h), or a post-active duty student deferment under paragraph (i) of this section if the Secretary confirms that the borrower has received a deferment on a FFEL Program loan for the same reason and during the same time period.

(ii) The Secretary will grant a deferment based on the information obtained under paragraph (a)(5)(i) of this section when determining a borrower's eligibility for a deferment, unless the Secretary, as of the date of the determination, has information indicating that the borrower does not qualify for the deferment. The Secretary will resolve any discrepant information before granting a deferment under paragraph (a)(5)(i) of this section.

(iii) If the Secretary grants a deferment under paragraph (a)(5)(i) of this section, the Secretary notifies the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan.

(b) *In-school deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period during which—

(i) The borrower is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible school the borrower is attending; and

(ii) The borrower is not serving in a medical internship or residency program, except for a residency program in dentistry.

(2) For the purpose of paragraph (b)(1) of this section, the Secretary processes a deferment when—

(i) The borrower submits a request to the Secretary along with documentation verifying the borrower's eligibility;

(ii) The Secretary receives information from the borrower's school indicating that the borrower is eligible to receive a new loan;

(iii) The Secretary receives student status information from the borrower's school, either directly or indirectly, indicating that the borrower is enrolled on at least a half-time basis; or

(iv) The Secretary confirms a borrower's half-time enrollment status through the use of the National Student Loan Data System if requested to do so by the school the borrower is attending.

(3)(i) Upon notification by the Secretary that a deferment has been granted based on paragraph (b)(2)(ii), (iii), or (iv) of this section, the borrower has the option to cancel the deferment and continue to make payments on the loan.

(ii) If the borrower elects to cancel the deferment and continue to make payments on the loan, the borrower has the option to make the principal and interest payments that were deferred. If the borrower does not make the payments, the Secretary applies a deferment for the period in which payments were not made and capitalizes the interest.

(c) *In-school deferments for Direct PLUS Loan borrowers with loans first disbursed on or after July 1, 2008.* (1)(i) A student Direct PLUS Loan borrower is eligible for a deferment on a Direct PLUS Loan first disbursed on or after

July 1, 2008 during the six-month period that begins on the day after the student ceases to be enrolled on at least a half-time basis at an eligible institution.

(ii) If the Secretary grants an in-school deferment to a student Direct PLUS Loan borrower in accordance with § 685.204(b)(2)(ii), (iii), or (iv), the deferment period for a Direct PLUS Loan first disbursed on or after July 1, 2008 includes the six-month post-enrollment period described in paragraph (c)(1)(i) of this section.

(2) A parent Direct PLUS Loan borrower is eligible for a deferment on a Direct PLUS Loan first disbursed on or after July 1, 2008—

(i) Upon the request of the borrower, during the period when the student on whose behalf the loan was obtained is enrolled at an eligible institution on at least a half-time basis; and

(ii) Upon the request of the borrower, during the six-month period that begins on the later of the day after the student on whose behalf the loan was obtained ceases to be enrolled on at least a half-time basis or, if the parent borrower is also a student, the day after the parent borrower ceases to be enrolled on at least a half-time basis.

(d) *Graduate fellowship deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which an authorized official of the borrower's graduate fellowship program certifies that the borrower is pursuing a course of study pursuant to an eligible graduate fellowship program in accordance with paragraph (d)(2) of this section.

(2)(i) To qualify for a deferment under paragraph (d)(1) of this section, a borrower must—

(A) Hold at least a baccalaureate degree conferred by an institution of higher education;

(B) Have been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program, as defined in paragraph (d)(2)(ii) of this section; and

(C) Not be serving in a medical internship or residency program, except for a residency program in dentistry.

(ii) An eligible graduate fellowship program is a fellowship program that—

(A) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(B) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(C) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(D) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(e) *Rehabilitation training program deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which an authorized official of the borrower's rehabilitation training program certifies that the borrower is pursuing an eligible rehabilitation training program for individuals with disabilities in accordance with paragraph (e)(2) of this section.

(2) For purposes of paragraph (e)(1) of this section, an eligible rehabilitation training program for disabled individuals is a program that—

(i) Is licensed, approved, certified, or otherwise recognized as providing rehabilitation training to disabled individuals by—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower

to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) *Unemployment deferment.* (1) A Direct Loan borrower is eligible for a deferment during periods that, collectively, do not exceed three years in which the borrower is seeking and unable to find full-time employment.

(2) A borrower qualifies for an unemployment deferment by—

(i) Providing evidence of eligibility for unemployment benefits to the Secretary; or

(ii) Providing to the Secretary a written certification, or an equivalent as approved by the Secretary, that—

(A) The borrower has registered with a public or private employment agency, if one is available to the borrower within a 50-mile radius of the borrower's current address; and

(B) For all requests beyond the initial request, the borrower has made at least six diligent attempts during the preceding six-month period to secure full-time employment.

(3) For purposes of obtaining an unemployment deferment under paragraph (f)(2)(ii) of this section, the following rules apply:

(i) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(ii) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels overqualified by virtue of education or previous experience.

(iii) Full-time employment involves at least 30 hours of work a week and is expected to last at least three months.

(iv) The initial period of unemployment deferment may be granted for a period of unemployment beginning up to six months before the date the Secretary receives the borrower's request,

and may be granted for up to six months after that date.

(4) The Secretary does not grant an unemployment deferment beyond the date that is six months after the date the borrower provides evidence of the borrower's eligibility for unemployment insurance benefits under paragraph (f)(2)(i) of this section or the date the borrower provides the written certification, or an approved equivalent, under paragraph (f)(2)(ii) of this section.

(g) *Economic hardship deferment.* (1)(i) A Direct Loan borrower is eligible for a deferment during periods that, collectively, do not exceed three years in which the borrower has experienced or will experience an economic hardship in accordance with paragraph (g)(2) of this section.

(ii) An economic hardship deferment is granted for periods of up to one year at a time, except that a borrower who receives a deferment under paragraph (g)(2)(iv) of this section may receive an economic hardship deferment for the lesser of the borrower's full term of service in the Peace Corps or the borrower's remaining period of economic hardship deferment eligibility under the 3-year maximum.

(2) A borrower qualifies for an economic hardship deferment if the borrower—

(i) Has been granted an economic hardship deferment under either the FFEL or the Federal Perkins Loan programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Direct Loan;

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance;

(iii) Is working full-time (as defined in paragraph (g)(3)(iii) of this section) and has a monthly income (as defined in paragraph (g)(3)(iv) of this section) that does not exceed the greater of (as calculated on a monthly basis)—

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 150 percent of the poverty guideline applicable to the

borrower's family size (as defined in paragraph (g)(3)(v) of this section) as published annually by the Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States; or

(iv) Is serving as a volunteer in the Peace Corps.

(3) The following rules apply to a deferment granted under paragraph (g)(2)(iii) of this section:

(i) For an initial period of deferment, the Secretary requires the borrower to submit evidence showing the amount of the borrower's monthly income.

(ii) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraph (g)(2)(iii) of this section, the Secretary requires the borrower to submit evidence showing the amount of the borrower's monthly income or a copy of the borrower's most recently filed Federal income tax return.

(iii) A borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(iv) A borrower's monthly income is the gross amount of income received by the borrower from employment and from other sources, or one-twelfth of the borrower's adjusted gross income, as recorded on the borrower's most recently filed Federal income tax return.

(v) Family size means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the period covered by the deferment, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower requests the economic hardship deferment, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the

borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(h) *Military service deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency, as defined in paragraph (h)(5) of this section; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency, as defined in paragraph (h)(5) of this section.

(2) For a borrower whose active duty service includes October 1, 2007, or begins on or after that date, the deferment period ends 180 days after the demobilization date for each period of the service described in paragraphs (h)(1)(i) and (h)(1)(ii) of this section.

(3) Without supporting documentation, the military service deferment will be granted to an otherwise eligible borrower for a period not to exceed the initial 12 months from the date the qualifying eligible service began based on a request from the borrower or the borrower's representative.

(4) The provisions of paragraph (h) of this section do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(5) As used in paragraph (h) of this section—

(i) *Serving on active duty during a war or other military operation or national emergency* means service by an individual who is—

(A) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306;

(B) A retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation or national emergency, regardless of the location at which such active duty service is performed; or

(C) Any other member of an Armed Force on active duty in connection with such emergency or subsequent actions or conditions who has been as-

signed to a duty station at a location other than the location at which the member is normally assigned;

(ii) *Qualifying National Guard duty during a war or other operation or national emergency* means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5) under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds;

(iii) *Active duty* means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

(iv) *Military operation* means a contingency operation as defined in 10 U.S.C. 101(a)(13); and

(v) *National emergency* means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

#### § 685.205 Forbearance.

(a) *General.* “Forbearance” means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. The borrower has the option to choose the form of forbearance. Except as provided in paragraph (b)(9) of this section, if payments of interest are forborne, they are capitalized. The Secretary grants forbearance if the borrower or endorser intends to repay the loan but requests forbearance and provides sufficient documentation to support this request, and—

(1) The Secretary determines that, due to poor health or other acceptable reasons, the borrower or endorser is currently unable to make scheduled payments;

(2) The borrower's payments of principal are deferred under § 685.204 and the Secretary does not subsidize the interest benefits on behalf of the borrower;

(3) The borrower is in a medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service, or the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(4) The borrower is serving in a national service position for which the borrower is receiving a national service education award under title I of the National and Community Service Act of 1990;

(5)(i) The borrower is performing the type of service that would qualify the borrower for loan forgiveness under the requirements of the teacher loan forgiveness program in § 685.217.

(ii) Before a forbearance is granted under § 685.205(a)(5)(i), the borrower must—

(A) Submit documentation for the period of the annual forbearance request showing the beginning and ending dates that the borrower is expected to perform, for that year, the type of service described in § 685.217(c); and

**§ 685.205**

**34 CFR Ch. VI (7-1-14 Edition)**

(B) Certify the borrower's intent to satisfy the requirements of § 685.217(c).

(iii) The Secretary grants forbearance under paragraph (a)(5) of this section only if the Secretary believes, at the time of the borrower's annual request, that the expected forgiveness amount under § 685.217(d) will satisfy the anticipated remaining outstanding balance on the borrower's loan at the time of the expected forgiveness;

(6) For not more than three years during which the borrower or endorser—

(i) Is currently obligated to make payments on loans under title IV of the Act; and

(ii) The sum of these payments each month (or a proportional share if the payments are due less frequently than monthly) is equal to or greater than 20 percent of the borrower's or endorser's total monthly gross income.

(7) The borrower is a member of the National Guard who qualifies for a post-active duty student deferment, but does not qualify for a military service or other deferment, and is engaged in active State duty for a period of more than 30 consecutive days, beginning—

(i) On the day after the grace period expires for a Direct Subsidized Loan or Direct Unsubsidized Loan that has not entered repayment; or

(ii) On the day after the borrower ceases enrollment on at least a half-time basis, for a Direct Loan in repayment.

(8)(i) The Secretary may grant a forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default. The terms of the forbearance agreement in this situation must include a new agreement to repay the debt signed by the borrower or endorser or a written or oral affirmation of the borrower's or endorser's obligation to repay the debt.

(ii) If the forbearance is based on the borrower's or endorser's oral affirmation of the obligation to repay the debt, the forbearance period is limited to 120 days, such a forbearance is not granted consecutively, and the Secretary will—

(A) Orally review with the borrower the terms and conditions of the for-

bearance, including the consequences of interest capitalization, and all other repayment options available to the borrower;

(B) Send a notice to the borrower or endorser that confirms the terms of the forbearance and the borrower's or endorser's affirmation of the obligation to repay the debt and that includes information on all other repayment options available to the borrower; and

(C) Retain a record of the terms of the forbearance and affirmation in the borrower's or endorser's file.

(iii) For purposes of this section, an "affirmation" means an acknowledgment of the loan by the borrower or endorser in a legally binding manner. The form of the affirmation may include, but is not limited to, the borrower's or endorser's—

(A) New signed repayment agreement or schedule, or another form of signed agreement to repay the debt;

(B) Oral acknowledgement and agreement to repay the debt documented by the Secretary in the borrower's or endorser's file and confirmed by the Secretary in a notice to the borrower; or

(C) A payment made on the loan by the borrower or endorser.

(9)(i) The borrower is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs administered by the Department of Defense under 10 U.S.C. 2171, 2173, 2174, or any other student loan repayment programs administered by the Department of Defense.

(ii) To receive a forbearance under this paragraph, the borrower must submit documentation showing the time period during which the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under a student loan repayment program.

(b) *Administrative forbearance.* In certain circumstances, the Secretary grants forbearance without requiring documentation from the borrower. These circumstances include but are not limited to—

(1) A properly granted period of deferment for which the Secretary learns the borrower did not qualify;

(2) The period for which payments are overdue at the beginning of an authorized deferment or forbearance period;

(3) The period beginning when the borrower entered repayment without the Secretary's knowledge until the first payment due date was established;

(4) The period prior to a borrower's filing of a bankruptcy petition;

(5) A period after the Secretary receives reliable information indicating that the borrower (or the student in the case of a Direct PLUS Loan obtained by a parent borrower) has died, or the borrower has become totally and permanently disabled, until the Secretary receives documentation of death or total and permanent disability;

(6) Periods necessary for the Secretary to determine the borrower's eligibility for discharge—

(i) Under § 685.214;

(ii) Under § 685.215;

(iii) Under § 685.216;

(iv) Under § 685.217; or

(v) Due to the borrower's or endorser's (if applicable) bankruptcy;

(7) A period of up to three years in cases where the effect of a variable interest rate on a fixed-amount or graduated repayment schedule causes the extension of the maximum repayment term;

(8) A period during which the Secretary has authorized forbearance due to a national military mobilization or other local or national emergency;

(9) A period of up to 60 days necessary for the Secretary to collect and process documentation supporting the borrower's request for a deferment, forbearance, change in repayment plan, or consolidation loan. Interest that accrues during this period is not capitalized; or

(10) For Direct PLUS Loans first disbursed before July 1, 2008, to align repayment with a borrower's Direct PLUS Loans that were first disbursed on or after July 1, 2008, or with Direct Subsidized Loans or Direct Unsubsidized Loans that have a grace period in accordance with § 685.207(b) or (c). The Secretary notifies the borrower that the borrower has the option to cancel the forbearance and continue paying on the loan.

(c) *Period of forbearance.* (1) The Secretary grants forbearance for a period of up to one year.

(2) The forbearance is renewable, upon request of the borrower, for the duration of the period in which the borrower meets the condition required for the forbearance.

(ii) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act.

(iii) Updating reports to consumer reporting agencies to which the Secretary previously made adverse credit reports with regard to the borrower's Direct Loan.

(3) The Secretary may initiate an appropriate proceeding to require the school whose act or omission resulted in the borrower's successful defense against repayment of a Direct Loan to pay to the Secretary the amount of the loan to which the defense applies. However, the Secretary does not initiate such a proceeding after the period for the retention of records described in § 685.309(c) unless the school received

(3) Greater than or equal to \$20,000 but less than \$40,000, the borrower must repay the loans within 20 years of entering repayment;

(4) Greater than or equal to \$40,000 but less than \$60,000, the borrower must repay the loans within 25 years of entering repayment; and

(5) Greater than or equal to \$60,000, the borrower must repay the loans within 30 years of entering repayment.

(j) *Repayment period for the standard and graduated repayment plans described in paragraphs (c) and (h) of this section, respectively.* Under these repayment plans, if the total amount of the Direct Consolidation Loan and the borrower's other student loans, as defined in § 685.220(i), is—

(1) Less than \$7,500, the borrower must repay the Consolidation Loan within 10 years of entering repayment;

(2) Equal to or greater than \$7,500 but less than \$10,000, the borrower must repay the Consolidation Loan within 12 years of entering repayment;

(3) Equal to or greater than \$10,000 but less than \$20,000, the borrower must

repay the Consolidation Loan within 15 years of entering repayment;

(4) Equal to or greater than \$20,000 but less than \$40,000, the borrower must repay the Consolidation Loan within 20 years of entering repayment;

(5) Equal to or greater than \$40,000 but less than \$60,000, the borrower must repay the Consolidation Loan within 25 years of entering repayment; and

(6) Equal to or greater than \$60,000, the borrower must repay the Consolidation Loan within 30 years of entering repayment.

(k) *Income-contingent repayment plans.*

(1) Under the income-contingent repayment plan described in § 685.209(a), the required monthly payment for a borrower who has a partial financial hardship is limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12. The Secretary determines annually whether the borrower continues to qualify for this reduced monthly payment based on the amount of the borrower's eligible loans, AGI, and poverty guideline.

(2) Under the income-contingent repayment plan described in § 685.209(b), a borrower's monthly repayment amount is generally based on the total amount of the borrower's Direct Loans, family size, and AGI reported by the borrower for the most recent year for which the Secretary has obtained income information.

(3) For the income-contingent repayment plan described in § 685.209(b), the regulations in effect at the time a borrower enters repayment and selects the income-contingent repayment plan or changes into the income-contingent repayment plan from another plan govern the method for determining the borrower's monthly repayment amount for all of the borrower's Direct Loans, unless—

(i) The Secretary amends the regulations relating to a borrower's monthly repayment amount under the income-contingent repayment plan; and

(ii) The borrower submits a written request that the amended regulations apply to the repayment of the borrower's Direct Loans.

(4) Provisions governing the income-contingent repayment plans are in § 685.209.

(1) *Alternative repayment.* (1) The Secretary may provide an alternative repayment plan for a borrower who demonstrates to the Secretary's satisfaction that the terms and conditions of the repayment plans specified in paragraphs (b) through (h) of this section are not adequate to accommodate the borrower's exceptional circumstances.

(2) The Secretary may require a borrower to provide evidence of the borrower's exceptional circumstances before permitting the borrower to repay a loan under an alternative repayment plan.

(3) If the Secretary agrees to permit a borrower to repay a loan under an alternative repayment plan, the Secretary notifies the borrower in writing of the terms of the plan. After the borrower receives notification of the terms of the plan, the borrower may accept the plan or choose another repayment plan.

(4) A borrower must repay a loan under an alternative repayment plan within 30 years of the date the loan entered repayment, not including periods of deferment and forbearance.

(5) If the amount of a borrower's monthly payment under an alternative repayment plan is less than the accrued interest on the loan, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original principal amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original principal amount is the amount owed by the borrower when the borrower enters repayment.

(m) *Income-based repayment plan.* (1) Under this repayment plan, the required monthly payment for a borrower who has a partial financial hardship is limited to no more than 15 percent or, for a new borrower as of July 1, 2014, as defined in § 685.221(a)(4), 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12. The Secretary determines annually

whether the borrower continues to qualify for this reduced monthly payment based on the amount of the borrower's eligible loans, AGI, and poverty guideline.

(2) The specific provisions governing the income-based repayment plan are in § 685.221.

**§ 685.209 Income-contingent repayment plans.**

(a) *Pay As You Earn repayment plan:* The Pay As You Earn repayment plan is an income-contingent repayment plan for eligible new borrowers.

(1) *Definitions.* As used in this section—

(i) *Adjusted gross income (AGI)* means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income. For a married borrower filing separately, AGI includes only the borrower's income;

(ii) *Eligible loan* means any outstanding loan made to a borrower under the Direct Loan Program or the FFEL Program except for a defaulted loan, a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower, or a Direct Consolidation Loan or Federal Consolidation Loan that repaid a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower;

(iii) *Eligible new borrower* means an individual who—

(A) Has no outstanding balance on a Direct Loan Program Loan or a FFEL Program loan as of October 1, 2007, or who has no outstanding balance on such a loan on the date he or she receives a new loan after October 1, 2007; and

(B)(1) Receives a disbursement of a Direct Subsidized Loan, Direct Unsubsidized Loan, or student Direct PLUS Loan on or after October 1, 2011; or

(2) Receives a Direct Consolidation Loan based on an application received on or after October 1, 2011, except that a borrower is not considered an eligible

new borrower if the Direct Consolidation Loan repays a loan that would otherwise make the borrower ineligible under paragraph (a)(1)(iii)(A) of this section;

(iv) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the year the borrower certifies family size, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs;

(v) *Partial financial hardship* means a circumstance in which—

(A) For an unmarried borrower or a married borrower who files an individual Federal tax return, the annual amount due on all of the borrower's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the borrower initially entered repayment or at the time the borrower elects the Pay As You Earn repayment plan, exceeds 10 percent of the difference between the borrower's AGI and 150 percent of the poverty guideline for the borrower's family size; or

(B) For a married borrower who files a joint Federal tax return with his or her spouse, the annual amount due on all of the borrower's eligible loans and, if applicable, the spouse's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the loans initially entered repayment or at the time the borrower or spouse elects the Pay As You Earn repayment plan, exceeds 10 percent of the difference between the borrower's and spouse's AGI, and 150 percent of the poverty guideline for the borrower's family size; and

(vi) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(2) *Terms of the Pay As You Earn repayment plan.* (i) A borrower may select the Pay As You Earn repayment plan only if the borrower has a partial financial hardship. The borrower's aggregate monthly loan payments are limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12.

(ii) The Secretary adjusts the calculated monthly payment if—

(A) Except for borrowers provided for in paragraph (a)(2)(ii)(B) of this section, the total amount of the borrower's eligible loans are not Direct Loans, in which case the Secretary determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(B) Both the borrower and borrower's spouse have eligible loans and filed a joint Federal tax return, in which case the Secretary determines—

(1) Each borrower's percentage of the couple's total eligible loan debt;

(2) The adjusted monthly payment for each borrower by multiplying the calculated payment by the percentage determined in paragraph (a)(2)(ii)(B)(1) of this section; and

(3) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly Direct Loan payment by multiplying the payment determined in paragraph (a)(2)(ii)(B)(2) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(C) The calculated amount under paragraph (a)(2)(i), (a)(2)(ii)(A), or (a)(2)(ii)(B) of this section is less than

\$5.00, in which case the borrower's monthly payment is \$0.00; or

(D) The calculated amount under paragraph (a)(2)(i), (a)(2)(ii)(A), or (a)(2)(ii)(B) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(iii) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's Direct Subsidized loan or the subsidized portion of a Direct Consolidation Loan, the Secretary does not charge the borrower the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on that loan under the Pay As You Earn repayment plan. Any period during which the Secretary has previously not charged the borrower accrued interest on an eligible loan under the income-based repayment plan counts toward the maximum three years of subsidy a borrower is eligible to receive under the Pay As You Earn repayment plan. On a Direct Consolidation Loan that repays loans on which the Secretary has not charged the borrower accrued interest, the three-year period includes the period for which the Secretary did not charge the borrower accrued interest on the underlying loans. This three-year period does not include any period during which the borrower receives an economic hardship deferment.

(iv)(A) Except as provided in paragraph (a)(2)(iii) of this section, accrued interest is capitalized—

(1) When a borrower is determined to no longer have a partial financial hardship; or

(2) At the time a borrower chooses to leave the Pay As You Earn repayment plan.

(B)(1) The amount of accrued interest capitalized under paragraph (a)(2)(iv)(A)(1) of this section is limited to 10 percent of the original principal balance at the time the borrower entered repayment under the Pay As You Earn repayment plan.

(2) After the amount of accrued interest reaches the limit described in paragraph (a)(2)(iv)(B)(1) of this section, interest continues to accrue, but is not capitalized while the borrower remains

on the Pay As You Earn repayment plan.

(v) If the borrower's monthly payment amount is not sufficient to pay any of the principal due, the payment of that principal is postponed until the borrower chooses to leave the Pay As You Earn repayment plan or no longer has a partial financial hardship.

(vi) The repayment period for a borrower under the Pay As You Earn repayment plan may be greater than 10 years.

(3) *Payment application and prepayment.* (i) The Secretary applies any payment made under the Pay As You Earn repayment plan in the following order:

- (A) Accrued interest.
- (B) Collection costs.
- (C) Late charges.
- (D) Loan principal.

(ii) The borrower may prepay all or part of a loan at any time without penalty, as provided under § 685.211(a)(2).

(iii) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of § 685.211(a)(3).

(iv) If the prepayment amount exceeds a monthly payment amount of \$0.00 under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of paragraph (a)(3)(i) of this section.

(4) *Changes in the payment amount.* (i) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the Pay As You Earn repayment plan, but the Secretary recalculates the borrower's monthly payment. The Secretary also recalculates the monthly payment for a borrower who chooses to stop making income-contingent payments. In either case, as a result of the recalculation—

(A) The maximum monthly amount that the Secretary requires the borrower to repay is the amount the borrower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's eligible loans that was outstanding at the time the borrower

began repayment on the loans under the Pay As You Earn repayment plan; and

(B) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(ii) A borrower who no longer wishes to repay under the Pay As You Earn repayment plan may change to a different repayment plan in accordance with § 685.210(b).

(5) *Eligibility documentation, verification, and notifications.* (i)(A) The Secretary determines whether a borrower has a partial financial hardship to qualify for the Pay As You Earn repayment plan for the year the borrower selects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the Secretary requires the borrower to provide documentation, acceptable to the Secretary, of the borrower's AGI.

(B) If the borrower's AGI is not available, or if the Secretary believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, the borrower must provide other documentation to verify income.

(C) The borrower must annually certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for that year.

(ii) After making a determination that a borrower has a partial financial hardship to qualify for the Pay As You Earn repayment plan for the year the borrower initially elects the plan and for each subsequent year that the borrower has a partial financial hardship, the Secretary sends the borrower a written notification that provides the borrower with—

(A) The borrower's scheduled monthly payment amount, as calculated under paragraph (a)(2) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(B) Information about the requirement for the borrower to annually provide the information described in paragraph (a)(5)(i) of this section, if the borrower chooses to remain on the Pay As You Earn repayment plan after the

initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive this information;

(C) An explanation of the consequences, as described in paragraphs (a)(5)(i)(C) and (a)(5)(vii) of this section, if the borrower does not provide the required information; and

(D) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the Secretary recalculate the borrower's monthly payment amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly payment no longer reflects the borrower's current income. If the Secretary recalculates the borrower's monthly payment amount based on the borrower's request, the Secretary sends the borrower a written notification that includes the information described in paragraphs (a)(5)(ii)(A) through (a)(5)(ii)(D) of this section.

