§ 910.65 Restoration.
Restoration means the process of accurately recovering the form and details of a property as they appeared at a particular period of time by means of removal of later work and the replacement of missing original work, consistent with the objectives and goals of the Plan.

§ 910.66 Sidewalk setback.
Sidewalk setback means that area between a building restriction line and the right-of-way of a street into which projections except architectural articulations, minor architectural embellishments, and subsurface structures, are prohibited. The area is to be dedicated to open space activities related to the public improvements program of the Pennsylvania Avenue Development Corporation. Subsurface structures may intrude into the area if they are in compliance with the Square Guidelines.

§ 910.67 Square guidelines.
Square Guidelines establish the Corporation’s specific intent with regard to design and development objectives relative to each individual coordinated planning area.

§ 910.68 Storefront.
Storefront means the street level frontage relating to a single establishment.

§ 910.69 Structural bay.
Structural bay means the distance or span from one vertical structural member fronting on a street to the immediately adjacent vertical structural member fronting on the same street.

§ 910.70 Vault.
A vault means an enclosure of space beneath the surface of the public space or sidewalk setback, except that the term vault shall not include public utility structures.

§ 910.71 Weather protection.
Weather protection means a seasonal or permanent shelter to protect pedestrians from sun or precipitation, consisting of arcades, canopies, awnings, or other coverings.
