

§ 3.81

(2) If the submission is by an assignee of less than the entire right, title and interest (*e.g.*, more than one assignee exists) the Office may refuse to accept the submission as an establishment of ownership unless:

These regulations govern the Patent and Trademark Office's (Office) responsibilities under the Inventors' Rights Act of 1999, which can be found in the U.S. Code at 35 U.S.C. 297. The Act requires the Office to provide a forum for the publication of complaints concerning invention promoters. The Office will not conduct any independent investigation of the invention promoter. Additionally, the complaint should include names and addresses of persons believed to be associated with the invention promoter. Complaints, and any replies, must be addressed to: Mail Stop 24, Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450.

(d) Complaints that do not provide the information requested in paragraphs (b) and (c) of this section will be returned. If complainant's address is not provided, the complaint will be destroyed.

§ 4.4

§ 4.4 Invention promoter reply.

(a) If a submission appears to meet the requirements of a complaint, the invention promoter named in the complaint will be notified of the complaint and given 30 days to respond. The invention promoter's response will be made available to the public along with the complaint. If the invention promoter fails to reply within the 30-day time period set by the Office, the complaint will be made available to the public. Replies sent after the complaint is made available to the public will also be published.

(b) A response must be clearly marked, or otherwise identified, as a response by an invention promoter. The response must contain:

Only where the USPTO's Web site is unavailable for publication will the USPTO publish the Notice of Complaint in the *Official Gazette* and/or the FEDERAL REGISTER. The invention promoter will be given 30 days from such notice to submit a reply to the Notice of Complaint. If the USPTO does not receive a reply from the invention promoter within 30 days, the complaint alone will become publicly available.