(iii) For each subsequent year that a borrower who currently has a partial financial hardship remains on the Pay As You Earn repayment plan, the Secretary notifies the borrower in writing of the requirements in paragraph (a)(5)(i) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (a)(5)(iii)(A) of this section. The notification provides the borrower with—

(A) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive all of the documentation described in paragraph (a)(5)(i) of this section (annual deadline); and

(B) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (a)(4)(i) of this section, the effective date for the recalculated monthly payment amount, and the fact that unpaid accrued interest will be capitalized at the end of the borrower's current annual payment period in accordance

with paragraph (a)(2)(iv) of this section.

(iv) Each time the Secretary makes a determination that a borrower no longer has a partial financial hardship for a subsequent year that the borrower wishes to remain on the plan, the Secretary sends the borrower a written notification that provides the borrower with—

(A) The borrower's recalculated monthly payment amount, as determined in accordance with paragraph (a)(4)(i) of this section;

(B) An explanation that unpaid interest will be capitalized in accordance with paragraph (a)(2)(iv) of this section; and

(C) Information about the borrower's option to request, at any time, that the Secretary redetermine whether the borrower has a partial financial hardship, if the borrower's financial circumstances have changed and the income amount used to determine that the borrower no longer has a partial financial hardship does not reflect the borrower's current income, and an explanation that the borrower will be notified annually of this option. If the Secretary determines that the borrower again has a partial financial hardship, the Secretary recalculates the borrower's monthly payment in accordance with paragraph (a)(2)(i) of this section and sends the borrower a written notification that includes the information described in paragraphs (a)(5)(ii)(A) through (a)(5)(ii)(D) of this section.

(v) For each subsequent year that a borrower who does not currently have a partial financial hardship remains on the Pay As You Earn repayment plan, the Secretary sends the borrower a written notification that includes the information described in paragraph (a)(5)(iv)(C) of this section.

(vi) If a borrower who is currently repaying under another repayment plan selects the Pay As You Earn repayment plan but does not provide the documentation described in paragraphs (a)(5)(i)(A) or (a)(5)(i)(B) of this section, or if the Secretary determines that the borrower does not have a partial financial hardship, the borrower remains on his or her current repayment plan.

(vii) The Secretary designates the repayment option described in paragraph (a)(4)(i) of this section if a borrower who is currently repaying under the Pay As You Earn repayment plan remains on the plan for a subsequent year but the Secretary does not receive the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section within 10 days of the specified annual deadline, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(viii) If the Secretary receives the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section within 10 days of the specified annual deadline—

(A) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(I) If the new monthly payment amount is less than the borrower's previously calculated Pay As You Earn repayment plan monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding the requirements of § 685.211(a)(3), unless the borrower requests otherwise, the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of § 685.209(a)(3)(i).

(2) If the new monthly payment amount is equal to or greater than the borrower's previously calculated Pay As You Earn repayment plan monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(3) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment

amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(B) The new annual payment period begins on the day after the end of the most recent annual payment period.

(ix)(A) If the Secretary receives the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (a)(4)(i) of this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated Pay As You Earn repayment plan monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated income-based monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(B) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(6) *Loan forgiveness.* (i) To qualify for loan forgiveness after 20 years, a borrower must have participated in the Pay As You Earn repayment plan and satisfied at least one of the following conditions during that period:

(A) Made reduced monthly payments under a partial financial hardship as provided in paragraph (a)(2)(i) or (a)(2)(ii) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (a)(2)(ii)(C) of this section.

(B) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-contingent payments as provided in paragraph (a)(4)(i) of this section.

(C) Made monthly payments under any repayment plan, that were not less than the amount required under the Direct Loan standard repayment plan described in § 685.208(b) with a 10-year repayment period.

(D) Made monthly payments under the Direct Loan standard repayment plan described in § 685.208(b) for the amount of the borrower's loans that were outstanding at the time the borrower first selected the Pay As You Earn repayment plan.

(E) Made monthly payments under the income-contingent repayment plan described in paragraph (b) of this section or the income-based repayment plan described in § 685.221, including a calculated monthly payment amount of \$0.00.

(F) Received an economic hardship deferment on eligible Direct Loans.

(ii) As provided under paragraph (a)(6)(v) of this section, the Secretary cancels any outstanding balance of principal and accrued interest on Direct loans for which the borrower qualifies for forgiveness if the Secretary determines that—

(A) The borrower made monthly payments under one or more of the repayment plans described in paragraph (a)(6)(i) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (a)(2)(ii)(C) of this section; and

(B)(1) The borrower made those monthly payments each year for a 20-year period; or

(2) Through a combination of monthly payments and economic hardship deferments, the borrower has made the equivalent of 20 years of payments.

(iii) For a borrower who qualifies for the Pay As You Earn repayment plan, the beginning date for the 20-year period is—

(A) If the borrower made payments under the income-contingent repayment plan described in paragraph (b) of this section or the income-based repayment plan described in § 685.221, the earliest date the borrower made a payment on the loan under one of those plans at any time after October 1, 2007; or

(B) If the borrower did not make payments under the income-contingent repayment plan described in paragraph

(b) of this section or the income-based repayment plan described in § 685.221—

(1) For a borrower who has an eligible Direct Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for the Pay As You Earn repayment plan. The beginning date is the date the borrower made the payment or received the deferment after October 1, 2007;

(2) For a borrower who has one or more other eligible Direct Loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the deferment on that loan after October 1, 2007;

(3) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (a)(6)(iii)(B)(1) or (a)(6)(iii)(B)(2) of this section, the date the borrower made a payment on the loan under the Pay As You Earn repayment plan;

(4) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the Direct Consolidation Loan that met the requirements of paragraph (a)(6)(i) of this section; or

(5) If the borrower did not make a payment or receive an economic hardship deferment on the loan under paragraph (a)(6)(iii)(A) or (a)(6)(iii)(B) of this section, the date the borrower made a payment on the loan under the Pay As You Earn repayment plan.

(iv) Any payments made on a defaulted loan are not made under a qualifying repayment plan and are not counted toward the 20-year forgiveness period.

(v)(A) When the Secretary determines that a borrower has satisfied the loan forgiveness requirements under paragraph (a)(6) of this section on an eligible loan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notice that includes—

(1) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(2) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(3) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(B) The Secretary determines when a borrower has met the loan forgiveness requirements in paragraph (a)(6) of this section and does not require the borrower to submit a request for loan forgiveness.

(C) After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(1) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(2) Provides the borrower with the information described in paragraph (a)(6)(v)(A)(3) of this section; and

(3) Returns to the sender any payment received on a loan after loan forgiveness has been granted.

(b) *Income-contingent repayment plan:* The income-contingent repayment (ICR) plan is an income-contingent repayment plan under which a borrower's monthly payment amount is generally based on the total amount of the borrower's Direct Loans, family size, and AGI.

(1) *Repayment amount calculation.* (i) The amount the borrower would repay is based upon the borrower's Direct Loan debt when the borrower's first loan enters repayment, and this basis for calculation does not change unless the borrower obtains another Direct Loan or the borrower and the borrower's spouse obtain approval to repay their loans jointly under paragraph (b)(2)(ii) of this section. If the borrower obtains another Direct Loan, the amount the borrower would repay is based on the combined amounts of the loans when the last loan enters repayment. If the borrower and the borrower's spouse repay the loans jointly, the amount the borrowers would repay is based on both borrowers' Direct

Loan debts at the time they enter joint repayment.

(ii) The annual amount payable by a borrower under the ICR plan is the lesser of—

(A) The amount the borrower would repay annually over 12 years using standard amortization multiplied by an income percentage factor that corresponds to the borrower's AGI as shown in the income percentage factor table in a notice published annually by the Secretary in the FEDERAL REGISTER; or

(B) 20 percent of discretionary income.

(iii)(A) For purposes of paragraph (b) of this section, discretionary income is defined as a borrower's AGI minus the amount of the poverty guideline, as defined in paragraph (b)(1)(iii)(B) of this section, for the borrower's family size as defined in § 685.209(a)(1)(iv).

(B) For purposes of paragraph (b) of this section, the term "poverty guideline" refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty line to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(iv) For exact incomes not shown in the income percentage factor table in the annual notice published by the Secretary, an income percentage factor is calculated, based upon the intervals between the incomes and income percentage factors shown on the table.

(v) Each year, the Secretary recalculates the borrower's annual payment amount based on changes in the borrower's AGI, the variable interest rate, the income percentage factors in the table in the annual notice published by the Secretary, and updated HHS Poverty Guidelines (if applicable).

(vi) If a borrower's monthly payment is calculated to be greater than \$0 but less than or equal to \$5.00, the amount payable by the borrower is \$5.00.

(vii) For purposes of the annual recalculation described in paragraph (b)(1)(v) of this section, after periods in which a borrower makes payments that

are less than interest accrued on the loan, the payment amount is recalculated based upon unpaid accrued interest and the highest outstanding principal loan amount (including amount capitalized) calculated for that borrower while paying under the ICR plan.

(viii) For each calendar year, the Secretary publishes in the FEDERAL REGISTER a revised income percentage factor table reflecting changes based on inflation. This revised table is developed by changing each of the dollar amounts contained in the table by a percentage equal to the estimated percentage changes in the Consumer Price Index (as determined by the Secretary) between December 1995 and the December next preceding the beginning of such calendar year.

(ix) Examples of the calculation of monthly repayment amounts and tables that show monthly repayment amounts for borrowers at various income and debt levels are included in the annual notice published by the Secretary.

(x) At the beginning of the repayment period under the ICR plan, the borrower must make monthly payments of the amount of interest that accrues on the borrower's Direct Loan until the Secretary calculates the borrower's monthly payment amount on the basis of the borrower's income.

(2) *Treatment of married borrowers.*

(i)(A) For a married borrower who files a joint Federal tax return with his or her spouse, the AGI for both spouses is used to calculate the monthly payment amount under the ICR plan.

(B) For a married borrower who files a Federal income tax return separately from his or her spouse, only the borrower's AGI is used to determine the monthly payment amount under the ICR plan.

(ii) Married borrowers may repay their loans jointly. The outstanding balances on the loans of each borrower are added together to determine the borrowers' payback rate under paragraph (b)(1) of this section.

(iii) The amount of the payment applied to each borrower's debt is the proportion of the payments that equals the same proportion as that borrower's debt to the total outstanding balance,

except that the payment is credited toward outstanding interest on any loan before any payment is credited toward principal.

(3) *Other features of the ICR plan—(i) Alternative documentation of income.* If a borrower's AGI is not available or if, in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income, the Secretary may use other documentation of income provided by the borrower to calculate the borrower's monthly repayment amount.

(ii) *Adjustments to repayment obligations.* The Secretary may determine that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment to the borrower's repayment obligations.

(iii) *Repayment period.* (A) The maximum repayment period under the ICR plan is 25 years.

(B) The repayment period includes—

(1) Periods in which the borrower makes payments under the ICR plan on loans that are not in default;

(2) Periods in which the borrower makes reduced monthly payments under the income-based repayment plan or a recalculated reduced monthly payment after the borrower no longer has a partial financial hardship or stops making income-based payments, as provided in § 685.221(d)(1)(i);

(3) Periods in which the borrower made monthly payments under the Pay As You Earn repayment plan;

(4) Periods in which the borrower made monthly payments under the standard repayment plan after leaving the income-based repayment plan as provided in § 685.221(d)(2);

(5) Periods in which the borrower makes payments under the standard repayment plan described in § 685.208(b);

(6) For borrowers who entered repayment before October 1, 2007, and if the repayment period is not more than 12 years, periods in which the borrower makes monthly payments under the extended repayment plans described in § 685.208(d) and (e), or the standard repayment plan described in § 685.208(c);

(7) Periods after October 1, 2007, in which the borrower makes monthly payments under any other repayment plan that are not less than the amount

required under the standard repayment plan described in § 685.208(b); or

(β) Periods of economic hardship deferment after October 1, 2007.

(C) If a borrower repays more than one loan under the ICR plan, a separate repayment period for each loan begins when that loan enters repayment.

(D) If a borrower has not repaid a loan in full at the end of the 25-year repayment period under the ICR plan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notification that includes—

(1) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(2) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(3) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(E) The Secretary determines when a borrower has met the loan forgiveness requirements under paragraph (b)(3)(iii)(D) of this section and does not require the borrower to submit a request for loan forgiveness. After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(1) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(2) Provides the information described in paragraph (b)(3)(iii)(D)(3) of this section; and

(3) Returns to the sender any payment received on a loan after loan forgiveness has been granted.

(iv) *Limitation on capitalization of interest.* If the amount of a borrower's monthly payment is less than the accrued interest, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original

amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original amount is the amount owed by the borrower when the borrower enters repayment.

(v) *Notification of terms and conditions.* When a borrower elects or is required by the Secretary to repay a loan under the ICR plan, and for each subsequent year that the borrower remains on the plan, the Secretary sends the borrower a written notification that provides the terms and conditions of the plan, including—

(A) The borrower's scheduled monthly payment amount as calculated under paragraph (b)(1) or (b)(3)(vi)(D) of this section, as applicable, and the time period during which this scheduled monthly payment will apply (annual payment period);

(B) Information about the requirement for the borrower to annually provide the information described in paragraph (b)(3)(vi)(A) of this section, if the borrower chooses to remain on the ICR plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive the information;

(C) That if the borrower believes that special circumstances warrant an adjustment to the borrower's repayment obligations, as described in paragraph (b)(3)(ii) of this section, the borrower may contact the Secretary at any time during the borrower's current annual payment period and obtain the Secretary's determination as to whether an adjustment is appropriate; and

(D) An explanation of the consequences, as described in paragraph (b)(3)(vi)(D) of this section, if the borrower does not provide the required information.

(vi) *Documentation of income and certification of family size.* (A) For the initial year that a borrower selects the ICR plan and for each subsequent year that the borrower remains on the plan, the borrower must—

(1) Provide to the Secretary, for purposes of calculating a monthly repayment amount and servicing and collecting the borrower's loan, acceptable documentation, as determined by the Secretary, of the borrower's AGI or alternative documentation of income in

accordance with paragraph (b)(3)(i) of this section; and

(2) Certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for the year.

(B) For each subsequent year that a borrower remains on the ICR plan, the Secretary notifies the borrower in writing of the requirements described in paragraph (b)(3)(vi)(A) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (b)(3)(vi)(B)(I) of this section. The notification provides the borrower with—

(1) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive the documentation described in paragraph (b)(3)(vi)(A) of this section (annual deadline); and

(2) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (b)(3)(vi)(D) of this section, and the effective date for the recalculated monthly payment amount.

(C) The Secretary designates the standard repayment plan for a borrower who initially selects the ICR plan but does not comply with the requirement in paragraph (b)(3)(vi)(A)(I) of this section.

(D) If, during a subsequent year that a borrower remains on the ICR plan, the Secretary does not receive the documentation described in paragraph (b)(3)(vi)(A)(I) of this section within 10 days of the specified annual deadline, the Secretary recalculates the borrower's required monthly payment amount, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period. The maximum recalculated monthly amount the Secretary requires the borrower to repay is the amount the borrower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's loans that was outstanding at the time the borrower began repayment under the ICR plan. The repayment period

based on the recalculated payment may exceed 10 years.

(E) If the Secretary receives the documentation described in paragraph (b)(3)(vi)(A)(I) of this section within 10 days of the specified annual deadline—

(1) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(i) If the new calculated monthly payment amount is less than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding § 685.211(a)(3), the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of § 685.211(a)(1), unless the borrower requests otherwise.

(ii) If the new monthly payment amount is equal to or greater than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(iii) Any payments the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(2) The new annual payment period begins on the day after the end of the most recent annual payment period.

(F)(1) If the Secretary receives the documentation described in paragraph (b)(3)(vi)(A)(I) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (b)(3)(vi)(D) of

## § 685.210

this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(2) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(G) If a borrower defaults and the Secretary designates the ICR plan for the borrower but the borrower fails to comply with the requirements in paragraph (b)(3)(vi)(A) of this section, the Secretary mails a notice to the borrower establishing a repayment schedule for the borrower.

### § 685.210 Choice of repayment plan.

(a) *Initial selection of a repayment plan.* (1) Before a Direct Loan enters into repayment, the Secretary provides the borrower a description of the available repayment plans and requests the borrower to select one. A borrower may select a repayment plan before the loan enters repayment by notifying the Secretary of the borrower's selection in writing.

(2) If a borrower does not select a repayment plan, the Secretary designates the standard repayment plan described in § 685.208(b) or (c) for the borrower, as applicable.

(b) *Changing repayment plans.* (1) A borrower may change repayment plans at any time after the loan has entered repayment by notifying the Secretary. However, a borrower who is repaying a defaulted loan under an income-contingent

## 34 CFR Ch. VI (7-1-14 Edition)

repayment plan or the income-based repayment plan in accordance with § 685.211(d)(3)(ii), or who is repaying a Direct Consolidation Loan under the income-contingent repayment plan or the income-based repayment plan in accordance with § 685.220(d)(1)(ii)(A)(3) may not change to another repayment plan unless—

(i) The borrower was required to and did make a payment under the income-contingent repayment plan or income-based repayment plan in each of the prior three months; or

(ii) The borrower was not required to make payments but made three reasonable and affordable payments in each of the prior three months; and

(iii) The borrower makes and the Secretary approves a request to change plans.

(2)(i) A borrower may not change to a repayment plan that has a maximum repayment period of less than the number of years the loan has already been in repayment, except that a borrower may change to either the income-contingent or income-based repayment plan at any time.

(ii) If a borrower changes plans, the repayment period is the period provided under the borrower's new repayment plan, calculated from the date the loan initially entered repayment. However, if a borrower changes to the income-contingent repayment plan under § 685.209(a), the income-contingent repayment plan under § 685.209(b), or the income-based repayment plan under § 685.221, the repayment period is calculated as described in § 685.209(a)(6)(iii), § 685.209(b)(3)(iii), or § 685.221(f)(3), respectively.

### § 685.211 Miscellaneous repayment provisions.

(a) *Payment application and prepayment.* (1) Except as provided for the income-contingent repayment plan under § 685.209(a)(3) or the income-based repayment plan under § 685.221(c)(1), the Secretary applies any payment first to any accrued charges and collection

costs, then to any outstanding interest, and then to outstanding principal.

(2) A borrower may prepay all or part of a loan at any time without penalty. If a borrower pays any amount in excess of the amount due, the excess amount is a prepayment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower's repayment plan, the Secretary—

(i) Applies the prepaid amount according to paragraph (a)(1) of this section;

(ii) Advances the due date of the next payment unless the borrower requests otherwise; and

(iii) Notifies the borrower of any revised due date for the next payment.

(4) If a prepayment is less than the monthly repayment amount, the Secretary applies the prepayment according to paragraph (a)(1) of this section.

(b) *Repayment incentives.* To encourage on-time repayment, the Secretary may reduce the interest rate for a borrower who repays a loan under a system or on a schedule that meets requirements specified by the Secretary.

(c) *Refunds and returns of title IV, HEA program funds from schools.* The Secretary applies any refund or return of title IV, HEA program funds that the Secretary receives from a school under § 668.22 against the borrower's outstanding principal and notifies the borrower of the refund or return.

(d) *Default—(1) Acceleration.* If a borrower defaults on a Direct Loan, the entire unpaid balance and accrued interest are immediately due and payable.

(2) *Collection charges.* If a borrower defaults on a Direct Loan, the Secretary assesses collection charges in accordance with § 685.202(e).

(3) *Collection of a defaulted loan.* (i) The Secretary may take any action authorized by law to collect a defaulted Direct Loan including, but not limited to, filing a lawsuit against the borrower, reporting the default to nationwide consumer reporting agencies, requesting the Internal Revenue Service to offset the borrower's Federal income tax refund, and garnishing the borrower's wages.

(ii) If a borrower defaults on a Direct Subsidized Loan, a Direct Unsubsidized

Loan, a Direct Consolidation Loan, or a student Direct PLUS Loan, the Secretary may designate the income-contingent repayment plan or the income-based repayment plan for the borrower.

(e) *Ineligible borrowers.* (1) The Secretary determines that a borrower is ineligible if, at the time the loan was made and without the school's or the Secretary's knowledge, the borrower (or the student on whose behalf a parent borrowed) provided false or erroneous information, has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program funds, or took actions that caused the borrower or student—

(i) To receive a loan for which the borrower is wholly or partially ineligible;

(ii) To receive interest benefits for which the borrower was ineligible; or

(iii) To receive loan proceeds for a period of enrollment for which the borrower was not eligible.

(2) If the Secretary makes the determination described in paragraph (e)(1) of this section, the Secretary sends an ineligible borrower a demand letter that requires the borrower to repay some or all of a loan, as appropriate. The demand letter requires that within 30 days from the date the letter is mailed, the borrower repay any principal amount for which the borrower is ineligible and any accrued interest, including interest subsidized by the Secretary, through the previous quarter.

(3) If a borrower fails to comply with the demand letter described in paragraph (e)(2) of this section, the borrower is in default on the entire loan.

(4) A borrower may not consolidate a loan under § 685.220 for which the borrower is wholly or partially ineligible.

(f) *Rehabilitation of defaulted loans.* (1) A defaulted Direct Loan, except for a loan on which a judgment has been obtained, is rehabilitated if the borrower makes 9 voluntary, reasonable and affordable monthly payments within 20 days of the due date during 10 consecutive months. The Secretary determines the amount of a borrower's reasonable and affordable payment on the basis of a borrower's total financial circumstances.

(i) The Secretary initially considers the borrower's reasonable and affordable payment amount to be an amount equal to 15 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline amount applicable to the borrower's family size and State, divided by 12, except that if this amount is less than \$5, the borrower's monthly rehabilitation payment is \$5.

(ii) The Secretary may calculate the payment amount based on information provided orally by the borrower or the borrower's representative and provide the borrower with a rehabilitation agreement using that amount. The Secretary requires the borrower to provide documentation to confirm the borrower's AGI and family size. If the borrower does not provide the Secretary with any documentation requested by the Secretary to calculate or confirm the reasonable and affordable payment amount within a reasonable time deadline set by the Secretary, the rehabilitation agreement provided is null and void.

(iii) A reasonable and affordable payment amount is not—

(A) A required minimum loan payment amount (*e.g.*, \$50) if the Secretary determines that a smaller amount is reasonable and affordable;

(B) A percentage of the borrower's total loan balance; or

(C) Based on other criteria unrelated to the borrower's total financial circumstances.

(iv) Within 15 business days of the Secretary's determination of the borrower's loan rehabilitation payment amount, the Secretary provides the borrower with a written rehabilitation agreement which includes the borrower's reasonable and affordable payment amount, a prominent statement that the borrower may object orally or in writing to the reasonable and affordable payment amount with the method and timeframe for raising such an objection, a statement that the rehabilitation is null and void if the borrower does not provide the documentation required to calculate the reasonable and affordable payment amount, and an explanation of any other terms and conditions applicable to the required series of payments that must be made.

To accept the agreement, the borrower must sign and return the agreement or accept the agreement electronically under a process provided by the Secretary. The Secretary does not impose any other conditions unrelated to the amount or timing of the rehabilitation payments in the rehabilitation agreement. The written rehabilitation agreement informs the borrower of the effects of having the loans rehabilitated (*e.g.*, removal of the record of default from the borrower's credit history and return to normal repayment).

(2) The Secretary provides the borrower with a written statement confirming the borrower's reasonable and affordable payment amount, as determined by the Secretary, and explaining any other terms and conditions applicable to the required series of payments that must be made before the borrower's account can be rehabilitated. The statement informs the borrower that the borrower may object to the terms and conditions of the rehabilitation agreement, and explains the method and timeframe for objecting to the terms and conditions of the rehabilitation agreement.

(3) If the borrower objects to the monthly payment amount determined under paragraph (f)(1) of this section, the Secretary recalculates the payment based solely on information provided on a form approved by the Secretary and, if requested, supporting documentation from the borrower and other sources, and considers—

(i) The borrower's, and if applicable, the spouse's current disposable income, including public assistance payments, and other income received by the borrower and the spouse, such as welfare benefits, Social Security benefits, Supplemental Security Income, and workers' compensation. Spousal income is not considered if the spouse does not contribute to the borrower's household income;

(ii) Family size as defined in § 685.221(a)(3); and

(iii) Reasonable and necessary expenses, which include—

(A) Food;

(B) Housing;

(C) Utilities;

(D) Basic communication expenses;

(E) Necessary medical and dental costs;

(F) Necessary insurance costs;

(G) Transportation costs;

(H) Dependent care and other work-related expenses;

(I) Legally required child and spousal support;

(J) Other title IV and non-title IV student loan payments; and

(K) Other expenses approved by the Secretary.

(4) The Secretary provides the borrower with a new written rehabilitation agreement confirming the borrower's recalculated reasonable and affordable payment amount. To accept the agreement, the borrower must sign and return the agreement or accept the agreement electronically under a process provided by the Secretary.

(5) The Secretary includes any payment made under paragraph (1) of the definition of "satisfactory repayment arrangement" in § 685.102(b) in determining whether the 9 out of 10 payments required under paragraph (f)(1) of this section have been made.

(6) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (f)(3) of this section.

(7) During the rehabilitation period, the Secretary limits contact with the borrower on the loan being rehabilitated to collection activities that are required by law or regulation and to communications that support the rehabilitation.

(8) If a defaulted loan is rehabilitated, the Secretary instructs any consumer reporting agency to which the default was reported to remove the default from the borrower's credit history.

(9) A defaulted Direct Loan on which a judgment has been obtained may not be rehabilitated.

(10) A Direct Loan obtained by fraud for which the borrower has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance may not be rehabilitated.

(11)(i) If a borrower's loan is being collected by administrative wage garnishment while the borrower is also

making monthly payments on the same loan under a loan rehabilitation agreement, the Secretary continues collecting the loan by administrative wage garnishment until the borrower makes five qualifying monthly payments under the rehabilitation agreement, unless the Secretary is otherwise precluded from doing so.

(ii) After the borrower makes the fifth qualifying monthly payment, the Secretary, unless otherwise directed by the borrower, suspends the garnishment order issued to the borrower's employer.

(iii) A borrower may only obtain the benefit of a suspension of administrative wage garnishment while also attempting to rehabilitate a defaulted loan once.

(12) Effective for any defaulted Direct Loan that is rehabilitated on or after August 14, 2008, the borrower cannot rehabilitate the loan again if the loan returns to default status following the rehabilitation.

#### § 685.212 Discharge of a loan obligation.

(a) *Death.* (1) If a borrower (or a student on whose behalf a parent borrowed a Direct PLUS Loan) dies, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan based on an original or certified copy of the borrower's (or student's in the case of a Direct PLUS loan obtained by a parent borrower) death certificate, or an accurate and complete photocopy of the original or certified copy of the borrower's (or student's in the case of a Direct PLUS loan obtained by a parent borrower) death certificate.

(2) If an original or certified copy of the death certificate or an accurate and complete photocopy of the original or certified copy of the death certificate is not available, the Secretary discharges the loan only if other reliable

documentation establishes, to the Secretary's satisfaction, that the borrower (or student) has died. The Secretary discharges a loan based on documentation other than an original or certified copy of the death certificate, or an accurate and complete photocopy of the original or certified copy of the death certificate only under exceptional circumstances and on a case-by-case basis.

(3) In the case of a Direct Consolidation Loan that repaid a Direct PLUS Loan or a Federal PLUS Loan obtained on behalf of a student who dies, the Secretary discharges an amount equal to the portion of the outstanding balance of the consolidation loan, as of the date of the student's death, attributable to that Direct PLUS Loan or Federal PLUS Loan.

(b) *Total and permanent disability.* If a borrower meets the requirements in § 685.213, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(c) *Bankruptcy.* If a borrower's obligation to repay a loan is discharged in bankruptcy, the Secretary does not require the borrower to make any further payments on the loan.

(d) *Closed schools.* If a borrower meets the requirements in § 685.214, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the discharge applicable to any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(e) *False certification and unauthorized disbursement.* If a borrower meets the requirements in § 685.215, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the discharge applicable to any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(f) *Unpaid refunds.* If a borrower meets the requirements in § 685.216, the

Secretary discharges the obligation of the borrower and any endorser to make any further payments on the amount of the loan equal to the unpaid refund and any accrued interest and other charges associated with the unpaid refund. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the unpaid refund owed on any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(g) *Payments received after eligibility for discharge—(1) For the discharge conditions in paragraphs (a), (c), (d), and (e) of this section.* Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender, or, for a discharge based on death, the borrower's estate, any payments received after the date that the eligibility requirements for discharge were met.

(2) *For the discharge condition in paragraph (b) of this section.* Upon making a final determination of eligibility for discharge based on total and permanent disability, the Secretary returns to the sender any payments received after the date specified in § 685.213(b)(4)(iii) or 685.213(c)(2)(i), as applicable.

(3) *For the discharge condition in paragraph (f) of this section.* Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender payments received in excess of the amount owed on the loan after applying the unpaid refund.

(h) *Teacher loan forgiveness program.* If a new borrower meets the requirements in § 685.217, the Secretary repays up to \$5,000, or up to \$17,500, of the borrower's Direct Subsidized Loans, Direct Unsubsidized Loans, and, in certain cases, Direct Consolidation Loans.

(i) *Public Service Loan Forgiveness Program.* If a borrower meets the requirements in § 685.219, the Secretary cancels the remaining principal and accrued interest of the borrower's eligible Direct Subsidized Loan, Direct Unsubsidized Loan, Direct PLUS Loan, and Direct Consolidation Loan.

(j) *September 11 survivors discharge.* If a borrower meets the requirements in § 685.218, the Secretary discharges the

obligation of the borrower and any endorser to make any further payments—

(1) On an eligible Direct Loan if the borrower qualifies as the spouse of an eligible public servant;

(2) On the portion of a joint Direct Consolidation Loan incurred on behalf of an eligible victim, if the borrower qualifies as the spouse of an eligible victim;

(3) On a Direct PLUS Loan incurred on behalf of an eligible victim if the borrower qualifies as an eligible parent; and

(4) On the portion of a Direct Consolidation Loan that repaid a PLUS loan incurred on behalf of an eligible victim, if the borrower qualifies as an eligible parent.

**§ 685.213 Total and permanent disability discharge.**

(a) *General.* (1) A borrower's Direct Loan is discharged if the borrower becomes totally and permanently disabled, as defined in § 685.102(b), and satisfies the eligibility requirements in this section.

(2) For a borrower who becomes totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b), the borrower's loan discharge application is processed in accordance with paragraph (b) of this section.

(3) For veterans who are totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the veteran's loan discharge application is processed in accordance with paragraph (c) of this section.

(4) For purposes of this section, a borrower's representative or a veteran's representative is a member of the borrower's family, the borrower's

attorney, or another individual authorized to act on behalf of the borrower in connection with the borrower's total and permanent disability discharge application. References to a "borrower" or a "veteran" include, if applicable, the borrower's representative or the veteran's representative for purposes of applying for a total and permanent disability discharge, providing notifications or information to the Secretary, and receiving notifications from the Secretary.

(b) *Discharge application process for a borrower who is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b)—*

(1) *Borrower application for discharge.* To qualify for a discharge of a Direct Loan based on a total and permanent disability, a borrower must submit a discharge application to the Secretary on a form approved by the Secretary. If the borrower notifies the Secretary that the borrower claims to be totally and permanently disabled prior to submitting a total and permanent disability discharge application, the Secretary—

(i) Provides the borrower with information needed for the borrower to apply for a total and permanent disability discharge;

(ii) Suspends collection activity on any of the borrower's title IV loans held by the Secretary, and notifies the borrower's other title IV loan holders to suspend collection activity on the borrower's title IV loans for a period not to exceed 120 days; and

(iii) Informs the borrower that the suspension of collection activity will end after 120 days and collection will resume on the loans if the borrower does not submit a total and permanent disability discharge application to the Secretary within that time.

(2) *Physician certification or Social Security Administration (SSA) disability notice of award.* The application must contain—

(i) A certification by a physician, who is a doctor of medicine or osteopathy legally authorized to practice in a State, that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b); or

**§ 685.213**

**34 CFR Ch. VI (7-1-14 Edition)**

(ii) An SSA notice of award for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) benefits indicating that the borrower's next scheduled disability review will be within five to seven years.

(3) *Deadline for application submission.* The borrower must submit the application described in paragraph (b)(1) of this section to the Secretary within 90 days of the date the physician certifies the application, if applicable. Upon receipt of the borrower's application, the Secretary—

(i) Identifies all title IV loans owed by the borrower, notifies the lenders that the Secretary has received a total and permanent disability discharge application from the borrower and directs the lenders to suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans;

(ii) If the application is incomplete, notifies the borrower of the missing information and requests the missing information from the borrower or the physician who certified the application, as appropriate, and does not make a determination of eligibility for discharge until the application is complete;

(iii) Notifies the borrower that no payments are due on the loan while the Secretary determines the borrower's eligibility for discharge; and

(iv) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(4) *Determination of eligibility.* (i) If, after reviewing the borrower's completed application, the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits supports the conclusion that the borrower meets the criteria for a total and permanent disability discharge, as described in paragraph (1) of the definition of that term in § 685.102(b), the borrower is considered totally and permanently disabled—

(A) As of the date the physician certified the borrower's application; or

(B) As of the date the Secretary received the SSA notice of award for SSDI or SSI benefits.

(ii) The Secretary may require the borrower to submit additional medical

evidence if the Secretary determines that the borrower's application does not conclusively prove that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b). As part of the Secretary's review of the borrower's discharge application, the Secretary may require and arrange for an additional review of the borrower's condition by an independent physician at no expense to the borrower.

(iii) After determining that the borrower is totally and permanently disabled, as described in paragraph (1) of the definition of that term in § 685.102(b), the Secretary discharges the borrower's obligation to make any further payments on the loan, notifies the borrower that the loan has been discharged, and returns to the person who made the payments on the loan any payments received after the date the physician certified the borrower's loan discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits. The notification to the borrower explains the terms and conditions under which the borrower's obligation to repay the loan will be reinstated, as specified in paragraph (b)(7)(i) of this section.

(iv) If the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits provided by the borrower does not support the conclusion that the borrower is totally and permanently disabled, as described in paragraph (1) of the definition of that term in § 685.102(b), the Secretary notifies the borrower that the application for a disability discharge has been denied. The notification to the borrower includes—

(A) The reason or reasons for the denial;

(B) A statement that the loan is due and payable to the Secretary under the terms of the promissory note and that the loan will return to the status that would have existed if the total and permanent disability discharge application had not been received;

(C) The date that the borrower must resume making payments;

(D) An explanation that the borrower is not required to submit a new total

and permanent disability discharge application if the borrower requests that the Secretary re-evaluate the borrower's application for discharge by providing, within 12 months of the date of the notification, additional information that supports the borrower's eligibility for discharge; and

(E) An explanation that if the borrower does not request re-evaluation of the borrower's prior discharge application within 12 months of the date of the notification, the borrower must submit a new total and permanent disability discharge application to the Secretary if the borrower wishes the Secretary to re-evaluate the borrower's eligibility for a total and permanent disability discharge.

(v) If the borrower requests re-evaluation in accordance with paragraph (b)(4)(iv)(D) of this section or submits a new total and permanent disability discharge application in accordance with paragraph (b)(4)(iv)(E) of this section, the request must include new information regarding the borrower's disabling condition that was not provided to the Secretary in connection with the prior application at the time the Secretary reviewed the borrower's initial application for total and permanent disability discharge.

(5) *Treatment of disbursements made during the period from the date of the physician's certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date of discharge.* If a borrower received a title IV loan or TEACH Grant before the date the physician certified the borrower's discharge application or before the date the Secretary received the SSA notice of award for SSDI or SSI benefits and a disbursement of that loan or grant is made during the period from the date of the physician's certification or the receipt of the SSA notice of award for SSDI or SSI benefits until the date the Secretary grants a discharge under this section, the processing of the borrower's loan discharge request will be suspended until the borrower ensures that the full amount of the disbursement has been returned to the loan holder or to the Secretary, as applicable.

(6) *Receipt of new title IV loans or TEACH Grants after the date of the phy-*

*ician's certification or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits.* If a borrower receives a disbursement of a new title IV loan or receives a new TEACH Grant made on or after the date the physician certified the borrower's discharge application or on or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits and before the date the Secretary grants a discharge under this section, the Secretary denies the borrower's discharge request and resumes collection on the borrower's loan.

(7) *Conditions for reinstatement of a loan after a total and permanent disability discharge.* (i) The Secretary reinstates a borrower's obligation to repay a loan that was discharged in accordance with paragraph (b)(4)(iii) of this section if, within three years after the date the Secretary granted the discharge, the borrower—

(A) Has annual earnings from employment that exceed 100 percent of the poverty guideline for a family of two, as published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2);

(B) Receives a new TEACH Grant or a new loan under the Perkins or Direct Loan programs, except for a Direct Consolidation Loan that includes loans that were not discharged;

(C) Fails to ensure that the full amount of any disbursement of a title IV loan or TEACH Grant received prior to the discharge date that is made is returned to the loan holder or to the Secretary, as applicable, within 120 days of the disbursement date; or

(D) Receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(ii) If the borrower's obligation to repay the loan is reinstated, the Secretary—

(A) Notifies the borrower that the borrower's obligation to repay the loan has been reinstated;

(B) Returns the loan to the status that would have existed if the total and

permanent disability discharge application had not been received; and

(C) Does not require the borrower to pay interest on the loan for the period from the date the loan was discharged until the date the borrower's obligation to repay the loan was reinstated.

(iii) The Secretary's notification under paragraph (b)(7)(ii)(A) of this section will include—

(A) The reason or reasons for the reinstatement;

(B) An explanation that the first payment due date on the loan following reinstatement will be no earlier than 60 days after the date of the notification of reinstatement; and

(C) Information on how the borrower may contact the Secretary if the borrower has questions about the reinstatement or believes that the obligation to repay the loan was reinstated based on incorrect information.

(8) *Borrower's responsibilities after a total and permanent disability discharge.* During the three-year period described in paragraph (b)(7)(i) of this section, the borrower must—

(i) Promptly notify the Secretary of any changes in the borrower's address or phone number;

(ii) Promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (b)(7)(i)(A) of this section;

(iii) Provide the Secretary, upon request, with documentation of the borrower's annual earnings from employment on a form provided by the Secretary; and

(iv) Promptly notify the Secretary if the borrower receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(c) *Discharge application process for veterans who are totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b)—*

(1) *Veteran's application for discharge.* To qualify for a discharge of a Direct Loan based on a total and permanent disability as described in paragraph (2) of the definition of that term in § 685.102(b), a veteran must submit a

discharge application to the Secretary on a form approved by the Secretary. The application must be accompanied by documentation from the Department of Veterans Affairs showing that the Department of Veterans Affairs has determined that the veteran is unemployable due to a service-connected disability. The Secretary does not require the veteran to provide any additional documentation related to the veteran's disability. Upon receipt of the veteran's application, the Secretary—

(i) Identifies all title IV loans owed by the veteran and notifies the lenders that the Secretary has received a total and permanent disability discharge application from the borrower;

(ii) If the application is incomplete, requests the missing information from the veteran and does not make a determination of eligibility for discharge until the application is complete;

(iii) Notifies the veteran that no payments are due on the loan while the Secretary determines the veteran's eligibility for discharge; and

(iv) Explains the Secretary's process for reviewing total and permanent disability discharge applications.

(2) *Determination of eligibility.* (i) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the Secretary discharges the veteran's obligation to make any further payments on the loan and returns to the person who made the payments on the loan any payments received on or after the effective date of the determination by the Department of Veterans Affairs that the veteran is unemployable due to a service-connected disability.

(ii) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is not totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the Secretary notifies the veteran that the application for a disability discharge has been denied. The notification to the veteran includes—

(A) The reason or reasons for the denial;

(B) An explanation that the loan is due and payable to the Secretary under the terms of the promissory note and that the loan will return to the status it was in at the time the veteran applied for a total and permanent disability discharge;

(C) The date that the veteran must resume making payments;

(D) An explanation that the veteran is not required to submit a new total and permanent disability discharge application if the veteran requests that the Secretary re-evaluate the veteran's application for discharge by providing, within 12 months of the date of the notification, additional documentation from the Department of Veterans Affairs that supports the veteran's eligibility for discharge; and

(E) Information on how the veteran may reapply for a total and permanent disability discharge in accordance with the procedures described in paragraph (b) of this section if the documentation from the Department of Veterans Affairs does not indicate that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), but indicates that the veteran may be totally and permanently disabled as described in paragraph (1) of the definition of that term.

[77 FR 66142, Nov. 1, 2012]

**§ 685.214 Closed school discharge.**

(a) *General.* (1) The Secretary discharges the borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if the borrower (or the student on whose behalf a parent borrowed) did not complete the program of study for which the loan was made because the school at which the borrower (or student) was enrolled closed, as described in paragraph (c) of this section.

(2) For purposes of this section—

(i) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary; and

(ii) "School" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(b) *Relief pursuant to discharge.* (1) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges or collection costs with respect to the loan.

(2) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(3) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(4) The Secretary reports the discharge of a loan under this section to all consumer reporting agencies to which the Secretary previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(c) *Borrower qualification for discharge.*

(1) In order to qualify for discharge of a loan under this section, a borrower must submit to the Secretary a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 120 days before the school closed. The Secretary may extend the 120-day period if the Secretary determines that exceptional circumstances related to a school's closing justify an extension. Exceptional circumstances for this purpose may include, but are not limited to: the school's loss of accreditation; the

school's discontinuation of the majority of its academic programs; action by the State to revoke the school's license to operate or award academic credentials in the State; or a finding by a State or Federal government agency that the school violated State or Federal law; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(ii) State whether the borrower (or student) has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation; and

(iii) State that the borrower (or student)—

(A) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (d) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (e) of this section.

(2) The Secretary may discharge a loan under this section without an application from the borrower if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for the discharge.

(d) *Cooperation by borrower in enforcement actions.* (1) In order to obtain a discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—

(i) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(ii) Produce any documents reasonably available to the borrower with respect to those representations; and

(iii) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(2) The Secretary denies the request for a discharge or revokes the discharge of a borrower who—

(i) Fails to provide the testimony, documents, or a sworn statement required under paragraph (d)(1) of this section; or

(ii) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(e) *Transfer to the Secretary of borrower's right of recovery against third parties.* (1) Upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(2) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(3) Nothing in this section limits or forecloses the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged Direct Loan.

(f) *Discharge procedures.* (1) After confirming the date of a school's closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to

have been enrolled at the school on the school closure date or to have withdrawn not more than 120 days prior to the closure date.

(2) If the borrower's current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower's current address is unknown, the Secretary attempts to locate the borrower and determines the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school, the school's licensing agency, the school's accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (f)(2) of this section.

(4) If a borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary's mailing the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(5) If the Secretary determines that a borrower who requests a discharge meets the qualifications for a discharge, the Secretary notifies the borrower in writing of that determination.

(6) If the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower in writing of that determination and the reasons for the determination.

**§ 685.215 Discharge for false certification of student eligibility or unauthorized payment.**

(a) *Basis for discharge*—(1) *False certification.* The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if a school falsely certifies the eligibility of the borrower (or the student on whose behalf a parent borrowed) to receive the loan. The Secretary considers a student's eligibility to borrow to have been falsely certified by the school if the school—

(i) Certified the student's eligibility for a Direct Loan on the basis of ability to benefit from its training and the student did not meet the eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(ii) Signed the borrower's name on the loan application or promissory note without the borrower's authorization; or

(iii) Certified the eligibility of a student who, because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary, would not meet the requirements for employment (in the student's State of residence when the loan was originated) in the occupation for which the training program supported by the loan was intended.

(iv) Certified the individual's eligibility for a Direct Loan as a result of the crime of identity theft committed against the individual, as that crime is defined in paragraph (c)(4)(ii) of this section.

(2) *Unauthorized payment.* The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan if the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, unless the proceeds of the loan were delivered to the student or applied to charges owed by the student to the school.

(b) *Relief pursuant to discharge.* (1) Discharge for false certification under paragraph (a)(1) of this section relieves

the borrower of any past or present obligation to repay the loan and any accrued charges and collection costs with respect to the loan.

(2) Discharge for unauthorized payment under paragraph (a)(2) of this section relieves the borrower of the obligation to repay the amount of the payment discharged.

(3) The discharge under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the discharged loan or payment.

(4) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(5) The Secretary reports the discharge under this section to all consumer reporting agencies to which the Secretary previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(c) *Borrower qualification for discharge.* In order to qualify for discharge under this section, the borrower must submit to the Secretary a written request and a sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must meet the requirements in paragraphs (c) (1) through (6) of this section.

(1) *Ability to benefit.* In the case of a borrower requesting a discharge based on defective testing of the student's ability to benefit, the borrower must state that the borrower (or the student on whose behalf a parent borrowed)—

(i) Received a disbursement of a loan, in whole or in part, on or after January 1, 1986 to attend a school; and

(ii) Received a Direct Loan at that school on the basis of an ability to benefit from the school's training and did not meet the eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(2) *Unauthorized loan.* In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or prom-

issory note without the borrower's authorization, the borrower must—

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(3) *Unauthorized payment.* In the case of a borrower requesting a discharge because the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, the borrower must—

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so;

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature;

(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(4) *Identity theft.* (i) In the case of an individual whose eligibility to borrow was falsely certified because he or she was a victim of the crime of identity theft and is requesting a discharge, the individual must—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft; and

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime of identity theft, provide—

(1) Authentic specimens of the signature of the individual, as provided in paragraph (c)(2)(i) of this section, or of

other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(ii)(A) For purposes of this section, identity theft is defined as the unauthorized use of the identifying information of another individual that is punishable under 18 U.S.C. 1028, 1028A, 1029, or 1030, or substantially comparable State or local law.

(B) Identifying information includes, but is not limited to—

(1) Name, Social Security number, date of birth, official State or government issued driver's license or identification number, alien registration number, government passport number, and employer or taxpayer identification number;

(2) Unique biometric data, such as fingerprints, voiceprint, retina or iris image, or unique physical representation;

(3) Unique electronic identification number, address, or routing code; or

(4) Telecommunication identifying information or access device (as defined in 18 U.S.C. 1029(e)).

(5) *Claim to third party.* The borrower must state whether the borrower (or student) has made a claim with respect to the school's false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation.

(6) *Cooperation with Secretary.* The borrower must state that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third

party to the Secretary as described in § 685.214(e).

(7) *Discharge without an application.* The Secretary may discharge a loan under this section without an application from the borrower if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(d) *Discharge procedures.* (1) If the Secretary determines that a borrower's Direct Loan may be eligible for a discharge under this section, the Secretary mails the borrower a disclosure application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary's mailing the disclosure application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If the borrower submits the written request and sworn statement described in paragraph (c) of the section, the Secretary determines whether to grant a request for discharge under this section by reviewing the request and sworn statement in light of information available from the Secretary's records and from other sources, including guaranty agencies, State authorities, and cognizant accrediting associations.

(4) If the Secretary determines that the borrower meets the applicable requirements for a discharge under paragraph (c) of this section, the Secretary notifies the borrower in writing of that determination.

**§ 685.216**

**34 CFR Ch. VI (7–1–14 Edition)**

(5) If the Secretary determines that the borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of that determination and the reasons for the determination.

**§ 685.216 Unpaid refund discharge.**

(a)(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section. Any accrued interest and other charges associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* (i) In the case of a school that is open, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section, if—

(A) The borrower (or the student on whose behalf a parent borrowed) is not attending the school that owes the refund;

(B) The borrower has been unable to resolve the unpaid refund with the school; and

(C) The Secretary is unable to resolve the unpaid refund with the school within 120 days from the date the borrower submits a complete application in accordance with paragraph (c)(1) of this section regarding the unpaid refund. Any accrued interest and other charges associated with the unpaid refund are also discharged.

(ii) For the purpose of paragraph (a)(2)(i)(C) of this section, within 60 days of the date notified by the Secretary, the school must submit to the Secretary documentation dem-

onstrating that the refund was made by the school or that the refund was not required to be made by the school.

(b) *Relief to borrower following discharge.* (1) If the borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest and other charges) owed by the borrower at the time of discharge.

(2) The Secretary reports the discharge of a portion of a loan under this section to all consumer reporting agencies to which the Secretary previously reported the status of the loan.

(c) *Borrower qualification for discharge.*

(1) Except as provided in paragraph (c)(2) of this section, to receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the Secretary. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to the accuracy of the information in the application. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as the holder of a performance bond or a tuition recovery program;

(ii) State whether the borrower (or student) has any other application for discharge pending for this loan; and

(iii) State that the borrower (or student)—

(A) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(2) The Secretary may discharge a portion of a loan under this section without an application if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(d) *Determination of amount eligible for discharge.* (1) The Secretary determines the amount eligible for discharge based on information showing the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the Secretary. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (d)(1) of this section is not available, the Secretary uses the following formulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the lesser of the institutional charges unearned or the loan amount. The Secretary determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the loan amount unearned. The Secretary determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or, if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the Secretary does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(e) *Discharge procedures.* (1) Except as provided in paragraph (c)(2) of this section, if the Secretary learns that a school did not make a refund of loan proceeds owed under applicable law and regulations, the Secretary sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If a borrower who is sent a discharge application fails to submit the application within 60 days of the Secretary's sending the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If a borrower qualifies for a discharge, the Secretary notifies the borrower in writing. The Secretary resumes collection and grants forbearance of principal and interest on the portion of the loan not discharged for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(4) If a borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of the reasons for the determination. The Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was

§685.217

34 CFR Ch. VI (7-1-14 Edition)

suspended. The Secretary may capitalize any interest accrued and not paid during that period.

§685.217 Teacher loan forgiveness program.

(a) General. (1) The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph (a) on the borrower's Direct Subsidized Loans, Direct Unsubsidized Loans, Subsidized and Unsubsidized Federal Stafford Loans, and in certain cases, Direct Consolidation Loans or Federal Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the Direct Loan Program or the FFEL Program on October 1, 1998, or who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998.

(2)(i) The borrower must have been employed at an eligible elementary or secondary school that serves low-income families or by an educational service agency that serves low-income families as a full-time teacher for five consecutive complete academic years. The required five years of teaching may include any combination of qualifying teaching service at an eligible elementary or secondary school or for an eligible educational service agency.

(ii) Teaching for an eligible elementary or secondary school may be counted toward the required five consecutive complete academic years only if for least one year of teaching was after the 1997-1998 academic year.

(iii) Teaching at an eligible educational service agency may be counted toward the required five consecutive complete academic years only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007-2008 academic year.

(3) All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible Direct Loan and FFEL Program loans.

(4) A borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible Direct Loan and FFEL Program loans if the borrower was employed for five consecutive years—

(i) At an eligible secondary school as a highly qualified mathematics or science teacher, or by an eligible educational service agency as a highly qualified teacher of mathematics or science to secondary school students; or

(ii) At an eligible elementary or secondary school or by an eligible educational service agency as a highly qualified special education teacher.

(5) The loan for which the borrower is seeking forgiveness must have been made prior to the end of the borrower's fifth year of qualifying teaching service.

(b) Definitions. The following definitions apply to this section:

Academic year means one complete school year at the same school, or two complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. Half years exclude summer sessions and generally fall within a twelve-month period. For schools that have a year-round program of instruction, a minimum of nine months is considered an academic year.

Educational service agency means a regional public multiservice agency authorized by State statute to develop, manage, and provide services or programs to local educational agencies, as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

Elementary school means a public or nonprofit private school that provides elementary education as determined by State law or the Secretary if that school is not in a State.

Full-time means the standard used by a State in defining full-time employment as a teacher. For a borrower teaching in more than one school, the

determination of full-time is based on the combination of all qualifying employment.

*Highly qualified* means highly qualified as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

*Secondary school* means a public or nonprofit private school that provides secondary education as determined by State law or the Secretary if the school is not in a State.

(ii) Has been selected by the Secretary based on a determination that more than 30 percent of the school's or educational service agency's total enrollment is made up of children who qualify for services provided under title I; and

(iii) Is listed in the *Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits*. If this directory is not available before May 1 of any year, the previous year's directory may be used.

(2) The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Education (BIE) or operated on Indian reservations by Indian tribal groups under contract with the BIE to qualify as schools serving low-income students.

(3) If the school or educational service agency at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and fails to meet those requirements in subsequent years, those subsequent years of teach-

ing qualify for purposes of this section for that borrower.

(4) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative officer of the eligible elementary school or educational service agency where the borrower was employed; or

(B) Taught in a subject area that is relevant to the borrower's academic major as certified by the chief administrative officer of the eligible secondary school or educational service agency where the borrower was employed.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(iii) Teaching service performed at an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(5) In the case of a borrower whose five consecutive years of qualifying teaching service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full

time at an eligible elementary or secondary school or educational service agency and was a highly qualified elementary or secondary school teacher.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis at an eligible secondary school, or taught mathematics or science on a full-time basis to secondary school students for an eligible educational service agency, and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities at an eligible elementary or secondary school or for an eligible educational service agency and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(iii) Teaching service performed for an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service for an eligible educational service agency performed after the 2007-2008 academic year.

(6) To qualify for loan forgiveness as a highly qualified teacher, the teacher must have been a highly qualified teacher for all five years of eligible teaching service.

(7) For teacher loan forgiveness applications received by the Secretary on or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements (unless otherwise applicable under State law) may qualify for loan forgiveness under paragraphs (c)(4)(ii) or (c)(5) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section

9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(8) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(ii) A condition that is covered under the Family and Medical Leave Act of 1993 (FMLA) (29 U.S.C. 2601, *et seq.*); or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code.

(9) A borrower's period of postsecondary education, qualifying FMLA condition, or military active duty as described in paragraph (c)(8) of this section, including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required five consecutive years of qualifying teaching service.

(10) A borrower who was employed as a teacher at more than one qualifying school, for more than one qualifying educational service agency, or a combination of both during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools or educational service agencies involved, is considered to have completed one academic year of qualifying teaching.

(11) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to

re-establish title IV eligibility, as defined in § 685.200(b).

(12) A borrower may not receive loan forgiveness for the same qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under—

(i) Subtitle D of title I of the National and Community Service Act of 1990;

(ii) 34 CFR 685.219; or

(iii) Section 428 K of the Act.

(13) A borrower may request forbearance during each of the five years of qualifying teaching service in accordance with § 685.205(a)(5).

(d) *Forgiveness amount.* (1) A qualified borrower is eligible for forgiveness of up to \$5,000, or up to \$17,500 if the borrower meets the requirements of paragraph (c)(4)(ii) or (c)(5)(ii) of this section. The forgiveness amount is deducted from the aggregate amount of the borrower's Direct Subsidized Loan or Direct Unsubsidized Loan or Direct Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the Direct Consolidation Loan that was used to repay an eligible Direct Subsidized Loan, an eligible Direct Unsubsidized Loan, or an eligible Subsidized or Unsubsidized Federal Stafford Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraph (c)(4)(ii) or (c)(5)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both this section and under section 34 CFR 682.216.

(3) The Secretary does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) *Application.* (1) A borrower, after completing the qualifying teacher service, must request loan forgiveness from the Secretary on a form provided by the Secretary.

(2) If the Secretary determines that the borrower meets the eligibility requirements for loan forgiveness under this section, the Secretary—

(i) Notifies the borrower of this determination; and

(ii) Unless otherwise instructed by the borrower, applies the proceeds of the loan forgiveness first to any outstanding Direct Unsubsidized Loan balances, next to any outstanding Direct Subsidized Loan balances, next to any qualifying Direct Unsubsidized Consolidation Loan balances, and last to any qualifying outstanding Direct Subsidized Consolidation Loan balances.

(3) If the Secretary determines that the borrower does not meet the eligibility requirements for loan forgiveness under this section, the Secretary notifies the borrower of this determination.

(ii) If the injuries suffered due to the terrorist-related aircraft crashes did not make the individual permanently and totally disabled at the time of or in the immediate aftermath of the attacks, the individual may be considered to be permanently and totally disabled for purposes of this section if the individual's medical condition has deteriorated to the extent that the individual is permanently and totally disabled.

(6) *Immediate aftermath* means, except in the case of an eligible public servant, the period of time from the aircraft crashes until 12 hours after the crashes. With respect to eligible public

(3) If the Secretary determines that the borrower does not qualify for a discharge under this section, or the Secretary does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the Secretary that the borrower claims to qualify for a discharge, the Secretary resumes collection and

grants forbearance of payment of both principal and interest for the period in which collection activity was suspended. The Secretary notifies the borrower that the application for the discharge has been denied, provides the basis for the denial, and informs the borrower that the Secretary will resume collection on the loan. The Secretary may capitalize any interest accrued and not paid during this period.

(7) If the borrower is the spouse or parent of an eligible victim, and has been granted a discharge on another Direct Loan or a FFEL Program Loan because the eligible victim died due to injuries suffered in the terrorist at-

tacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation in paragraphs (d)(4) and (d)(5) of this section.

(8) The Secretary may discharge the loan based on other reliable documentation that establishes, to the Secretary's satisfaction, that the eligible public servant or the eligible victim died due to injuries suffered in the September 11, 2001 attacks. The Secretary discharges a loan based on documentation other than the documentation specified in paragraphs (d)(1) through (d)(5) of this section only under exceptional circumstances and on a case-by-case basis.

(e) *Application for a Direct Consolidation Loan.* To obtain a Direct Consolidation Loan, a borrower must submit a completed application to the Secretary. A borrower may add eligible loans to a Direct Consolidation Loan by submitting a request to the Secretary within 180 days after the date on which the Direct Consolidation Loan is originated.

(f) *Origination of a consolidation loan.*

(1)(i) The holder of a loan that a borrower wishes to consolidate into a Direct Loan must complete and return the Secretary’s request for certification of the amount owed within 10 business days of receipt or, if it is unable to provide the certification, provide to the Secretary a written explanation of the reasons for its inability to provide the certification.

(j) *Repayment schedule.* (1) The Secretary provides a borrower of a Direct Consolidation Loan a repayment schedule before the borrower's first payment is due. The repayment schedule identifies the borrower's monthly repayment amount under the repayment plan selected.

(k) *Refunds and returns of title IV, HEA program funds received from schools.* If a lender receives a refund or return of title IV, HEA program funds from a school on a loan that has been consolidated into a Direct Consolidation Loan, the lender must transmit the refund or return and an explanation of the source of the refund or return to the Secretary within 30 days of receipt.

**§ 685.221 Income-based repayment plan.**

(a) *Definitions.* As used in this section—

(1) *Adjusted gross income (AGI)* means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income. For a married borrower filing separately,

AGI includes only the borrower's income.

(2) *Eligible loan* means any outstanding loan made to a borrower under the FFEL or Direct Loan programs except for a defaulted loan, a FFEL or Direct PLUS Loan made to a parent borrower, or a FFEL or Direct Consolidation Loan that repaid a FFEL or Direct PLUS Loan made to a parent borrower.

(3) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the year the borrower certifies family size, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

(i) Live with the borrower; and

(ii) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(4) *New borrower* means an individual who has no outstanding balance on a Direct Loan Program or FFEL Program loan on July 1, 2014, or who has no outstanding balance on such a loan on the date he or she obtains a loan after July 1, 2014.

(5) *Partial financial hardship* means a circumstance in which—

(i) For an unmarried borrower or a married borrower who files an individual Federal tax return, the annual amount due on all of the borrower's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the borrower initially entered repayment or at the time the borrower elects the income-based repayment plan, exceeds 15 percent or, for a new borrower, 10 percent of the difference between the borrower's AGI and 150 percent of the poverty guideline for the borrower's family size; or

(ii) For a married borrower who files a joint Federal tax return with his or

her spouse, the annual amount due on all of the borrower's eligible loans and, if applicable, the spouse's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the loans initially entered repayment or at the time the borrower or spouse elects the income-based repayment plan, exceeds 15 percent or, for a new borrower, 10 percent of the difference between the borrower's and spouse's AGI, and 150 percent of the poverty guideline for the borrower's family size.

(6) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(b) *Terms of the repayment plan.* (1) A borrower may select the income-based repayment plan only if the borrower has a partial financial hardship. The borrower's aggregate monthly loan payments are limited to no more than 15 percent or, for a new borrower, 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12.

(2) The Secretary adjusts the calculated monthly payment if—

(i) Except for borrowers provided for in paragraph (b)(2)(ii) of this section, the total amount of the borrower's eligible loans are not Direct Loans, in which case the Secretary determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(ii) Both the borrower and borrower's spouse have eligible loans and filed a joint Federal tax return, in which case the Secretary determines—

(A) Each borrower's percentage of the couple's total eligible loan debt;

(B) The adjusted monthly payment for each borrower by multiplying the

calculated payment by the percentage determined in paragraph (b)(2)(ii)(A) of this section; and

(C) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly Direct Loan payment by multiplying the payment determined in paragraph (b)(2)(ii)(B) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(iii) The calculated amount under paragraph (b)(1), (b)(2)(i), or (b)(2)(ii) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(iv) The calculated amount under paragraph (b)(1), (b)(2)(i), or (b)(2)(ii) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(3) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's Direct Subsidized loan or the subsidized portion of a Direct Consolidation Loan, the Secretary does not charge the borrower the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on that loan under the income-based repayment plan. Any period during which the Secretary has previously not charged the borrower accrued interest on an eligible loan under the Pay As You Earn repayment plan counts toward the maximum three years of subsidy a borrower is eligible to receive under the income-based repayment plan. On a Direct Consolidation Loan that repays loans on which the Secretary has not charged the borrower accrued interest, the three-year period includes the period for which the Secretary did not charge the borrower accrued interest on the underlying loans. This three-year period does not include any period during which the borrower receives an economic hardship deferment.

(4) Except as provided in paragraph (b)(3) of this section, accrued interest is capitalized at the time a borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(5) If the borrower's monthly payment amount is not sufficient to pay any of the principal due, the payment of that principal is postponed until the borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(6) The repayment period for a borrower under the income-based repayment plan may be greater than 10 years.

(c) *Payment application and prepayment.* (1) The Secretary applies any payment made under the income-based repayment plan in the following order:

- (i) Accrued interest.
- (ii) Collection costs.
- (iii) Late charges.
- (iv) Loan principal.

(2) The borrower may prepay all or part of a loan at any time without penalty, as provided under § 685.211(a)(2).

(3) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of § 685.211(a)(3).

(4) If the prepayment amount exceeds a monthly payment amount of \$0.00 under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of paragraph (c)(1) of this section.

(d) *Changes in the payment amount.* (1) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the income-based repayment plan, but the Secretary recalculates the borrower's monthly payment. The Secretary also recalculates the monthly payment for a borrower who chooses to stop making income-based payments. In either case, as result of the recalculation—

(i) The maximum monthly amount that the Secretary requires the borrower to repay is the amount the borrower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's eligible loans that was outstanding at the time the borrower began repayment on the loans under the income-based repayment plan; and

(ii) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(2)(i) If a borrower no longer wishes to pay under the income-based repayment plan, the borrower must pay under the standard repayment plan and the Secretary recalculates the borrower's monthly payment based on—

(A) For a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan, the time remaining under the maximum ten-year repayment period for the amount of the borrower's loans that were outstanding at the time the borrower discontinued paying under the income-based repayment plan; or

(B) For a Direct Consolidation Loan, the time remaining under the applicable repayment period as initially determined under § 685.208(j) and the amount of that loan that was outstanding at the time the borrower discontinued paying under the income-based repayment plan.

(ii) A borrower who no longer wishes to repay under the income-based repayment plan and who is required to repay under the Direct Loan standard repayment plan in accordance with paragraph (d)(2)(i) of this section may request a change to a different repayment plan after making one monthly payment under the Direct Loan standard repayment plan. For this purpose, a monthly payment may include one payment made under a forbearance that provides for accepting smaller payments than previously scheduled, in accordance with § 685.205(a).

(e) *Eligibility documentation, verification, and notifications.* (1) The Secretary determines whether a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower selects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the Secretary requires the borrower to—

(i) Provide documentation, acceptable to the Secretary, of the borrower's AGI;

(ii) If the borrower's AGI is not available, or the Secretary believes that the borrower's reported AGI does not reasonably reflect the borrower's current

income, provide other documentation to verify income; and

(iii) Annually certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for that year.

(2) After making a determination that a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower initially elects the plan and for any subsequent year that the borrower has a partial financial hardship, the Secretary sends the borrower a written notification that provides the borrower with—

(i) The borrower's scheduled monthly payment amount, as calculated under paragraph (b)(1) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(ii) Information about the requirement for the borrower to annually provide the information described in paragraph (e)(1) of this section, if the borrower chooses to remain on the income-based repayment plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive this information;

(iii) An explanation of the consequences, as described in paragraphs (e)(1)(iii) and (e)(7) of this section, if the borrower does not provide the required information;

(iv) An explanation of the consequences if the borrower no longer wishes to repay under the income-based repayment plan; and

(v) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the Secretary recalculate the borrower's monthly payment amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly payment no longer reflects the borrower's current income. If the Secretary recalculates the borrower's monthly payment amount based on the borrower's request, the Secretary sends the borrower a written notification that includes the information described

in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(3) For each subsequent year that a borrower who currently has a partial financial hardship remains on the income-based repayment plan, the Secretary notifies the borrower in writing of the requirements in paragraph (e)(1) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (e)(3)(i) of this section. The notification provides the borrower with—

(i) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive all of the information described in paragraph (e)(1) of this section (annual deadline); and

(ii) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (d)(1) of this section, the effective date for the recalculated monthly payment amount, and the fact that unpaid accrued interest will be capitalized at the end of the borrower's current annual payment period in accordance with paragraph (b)(4) of this section.

(4) Each time the Secretary makes a determination that a borrower no longer has a partial financial hardship for a subsequent year that the borrower wishes to remain on the plan, the Secretary sends the borrower a written notification that provides the borrower with—

(i) The borrower's recalculated monthly payment amount, as determined in accordance with paragraph (d)(1) of this section;

(ii) An explanation that unpaid interest will be capitalized in accordance with paragraph (b)(4) of this section; and

(iii) Information about the borrower's option to request, at any time, that the Secretary redetermine whether the borrower has a partial financial hardship, if the borrower's financial circumstances have changed and the income amount used to determine that the borrower no longer has a partial financial hardship does not reflect the

borrower's current income, and an explanation that the borrower will be notified annually of this option. If the Secretary determines that the borrower again has a partial financial hardship, the Secretary recalculates the borrower's monthly payment in accordance with paragraph (b)(1) of this section and sends the borrower a written notification that includes the information described in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(5) For each subsequent year that a borrower who does not currently have a partial financial hardship remains on the income-based repayment plan, the Secretary sends the borrower a written notification that includes the information described in paragraph (e)(4)(iii) of this section.

(6) If a borrower who is currently repaying under another repayment plan selects the income-based repayment plan but does not provide the information described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section, or if the Secretary determines that the borrower does not have a partial financial hardship, the borrower remains on his or her current repayment plan.

(7) The Secretary designates the repayment option described in paragraph (d)(1) of this section if a borrower who is currently repaying under the income-based repayment plan remains on the plan for a subsequent year but the Secretary does not receive the information described in paragraphs (e)(1)(i) through (e)(1)(ii) of this section within 10 days of the specified annual deadline, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(8) If the Secretary receives the information described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section within 10 days of the specified annual deadline—

(i) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(A) If the new monthly payment amount is less than the borrower's pre-

viously calculated income-based monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding the requirements of § 685.211(a)(3), unless the borrower requests otherwise, the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of paragraph (c)(1) of this section.

(B) If the new monthly payment amount is equal to or greater than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(C) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(ii) The new annual payment period begins on the day after the end of the most recent annual payment period.

(9)(i) If the Secretary receives the documentation described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (d)(1) of this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated income-based monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated income-based monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

**§ 685.221**

**34 CFR Ch. VI (7-1-14 Edition)**

(ii) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(f) *Loan forgiveness.* (1) To qualify for loan forgiveness after 25 years or, for a new borrower, after 20 years, a borrower must have participated in the income-based repayment plan and satisfied at least one of the following conditions during the applicable loan forgiveness period:

(i) Made reduced monthly payments under a partial financial hardship as provided in paragraph (b)(1) or (b)(2) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (b)(2)(iii) of this section.

(ii) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-based payments as provided in paragraph (d) of this section.

(iii) Made monthly payments under any repayment plan, that were not less than the amount required under the Direct Loan standard repayment plan described in § 685.208(b) with a 10-year repayment period.

(iv) Made monthly payments under the Direct Loan standard repayment plan described in § 685.208(b) for the amount of the borrower's loans that were outstanding at the time the borrower first selected the income-based repayment plan.

(v) Made monthly payments under a Direct Loan income-contingent repayment plan, including a calculated monthly payment amount of \$0.00.

(vi) Received an economic hardship deferment on eligible Direct Loans.

(2) As provided under paragraph (f)(4) of this section, the Secretary cancels any outstanding balance of principal and accrued interest on Direct loans for which the borrower qualifies for forgiveness if the Secretary determines that—

(i) The borrower made monthly payments under one or more of the repayment plans described in paragraph

(f)(1) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (b)(2)(iii) of this section; and

(ii)(A) The borrower made those monthly payments each year for the applicable loan forgiveness period, or

(B) Through a combination of monthly payments and economic hardship deferments, the borrower has made the equivalent of 25 years of payments or, for a new borrower, the equivalent of 20 years of payments.

(3) For a borrower who qualifies for the income-based repayment plan, the beginning date for the applicable loan forgiveness period is—

(i) If the borrower made payments under the income-contingent repayment plan, the date the borrower made a payment on the loan under that plan at any time after July 1, 1994; or

(ii) If the borrower did not make payments under the income-contingent repayment plan—

(A) For a borrower who has an eligible Direct Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for income-based repayment. The beginning date is the date the borrower made the payment or received the deferment, but no earlier than July 1, 2009;

(B) For a borrower who has one or more other eligible Direct Loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the deferment on that loan, but no earlier than July 1, 2009;

(C) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(ii)(A) or (f)(3)(ii)(B) of this section, the date the borrower made a payment under the income-based repayment plan on the loan;

(D) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the Direct Consolidation Loan that met the requirements in paragraph (f)(1) of this section; or

(E) If the borrower did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(i) or (f)(3)(ii) of this section, the date the borrower made a payment under the income-based repayment plan on the loan.

(4) Any payments made on a defaulted loan are not made under a qualifying repayment plan and are not counted toward the applicable loan forgiveness period.

(5)(i) When the Secretary determines that a borrower has satisfied the loan forgiveness requirements under paragraph (f) of this section on an eligible loan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notice that includes—

(A) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(B) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(C) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(ii) The Secretary determines when a borrower has met the loan forgiveness requirements under paragraph (f) of this section and does not require the borrower to submit a request for loan forgiveness.

(iii) After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(A) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(B) Provides the borrower with the information described in paragraph (f)(5)(i)(C) of this section; and

(C) Returns to the sender any payment received on a loan after loan forgiveness has been granted in accord-

ance with paragraph (f)(5)(i) of this section.

### Subpart C—Requirements, Standards, and Payments for Direct Loan Program Schools

#### § 685.300 Agreements between an eligible school and the Secretary for participation in the Direct Loan Program.

(a) *General.* Participation of a school in the Direct Loan Program means that eligible students at the school may receive Direct Loans. To participate in the Direct Loan Program, a school must—

(1) Demonstrate to the satisfaction of the Secretary that the school meets the requirements for eligibility under the Act and applicable regulations; and

(2) Enter into a written program participation agreement with the Secretary.

(b) *Program participation agreement.* In the program participation agreement, the school must promise to comply with the Act and applicable regulations and must agree to—

(1) Identify eligible students who seek student financial assistance at the institution in accordance with section 484 of the Act;

(2) Estimate the need of each of these students as required by part F of the Act for an academic year. For purposes of estimating need, a Direct Unsubsidized Loan, a Direct PLUS Loan, or any loan obtained under any State-sponsored or private loan program may be used to offset the expected family contribution of the student for that year;

(3) Certify that the amount of the loan for any student under part D of the Act is not in excess of the annual limit applicable for that loan program and that the amount of the loan, in combination with previous loans received by the borrower, is not in excess of the aggregate limit for that loan program;

## § 685.301

(4) Set forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G of the Act;

(5) On a monthly basis, reconcile institutional records with Direct Loan funds received from the Secretary and Direct Loan disbursement records submitted to and accepted by the Secretary;

(6) Provide timely and accurate information to the Secretary for the servicing and collecting of loans—

(i) Concerning the status of student borrowers (and students on whose behalf parents borrow) while these students are in attendance at the school;

(ii) Upon request by the Secretary, concerning any new information of which the school becomes aware for these students (or their parents) after the student leaves the school; and

(iii) Concerning student eligibility and need, for the alternative origination of loans to eligible students and parents in accordance with part D of the Act;

(7) Provide assurances that the school will comply with requirements established by the Secretary relating to student loan information with respect to loans made under the Direct Loan Program;

(8) Provide that the school will accept responsibility and financial liability stemming from its failure to perform its functions pursuant to the agreement;

(9) Provide for the implementation of a quality assurance system, as established by the Secretary and developed in consultation with the school, to ensure that the school is complying with program requirements and meeting program objectives;

(10) Provide that the school will not charge any fees of any kind, however described, to student or parent borrowers for origination activities or the provision of any information necessary for a student or parent to receive a loan under part D of the Act or any benefits associated with such a loan; and

(11) Comply with other provisions that the Secretary determines are necessary to protect the interests of the United States and to promote the purposes of part D of the Act.

## 34 CFR Ch. VI (7–1–14 Edition)

(c) *Origination.* A school that originates loans in the Direct Loan Program must originate loans to eligible students and parents in accordance with part D of the Act. The note or evidence of the borrower's obligation on the loan originated by the school is the property of the Secretary.

### § 685.301 Origination of a loan by a Direct Loan Program school.

(a) *Determining eligibility and loan amount.* (1) A school participating in the Direct Loan Program must ensure that any information it provides to the Secretary in connection with loan origination is complete and accurate. A school must originate a Direct Loan while the student meets the borrower eligibility requirements of § 685.200. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made by the borrower and, in the case of a parent Direct PLUS Loan borrower, the student and the parent borrower.

(2) A school must provide to the Secretary borrower information that includes but is not limited to—

(i) The borrower's eligibility for a loan, as determined in accordance with § 685.200 and § 685.203;

(ii) The student's loan amount; and

(iii) The anticipated and actual disbursement date or dates and disbursement amounts of the loan proceeds, as determined in accordance with § 685.303(d).

(3) Before originating a Direct PLUS Loan for a graduate or professional student borrower, the school must determine the borrower's eligibility for a Direct Subsidized and a Direct Unsubsidized Loan. If the borrower is eligible for a Direct Subsidized or Direct Unsubsidized Loan, but has not requested the maximum Direct Subsidized or Direct Unsubsidized Loan amount for which the borrower is eligible, the school must—

(i) Notify the graduate or professional student borrower of the maximum Direct Subsidized or Direct Unsubsidized Loan amount that he or she

is eligible to receive and provide the borrower with a comparison of—

(A) The maximum interest rate for a Direct Subsidized Loan and a Direct Unsubsidized Loan and the maximum interest rate for a Direct PLUS Loan;

(B) Periods when interest accrues on a Direct Subsidized Loan and a Direct Unsubsidized Loan, and periods when interest accrues on a Direct PLUS Loan; and

(C) The point at which a Direct Subsidized Loan and a Direct Unsubsidized Loan enters repayment, and the point at which a Direct PLUS Loan enters repayment; and

(ii) Give the graduate or professional student borrower the opportunity to request the maximum Direct Subsidized or Direct Unsubsidized Loan amount for which the borrower is eligible.

(4) A school may not originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan, or a combination of loans, for an amount that—

(i) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in § 685.203; or

(ii) Exceeds the student's estimated cost of attendance less—

(A) The student's estimated financial assistance for that period; and

(B) In the case of a Direct Subsidized Loan, the borrower's expected family contribution for that period.

(5)(i) A school determines a Direct Subsidized or Direct Unsubsidized Loan amount in accordance with § 685.203.

(ii) When prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the number of hours for which an eligible student is enrolled changes after the school originates the loan.

(6) The date of loan origination is the date a school creates the electronic loan origination record.

(7) If a student has received a determination of need for a Direct Subsidized Loan that is \$200 or less, a school may choose not to originate a Direct Subsidized Loan for that student and to include the amount as part of a Direct Unsubsidized Loan.

(8) A school may refuse to originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the borrower in writing, and if—

(i) The determination is made on a case-by-case basis;

(ii) The documentation supporting the determination is retained in the student's file; and

(iii) The school does not engage in any pattern or practice that results in a denial of a borrower's access to Direct Loans because of the borrower's race, gender, color, religion, national origin, age, disability status, or income.

(9) A school may not assess a fee for the completion or certification of any Direct Loan Program forms or information or for the origination of a Direct Loan.

(10)(i) The minimum period of enrollment for which a school may originate a Direct Loan is—

(A) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, or that has terms that are substantially equal in length with no term less than nine weeks in length, a single academic term (e.g., a semester or quarter); or

(B) Except as provided in paragraph (a)(10)(ii) or (iii) of this section, at a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system and does not have terms that are substantially equal in length with no term less than nine weeks in length, the lesser of—

(1) The length of the student's program (or the remaining portion of that program if the student has less than the full program remaining) at the school; or

(2) The academic year as defined by the school in accordance with 34 CFR 668.3.

(ii) For a student who transfers into a school from another school and the prior school originated a loan for a period of enrollment that overlaps the period of enrollment at the new school, the new school may originate a loan

## § 685.302

for the remaining portion of the program or academic year. In this case the school may originate a loan for an amount that does not exceed the remaining balance of the student's annual loan limit.

(iii) For a student who completes a program at a school, where the student's last loan to complete that program had been for less than an academic year, and the student then begins a new program at the same school, the school may originate a loan for the remainder of the academic year. In this case the school may originate a loan for an amount that does not exceed the remaining balance of the student's annual loan limit at the loan level associated with the new program.

(iv) The maximum period for which a school may originate a Direct Loan is—

(A) Generally an academic year, as defined by the school in accordance with 34 CFR 668.3, except that the school may use a longer period of time corresponding to the period to which the school applies the annual loan limits under § 685.203; or

(B) For a defaulted borrower who has regained eligibility, the academic year in which the borrower regained eligibility.

(b) *Promissory note handling.* (1) The Secretary provides promissory notes for use in the Direct Loan Program. A school may not modify, or make any additions to, the promissory note without the Secretary's prior written approval.

(2) A school that originates a loan must ensure that the loan is supported by a completed promissory note as proof of the borrower's indebtedness.

(c) *Reporting to the Secretary.* The Secretary accepts a student's Payment Data that is submitted in accordance with procedures established through publication in the FEDERAL REGISTER, and that contains information the Secretary considers to be accurate in light of other available information including that previously provided by the student and the institution. ## 34 CFR Ch. VI (7-1-14 Edition)

### § 685.302 [Reserved]

### § 685.303 Processing loan proceeds.

(a) *Purpose.* This section establishes rules governing a school's processing of a borrower's Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan proceeds. The school must also comply with any rules for processing loan proceeds contained in 34 CFR part 668.

(b) *General.*—(1) A school may not disburse loan proceeds to a borrower unless the borrower has executed a legally enforceable promissory note.

(2) The Secretary provides Direct Loan funds to a school in accordance with 34 CFR 668.162.

(3)(i) Except in the case of a late disbursement under paragraph (f) of this section, or as provided in paragraph (b)(3)(iii) of this section, a school may disburse loan proceeds only to a student, or a parent in the case of a Direct PLUS Loan obtained by a parent borrower, if the school determines the student has continuously maintained eligibility in accordance with the provisions of § 685.200 from the beginning of the loan period for which the loan was intended.

(ii) If a student delays attending school for a period of time, the school may consider that student to have maintained eligibility for the loan from the first day of the period of enrollment. However, the school must comply with the requirements under paragraph (b)(4) of this section.

(iii) If, after a school makes the first disbursement to a borrower, the student becomes ineligible due solely to the school's loss of eligibility to participate in the title IV programs or the Direct Loan Program, the school may make subsequent disbursements to the borrower as permitted by 34 CFR part 668.

(iv) If, prior to making any disbursement to a borrower, the student temporarily ceases to be enrolled on at least a half-time basis, the school may make a disbursement and any subsequent disbursement to the student if the school determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(4) If a student does not begin attendance in the period of enrollment, disbursed loan proceeds must be handled in accordance with 34 CFR 668.21.

(5)(i) If a student is enrolled in the first year of an undergraduate program of study and has not previously received a Direct Subsidized Loan, a Direct Unsubsidized Loan, a Subsidized or Unsubsidized Federal Stafford Loan, or a Federal Supplemental Loan for Students, a school may not disburse the proceeds of a Direct Subsidized or Direct Unsubsidized Loan until 30 days after the first day of the student's program of study unless—

(A)(1) Except as provided in paragraph (b)(5)(i)(A)(2) of this section, the school has a cohort default rate, calculated under subpart M of 34 CFR part 668, or weighted average cohort rate of less than 10 percent for each of the three most recent fiscal years for which data are available; or

(2) For loans first disbursed on or after October 1, 2011, the school in which the student is enrolled has a cohort default rate, calculated under either subpart M or N of 34 CFR part 668 of less than 15 percent for each of the three most recent fiscal years for which data are available;

(B) The school is an eligible home institution originating a loan to cover the cost of attendance in a study abroad program and has a Direct Loan Program cohort rate, FFEL cohort default rate, or weighted average cohort rate of less than 5 percent for the single most recent fiscal year for which data are available.

(ii) Paragraphs (b)(5)(i)(A) and (B) of this section do not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M or subpart N of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in paragraph (b)(5)(i)(A) or (B) of this section, as applicable.

(iii) Paragraph (b)(5)(i)(B) of this section does not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M or subpart N of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in that paragraph.

(c) *Processing of the proceeds of a Direct Loan.* Schools must follow the procedures for disbursing funds in 34 CFR 668.164.

(d) *Determining disbursement dates and amounts.* (1) Before disbursing a loan, a school must determine that all information required by the promissory note has been provided by the borrower and, if applicable, the student.

(2) An institution must disburse the loan proceeds on a payment period basis in accordance with 34 CFR 668.164(b).

(3) Unless paragraph (d)(4) or (d)(6) of this section applies—

(i) If a loan period is more than one payment period, the school must disburse loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school must make at least two disbursements during that payment period.

(A) For a loan originated under § 685.301(a)(10)(i)(A), the school may not make the second disbursement until the calendar midpoint between the first and last scheduled days of class of the loan period.

(B) For a loan originated under § 685.301(a)(10)(i)(B), the school may not make the second disbursement until the student successfully completes half of the number of credit hours or clock hours and half of the number of weeks of instructional time in the payment period.

(4)(i) If one or more payment periods have elapsed before a school makes a disbursement, the school may include in the disbursement loan proceeds for completed payment periods.

(ii) If the loan period is equal to one payment period and more than one-half of it has elapsed, the school may include in the disbursement loan proceeds for the entire payment period.

(5) The school must disburse loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(6)(i) A school is not required to make more than one disbursement if—

(A)(I) The loan period is not more than one semester, one trimester, one quarter, or, for non term-based schools or schools with non-standard terms, 4 months; and

(2)(i) Except as provided in paragraph (d)(6)(i)(A)(2)(ii) of this section, the school has a cohort default rate, calculated under subpart M of 34 CFR part 668 of less than 10 percent for each of the three most recent fiscal years for which data are available; or

(ii) For loan disbursements made on or after October 1, 2011, the school in which the student is enrolled has a cohort default rate, calculated under either subpart M or subpart N of 34 CFR part 668, of less than 15 percent for each of the three most recent fiscal years for which data are available; or

(B) The school is an eligible home institution originating a loan to cover the cost of attendance in a study abroad program and has a cohort default rate, calculated under subpart M or subpart N of 34 CFR part 668, of less than five percent for the single most recent fiscal year for which data are available.

(ii) Paragraphs (d)(6)(i)(A) and (B) of this section do not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M or subpart N of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in paragraph (d)(6)(i)(A) or (B) of this section, as applicable.

(iii) Paragraph (d)(6)(i)(B) of this section does not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M or subpart N of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in that paragraph.

(e) *Annual loan limit progression based on completion of an academic year.* (1) If a school measures academic progress in

an educational program in credit hours and uses either standard terms (semesters, trimesters, or quarters) or non-standard terms that are substantially equal in length, and each term is at least nine weeks of instructional time in length, a student is considered to have completed an academic year and progresses to the next annual loan limit when the academic year calendar period has elapsed.

(2) If a school measures academic progress in an educational program in credit hours and uses nonstandard terms that are not substantially equal in length or each term is not at least nine weeks of instructional time in length, or measures academic progress in credit hours and does not have academic terms, a student is considered to have completed an academic year and progresses to the next annual loan limit at the later of—

(g) *Treatment of excess loan proceeds.* Before the disbursement of any Direct Subsidized Loan, Direct Unsubsidized Loan, or Direct PLUS Loan proceeds, if a school learns that the borrower will

receive or has received financial aid for the period of enrollment for which the loan was intended that exceeds the amount of assistance for which the student is eligible (except for Federal Work-Study Program funds up to \$300), the school must reduce or eliminate the overaward by either—

(1) Using the student's Direct Unsubsidized Loan, Direct PLUS Loan, or State-sponsored or another non-Federal loan to cover the expected family contribution, if not already done; or

#### § 685.304 Counseling borrowers.

(a) *Entrance counseling.* (1) Except as provided in paragraph (a)(8) of this section, a school must ensure that entrance counseling is conducted with each Direct Subsidized Loan or Direct Unsubsidized Loan student borrower prior to making the first disbursement of the proceeds of a loan to a student borrower unless the student borrower has received a prior Direct Subsidized Loan, Direct Unsubsidized Loan, Subsidized or Unsubsidized Federal Stafford Loan, or Federal SLS Loan.

(2) Except as provided in paragraph (a)(8) of this section, a school must ensure that entrance counseling is conducted with each graduate or professional student Direct PLUS Loan borrower prior to making the first disbursement of the loan unless the student borrower has received a prior student Direct PLUS Loan or student Federal PLUS Loan.

(3) Entrance counseling for Direct Subsidized Loan, Direct Unsubsidized Loan, and graduate or professional student Direct PLUS Loan borrowers must provide the borrower with comprehensive information on the terms

and conditions of the loan and on the responsibilities of the borrower with respect to the loan. This information may be provided to the borrower—

(i) During an entrance counseling session, conducted in person;

(ii) On a separate written form provided to the borrower that the borrower signs and returns to the school; or

(iii) Online or by interactive electronic means, with the borrower acknowledging receipt of the information.

(4) If entrance counseling is conducted online or through interactive electronic means, the school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the entrance counseling, which may include completion of any interactive program that tests the borrower's understanding of the terms and conditions of the borrower's loans.

(5) A school must ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, the student borrower may be provided with written counseling materials before the loan proceeds are disbursed.

(6) Entrance counseling for Direct Subsidized Loan and Direct Unsubsidized Loan borrowers must—

(i) Explain the use of a Master Promissory Note (MPN);

(ii) Emphasize to the borrower the seriousness and importance of the repayment obligation the student borrower is assuming;

(iv) Emphasize that the student borrower is obligated to repay the full amount of the loan even if the student borrower does not complete the program, does not complete the program within the regular time for program

(v) Inform the student borrower of sample monthly repayment amounts based on—

(A) A range of student levels of indebtedness of Direct Subsidized Loan and Direct Unsubsidized Loan borrowers, or student borrowers with Direct Subsidized, Direct Unsubsidized, and Direct PLUS Loans depending on the types of loans the borrower has obtained; or

(B) The average indebtedness of other borrowers in the same program at the same school as the borrower;

(vi) To the extent practicable, explain the effect of accepting the loan to be disbursed on the eligibility of the borrower for other forms of student financial assistance;

(vii) Provide information on how interest accrues and is capitalized during periods when the interest is not paid by either the borrower or the Secretary;

(viii) Inform the borrower of the option to pay the interest on a Direct Unsubsidized Loan while the borrower is in school;

(ix) Explain the definition of half-time enrollment at the school, during regular terms and summer school, if applicable, and the consequences of not maintaining half-time enrollment;

(x) Explain the importance of contacting the appropriate offices at the school if the borrower withdraws prior to completing the borrower's program of study so that the school can provide exit counseling, including information regarding the borrower's repayment options and loan consolidation;

(xi) Provide information on the National Student Loan Data System and how the borrower can access the borrower's records;

(xii) Provide the name of and contact information for the individual the borrower may contact if the borrower has any questions about the borrower's rights and responsibilities or the terms and conditions of the loan; and

(xiii) For first-time borrowers as defined in § 685.200(f)(1)(i), explain the limitation on eligibility for Direct

Subsidized Loans and possible borrower responsibility for accruing interest described in § 685.200(f), including—

(A) The possible loss of eligibility for additional Direct Subsidized Loans;

(B) How a borrower's maximum eligibility period, remaining eligibility period, and subsidized usage period are calculated;

(C) The possibility that the borrower could become responsible for accruing interest on previously received Direct Subsidized Loans and the portion of a Direct Consolidation Loan that repaid a Direct Subsidized Loan during in-school status, the grace period, authorized periods of deferment, and certain periods under the Income-Based Repayment and Pay As You Earn Repayment plans; and

(D) The impact of borrower responsibility for accruing interest on the borrower's total debt.

(7) Entrance counseling for graduate or professional student Direct PLUS Loan borrowers must—

(i) Inform the student borrower of sample monthly repayment amounts based on—

(A) A range of student levels or indebtedness of graduate or professional student PLUS loan borrowers, of student borrowers with Direct PLUS Loans and Direct Subsidized Loans or Direct Unsubsidized Loans, depending on the types of loans the borrower has obtained; or

(B) The average indebtedness of other borrowers in the same program at the same school;

(ii) Inform the borrower of the option to pay interest on a PLUS Loan while the borrower is in school;

(iii) For a graduate or professional student Direct PLUS Loan borrower who has received a prior Direct Subsidized Loan, Direct Unsubsidized Loan, Subsidized Federal Stafford Loan, or Unsubsidized Federal Stafford Loan, provide the information specified in § 685.301(a)(3)(i)(A) through (a)(3)(i)(C); and

(iv) For a graduate or professional student Direct PLUS Loan borrower who has not received a prior Direct Subsidized Loan, Direct Unsubsidized Loan, Subsidized Federal Stafford Loan, or Unsubsidized Federal Stafford Loan, provide the information specified

in paragraph (a)(6)(i) through paragraph (a)(6)(xii) of this section.

(8) A school may adopt an alternative approach for entrance counseling as part of the school's quality assurance plan described in §685.300(b)(9). If a school adopts an alternative approach, it is not required to meet the requirements of paragraphs (a)(1) through (a)(7) of this section unless the Secretary determines that the alternative approach is not adequate for the school. The alternative approach must—

(i) Ensure that each student borrower subject to entrance counseling under paragraph (a)(1) or (a)(2) of this section is provided written counseling materials that contain the information described in paragraphs (a)(6)(i) through (a)(6)(v) of this section;

(ii) Be designed to target those student borrowers who are most likely to default on their repayment obligations and provide them more intensive counseling and support services; and

(iii) Include performance measures that demonstrate the effectiveness of the school's alternative approach. These performance measures must include objective outcomes, such as levels of borrowing, default rates, and withdrawal rates.

(9) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(b) *Exit counseling.* (1) A school must ensure that exit counseling is conducted with each Direct Subsidized Loan or Direct Unsubsidized Loan borrower and graduate or professional student Direct PLUS Loan borrower shortly before the student borrower ceases at least half-time study at the school.

(2) The exit counseling must be in person, by audiovisual presentation, or by interactive electronic means. In each case, the school must ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, the student borrower may be pro-

vided with written counseling materials within 30 days after the student borrower completes the program.

(3) If a student borrower withdraws from school without the school's prior knowledge or fails to complete the exit counseling as required, exit counseling must, within 30 days after the school learns that the student borrower has withdrawn from school or failed to complete the exit counseling as required, be provided either through interactive electronic means, by mailing written counseling materials to the student borrower at the student borrower's last known address, or by sending written counseling materials to an email address provided by the student borrower that is not an email address associated with the school sending the counseling materials.

(4) The exit counseling must—

(i) Inform the student borrower of the average anticipated monthly repayment amount based on the student borrower's indebtedness or on the average indebtedness of student borrowers who have obtained Direct Subsidized Loans and Direct Unsubsidized Loans, student borrowers who have obtained only Direct PLUS Loans, or student borrowers who have obtained Direct Subsidized, Direct Unsubsidized, and Direct PLUS Loans, depending on the types of loans the student borrower has obtained, for attendance at the same school or in the same program of study at the same school;

(ii) Review for the student borrower available repayment plan options including the standard repayment, extended repayment, graduated repayment, income-contingent repayment, and income-based repayment plans, including a description of the different features of each plan and sample information showing the average anticipated monthly payments, and the difference in interest paid and total payments under each plan;

(iii) Explain to the borrower the options to prepay each loan, to pay each loan on a shorter schedule, and to change repayment plans;

(iv) Provide information on the effects of loan consolidation including, at a minimum—

**§ 685.304**

**34 CFR Ch. VI (7-1-14 Edition)**

(A) The effects of consolidation on total interest to be paid, fees to be paid, and length of repayment;

(B) The effects of consolidation on a borrower's underlying loan benefits, including grace periods, loan forgiveness, cancellation, and deferment opportunities;

(C) The options of the borrower to prepay the loan and to change repayment plans; and

(D) That borrower benefit programs may vary among different lenders;

(v) Include debt-management strategies that are designed to facilitate repayment;

(vi) Explain to the student borrower how to contact the party servicing the student borrower's Direct Loans;

(vii) Meet the requirements described in paragraphs (a)(6)(i), (a)(6)(ii), and (a)(6)(iv) of this section;

(viii) Describe the likely consequences of default, including adverse credit reports, delinquent debt collection procedures under Federal law, and litigation;

(ix) Provide—

(A) A general description of the terms and conditions under which a borrower may obtain full or partial forgiveness or discharge of principal and interest, defer repayment of principal or interest, or be granted forbearance on a title IV loan; and

(B) A copy, either in print or by electronic means, of the information the Secretary makes available pursuant to section 485(d) of the HEA;

(x) Review for the student borrower information on the availability of the Department's Student Loan Ombudsman's office;

(xii) Explain to first-time borrowers, as defined in § 685.200(f)(1)(i)—

(A) How the borrower's maximum eligibility period, remaining eligibility period, and subsidized usage period are determined under § 685.200(f);

(B) The sum of the borrower's subsidized usage periods, as determined under § 685.200(f)(1)(iii), at the time of the exit counseling;

(C) The consequences of continued borrowing or enrollment, including—

(1) The possible loss of eligibility for additional Direct Subsidized Loans; and

(2) The possibility that the borrower could become responsible for accruing interest on previously received Direct Subsidized Loans and the portion of a Direct Consolidation Loan that repaid a Direct Subsidized Loan during in-school status, the grace period, authorized periods of deferment, and certain periods under the Income-Based Repayment and Pay As You Earn Repayment plans;

(D) The impact of the borrower becoming responsible for accruing interest on total student debt;

(E) That the Secretary will inform the student borrower of whether he or she is responsible for accruing interest on his or her Direct Subsidized Loans; and

(F) That the borrower can access NSLDS to determine whether he or she is responsible for accruing interest on any Direct Subsidized Loans as provided in § 685.200(f)(3);

(xiii) A general description of the types of tax benefits that may be available to borrowers; and

(xiv) Require the student borrower to provide current information concerning name, address, social security number, references, and driver's license number and State of issuance, as well as the student borrower's expected permanent address, the address of the student borrower's next of kin, and the name and address of the student borrower's expected employer (if known).

(5) The school must ensure that the information required in paragraph (b)(4)(xiii) of this section is provided to the Secretary within 60 days after the student borrower provides the information.

(6) If exit counseling is conducted through interactive electronic means, a school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the exit counseling.

(7) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(8)(i) For students who have received loans under both the FFEL Program and the Direct Loan Program for attendance at a school, the school's compliance with the exit counseling requirements in paragraph (b) of this section satisfies the exit counseling requirements in 34 CFR 682.604(a) if the school ensures that the exit counseling also provides the borrower with the information described in 34 CFR 682.604(a)(2)(i) and (ii).

(ii) A student's completion of electronic interactive exit counseling offered by the Secretary satisfies the requirements of paragraph (b) of this section and, for students who have also received FFEL Program loans for attendance at the school, 34 CFR 682.604(a).

(d) *Majoring and serving in a high-need field.* A grant recipient who completes a TEACH Grant-eligible program in a field that is listed in the Nationwide List cannot satisfy his or her service obligation to teach in that high-need field unless the high-need field in which he or she has prepared to teach is listed in the Nationwide List for the State in which the grant recipient begins teaching at the time the recipient begins teaching in that field.

(e) *Repayment for failure to complete service obligation.* If a grant recipient

## § 686.20

fails or refuses to carry out the required service obligation described in paragraph (b) of this section, the TEACH Grants received by the recipient must be repaid and will be treated as a Federal Direct Unsubsidized Loan, with interest accruing from the date of each TEACH Grant disbursement, in accordance with applicable sections of subpart B of 34 CFR part 685.

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) Is offered in semesters, trimesters, or quarters; and

(C)(1) For an undergraduate student, requires the student to enroll for at least 12 credit hours in each term in the award year to qualify as a full-time student; or

(2) For a graduate student, each term in the award year meets the minimum full-time enrollment status established by the institution for a semester, trimester, or quarter; and

(ii) The program uses an academic calendar that provides at least 30 weeks of instructional time in—

(A) Two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring, none of which overlaps any other term (including a summer term) in the program; or

(B) Any two semesters or trimesters, or any three quarters where—

(1) The institution starts its terms for different cohorts of students on a periodic basis (*e.g.*, monthly);

(2) The program is offered exclusively in semesters, trimesters, or quarters; and

(3) Students are not allowed to be enrolled simultaneously in overlapping terms and must stay with the cohort in which they start unless they withdraw from a term (or skip a term) and re-enroll in a subsequent term.

(2) *Programs using standard terms with less than 30 weeks of instructional time.* A student's payment for a payment period is calculated under paragraph (c) or (d) of this section if—

(5) *Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3.* If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3, an institution may calculate a student's payment for a payment period using the following methodologies:

§ 686.22

34 CFR Ch. VI (7-1-14 Edition)

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of meeting the requirements in paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms.

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award; and

(3) Dividing the amount described in paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year.

(c) *Programs using standard terms with less than 30 weeks of instructional time.* The payment for a payment period, *i.e.*, an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

The number of weeks of instructional time offered in *the program in the fall and spring semesters or trimesters*

The number of weeks in the program's academic year

(ii) In a program using quarters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks in the program's academic year}}$$

; and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution

chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

**Ofc. of Postsecondary Educ., Education**

**§ 686.22**

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) *Other programs using terms and credit hours.* The payment for a payment period, *i.e.*, an academic term, for a student in a program using terms and credit hours, other than those de-

scribed in paragraph (a)(1) or (2) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award; and

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

$$\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(e) *Programs using credit hours without terms or clock hours.* The payment for a payment period for a student in a program using credit hours without terms

or using clock hours is calculated by multiplying the Scheduled Award by the lesser of—

(1)

$$\frac{\text{The number of credit or clock hours in the payment period}}{\text{The number of credit or clock hours in the program's academic year}}$$

; or  
(2)

$$\frac{\text{The number of weeks of instructional time in the payment period}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(f) *Maximum disbursement.* A single disbursement may not exceed 50 percent of an award determined under paragraph (d) of this section. If a payment for a payment period calculated under paragraph (d) of this section would require the disbursement of more than 50 percent of a student's annual award in that payment period, the institution must make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of

instructional time in the program's academic year.

(g) *Minimum payment.* No payment for a payment period as determined under this section or § 686.25 may be less than \$25.

(h) *Definition of academic year.* For purposes of this section and § 686.25, an institution must define an academic year—

(1) For each of its TEACH Grant-eligible undergraduate programs of study, including post-baccalaureate programs of study, in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.3; and

**§ 686.23**

(2) For each of its TEACH Grant-eligible master's degree programs of study in terms of the number of weeks of instructional time in accordance with the requirements of 34 CFR 668.3 and the minimum number of credit or clock hours a full-time student would be expected to complete in the weeks of instructional time of the program's academic year.

(i) *Payment period completing a Scheduled Award.* In a payment period, if a student is completing a Scheduled Award, the student's payment for the payment period—

(1) Is calculated based on the total credit or clock hours and weeks of instructional time in the payment period; and

(2) Is the remaining amount of the Scheduled Award being completed plus an amount from the next Scheduled Award, if available, up to the payment for the payment period.

**§ 686.23 Calculation of a grant for a payment period that occurs in two award years.**

If a student enrolls in a payment period that is scheduled to occur in two award years—

(a) The entire payment period must be considered to occur within one award year;

(b) The institution must determine for each TEACH Grant recipient the award year in which the payment period will be placed subject to the restriction set forth in paragraph (c) of this section;

(c) The institution must place a payment period with more than six months scheduled to occur within one award year in that award year;

(d) If the institution places the payment period in the first award year, it must pay a student with funds from the first award year; and

(e) If the institution places the payment period in the second award year,

**34 CFR Ch. VI (7–1–14 Edition)**

it must pay a student with funds from the second award year.

(Authority: 20 U.S.C. 1070g, *et seq.*)

**§ 686.24 Transfer student: attendance at more than one institution during an award year.**

(a) If a student who receives a TEACH Grant at one institution subsequently enrolls at a second institution, the student may receive a grant at the second institution only if—

(1) The student submits a SAR with an official EFC to the second institution; or

(2) The second institution obtains an ISIR with an official EFC.

(b) The second institution must calculate the student's award in accordance with § 686.22 or 686.25.

(c) The second institution may pay a TEACH Grant only for that period in which a student is enrolled in a TEACH Grant-eligible program at that institution.

(d) The student's TEACH Grant for each payment period is calculated according to the procedures in § 686.22 or 686.25 unless the remaining balance of the Scheduled Award at the second institution is the balance of the student's last Scheduled Award and is less than the amount the student would normally receive for that payment period.

(e) A transfer student must repay any amount received in an award year that exceeds the amount which he or she was eligible to receive.

(Authority: 20 U.S.C. 1070g, *et seq.*)

**§ 686.25 Correspondence study.**

(a) An institution calculates a TEACH Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component, by—

(1) Using the half-time annual award; and

(2) Multiplying the half-time annual award by the lesser of—

(i)

$$\frac{\text{The number of credit or clock hours in the payment period}}{\text{The number of credit or clock hours in the program's academic year}}$$

; or  
(ii)

The number of weeks of instructional time in the payment period
The number of weeks of instructional time in the program's academic year

(b) For purposes of paragraph (a) of this section—

(1) The institution must make the first payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(2) The institution must make the second payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflects a workload of at least 30 hours of preparation per semester hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least six credit hours that commence and are completed in that term, the half-time annual award is used to calculate the payment for the payment period; or

(ii) If the student is enrolled in less than six credit hours that commence and are completed in that term the less-than-half-time annual award is used to calculate the payment for the payment period;

(3) A payment for a payment period is calculated using the formula in § 686.22(d) except that paragraphs (c)(1) and (2) of this section are used in lieu of § 686.22(d)(1) and (2), respectively; and

(4) The institution must make the payment to a student for a payment

period after that student completes 50 percent of the lessons or otherwise completes 50 percent of the work scheduled for the term, whichever occurs last.

(d) Payments for periods of residential training must be calculated under § 686.22(d) if the residential training is offered using terms and credit hours or under § 686.22(e) if the residential training is offered using credit hours without terms or clock hours.

### Subpart D—Administration of Grant Payments

#### § 686.30 Scope.

This subpart deals with TEACH Grant program administration by a TEACH Grant-eligible institution.

(Authority: 20 U.S.C. 1070g, *et seq.*)

#### § 686.31 Determination of eligibility for payment and cancellation of a TEACH Grant.

(a) For each payment period, an institution may pay a grant under this part to an eligible student only after it determines that the student—

(1) Is eligible under § 686.11;

(2) Has completed the relevant initial or subsequent counseling as required in § 686.32;

(3) Has signed an agreement to serve as described in § 686.12;

(4) Is enrolled in a TEACH Grant-eligible program; and

(5) If enrolled in a credit-hour program without terms or a clock-hour program, has completed the payment period, as defined in 34 CFR 668.4, for which he or she has been paid a grant.

(b)(1) If an institution determines at the beginning of a payment period that

**§ 686.32**

**34 CFR Ch. VI (7–1–14 Edition)**

a student is not maintaining satisfactory progress, but changes that determination before the end of the payment period, the institution may pay a TEACH Grant to the student for the entire payment period.

(2) If an institution determines at the beginning of a payment period that a student enrolled in a TEACH Grant-eligible program is not maintaining the required GPA for a TEACH Grant under § 686.11 or is not pursuing a career in teaching, but changes that determination before the end of the payment period, the institution may pay a TEACH Grant to the student for the entire payment period.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress or the necessary GPA for a TEACH Grant under § 686.11 or is not pursuing a career in teaching, but changes that determination after the end of the payment period, the institution may not pay the student a TEACH Grant for that payment period or make adjustments in subsequent payments to compensate for the loss of aid for that period.

(d) An institution may make one disbursement for a payment period to an otherwise eligible student if—

(1)(i) The student's final high school GPA is not yet available; or

(ii) The student's cumulative GPA through the prior payment period under § 686.11 is not yet available; and

(2) The institution assumes liability for any overpayment if the student fails to meet the required GPA to qualify for the disbursement.

(e)(1) In accordance with 34 CFR 688.165, before disbursing a TEACH Grant for any award year, an institution must—

(i) Notify the student of the amount of TEACH Grant funds that the student is eligible to receive, how and when those funds will be disbursed, and the student's right to cancel all or a portion of the TEACH Grant; and

(ii) Return the TEACH Grant proceeds, cancel the TEACH Grant, or both, if the institution receives a TEACH Grant cancellation request from the student by the later of the first day of a payment period or 14 days after the date it notifies the student of

his or her right to cancel all or a portion of a TEACH Grant.

(2)(i) If a student requests cancellation of a TEACH Grant after the period of time in paragraph (e)(1)(ii) of this section, but within 120 days of the TEACH Grant disbursement date, the institution may return the TEACH Grant proceeds, cancel the TEACH Grant, or do both.

(ii) If the institution does not return the TEACH Grant proceeds, or cancel the TEACH Grant, the institution must notify the student that he or she may contact the Secretary to request that the TEACH Grant be converted to a Federal Direct Unsubsidized Loan.

(Authority: 20 U.S.C. 1070g, *et seq.*)

**§ 686.32 Counseling requirements.**

(a) *Initial counseling.* (1) An institution must ensure that initial counseling is conducted with each TEACH Grant recipient prior to making the first disbursement of the grant.

(2) The initial counseling must be in person, by audiovisual presentation, or by interactive electronic means. In each case, the institution must ensure that an individual with expertise in title IV, HEA programs is reasonably available shortly after the counseling to answer the student's questions. As an alternative, in the case of a student enrolled in a correspondence program of study or a study-abroad program of study approved for credit at the home institution, the student may be provided with written counseling materials before the grant is disbursed.

(3) The initial counseling must—

(i) Explain the terms and conditions of the TEACH Grant agreement to serve as described in § 686.12;

(ii) Provide the student with information about how to identify low-income schools and documented high-need fields;

(iii) Inform the grant recipient that, in order for the teaching to count towards the recipient's service obligation, the high-need field in which he or she has prepared to teach must be—

(A) One of the six high-need fields listed in § 686.2; or

(B) A high-need field listed in the Nationwide List at the time and for the State in which the grant recipient begins teaching in that field.

(iv) Inform the grant recipient of the opportunity to request a suspension of the eight-year period for completion of the agreement to serve and the conditions under which a suspension may be granted in accordance with § 686.41;

(v) Explain to the student that conditions, such as conviction of a felony, could preclude the student from completing the service obligation;

(vi) Emphasize to the student that if the student fails or refuses to complete the service obligation contained in the agreement to serve or any other condition of the agreement to serve—

(A) The TEACH Grant must be repaid as a Federal Direct Unsubsidized Loan; and

(B) The TEACH Grant recipient will be obligated to repay the full amount of each grant and the accrued interest from each disbursement date;

(vii) Explain the circumstances, as described in § 686.43, under which a TEACH Grant will be converted to a Federal Direct Unsubsidized Loan;

(x) Describe the likely consequences of loan default, including adverse credit reports, garnishment of wages, Federal offset, and litigation; and

(xi) Inform the student of sample monthly repayment amounts based on a range of student loan indebtedness.

(b) *Subsequent counseling.* (1) If a student receives more than one TEACH Grant, the institution must ensure that the student receives additional counseling prior to the first disbursement of each subsequent TEACH Grant award.

(2) Subsequent counseling may be in person, by audiovisual presentation, or by interactive electronic means. In each case, the institution must ensure that an individual with expertise in title IV, HEA programs is reasonably available shortly after the counseling to answer the student's questions. As an alternative, in the case of a student enrolled in a correspondence program of study or a study-abroad program of

study approved for credit at the home institution, the student may be provided with written counseling materials before the grant is disbursed.

(3) Subsequent counseling must—

(i) Review the terms and conditions of the TEACH Grant agreement to serve as described in § 686.12;

(ii) Emphasize to the student that if the student fails or refuses to complete the service obligation contained in the agreement to serve or any other condition of the agreement to serve—

(A) The TEACH Grant must be repaid as a Federal Direct Unsubsidized Loan; and

(B) The TEACH Grant recipient will be obligated to repay the full amount of the grant and the accrued interest from the disbursement date;

(iii) Explain the circumstances, as described in § 686.34, under which a TEACH Grant will be converted to a Federal Direct Unsubsidized Loan;

(iv) Emphasize that, once a TEACH Grant is converted to a Federal Direct Unsubsidized Loan, it cannot be reconverted to a grant; and

(v) Review for the grant recipient information on the availability of the Department's Student Loan Ombudsman's office.

(c) *Exit counseling.* (1) An institution must ensure that exit counseling is conducted with each grant recipient before he or she ceases to attend the institution at a time determined by the institution.

(2) The exit counseling must be in person, by audiovisual presentation, or by interactive electronic means. In each case, the institution must ensure that an individual with expertise in title IV, HEA programs is reasonably available shortly after the counseling to answer the grant recipient's questions. As an alternative, in the case of a grant recipient enrolled in a correspondence program of study or a study-abroad program of study approved for credit at the home institution, the grant recipient may be provided with written counseling materials within 30 days after he or she completes the TEACH Grant-eligible program.

(3) Within 30 days of learning that a grant recipient has withdrawn from the institution without the institution's

**§ 686.33**

**34 CFR Ch. VI (7–1–14 Edition)**

knowledge, or from a TEACH Grant-eligible program, or failed to complete exit counseling as required, exit counseling must be provided either in-person, through interactive electronic means, or by mailing written counseling materials to the grant recipient's last known address.

(4) The exit counseling must—

(i) Inform the grant recipient of the four-year service obligation that must be completed within the first eight calendar years after completing a TEACH Grant-eligible program in accordance with § 686.12;

(ii) Inform the grant recipient of the opportunity to request a suspension of the eight-year period for completion of the service obligation and the conditions under which a suspension may be granted in accordance with § 686.41;

(iii) Provide the grant recipient with information about how to identify low-income schools and documented high-need fields;

(iv) Inform the grant recipient that, in order for the teaching to count towards the recipient's service obligation, the high-need field in which he or she has prepared to teach must be—

(A) One of the six high-need fields listed in § 686.2; or

(B) A high-need field listed in the Nationwide List at the time and for the State in which the grant recipient begins teaching in that field.

(v) Explain that the grant recipient will be required to submit to the Secretary each year written documentation of his or her status as a highly-qualified teacher in a high-need field at a low-income school or of his or her intent to complete the four-year service obligation until the date that the service obligation has been met or the date that the grant becomes a Federal Direct Unsubsidized Loan, whichever occurs first;

(vi) Explain the circumstances, as described in § 686.43, under which a TEACH Grant will be converted to a Federal Direct Unsubsidized Loan;

(vii) Emphasize that once a TEACH Grant is converted to a Federal Direct Unsubsidized Loan it cannot be reconverted to a grant;

(viii) Inform the grant recipient of the average anticipated monthly repayment amount based on a range of

student loan indebtedness if the TEACH Grants convert to a Federal Direct Unsubsidized Loan;

(ix) Review for the grant recipient available repayment options if the TEACH Grant converts to a Federal Direct Unsubsidized Loan, including the standard repayment, extended repayment, graduated repayment, income-contingent and income-based repayment plans, and loan consolidation;

(x) Suggest debt-management strategies to the grant recipient that would facilitate repayment if the TEACH Grant converts to a Federal Direct Unsubsidized Loan;

(xi) Explain to the grant recipient how to contact the Secretary;

(xii) Describe the likely consequences of loan default, including adverse credit reports, garnishment of wages, Federal offset, and litigation;

(xiii) Review for the grant recipient the conditions under which he or she may defer or forbear repayment, obtain a full or partial discharge, or receive teacher loan forgiveness if the TEACH Grant converts to a Federal Direct Unsubsidized Loan;

(xiv) Review for the grant recipient information on the availability of the Department's Student Loan Ombudsman's office; and

(xv) Inform the grant recipient of the availability of title IV loan information in the National Student Loan Data System (NSLDS).

(5) If exit counseling is conducted through interactive electronic means, an institution must take reasonable steps to ensure that each grant recipient receives the counseling materials and participates in and completes the exit counseling.

(d) *Compliance.* The institution must maintain documentation substantiating the institution's compliance with this section for each TEACH Grant recipient.

(Authority: 20 U.S.C. 1070g, *et seq.*)

**§ 686.33 Frequency of payment.**

(a) In each payment period, an institution may pay a student at such times and in such installments as it determines will best meet the student's needs.

(b) The institution may pay funds in one lump sum for all the prior payment

## § 686.35

periods for which the student was eligible under § 686.11 within the award year as long as the student has signed the agreement to serve prior to disbursement of the TEACH Grant. The student's enrollment status must be determined according to work already completed.

(Authority: 20 U.S.C. 1070g, *et seq.*)

### § 686.34 Liability for and recovery of TEACH Grant overpayments.

(a)(1) Except as provided in paragraphs (a)(2) and (3) of this section, a student is liable for any TEACH Grant overpayment made to him or her.

(2) The institution is liable for a TEACH Grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or in 34 CFR part 668. The institution must restore an amount equal to the overpayment to its TEACH Grant account.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a TEACH Grant overpayment if the amount of the overpayment is less than \$25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes a TEACH Grant overpayment for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make the requested repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the TEACH Grant overpayment.

(2) If a student objects to the institution's TEACH Grant overpayment determination, the institution must consider any information provided by the student and determine whether the objection is warranted.

(c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay a TEACH Grant overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the TEACH Grant overpayment, after the institution has

taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection in accordance with procedures required by the Secretary. After referring the TEACH Grant overpayment to the Secretary under this section, the institution need make no further efforts to recover the overpayment.

(Authority: 20 U.S.C. 1070g, *et seq.*)

### § 686.35 Recalculation of TEACH Grant award amounts.

(a) *Change in enrollment status.* (1) If the student's enrollment status changes from one academic term to another academic term within the same award year, the institution must recalculate the TEACH Grant award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. Any such recalculations must take into account any changes in the cost of attendance. In the case of an undergraduate or post-baccalaureate program of study, if such a policy is established, it must be the same policy that the institution established under 34 CFR 690.80(b) for the Federal Pell Grant Program and it must apply to all students in the TEACH Grant-eligible program.

(ii) If a student's projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution must recalculate the student's enrollment status to reflect only those classes for which he or she actually began attendance.

(b) *Change in cost of attendance.* If the student's cost of attendance changes at any time during the award year and his or her enrollment status remains the same, the institution may, but is not required to, establish a policy under which the student's TEACH Grant

### § 686.36

award for the payment period is recalculated. If such a policy is established, it must apply to all students in the TEACH Grant-eligible program.

(Authority: 20 U.S.C. 1070g, *et seq.*)

(b) An institution must maintain funds received under this section in accordance with the requirements in 34 CFR 668.164.

(Authority: 20 U.S.C. 1070g, *et seq.*)

### § 686.37 Institutional reporting requirements.

(a) An institution must provide to the Secretary information about each TEACH Grant recipient that includes but is not limited to—

(1) The student's eligibility for a TEACH Grant, as determined in accordance with §§ 686.11 and 686.31;

(2) The student's TEACH Grant amounts; and

(3) The anticipated and actual disbursement date or dates and disbursement amounts of the TEACH Grant funds.

(b) The Secretary accepts a student's Payment Data that is submitted in accordance with procedures established through publication in the FEDERAL REGISTER, and that contains information the Secretary considers to be accurate in light of other available information including that previously provided by the student and the institution.

### § 686.38 Maintenance and retention of records.

### Subpart E—Service and Repayment Obligations

#### § 686.40 Documenting the service obligation.

(a) Except as provided in §§ 686.41 and 686.42, within 120 days of completing or otherwise ceasing enrollment in a program of study for which a TEACH Grant was received, the grant recipient must confirm to the Secretary in writing that—

(1) He or she is employed as a full-time teacher in accordance with the terms and conditions of the agreement to serve described in § 686.12; or

(2) He or she is not yet employed as a full-time teacher but intends to meet the terms and conditions of the agreement to serve described in § 686.12.

(b) If a grant recipient is performing full-time teaching service in accordance with the agreement to serve, or agreements to serve if more than one agreement exists, the grant recipient must, upon completion of each of the four required elementary or secondary academic years of teaching service, provide to the Secretary documentation of that teaching service on a form approved by the Secretary and certified by the chief administrative officer of the school in which the grant recipient is teaching. The documentation must show that the grant recipient is teaching in a low-income school. If the school at which the grant recipient is employed meets the requirements of a low-income school in the first year of the grant recipient's four elementary or secondary academic years of teaching and the school fails to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that recipient.

(c)(1) In addition to the documentation requirements in paragraph (b) of this section, the documentation must show that the grant recipient—

(i) Taught a majority of classes during the period being certified in any of the high-need fields of mathematics, science, a foreign language, bilingual

education, English language acquisition, special education, or as a reading specialist; or

(ii) Taught a majority of classes during the period being certified in a State in another high-need field designated by that State and listed in the Nationwide List, except that teaching service does not satisfy the requirements of the agreement to serve if that teaching service is in a geographic region of a State or in a specific grade level not associated with a high-need field of a State designated in the Nationwide List as having a shortage of elementary or secondary school teachers.

(2) If a grant recipient begins qualified full-time teaching service in a State in a high-need field designated by that State and listed in the Nationwide List and in subsequent years that high-need field is no longer designated by the State in the Nationwide List, the grant recipient will be considered to continue to perform qualified full-time teaching service in a high-need field of that State and to continue to fulfill the service obligation.

(d) Documentation must also provide evidence that the grant recipient is a highly-qualified teacher.

(e) For purposes of completing the service obligation, the elementary or secondary academic year may be counted as one of the grant recipient's four complete elementary or secondary academic years if the grant recipient completes at least one-half of the elementary or secondary academic year and the grant recipient's school employer considers the grant recipient to have fulfilled his or her contract requirements for the elementary or secondary academic year for the purposes of salary increases, tenure, and retirement if the grant recipient is unable to complete an elementary or secondary academic year due to—

(1) A condition that is a qualifying reason for leave under the Family and Medical Leave Act of 1993 (FMLA) (29 U.S.C. 2612(a)(1) and (3)); or

(2) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in 10 U.S.C. 10101, or service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5),

under a call to active service in connection with a war, military operation, or a national emergency.

(f) A grant recipient who taught in more than one qualifying school during an elementary or secondary academic year and demonstrates that the combined teaching service was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools involved, is considered to have completed one elementary or secondary academic year of qualifying teaching.

(Authority: 20 U.S.C. 1070g, *et seq.*)

#### § 686.41 Periods of suspension.

(a)(1) A grant recipient who has completed or who has otherwise ceased enrollment in a TEACH Grant-eligible program for which he or she received TEACH Grant funds may request a suspension from the Secretary of the eight-year period for completion of the service obligation based on—

(i) Enrollment in a program of study for which the recipient would be eligible for a TEACH Grant or in a program of study that has been determined by a State to satisfy the requirements for certification or licensure to teach in the State's elementary or secondary schools;

(ii) A condition that is a qualifying reason for leave under the FMLA; or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in 10 U.S.C. 10101, or service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), under a call to active service in connection with a war, military operation, or a national emergency.

(2) A grant recipient may receive a suspension described in paragraphs (a)(1)(i), (ii), and (iii) of this section in one-year increments that—

(i) Does not exceed a combined total of three years under both paragraphs (a)(1)(i) and (ii) of this section; or

(ii) Does not exceed a total of three years under paragraph (a)(1)(iii) of this section.

(b) A grant recipient, or his or her representative in the case of a grant recipient who qualifies under paragraph (a)(1)(iii) of this section, must apply for

a suspension in writing on a form approved by the Secretary prior to being subject to any of the conditions under § 686.43(a)(1) through (a)(5) that would cause the TEACH Grant to convert to a Federal Direct Unsubsidized Loan.

(c) A grant recipient, or his or her representative in the case of a grant recipient who qualifies under paragraph (a)(1)(iii) of this section, must provide the Secretary with documentation supporting the suspension request as well as current contact information including home address and telephone number.

**§ 686.43 Obligation to repay the grant.**

(a) The TEACH Grant amounts disbursed to the recipient will be converted into a Federal Direct Unsubsidized Loan, with interest accruing from the date that each grant disbursement was made and be collected by the Secretary in accordance with the relevant provisions of subpart A of 34 CFR part 685 if—

(2) The program is offered exclusively in semesters, trimesters, or quarters; and

(3) Students are not allowed to be enrolled simultaneously in overlapping terms and must stay with the cohort in which they start unless they withdraw from a term (or skip a term) and re-enroll in a subsequent term.

(2) *Programs using standard terms with less than 30 weeks of instructional time.* A student's Federal Pell Grant for a payment period is calculated under paragraph (c) or (d) of this section if—

§ 690.63

34 CFR Ch. VI (7-1-14 Edition)

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) Is offered in semesters, trimesters, or quarters;

(C) Requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(D) Is not offered with overlapping terms; and

(ii) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) *Other programs using terms and credit hours.* A student's Federal Pell Grant for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (a)(2) of this section.

(4) *Programs not using terms or using clock hours.* A student's Federal Pell Grant for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) *Programs of study offered by correspondence.* A student's Federal Pell Grant payment for a payment period is calculated under § 690.66 if the program is offered by correspondence courses.

(6) *Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3.* If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3, an institution may calculate a student's Federal Pell Grant payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

(iii) The institution uses the methodology described in § 690.66 if the program is correspondence study.

(b) *Programs using standard terms with at least 30 weeks of instructional time.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(1)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students; and

(3) Dividing the amount described under paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year.

(c) *Programs using standard terms with less than 30 weeks of instructional time.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students;

(3) Multiplying his or her annual award determined under paragraph (c)(2) of this section by the following fraction as applicable:

In a program using semesters or trimesters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall and spring semesters or trimesters}}{\text{The number of weeks in the program's academic year}}$$

; or

In a program using quarters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks in the program's academic year}}$$

; and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) *Other programs using terms and credit hours.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(i) [Reserved]

(ii) For a student enrolled in a term other than a semester, trimester, or quarter, determining his or her enrollment status for the term by—

(A) Dividing the number of weeks of instructional time in the term by the number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time student; and

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

§ 690.64

34 CFR Ch. VI (7-1-14 Edition)

The number of weeks of instructional time in the term

The number of weeks of instructional time in the program's academic year

(e) *Programs using credit hours without terms or clock hours.* The Federal Pell Grant for a payment period for a student in a program using credit hours

without terms or using clock hours is calculated by—

(1) Determining the student's Scheduled Federal Pell Grant using the Payment Schedule; and

(2) Multiplying the amount determined under paragraph (e)(1) of this section by the lesser of—

(i)

$$\frac{\text{The number of credit or clock hours in the payment period}}{\text{The number of credit or clock hours in the program's academic year}};$$

or  
(ii)

$$\frac{\text{The number of weeks of instructional time in the payment period}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(f) A single disbursement may not exceed 50 percent of any award determined under paragraph (d) of this section. If a payment for a payment period calculated under paragraph (d) of this section would require the disbursement of more than 50 percent of a student's annual award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g)(1) Notwithstanding paragraphs (b), (c), (d), and (e) of this section and 34 CFR 668.66, the amount of a student's award for an award year may not exceed his or her Scheduled Federal Pell Grant award for that award year.

(2) For purposes of this section and § 690.66, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of in-

structional time in accordance with the requirements of 34 CFR 668.3.

**§ 690.64 Determining the award year for a Federal Pell Grant payment period that occurs in two award years.**

(a) If a student enrolls in a payment period that is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year;

(2) The institution must determine for each Federal Pell Grant recipient the award year in which the payment period will be placed;

(3) If an institution places the payment period in the first award year, it must pay a student with funds from the first award year; and

(4) If an institution places the payment period in the second award year, it must pay a student with funds from the second award year.

(b) An institution may not make a payment which will result in the student receiving more than his or her Scheduled Federal Pell Grant for an award year.

**§ 690.65 Transfer student: attendance at more than one institution during an award year.**

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if—

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student's award according to § 690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's Scheduled Federal Pell Grant for that award year.

(d) If a student's Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first in-

stitution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in § 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds his or her Scheduled Federal Pell Grant.

**§ 690.66 Correspondence study.**

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component, by—

(1) Determining the student's annual award using the half-time Disbursement Schedule; and

(2) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—

(i)

$$\frac{\text{The number of credit hours in the payment period}}{\text{The number of credit hours in the program's academic year}};$$

or

(ii)

The number of weeks of instructional time in the payment period  
The number of weeks of instructional time in the program's academic year

(b) For purposes of paragraph (a) of this section—

(1) The institution shall make the first payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(2) The institution shall make the second payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflects a workload of at least 30 hours of preparation per semester hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least 6 credit hours that commence and are completed in that term, the Disbursement Schedule for a half-time student is used to calculate the payment for the payment period; or

(ii) If the student is enrolled in less than 6 credit hours that commence and are completed in that term the Disbursement Schedule for a less-than-half-time student is used to calculate the payment for the payment period;

(3) A payment for a payment period is calculated using the formula in § 690.63(d) except that paragraphs (c) (1) and (2) of this section are used in lieu of § 690.63(d) (1) and (2) respectively; and

(4) The institution shall make the payment to a student for a payment period after that student completes 50 percent of the lessons or otherwise completes 50 percent of the work sched-

uled for the term, whichever occurs last.

(d) Payments for periods of residential training shall be calculated under § 690.63(d) if the residential training is offered using terms and credit hours or § 690.63(e) if the residential training is offered using credit hours without terms.

**§ 690.75 Determination of eligibility for payment.**

(a) For each payment period, an institution may pay a Federal Pell Grant to an eligible student only after it determines that the student—

(1) Qualifies as an eligible student under 34 CFR Part 668, Subpart C;

(2) Is enrolled in an eligible program as an undergraduate student; and

(3) If enrolled in a credit hour program without terms or a clock hour program, has completed the payment period as defined in § 668.4 for which he or she has been paid a Federal Pell Grant.

(b) If an institution determines at the beginning of a payment period that

a student is not maintaining satisfactory progress, but reverses that determination before the end of the payment period, the institution may pay a Federal Pell Grant to the student for the entire payment period.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress, but reverses that determination after the end of the payment period, the institution may neither pay the student a Federal Pell Grant for that payment period nor make adjustments in subsequent Federal Pell Grant payments to compensate for the loss of aid for that period.

(d) A member of a religious order, community, society, agency or organization who is pursuing a course of study in an institution of higher education is considered to have an expected family contribution amount at least equal to the maximum authorized award amount for the award year if that religious order—

(a)(1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, a student is liable for any Federal Pell Grant overpayment made to him or her.

(2) The institution is liable for a Federal Pell Grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or 34 CFR Part 668. The institution must restore an amount equal to the overpayment to its Federal Pell Grant account.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a Federal Pell Grant overpayment if the amount of the overpayment is less than \$25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes a Federal Pell Grant overpayment for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the Federal Pell Grant overpayment.

(2) If a student objects to the institution's Federal Pell Grant overpayment determination on the grounds that it is erroneous, the institution must consider any information provided by the student and determine whether the objection is warranted.

(c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay a Federal Pell Grant overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the Federal Pell Grant overpayment, after the institution has taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection purposes in accordance with procedures required by

### § 690.80 Recalculation of a Federal Pell Grant award.

(a) *Change in expected family contribution.* (1) The institution shall recalculate a Federal Pell Grant award for the entire award year if the student's expected family contribution changes at any time during the award year. The change may result from—

(i) The correction of a clerical or arithmetic error under § 690.14; or

(ii) A correction based on information required as a result of verification under 34 CFR part 668, subpart E.

(2) Except as described in 34 CFR 668.60(c), the institution shall adjust the student's award when an overaward or underaward is caused by the change in the expected family contribution. That adjustment must be made—

(i) Within the same award year—if possible—to correct any overpayment or underpayment; or

(ii) During the next award year to correct any overpayment that could not be adjusted during the year in which the student was overpaid.

(b) *Change in enrollment status.* (1) If the student's enrollment status changes from one academic term to another term within the same award year, the institution shall recalculate the Federal Pell Grant award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. Any such recalculations must take into account any changes in the cost of attendance. If such a policy is established, it must apply to all students.

## 34 CFR Ch. VI (7–1–14 Edition)

(ii) If a student's projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution shall recalculate the student's enrollment status to reflect only those classes for which the student actually began attendance.

(c) *Change in cost of attendance.* If the student's cost of attendance changes at any time during the award year and his or her enrollment status remains the same, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. If such a policy is established, it must apply to all students.

**§ 690.83 Submission of reports.**

(a)(1) An institution may receive either a payment from the Secretary for an award to a Federal Pell Grant recipient, or a corresponding reduction in the amount of Federal funds received in advance for which it is accountable, if—

(i) The institution submits to the Secretary the student's Payment Data for that award year in the manner and form prescribed in paragraph (a)(2) of this section by September 30 following the end of the award year in which the grant is made, or, if September 30 falls on a weekend, on the first weekday following September 30; and

(ii) The Secretary accepts the student's Payment Data.

(2) The Secretary accepts a student's Payment Data that is submitted in accordance with procedures established through publication in the FEDERAL REGISTER, and that contains information the Secretary considers to be accurate in light of other available information including that previously provided by the student and the institution.

(3) An institution that does not comply with the requirements of this paragraph may receive a payment or reduction in accountability only as provided in paragraph (d) of this section.

(b)(1) An institution shall report to the Secretary any change in the amount of a grant for which a student qualifies including any related Payment Data changes by submitting to the Secretary the student's Payment Data that discloses the basis and result of the change in award for each student. The institution shall submit the student's Payment Data reporting any change to the Secretary by the reporting deadlines published by the Secretary in the FEDERAL REGISTER.

(2) An institution shall submit, in accordance with deadline dates established by the Secretary, through publication in the FEDERAL REGISTER, other reports and information the Secretary requires and shall comply with the procedures the Secretary finds necessary to ensure that the reports are correct.

(3) An institution that timely submits, and has accepted by the Secretary, the Payment Data for a student in accordance with this section shall

report a reduction in the amount of a Federal Pell Grant award that the student received when it determines that an overpayment has occurred, unless that overpayment is one for which the institution is not liable under § 690.79(a).

(c) In accordance with 34 CFR 668.84, the Secretary may impose a fine on the institution if the institution fails to comply with the requirements specified in paragraphs (a) or (b) of this section.

(d)(1) Notwithstanding paragraphs (a) or (b) of this section, if an institution demonstrates to the satisfaction of the Secretary that the institution has provided Federal Pell Grants in accordance with this part but has not received credit or payment for those grants, the institution may receive payment or a reduction in accountability for those grants in accordance with paragraphs (d)(4) and either (d)(2) or (d)(3) of this section.

(2) The institution must demonstrate that it qualifies for a credit or payment by means of a finding contained in an audit report of an award year that was the first audit of that award year and that was conducted after December 31, 1988 and timely submitted to the Secretary under 34 CFR 668.23(c).

(3) An institution that timely submits the Payment Data for a student in accordance with paragraph (a) of this section but does not timely submit to the Secretary, or have accepted by the Secretary, the Payment Data necessary to document the full amount of the award to which the student is entitled, may receive a payment or reduction in accountability in the full amount of that award, if—

(i) A program review demonstrates to the satisfaction of the Secretary that the student was eligible to receive an amount greater than that reported in the student's Payment Data timely submitted to, and accepted by the Secretary; and

(ii) The institution seeks an adjustment to reflect an underpayment for that award that is at least \$100.

(4) In determining whether the institution qualifies for a payment or reduction in accountability, the Secretary takes into account any liabilities of the institution arising from that audit or program review or any

**§ 691.8 Enrollment status for students taking regular and correspondence courses.**

(a) If, in addition to regular coursework, a student takes correspondence courses from either his or her own institution or another institution having an agreement for this purpose with the student's institution, the correspondence work may be included in determining the student's enrollment status to the extent permitted under paragraph (b) of this section.

(b) Except as noted in paragraph (c) of this section, the correspondence work that may be included in determining a student's enrollment status is that amount of work that—

(2) Is completed within the period of time required for regular coursework; and

(3) Does not exceed the amount of a student's regular coursework for the payment period for which the student's enrollment status is being calculated.

(c)(1) Notwithstanding the limitation in paragraph (b)(3) of this section, a student who would be a half-time student based solely on his or her correspondence work is considered a half-time student unless the calculation in paragraph (b) of this section produces an enrollment status greater than half-time.

§ 691.15 **Eligibility to receive a grant.**

(a) *General.* A student who meets the requirements of 34 CFR part 668, Subpart C, is eligible to receive an ACG or a National SMART Grant if the student is receiving a Federal Pell Grant disbursement in the same award year.

(b) *ACG Program.* (1) A student is eligible to receive an ACG if the student—  
 (i) Meets the eligibility requirements in paragraph (a) of this section;  
 (ii) For the first year of his or her eligible program—

(A) Has received a high school diploma or, for a home-schooled student, a high school diploma or the certification of completion of a secondary

school education by the cognizant authority;

(B) Has successfully completed, after January 1, 2006, a rigorous secondary school program of study under § 691.16;

(C) Has not been previously enrolled as a regular student in an eligible program of undergraduate education except as part of a secondary school program of study. A transfer student who is a first-year student is not considered to have been previously enrolled; and

(iii) For the second year of his or her eligible program—

(A) Has received a high school diploma or, for a home-schooled student, a high school diploma or the certification of completion of a secondary school education by the cognizant authority;

(B) Has successfully completed, after January 1, 2005, a rigorous secondary school program of study under § 691.16;

(C) For the first year of his or her eligible program, obtained a grade point average (GPA) of 3.0 or higher on a 4.0 scale, or the numeric equivalent, consistent with other institutional measures for academic and title IV, HEA program purposes.

(2)(i) An institution must document a student's successful completion of a rigorous secondary school program of study under paragraphs (b)(1)(ii)(A), (b)(1)(ii)(B), (b)(1)(iii)(A) and (b)(1)(iii)(B) of this section using—

(A) Documentation provided directly to the institution by the cognizant authority; or

(B) Documentation from the cognizant authority provided by the student.

(ii) If an institution has reason to believe that the documentation provided by the student under paragraph (b)(2)(i)(B) of this section is inaccurate or incomplete, the institution must confirm the student's successful completion of a rigorous secondary school program of study by using documentation provided directly to the institution by the cognizant authority.

(3) For purposes of paragraph (b) of this section—

(i) A cognizant authority includes, but is not limited to—

(A) An LEA;

(B) An SEA or other State agency;

(C) A public or private high school; or

(D) A testing organization such as the College Board or State agency; or

(ii) A home-schooled student's parent or guardian is the cognizant authority for purposes of providing the documentation required under paragraph (b) of this section. This documentation must show that the home-schooled student successfully completed a rigorous secondary school program under § 691.16. This documentation may include a transcript or the equivalent or a detailed course description listing the secondary school courses completed by the student.

(4) For a student who transfers from an eligible program at one institution to an eligible program at another institution, the institution to which the student transfers may rely upon the prior institution's determination that the student successfully completed a rigorous secondary school program of study in accordance with paragraphs (b)(1)(ii)(A), (b)(1)(ii)(B), (b)(1)(iii)(A), and (b)(1)(iii)(B) of this section based on documentation that the prior institution may provide, or based on documentation of the receipt of an ACG disbursement at the prior institution.

(5)(i) If a student self-certifies on an application under § 691.12, or otherwise self-identifies to the institution, that he or she completed a rigorous secondary school program of study under § 691.16, an institution must attempt to collect the documentation described under paragraph (b)(2) of this section.

(ii) Notwithstanding 34 CFR 668.16(f), an institution is not required to determine the ACG eligibility of a student if the student does not self-certify on his or her application, or otherwise self-identify to the institution, the completion of a rigorous secondary school program of study.

(c) *National SMART Grant Program.* A student is eligible to receive a National SMART Grant for the third, fourth, or fifth year of his or her eligible program if the student—

(1) Meets the eligibility requirements in paragraph (a) of this section;

(2)(i) In accordance with the institution's academic requirements, formally declares an eligible major;

(ii) Is at an institution where the academic requirements do not allow a student to declare an eligible major in

**§691.15**

**34 CFR Ch. VI (7-1-14 Edition)**

time to qualify for a National SMART Grant on that basis and the student demonstrates his or her intent to declare an eligible major in accordance with paragraph (d) of this section; or

(iii) Is at an institution that offers as an eligible major a qualifying liberal arts curriculum identified under §691.17(b); and

(3) Has a cumulative GPA through the most recently completed payment period of 3.0 or higher on a 4.0 scale, or the numeric equivalent measure, consistent with other institutional measures for academic and title IV, HEA program purposes, in the student's eligible program.

(d) *Intent to declare a major.* (1) For a student whose institution's academic policies do not allow the student to declare an eligible major in time to qualify for a National SMART Grant disbursement, the institution must obtain and keep on file a recent self-certification of intent to declare an eligible major that is signed by the student.

(2) The student described in paragraph (d)(1) of this section must formally declare an eligible major when he or she is able to do so under the institution's academic requirements.

(3) If the student is enrolled in a qualifying liberal arts curriculum as a major, there is no requirement to declare a major.

(e) *Documentation of progression in the major.* The institution must document a student's progress in taking the courses necessary to complete the program in the intended or declared major that establishes eligibility for a National SMART Grant. Documentation of coursework progression in the eligible program may include, but is not limited to:

(1) Written counselor or advisor tracking of coursework progress toward a degree in the intended or declared eligible major.

(2) Written confirmation from an academic department within the institution that the student is progressing in coursework leading to a degree in the intended or declared eligible major. This confirmation must be signed by a departmental representative for the intended eligible major.

(3) Other written documentation of coursework that satisfies the ongoing

nature of monitoring student coursework progression in the intended or declared eligible major.

(f) *Transfer students.* (1)(i) Under the ACG Program, if a student transfers to an institution that accepts for enrollment at least the credit or clock hours to be considered a second-year student from all prior postsecondary institutions attended by the student, the GPA to determine second-year eligibility for an ACG is calculated using the grades from all coursework accepted by the current institution into the student's eligible program.

(ii) Under the ACG Program, if a student transfers to an institution that accepts for enrollment less than the credit or clock hours to be considered a second-year student from all prior postsecondary institutions attended by the student, the GPA to determine second-year eligibility for an ACG is calculated using the grades from—

(A) All coursework accepted from all prior postsecondary institutions by the current institution into the student's eligible program; and

(B) The coursework earned at the current institution through the payment period in which the student completes the credit or clock hours of the student's first year in an eligible program based on the total of the credit or clock hours accepted on transfer and the credit or clock hours earned at the current institution.

(2) Under the National SMART Grant Program, if a student transfers from one institution to the current institution, the current institution must determine that student's eligibility for a National SMART Grant for the first payment period using either the method described in paragraph (f)(2)(i) of this section or the method described in paragraph (f)(2)(ii) of this section, whichever method coincides with the current institution's academic policy. For an eligible student who transfers to an institution that—

(i) Does not incorporate grades from coursework that it accepts on transfer into the student's GPA at the current institution, the current institution, for the courses accepted in the eligible program upon transfer—

(A) Must calculate the student's GPA for the first payment period of enrollment using the grades earned by the student in the coursework from any prior postsecondary institution that it accepts toward the student's eligible program; and

(B) Must, for all subsequent payment periods, apply its academic policy and not incorporate the grades from the coursework that it accepts on transfer into the GPA at the current institution; or

(ii) Incorporates grades from the coursework that it accepts on transfer into the student's GPA at the current institution, an institution must use the grades assigned to the coursework accepted by the current institution into the eligible program as the student's cumulative GPA to determine eligibility for the first payment period of enrollment and all subsequent payment periods in accordance with its academic policy.

(g) *Numeric equivalent.* (1) If an otherwise eligible program measures academic performance using an alternative to standard numeric grading procedures, the institution must develop and apply an equivalency policy with a numeric scale for purposes of establishing ACG or National SMART Grant eligibility. That institution's equivalency policy must be in writing and available to students upon request and must include clear differentiations of student performance to support a determination that a student has performed at a level commensurate with at least a 3.0 GPA on a 4.0 scale in that program.

(2) A grading policy that includes only "satisfactory/unsatisfactory", "pass/fail", or other similar non-numeric assessments qualifies as a numeric equivalent only if—

(i) The institution demonstrates that the "pass" or "satisfactory" standard has the numeric equivalent of at least a 3.0 GPA on a 4.0 scale awarded in that program, or that a student's performance for tests and assignments yielded a numeric equivalent of a 3.0 GPA on a 4.0 scale; and

(ii) The institution's equivalency policy is consistent with any other standards the institution may have developed for academic and other title IV,

HEA program purposes, such as graduate school applications, scholarship eligibility, and insurance certifications, to the extent such standards distinguish among various levels of a student's academic performance.

(b) *Qualifying liberal arts curriculum as an eligible major.* The Secretary may designate a baccalaureate-degree liberal arts curriculum as an eligible major if—

(1) The curriculum is the only curriculum at the institution of higher education and was offered prior to February 8, 2006;

(2) A student is not allowed to declare a major in a particular subject area; and

(3) The Secretary determines that the curriculum—

(i) Is at least equal to the requirements for an identified National SMART Grant-eligible major at an institution of higher education that offers a baccalaureate degree in that eligible major; or

(ii) Requires the student to undertake a rigorous course of study in mathematics, biology, chemistry, and physics that consists of at least four years of study in mathematics and three years of study in the sciences, with a laboratory component in each of those years.

(4) For each award year, the Secretary will confirm the final list of eligible majors.

(e) *Duration of eligible major.* A major that ceases to be listed as an eligible major for an award year remains an eligible major in subsequent award years for a student who pursues that major and receives a National SMART Grant

in the award year in which the major was an eligible major.

**§ 691.63 Calculation of a grant for a payment period.**

(a)(1) *Programs using standard terms with at least 30 weeks of instructional time.* A student's grant for a payment period is calculated under paragraphs (b) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) Is offered in semesters, trimesters, or quarters; and

(C) Requires the student to enroll for at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(ii) The program uses an academic calendar that provides at least 30 weeks of instructional time in—

(A) Two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring, none of which overlaps any other term (including a summer term) in the program; or

(B) Any two semesters or trimesters, or any three quarters where—

(1) The institution starts its terms for different cohorts of students on a periodic basis (e.g., monthly);

(2) The program is offered exclusively in semesters, trimesters, or quarters; and

(3) Students are not allowed to be enrolled simultaneously in overlapping terms and must stay with the cohort in which they start unless they withdraw

from a term (or skip a term) and re-enroll in a subsequent term.

(2) *Programs using standard terms with less than 30 weeks of instructional time.* A student's payment for a payment period is calculated under paragraph (c) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) Is offered in semesters, trimesters, or quarters;

(C) Requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(D) Is not offered with overlapping terms; and

(ii) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) *Other programs using terms and credit hours.* A student's payment for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (a)(2) of this section.

(4) *Programs not using terms or using clock hours.* A student's payment for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) *Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3.* If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3,

an institution may calculate a student's payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

(b) *Programs using standard terms with at least 30 weeks of instructional time.* The payment for a payment period, i.e., an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(1)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her ACG or National SMART Grant annual award under § 691.62; and

(3) Dividing the amount described under paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student's ACG or National SMART Grant annual award if—

(A) An institution chooses to distribute all of the student's ACG or National SMART Grant annual award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year.

(c) *Programs using standard terms with less than 30 weeks of instructional time.* The payment for a payment period, i.e., an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her ACG or National SMART Grant annual award under § 691.62;

(3) Multiplying his or her ACG or National SMART Grant annual award determined under paragraph (c)(2) of this section by the following fraction as applicable: or

In a program using semesters or trimesters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall and spring semesters or trimesters}}{\text{The number of weeks of instructional time in the program's academic year}}$$

; or

In a program using quarters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks of instructional time in the program's academic year}}$$

; and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's ACG or National SMART Grant annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's ACG or National SMART Grant annual award if—

(A) An institution chooses to distribute all of the student's ACG or National SMART Grant Scheduled Award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) *Other programs using terms and credit hours.* The payment for a payment period, i.e., an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her ACG or National SMART Grant annual award under § 691.62; and

(A) Dividing the number of weeks of instructional time in the term by the number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(3) Multiplying his or her ACG or National SMART Grant annual award determined under paragraph (d)(2) of this section by the following fraction:

$$\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(e) *Programs using credit hours without terms or clock hours.* The grant for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by—

(1) Determining that the student is attending at least half-time;

(2) Determining the student's ACG or National SMART Grant Scheduled Award; and

(3) Multiplying the ACG or National SMART Grant amount determined under paragraph (e)(2) of this section by the lesser of—

(i)

$$\frac{\text{The number of credit or clock hours in the payment period}}{\text{The number of credit or clock hours in the program's academic year}};$$

or  
(ii)

The number of weeks of instructional time in the payment period  
The number of weeks of instructional time in the program's academic year

(f) *Maximum disbursement.* A single disbursement may not exceed 50 percent of any award determined under paragraph (d) of this section. If a payment for a payment period calculated under paragraph (d) of this section would require the disbursement of more than 50 percent of a student's ACG or National SMART Grant annual award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's ACG or National SMART Grant annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g) *Definition of academic year.* For purposes of this section, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.3.

(h) *Payment period and grade level progression.* A student may not progress to the next year during a payment period. The student's payment for the payment period—

(1) Is from the ACG or National SMART Grant Scheduled Award of the year being completed; and

(2) Is calculated based on the student's credit or clock hours for the payment period, and weeks of instructional time in the payment period.

**§ 691.64 Calculation of a grant for a payment period which occurs in two award years.**

(a) If a student enrolls in a payment period that is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year;

(2) The institution shall determine for each ACG or National SMART Grant recipient the award year in which the payment period will be placed subject to the restrictions set forth in paragraphs (a)(3) and (a)(6) of this section;

(3) The institution shall place a payment period with more than six months scheduled to occur within one award year in that award year;

(4) If the institution places the payment period in the first award year, it shall pay a student with funds from the first award year;

(5) If the institution places the payment period in the second award year, it shall pay a student with funds from the second award year; and

(6) The institution must assign the payment period for both the ACG or National SMART Grant and the Federal Pell Grant to the same award year.

(b) An institution may not make a payment that results in the student receiving more than his or her ACG or National SMART Grant Scheduled Award for a year of the student's eligible program.

**§ 691.65 Transfer student.**

(a) If a student who receives a grant under this part at one institution subsequently enrolls at a second institution in the same award year, the student may receive a grant at the second institution only if—

(1)(i) The student submits a valid SAR to the second institution; or

(ii) The second institution obtains a valid ISIR; and

(2) The student is receiving a Federal Pell Grant in the same award year.

(b) The second institution shall calculate the student's award according to § 691.63.

(c) The second institution may pay a grant only for that portion of the year of the student's eligible program in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's ACG or National SMART Grant Scheduled Award for the student's year at the second institution.

(d) If a student transfers between award years and the student's ACG or National SMART Grant Scheduled Award at the second institution differs from the ACG or National SMART Grant Scheduled Award at the first institution for that year of the student's eligible program, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the ACG or National SMART Grant Scheduled Award at the first institution to determine the percentage of the ACG or National SMART Grant Scheduled Award that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the ACG or National SMART Grant Scheduled Award at the second institution to which the student is entitled.

(e) The student's ACG or National SMART Grant payment for each payment period is calculated according to the procedures in § 691.63 unless the remaining percentage of the ACG or National SMART Grant Scheduled Award at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's payment is equal to that remaining percentage.

(f) A transfer student shall repay any amount received that exceeds his or her ACG or National SMART Grant Scheduled Award for a year in accordance with § 691.79.

**§ 691.66 Correspondence study.**

(a) An institution calculates the ACG or National SMART Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component, by—

(1) Determining that the student is attending at least half-time;

(2) Determining the student's half-time annual award determined under § 691.62; and

(3) Multiplying the student's half-time annual award by the lesser of—

(i)

$$\frac{\text{The number of credit hours in the payment period}}{\text{The number of credit hours in the program's academic year}}$$

or

The number of weeks of instructional time in the payment period  
The number of weeks of instructional time in the program's academic year

(b) For purposes of paragraph (a) of this section—

(1) The institution must make the first payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(2) The institution must make the second payment to a student for an academic year, as calculated under paragraph (a) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflects a workload of at least 30 hours of preparation per semester hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least 6 credit hours that commence and are completed in that term, the student's half-time annual award determined under § 691.62 is used to calculate the payment for the payment period; or

(ii) If the student is enrolled in less than 6 credit hours that commence and are completed in that term, the student is not eligible for an ACG and National SMART Grant;

(3) A payment for a payment period is calculated using the formula in § 691.63(d) except that paragraphs (c)(1) and (c)(2) of this section are used in lieu of § 691.63(d)(1) and (2), respectively; and

(4) The institution must make the payment to a student for a payment period after that student completes 50 percent of the lessons or otherwise completes 50 percent of the work sched-

uled for the term, whichever occurs last.

(d) Payments for periods of residential training must be calculated under § 691.63(d) if the residential training is offered using terms and credit hours or § 691.63(e) if the residential training is offered using credit hours without terms.

### Subpart G—Administration of Grant Payments

#### § 691.71 Scope.

This subpart deals with program administration by an eligible institution.

#### §§ 691.72–691.74 [Reserved]

#### § 691.75 Determination of eligibility for payment.

(a) For each payment period, an institution may pay a grant under this part to a student only after it determines that the student—

(1) Qualifies as a student who is eligible under § 691.15;

(2) Is enrolled as an undergraduate student in an eligible program;

(3) If enrolled in a self-paced credit-hour program without terms or a self-paced clock-hour program, as described in paragraph (e), is progressing as at least a half-time student after completing at least—

(i) Fifty percent of the credit or clock hours of the payment period for which the student is being paid; or

(ii) For a credit-hour program, 50 percent of the academic coursework of the payment period for which the student is being paid if the institution is unable to determine when the student has completed one-half of the credit hours of the payment period; and

(4) If enrolled in a credit-hour program without terms or a clock-hour program, has completed the payment

## § 691.76

## 34 CFR Ch. VI (7–1–14 Edition)

period as defined in 34 CFR 668.4 for which he or she has been paid a grant.

(b)(1) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress, but reverses that determination before the end of the payment period, the institution may pay a grant under this part to the student for the entire payment period.

(2) For purposes of the ACG Program, if an institution determines at the beginning of a payment period that a student enrolled in the second year of his or her eligible program is not maintaining the necessary GPA for an ACG under § 691.15(b)(1)(iii)(C), but reverses that determination before the end of the payment period, the institution may pay an ACG to the student for the entire payment period.

(3) For purposes of the National SMART Grant Program, if an institution determines at the beginning of a payment period that a student is not maintaining the necessary GPA for a National SMART Grant under § 691.15(c)(3) or is not pursuing a required major under § 691.15(c)(2), but reverses that determination before the end of the payment period, the institution may pay a National SMART Grant to the student for the entire payment period.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress or the necessary GPA for an ACG under § 691.15(b)(1)(iii)(C), a National SMART Grant under § 691.15(c)(3), or, in the case of a National SMART Grant is not pursuing a required major under § 691.15(c)(2), but reverses that determination after the end of the payment period, the institution may neither pay the student an ACG or a National SMART Grant for that payment period nor make adjustments in subsequent payments to compensate for the loss of aid for that period.

(d) Subject to the requirement of paragraph (d)(2), an institution may make one disbursement for a payment period to an otherwise eligible student if—

(1)(i) For the first payment period of the student's ACG for the second year, a student's GPA for the first year

under § 691.15(b)(1)(iii)(C) is not yet available; or

(ii) For a payment period for a National SMART Grant, a student's cumulative GPA through the prior payment period under § 691.15(c)(3) for the student's enrollment in the eligible program through the prior payment period under § 691.15(c)(3) is not yet available; and

(2) The institution assumes liability for any overpayment as a result of the student failing to meet the required GPA to qualify for the disbursement.

(e) For purposes of this section, a self-paced program is an educational program without terms that allows a student—

(1) To complete courses without a defined schedule for completing the courses; or

(2) At the student's discretion, to begin courses within a program either at any time or on specific dates set by the institution for the beginning of courses without a defined schedule for completing the program.

### § 691.76 Frequency of payment.

(a) In each payment period, an institution may pay a student at such times and in such installments as it determines will best meet the student's needs.

(b) The institution may pay funds in one lump sum for all the prior payment periods for which the student was eligible under § 691.15 within the award year. The student's enrollment status must be determined according to work already completed.

### §§ 691.77–691.78 [Reserved]

### § 691.79 Liability for and recovery of grant overpayments.

(a)(1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, a student is liable for any grant overpayment made to him or her under this part.

(2) The institution is liable for a grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or 34 CFR part 668. The institution must restore an amount equal to the overpayment to its ACG or National SMART Grant account, as applicable.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a grant overpayment under this part if the amount of the overpayment is less than \$25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes an overpayment under this part for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the overpayment.

(2) If a student objects to the institution's overpayment determination on the grounds that it is erroneous, the institution must consider any information provided by the student and determine whether the objection is warranted.

(c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay an overpayment under this part or make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, after the institution has taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. After referring the overpayment to the Secretary under this section, the institution need make no further efforts to recover the overpayment.

(Authority: 20 U.S.C. 1070a-1)

**§ 691.80 Redetermination of eligibility for a grant award.**

(a) Change in receipt of Federal Pell Grant. If, after the beginning of an award year, a student otherwise eligible for an ACG or a National SMART Grant begins or ceases to receive a Federal Pell Grant in that award year, the institution must redetermine the student's eligibility for an ACG or a National SMART Grant in that award year.

(b) *Change in enrollment status.* (1) If the student's enrollment status changes from one payment period to another within the same award year, the institution must recalculate the student's award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. If such a policy is established, it must apply to all students and be the same as the policy established for the Federal Pell Grant Program.

(ii)(A) If a student's projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution must recalculate the student's enrollment status to reflect only those classes for which the student actually began attendance.

(B) If a student's projected enrollment status changes to less-than-half-time during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution must determine that the student is ineligible for a grant for that payment period.

### § 692.3 What regulations apply to the LEAP Program?

The following regulations apply to the LEAP Program:

(6) 34 CFR part 82 (New Restrictions on Lobbying).

(7) 34 CFR part 85 (Governmentwide Debarment and Suspension (Non-procurement) and Governmentwide Requirements for Drug-Free Workplace (Grants)).

(8) 34 CFR part 86 (Drug and Alcohol Abuse Prevention).

(c) The Student Assistance General Provisions in 34 CFR part 668.

(Authority: 20 U.S.C. 1070c-1070c-4)

[52 FR 45433, Nov. 27, 1987, as amended at 55 FR 21716, May 25, 1990; 59 FR 4223, Jan. 28, 1994; 65 FR 38729, June 22, 2000]

**§ 692.4 What definitions apply to the LEAP Program?**

The following definitions apply to the regulations in this part:

(a) The definitions of the following terms under 34 CFR part 600:

Postsecondary vocational institution (§600.6).

Public or private nonprofit institution of higher education (§600.4).

Secretary (§600.2).

State (§600.2).

(b) The definitions of the following terms under 34 CFR part 668:

Academic year (§668.2).

Enrolled (§668.2).

HEA (§668.2).

Institution (§668.1(b)).

(c) The definitions of the following terms also apply to the LEAP Program:

*Full-time student* means a student carrying a full-time academic workload—other than by correspondence—as measured by both of the following:

(1) Coursework or other required activities, as determined by the institution that the student attends or by the State.

(2) The tuition and fees normally charged for full-time study by that institution.

*Nonprofit* has the same meaning under this part as the same term defined in 34 CFR 77.1 of EDGAR.

(Authority: 20 U.S.C. 1070c-1070c-4)

[52 FR 45433, Nov. 27, 1987, as amended at 59 FR 4223, Jan. 28, 1994; 65 FR 38729, June 22, 2000]

WHAT IS THE AMOUNT OF ASSISTANCE AND HOW MAY IT BE USED?

**§ 692.10 How does the Secretary allot funds to the States?**

(a)(1) The Secretary allots to each State participating in the LEAP program an amount which bears the same ratio to the Federal LEAP funds appropriated as the number of students in that State who are “deemed eligible” to participate in the State’s LEAP program bears to the total number of students in all States who are “deemed eligible” to participate in the LEAP program, except that no State may receive less than it received in fiscal year 1979 for the programs under this part.

(2) For the programs under this part, if the Federal funds appropriated for a fiscal year are not sufficient to allot to each State the amount of Federal funds it received in fiscal year 1979, the Secretary allots to each State an amount which bears the same ratio to the amount of Federal funds appropriated as the amount of Federal funds that State received in fiscal year 1979 bears to the amount of Federal funds all States received in fiscal year 1979.

(b) For the purpose of paragraph (a)(1) of this section, the Secretary determines the number of students “deemed eligible” to participate in a State’s LEAP Program by dividing the amount of that State’s LEAP expenditures, including both its Federal allotment and the State funds matching the allotment, by the average grant award per student of all participating States. The Secretary determines the “average grant award per student” by dividing the total number of student recipients for all States into the total amount of LEAP expenditures for all States, including both the Federal allotments and the State funds matching those allotments. In making this determination, the Secretary uses the most current available data reported by each State.

**§ 692.11 For what purposes may a State use its payments under the LEAP Program?**

A State may use the funds it receives under the LEAP Program only to make grants to students and to pay wages or salaries to students in community service-learning jobs.

HOW DOES A STATE APPLY TO PARTICIPATE IN THE LEAP PROGRAM?

**§ 692.20 What must a State do to receive an allotment under this program?**

(a) For each fiscal year that it wishes to participate, a State shall submit an

## 34 CFR Ch. VI (7-1-14 Edition)

application that contains information that shows that its Leveraging Educational Assistance Partnership Program meets the requirements of § 692.21.

(b)(1) Except as provided in paragraph (b)(2) of this section, the State must submit its application through the State agency designated to administer its Leveraging Educational Assistance Partnership Program as of July 1, 1985.

(2) If the Governor of the State so designates, and notifies the Secretary in writing, the State may submit its application under paragraph (a) of this section through an agency that did not administer its Leveraging Educational Assistance Partnership Program as of July 1, 1985.

(Authority: 20 U.S.C. 1070c-2(a))

[52 FR 45433, Nov. 27, 1987, as amended at 65 FR 38730, June 22, 2000]

### **§ 692.21 What requirements must be met by a State program?**

(a) Is administered by a single State agency;

(b) Provides assistance only to students who meet the eligibility requirements in § 692.40;

(c) Provides that assistance under this program to a full-time student will not be more than the lesser of \$12,500 or the student's cost of attendance under section 472 of the HEA for each academic year;

(b)(1) The community service-learning job program must be administered by institutions in the State.

(2) Each student employed under the program must be employed in work in the public interest by an institution itself or by a Federal, State, or local public agency or a private nonprofit organization under an arrangement between the institution and the agency or organization.

(c) Each community service-learning job must—

(1) Provide community service as described in paragraph (d) of this section;

(2) Provide participating students community service-learning opportunities related to their educational or vocational programs or goals;

(3) Not result in the displacement of employed workers or impair existing contracts for services;

(6) Not pay any wage to a student that is less than the current Federal

(d) For the purpose of paragraph (c)(1) of this section, "community service" means direct service, planning, or applied research that is—

(e) For the purpose of paragraph (d)(2) of this section, "low-income residents" means—

## § 692.41

### **§ 692.41 What standards may a State use to determine substantial financial need?**

(a) A State determines whether a student has substantial financial need on the basis of criteria it establishes that are approved by the Secretary. A State may define substantial financial need in terms of family income, expected family contribution, and relative need as measured by the difference between the student's cost of attendance and the resources available to meet that cost. To determine substantial need, the State may use—

(1) A system for determining a student's financial need under part F of title IV of the HEA;

(2) The State's own needs analysis system if approved by the Secretary; or

(3) A combination of these systems, if approved by the Secretary.

(b) The Secretary generally approves a need-analysis system under paragraph (a) (2) or (3) of this section only if the need-analysis system applies the term "independent student" as defined under section 480(d) of the HEA. However, for good cause shown, the Secretary may approve, on a case-by-case basis, a State's need analysis system that uses a definition for "independent student" that varies from that term as defined in section 480(d) of the HEA.

(i) Issue the student a preliminary award certificate for a LEAP Grant under GAP with estimated award amounts; and

**§692.112**

**34 CFR Ch. VI (7-1-14 Edition)**

(ii) Inform the student that the payment of the grant is subject to certification of enrollment and eligibility by the institution.

(2) If a student enrolls in an institution that is not a partner in the partnership of the student's State of residence but the State has not restricted eligibility to students enrolling in partner institutions, including, if applicable, out-of-State institutions, the State shall, to the extent practicable, follow the procedures of paragraph (e)(1) of this section.

**Basic Allotment Formula**

1) Derive a percentage of total enrollment of all states:

$$\frac{\text{State Enrollment Data}^*}{\text{Total State Enrollment (for all states/territories)}} = \% \text{ of Total Enrollment}$$

2) Determine what portion of the Federal Appropriation a State/territory receives:

$$\% \text{ of Total Enrollment} \times \text{Federal Appropriation Amount} = \text{Amount of the Allocation per State}$$

\*Use FY 1979 enrollment data unless the appropriation exceeds \$76,452,287 (the FY 1979 appropriation); 1976-1977 award year enrollment data used for FY 1979. Use most recent enrollment data if appropriation exceeds \$76,452,287.

NOTE: This case study illustrates the requirements for allotting funds under the GAP Program under \$692.110 and SLEAP Program funding during fiscal year 2010 (the 2010-2011 award year) under \$692.70. Apart from State enrollments for fiscal year 1979 used in the allotment formula, nothing in the case study should be considered to reflect any State's actual circumstances or the expected funding for any State.

(Authority: 20 U.S.C. 1070a-22)

(1) Control the funds used to provide services under GEAR UP to those students;

(2) Hold title to materials, equipment, and property purchased with GEAR UP funds for GEAR UP program uses and purposes related to those students; and

(3) Administer those GEAR UP funds and property.

(a) In order to be eligible for GEAR UP funding—

(1) An applicant must state in its application the percentage of the cost of the GEAR UP project the applicant will provide for each year from non-Federal funds, subject to the requirements in paragraph (b) of this section; and

(2) A grantee must make substantial progress towards meeting the matching percentage stated in its approved application for each year of the project period.

(b) Except as provided in §§ 694.8 and 694.9, the non-Federal share of the cost of the GEAR UP project must be not less than 50 percent of the total cost of the project (i.e., one dollar of non-Federal contributions for every one dollar of Federal funds obligated for the project) over the project period.

[75 FR 65798, Oct. 26, 2010]

**§ 694.8 Under what conditions may the Secretary approve a request from a Partnership applying for a GEAR UP grant to waive a portion of the matching requirement?**

(a) The Secretary may approve a Partnership applicant's request for a waiver of up to 75 percent of the matching requirement for up to two

years if the applicant demonstrates in its application a significant economic hardship that stems from a specific, exceptional, or uncontrollable event, such as a natural disaster, that has a devastating effect on the members of the Partnership and the community in which the project would operate.

(b)(1) The Secretary may approve a Partnership applicant's request to waive up to 50 percent of the matching requirement for up to two years if the applicant demonstrates in its application a pre-existing and an on-going significant economic hardship that precludes the applicant from meeting its matching requirement.

(2) In determining whether an applicant is experiencing an on-going economic hardship that is significant enough to justify a waiver under this paragraph, the Secretary considers documentation of such factors as:

(i) Severe distress in the local economy of the community to be served by the grant (*e.g.*, there are few employers in the local area, large employers have left the local area, or significant reductions in employment in the local area).

(ii) Local unemployment rates that are higher than the national average.

(iii) Low or decreasing revenues for State and County governments in the area to be served by the grant.

(iv) Significant reductions in the budgets of institutions of higher education that are participating in the grant.

(v) Other data that reflect a significant economic hardship for the geographical area served by the applicant.

(3) At the time of application, the Secretary may provide tentative approval of an applicant's request for a waiver under paragraph (b)(1) of this section for all remaining years of the project period. Grantees that receive tentative approval of a waiver for more than two years under this paragraph must submit to the Secretary every two years by such time as the Secretary may direct documentation that demonstrates that—

(i) The significant economic hardship upon which the waiver was granted still exists; and

(ii) The grantee tried diligently, but unsuccessfully, to obtain contributions

needed to meet the matching requirement.

(c) The Secretary may approve a Partnership applicant's request in its application to match its contributions to its scholarship fund, established under section 404E of the HEA, on the basis of two non-Federal dollars for every one Federal dollar of GEAR UP funds.

(d) The Secretary may approve a request by a Partnership applicant that has three or fewer institutions of higher education as members to waive up to 70 percent of the matching requirement if the Partnership applicant includes—

(1) A fiscal agent that is eligible to receive funds under title V, or Part B of title III, or section 316 or 317 of the HEA, or a local educational agency;

(2) Only participating schools with a 7th grade cohort in which at least 75 percent of the students are eligible for free or reduced-price lunch under the Richard B. Russell National School Lunch Act; and

(3) Only local educational agencies in which at least 50 percent of the students enrolled are eligible for free or reduced-price lunch under the Richard B. Russell National School Lunch Act.

**§ 694.9 Under what conditions may the Secretary approve a request from a Partnership that has received a GEAR UP grant to waive a portion of the matching requirement?**

(a) After a grant is awarded, the Secretary may approve a Partnership grantee's written request for a waiver of up to—

(1) 50 percent of the matching requirement for up to two years if the grantee demonstrates that—

(i) The matching contributions described for those two years in the grantee's approved application are no longer available; and

(ii) The grantee has exhausted all funds and sources of potential contributions for replacing the matching funds.

(2) 75 percent of the matching requirement for up to two years if the grantee demonstrates that matching contributions from the original application are no longer available due to

an uncontrollable event, such as a natural disaster, that has a devastating economic effect on members of the Partnership and the community in which the project would operate.

(b) In determining whether the grantee has exhausted all funds and sources of potential contributions for replacing matching funds, the Secretary considers the grantee's documentation of key factors such as the following and their direct impact on the grantee:

(1) A reduction of revenues from State government, County government, or the local educational agency (LEA).

(2) An increase in local unemployment rates.

(3) Significant reductions in the operating budgets of institutions of higher education that are participating in the grant.

(4) A reduction of business activity in the local area (*e.g.*, large employers have left the local area).

(5) Other data that reflect a significant decrease in resources available to the grantee in the local geographical area served by the grantee.

(c) If a grantee has received one or more waivers under this section or under § 694.8, the grantee may request an additional waiver of the matching requirement under this section no earlier than 60 days before the expiration of the grantee's existing waiver.

(d) The Secretary may grant an additional waiver request for up to 50 percent of the matching requirement for a period of up to two years beyond the expiration of any previous waiver.

**§ 694.12 Under what conditions do State and Partnership GEAR UP grantees make section 404E scholarship awards?**

(a)(1) *State Grantees.* All State grantees must establish or maintain a financial assistance program that awards section 404E scholarships to students in accordance with the requirements of § 694.13 or § 694.14, as applicable.

(2) *Partnership Grantees.* Partnerships may, but are not required, to award scholarships to eligible students. If a Partnership awards scholarships to eligible students pursuant to section 404E of the HEA, it must comply with the requirements of § 694.13 or § 694.14, as applicable.

(b)(1) *Section 404E scholarship awards for grantees whose initial GEAR UP grant awards were made prior to August 14, 2008.* A State or Partnership grantee making section 404E scholarship awards using funds from GEAR UP grant awards that were made prior to August 14, 2008, must provide such scholarship awards in accordance with the requirements of § 694.13 unless it elects to provide the scholarships in accordance with the requirements of § 694.14 pursuant to paragraph (b)(2) of this section.

(2) *Election to use § 694.14 requirements.* A State or Partnership grantee making section 404E scholarship awards using funds from GEAR UP grant awards that were made prior to August 14, 2008, may provide such scholarship awards in accordance with the requirements of § 694.14 (rather than the re-

quirements of § 694.13) provided that the grantee—

- (i) Informs the Secretary, in writing, of its election to make the section 404E scholarship awards in accordance with the requirements of § 694.14; and
- (ii) Such election does not decrease the amount of the scholarship promised to any individual student under the grant.

(c) *Section 404E scholarship awards for grantees whose initial GEAR UP grant awards were made on or after August 14, 2008.* A State or Partnership grantee making section 404E scholarship awards using funds from GEAR UP grant awards that were made on or after August 14, 2008, must provide such scholarship awards in accordance with the requirements of § 694.14.

**§ 694.13 What are the requirements concerning section 404E scholarship awards for grantees whose initial GEAR UP grant awards were made prior to August 14, 2008?**

The following requirements apply to section 404E scholarship awards for grantees whose initial GEAR UP grant awards were made prior to August 14, 2008 unless the grantee elects to provide such scholarship awards in accordance with the requirements of § 694.14 pursuant to § 694.12(b)(2).

(a)(1) The maximum scholarship amount that an eligible student may receive under this section must be established by the grantee.

(2) The minimum scholarship amount that an eligible student receives in a fiscal year pursuant to this section must not be less than the lesser of—

- (i) 75 percent of the average cost of attendance for an in-State student, in a four-year program of instruction, at public institutions of higher education in the student's State; or
- (ii) The maximum Federal Pell Grant award funded under section 401 of the HEA for the award year in which the scholarship is awarded.

(3) If an eligible student who is awarded a GEAR UP scholarship attends an institution of higher education on a less than full-time basis during any award year, the State or Partnership awarding the GEAR UP

scholarship may reduce the scholarship amount, but in no case may the percentage reduction in the scholarship be greater than the percentage reduction in tuition and fees charged to that student.

(b) Scholarships provided under this section may not be considered for the purpose of awarding Federal grant assistance under title IV of the HEA, except that in no case may the total amount of student financial assistance awarded to a student under title IV of the HEA exceed the student's total cost of attendance.

(c) Grantees providing section 404E scholarship awards in accordance with this section—

(1) Must award GEAR UP scholarships first to students who will receive, or are eligible to receive, a Federal Pell Grant during the award year in which the GEAR UP scholarship is being awarded; and

(2) May, if GEAR UP scholarship funds remain after awarding scholarships to students under paragraph (c)(1) of this section, award GEAR UP scholarships to other eligible students (*i.e.*, students who are not eligible to receive a Federal Pell Grant) after considering the need of those students for GEAR UP scholarships.

(d) For purposes of this section, an eligible student is a student who—

(1) Is less than 22 years old at the time of award of the student's first GEAR UP scholarship;

(2) Has received a secondary school diploma or its recognized equivalent on or after January 1, 1993;

(3) Is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education that is located within the State's boundaries, except that, at the grantee's option, a State or Partnership may offer scholarships to students who attend institutions of higher education outside the State; and

(4) Has participated in activities under § 694.21 or § 694.22.

(e) A State using a priority approach may award scholarships under paragraph (a) of this section to eligible students identified by priority at any time during the grant award period rather than reserving scholarship funds for

use only in the seventh year of a project or after the grant award period.

(f) A State or a Partnership that makes scholarship awards from GEAR UP funds in accordance with this section must award continuation scholarships in successive award years to each student who received an initial scholarship and who is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education.

The following requirements apply to section 404E scholarship awards provided by grantees whose initial GEAR UP grant awards were made on or after August 14, 2008 and any section 404E scholarship awards for grantees whose initial GEAR UP grant awards were issued prior to August 14, 2008, but who, pursuant to § 694.12(b)(2), elected to use the § 694.14 requirements (rather than the § 694.13 requirements).

(2) The minimum scholarship amount that an eligible student receives in a fiscal year must not be less than the minimum Federal Pell Grant award under section 401 of the HEA at the time of award.

(3) If an eligible student who is awarded a GEAR UP scholarship attends an institution of higher education on a less than full-time basis during any award year, the State or Partnership awarding the GEAR UP scholarship may reduce the scholarship amount, but in no case may the percentage reduction in the scholarship be greater than the percentage reduction in tuition and fees charged to that student.

(b) For purposes of this section, an eligible student is a student who—

(2) Has received a secondary school diploma or its recognized equivalent on or after January 1, 1993;

(3) Is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education that is located within the State's boundaries, except that, at the grantee's option, a State or Partnership may offer scholarships to students who attend institutions of higher education outside the State; and

(4) Has participated in the activities required under § 694.21.

(c)(1) By the time students who have received services from a State grant have completed the twelfth grade, a State that has not received a waiver under section 404E(b)(2) of the HEA of the requirement to spend at least 50 percent of its GEAR UP funds on scholarships must have in reserve an amount that is not less than the minimum Federal Pell Grant multiplied by the number of students the State estimates will enroll in an institution of higher education.

(2) Consistent with paragraph (a) of this section and § 694.16(a), States must use funds held in reserve to make scholarships to eligible students.

(3) Scholarships must be made to all students who are eligible under the definition in paragraph (b) of this section. A grantee may not impose additional eligibility criteria that would have the effect of limiting or denying a scholarship to an eligible student.

(d) A State using a priority approach may award scholarships under paragraph (a) of this section to eligible students identified by priority at any time during the grant award period rather than reserving scholarship funds for use only in the seventh year of a project or after the grant award period.

(e) States providing scholarships must provide information on the eligibility requirements for the scholarships to all participating students upon the students' entry into the GEAR UP program.

(f) A State must provide scholarship funds as described in this section to all eligible students who attend an institution of higher education in the State, and may provide these scholarship funds to eligible students who attend

institutions of higher education outside the State.

(g) A State or a Partnership that chooses to participate in the scholarship component in accordance with section 404E of the HEA may award continuation scholarships in successive award years to each student who received an initial scholarship and who is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education.

(h) A GEAR UP scholarship, provided under section 404E of the HEA, may not be considered in the determination of a student's eligibility for other grant assistance provided under title IV of the HEA, except that in no case may the total amount of student financial assistance awarded to a student under title IV of the HEA exceed the student's total cost of attendance.

(b) Any Federal scholarship funds that are not used by eligible students within six years of the students' scheduled completion of secondary school, and are not redistributed by the grantee to other eligible students, must be returned to the Secretary within 45 days after the six-year period for expiring the scholarship funds expires.

(2) In its application, requested a seventh year so that it may continue to provide services to students through their first year of attendance at an institution of higher education.

(b) A State grantee that uses a priority (rather than or in addition to a cohort) approach to identify participating students may, consistent with its approved application and at any time during the project period, provide services to students during their first year of attendance at an institution of

The Director may, through a notice published in the FEDERAL REGISTER, select annually one or more priorities for funding. These priorities may be chosen from the areas of greatest immediate concern to the Institute and may include, but are not limited to, the following areas:

(a) *Developing leadership in adult learners.* Because adult learners are the true experts on literacy, they are an important resource for the field. Their firsthand experience as “customers” of the literacy system can be invaluable in assisting the field in moving forward, particularly in terms of raising public awareness and understanding about literacy.

(b) *Expanding the use of technology in literacy programs.* One of the Institute’s major projects is the Literacy Information and Communication System (LINCS), an Internet-based information system that provides timely information and abundant resources to the literacy community. Keeping the literacy community up to date in the Information Age is vital.

(c) *Improving accountability for literacy programs.* Literacy programs must develop accountability systems that demonstrate their effectiveness in helping adult learners contribute more fully in the workplace, family and community. There is growing interest in results-oriented literacy practice, especially as related to the Equipped for the Future (EFF) framework.

(d) *Raising public awareness about literacy.* The Institute is leading a national effort to raise public awareness that literacy is part of the solution to many social concerns, including health, welfare, the economy, and the well-being of children. Projects that enhance this effort will be given priority consideration.

**Subpart B—How Does an Individual Apply for a Fellowship?**

**§ 1100.10 What categories of fellowships does the Institute award?**

The Institute awards two categories of Literacy Leadership Fellowships:

- (a) Literacy Worker Fellowships; and
- (b) Adult Learner Fellowships.

**§ 1100.11 How does an individual apply for a fellowship?**

An individual shall apply to the Director for a fellowship award in response to an application notice published by the Director in the FEDERAL REGISTER. The application must describe a plan for one or more of the activities stated in § 1100.3 that the applicant proposes to conduct under the fellowship. The application must indicate which category of fellowship, as described in § 1100.10, most accurately describes the applicant. Applicants must also submit for letters for recommendation and certain forms, assurances and certifications, including the certification required under 34 CFR 75.61. For applicants who propose to conduct the fellowship project on a part-time basis while undertaking other paid employment, one of the four required letters of recommendation must be from the applicant’s employer, and must include a statement that the applicant’s workload will not exceed 100 percent of time.

(Approved by the Office of Management and Budget under OMB Control Number 3430-0003, Expiration Date 6/30/2000)

**§ 1100.12 What applications are not evaluated for funding?**

The Director does not evaluate an application if—

- (a) The applicant is not eligible under § 1100.2;
- (b) The applicant does not comply with all of the procedural rules that govern the submission of applications for Literacy Leader Fellowship funds;
- (c) The application does not contain the information required by the Institute;
- (d) The application proposes a project for which a fellow may not use the fellowship funds, as described in § 1100.3(b).

(2) The Institute's Advisory Board evaluates these applications based on the selection criteria in §1100.21 and makes funding recommendations to the Director.

(3) The Director then determines the number of awards to be made in each fellowship category and the order in which applications will be selected for fellowships, based on the initial rank order, recommendations by the board, and any other information relevant to any of the selection criteria, applicable priorities, or the purposes of the Literacy Leader Fellowship Program, including whether the selection of an application would increase the diversity of fellowship projects under this program.

#### § 1100.21 What selection criteria does the Director use to rate an applicant?

The Director uses the following criteria in evaluating each applicant for a fellowship:

(a) *Quality of plan.* (45 points) The Director uses the following criteria to evaluate the quality of the proposed project:

(4) The applicant provides letters of recommendation that show strong knowledge by others in the literacy field of the applicant's background and past work.

(c) *Relevance to the Institute.* (10 points) The Director uses the following criteria to evaluate the relevance of the applicant's proposal to the Institute:

(1) The project significantly relates to the purposes and work of the Institute.

(2) The applicant proposes a minimum of four visits to the Institute for quarterly meetings (this may be adjusted according to the number of months to be served in the fellowship) and, if necessary, depending on the nature and scope of the proposed project, to spend an additional portion of the project time at the Institute.

(d) *Dissemination plan.* (10 points) The Director uses the following criteria to evaluate the quality of the dissemination plan;

### § 1100.23 What payment methods may the Director use?

(a) Director will pay a fellowship award directly to the fellow or through the fellow's employer. The application should specify if the fellow wishes to be paid directly or through the fellow's employer.

(b) The Director considers the preferences of the fellow in determining whether to pay a fellowship award directly to the fellow or through the fellow's employer; however, the Director pays a fellowship award through the fellow's employer only if the employer enters into an agreement with the Di-

rector to comply the provisions of § 1100.25.

### § 1100.24 What are the procedures for payment of a fellowship award directly to the fellow?

(a) If the Director pays fellowship award directly to the fellow after the Director determines the amount of a fellowship award, the fellowship recipient shall submit a payment schedule to the Director for approval. The Director advises the recipient of the approved schedule.

**§§ 1200.104–1200.109 [Reserved]**

**§ 1200.110 Self-evaluation.**

self-evaluation, maintain on file and make available for public inspection:

- (1) A description of areas examined and any problems identified; and
- (2) A description of any modifications made.

### § 1200.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

### §§ 1200.112–1200.129 [Reserved]

### § 1200.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in accord with equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to oth-

ers unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified

individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

**§§ 1200.131–1200.139 [Reserved]**

**§ 1200.140 Employment.**

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

**§§ 1200.141–1200.148 [Reserved]**

**§ 1200.149 Program accessibility: Discrimination prohibited.**

Except as otherwise provided in § 1200.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

**§ 1200.150 Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1200.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,

shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of §1200.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1200.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

**§ 1200.151 Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

**§§ 1200.152–1200.159 [Reserved]**

**§ 1200.160 Communications.**

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices

**§§ 1200.161–1200.169**

**34 CFR Ch. XII (7–1–14 Edition)**

for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1200.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

**§§ 1200.161–1200.169 [Reserved]**

**§ 1200.170 Compliance procedures.**

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on

the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to the National Council on Disability, 800 Independence Avenue, SW., suite 814, Washington, DC 20591.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1200.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of

**National Council on Disability**

**§§ 1200.171–1200.999**

the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(1) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.
